Washington State Elections

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](https://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

# # Future # Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

# How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

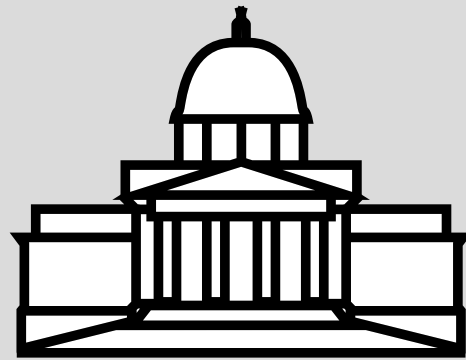

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076) Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

### Statement

I am proud to represent and stand up for working people across our district. As your Congresswoman, I've worked to raise wages and lower costs; ensure College for All and cancel student debt; fight for our reproductive freedoms; and take on the urgent crisis of climate change.

As Congressional Progressive Caucus Chair, I introduced legislation for Medicare for All, tuition-free college, housing as a human right, expanded collective bargaining, \$15 minimum wage, humane immigration reform, a wealth tax on the wealthiest 1%, and pandemic relief directly to workers and businesses. I've introduced numerous bills to get money out of politics and to ensure ethics in Congress and our Supreme Court.

I played a critical role in ensuring stimulus checks in the American Rescue Plan and in passing historic investments to fund our roads and bridges, get lead out of water, and create a network of electric vehicle charging stations. My bill with Senator Murray, Survivors Access to Supportive Care Act, was signed into law, as was my bill to eliminate forced arbitration for sexual assault and harassment.

As your Congresswoman, I've held nearly 100 town halls to hear from you and fight for priorities like affordable housing and child care. I have helped hundreds of constituents – including veterans and seniors – save more than \$6 million dollars in federal benefits.

I'm proud to represent a district rich in innovation, diversity, and compassion. I've never taken corporate PAC money because I fight for working people, not the wealthy and well-connected. I came to America alone at 16 years old, and have lived in Seattle for 30 years. I would be deeply honored to have your vote.

**Statement**

I am running for Congress because someone needs to represent normal, everyday, hardworking Americans. I am a hard worker and have always provided for my family in the greater Seattle area. I am frustrated with the current situation. Our moral compass has been displaced. Common sense has been exchanged for political correctness. Many have preached unity and diversity but fostered division.

I am a normal American who thinks families are the foundation of a strong community. I believe that parents have a right to know what their children are being taught. Schools should celebrate real diversity, not Progressive ideology, should encourage critical thinking over indoctrination, and should show how America is a force for good in the world.

I am a normal American who thinks that the price of basic goods is just too high. We have seen the cost of gas, groceries and medications eat away at our incomes. The costs have gone up because the ideologues have decided what you should drive, what you should eat, how you should live.

I am a normal American who thinks freedom matters. We should be free to say what we want, free to hold unpopular opinions without fear of losing our jobs or be attacked, free to choose what we listen to, what we read, and when or where we pray. Some want to take away our freedoms in the name of safety and diversity.

I am a normal American who desires to represent people that want to raise their kids, work hard, have money left at the end of every paycheck, and who know they can be friends with people who don't look like them or pray like them.

**Statement**

You sent me to Congress because you knew I would advocate for you the same way I stood up for children and families for over 20 years as a pediatrician. I promised to be an independent and effective voice for our district, someone willing to work with both parties to deliver real results that matter. I've helped pass laws to bring down costs for working families, to get Veterans the quality healthcare they deserve, and to support training and resources for local police because everyone deserves to feel safe in our community.

As the only pediatrician in Congress, I've helped pass laws to actually bring down the cost of lifesaving prescription drugs, like insulin. I will work to make healthcare and other everyday costs more affordable for middle class families. As a doctor, I will always fight to protect a woman's right to choose and to keep politicians out of private decisions between a woman and her doctor.

I am the only member of Congress from the Pacific Northwest on the Agriculture Committee. I have worked with both parties on behalf of our farming communities to support trade, encourage sustainable agriculture, advocate for commonsense immigration reform, and fix supply chain disruptions so farmers can get their goods to market. I will continue to champion responsible stewardship of our cherished public lands, clean air, and water.

With nearly 100 town halls, I've listened, I've learned, and I've gone to bat for you in Congress. It is an honor to serve you and I humbly ask for your vote.

**Statement**

I'm running for Congress because we all deserve a better, safer, Washington to raise our families in. As a father of 4 young children, Christian, business owner, former White House staffer, and prosecutor, I have a uniquely qualified perspective on the problems plaguing our state. My roots run deep in Washington---I was born and raised here. My family has lived here for 165 years. We own a 3rd generation, manufacturing company, employing over 600 people, making products in the USA which bring clean water to people globally.

Washington is heading in the wrong direction. Enabling policies and our crisis at the border have led to skyrocketing crime, homelessness, and drug abuse. Our state desperately needs a leader to tackle these issues.

We need to give parents back their voices in their children's education. We need to lower inflation so families can pay bills and fill their gas tanks. We need to ensure free, fair elections and a strong national defense which starts with energy independence.

Together we will reign in federal spending, Make Crime Illegal Again, take back our streets and parks, and restore hope for everyday Americans. I'm a hard worker who will never stop fighting for Washington families—it's time to roll up our sleeves and get to work!

I'm proudly endorsed by the Pierce and Snohomish County Republican Parties, Seattle Police Officers Guild, WA Young Republicans, Snohomish County Sheriff Adam Fortney and the Pierce County Sheriff, former WA Treasurer Duane Davidson, former WA Attorney General, Senators Phil Fortunato and Jim McCune, Representatives Carolyn Eslick and Robert Sutherland, former King County Councilwoman Kathy Lambert, Pierce County Councilwoman Amy Cruver, First Responders, Health Care Professionals, Radio Talk Show Hosts, Businesses, Teachers, Veterans and many others.

Washington deserves a Congressman who'll fight for them---because Washington is worth fighting for!

**Statement**

Our district is a tremendously diverse and hard-working community, one that I have been proud to call home my entire life. I grew up in the city of SeaTac, and my wife Sara and I raised our two children here, where they both attended public schools and are now at UW and WSU.

As our nation faces unprecedented challenges, I am focused on strengthening the middle class, ensuring equality of opportunity for all, and investing in our future. We must provide a progressive path forward where everyone can thrive. Working class families, like the union one I grew up in, do not have the same opportunities as previous generations. This must change. We must grow from the middle out, increase economic opportunities, protect unions, make higher education more affordable and accessible, and provide good paying jobs.

All people, no matter their background, should have access to quality, affordable healthcare. Our healthcare system needs to be restructured to create a path to a single-payer plan like Medicare for All. As the Chairman of the House Armed Services Committee, I have also prioritized making sure that all of our service members and their families, no matter who they are, receive the support they need and have earned.

I work hard to make sure every person in our district has access to the best this country has to offer; not only because it's the right thing to do, but because this is also my home—it's personal to me.

It is a true privilege to serve our community and I would be honored to have your vote.

**Statement**

Career politicians are the biggest problem in government today, promising they'll fix your problems and then, when elected, they ignore you until they need your vote again. The 9th District deserves more than a longtime incumbent and tired promises. When we lose our voice, we can also lose our opportunity at the American Dream.

We elect representatives to maintain a safe environment for our families and children, to protect our borders, our economy, and our constitutional rights. When politicians have been in office for over 2 decades, like the current congressman, they can get out of touch with their constituents' struggles and fail to give them that voice.

The policies we've seen coming from Washington DC have made it harder for families to put food on the table, and gas in the car. Out of touch career politicians and their actions continue to cause record high inflation and foster increased homelessness, and crime. That makes our communities unsafe, our borders unsecure, and puts our jobs at risk.

Your representative should be doing everything possible to lower consumer prices and increase public safety. Right now, many Americans can't pay their grocery bills and see empty store shelves, while non-citizens flooding our southern border receive taxpayer funded items like baby formula, and cell phones, and then are released into our communities without proper vetting.

I'm a husband and a father of five and I see these problems firsthand every day. When elected, I'll fight to protect parent's rights, restore the dollar and slow inflation, unleash domestic energy to lower gas prices, and to protect your rights, neighborhoods, schools, and jobs.

It's time for bold leadership that listens to you and fights for you in Congress. It's time for change in the 9th Congressional District. It's time to bring back the American Dream.

**Statement**

In an era of hyper-partisan politics, Chad has earned a reputation for building bridges. An education champion in Olympia, he doubled school funding while reducing property tax rates for 44% of school districts. He formed bipartisan coalitions passing landmark legislation on computer science education, innovative schools, electric vehicles, and cybercrime.

The Seattle Times endorsed Chad in all his previous House races, calling him "one of the clearest thinkers in the Legislature" who "brings much-needed moderation and intellectual rigor to Olympia." The Municipal League has also consistently rated Chad "Outstanding" in their candidate evaluations. Washington state needs Chad back in Olympia.

**Statement**

I've spent my career improving education, expanding economic opportunities, and building safe, supportive communities. As a longtime educator, former Federal Way School Board Director, and now your State Senator, I have always placed the needs of local families and small businesses first – rejecting sound bites and focusing on results.

I've worked to *improve public safety*, voting for pay raises and training for law enforcement officers, expansion of programs that address crime at the source, and funding for drug treatment and recovery. I sponsored and passed landmark investments in *affordable childcare*, quality early learning, and family support— especially for kids and parents impacted by pandemic disruption. I delivered resources for *affordable housing*, protecting seniors, limited income families, and the vulnerable. I cut costs for families by funding the working families tax credit, lowering taxes for 120,000 small businesses, and passing a transportation package without raising gas taxes.

I am the only candidate in this race 100% committed to protecting reproductive healthcare— a critical difference at a time when states will take on urgent responsibility to safeguard these fundamental rights.

Do you feel safe? We have vehicles being stolen, rampant shoplifting, drug-addicted homelessness, repeat criminals not being arrested, drive-by shootings, and violence in our schools. We can't live this way! Do you feel your current Legislators have let you down? My opponent voted for many of the failed policies that have brought us to this current chaos.

As your former State Representative, Federal Way Mayor, and now Federal Way Council President, I have fought for you, the citizens of the 30th District, with integrity and dedication for almost two decades. I've fought for public safety, attracting living-wage jobs, and educational opportunities for you. I've fought for common sense solutions to the problems affecting our community. I've fought against raising taxes and for government living within its means. As an elected official, I've helped to bring millions back to our district for capital improvements, education, and transportation.

Government must be transparent and accountable to the people. The hard-working families in the 30th District deserve better than rising inflation and soaring crime. Almost certainly, you or someone you know has experienced increased levels of crime such as open-air drug use, vandalism, burglary, theft, and blatant shoplifting at our local shopping centers. This lawlessness has impacted our neighborhoods, our businesses, our schools, our families, and our children.

Radical groups have taken over policy development in Olympia. Policies being passed by my opponent put heavy financial burdens on our families and our small businesses. These same groups have prevented officers from arresting criminals who needed to be arrested. Let's send a first responder to Olympia to fix this mess.

**Statement**

As your Senator, I oppose the Governor's continued abuse of his emergency powers, and sponsored legislation to curb those powers and prohibit discrimination based on vaccination status.

Property crimes and car thefts have skyrocketed, jeopardizing public safety. I supported legislation to put more law enforcement back on the streets. Despite billions of your taxes spent on homelessness, the problem only gets worse. A proposal I fought for would require drug and alcohol treatment, in addition to mental health support.

We don't need increased fees on car registrations or driver's licenses to fund transportation. We can do that with the money you already send to Olympia. With all the unexpected revenue we can help seniors, the disabled, and others on fixed incomes get a break on out-of-control property, sales and gas taxes - policies I've either sponsored or supported.

I continue to fight against constant efforts to limit our Second Amendment rights and advocate that Olympia spend your tax dollars more wisely. I ask for your continued support to fight for your rights and prosperity, and against more taxes and endless government growth. Endorsed by Law Enforcement and many mayors and city councilmembers in the district.

**Statement**

I'm running for the State Senate as a moderate independent because extremism and partisanship is out of control in our political system, too many politicians in both parties have let us down, and voters deserve more choices.

Our communities face real challenges. State revenues are up; we don't need to raise taxes. But schools are still dependent on local levies. Our school funding system is unstable and unfair. Crime rates are increasing while police, prosecutors, jails and courts are underfunded. And there are major gaps in our transportation system.

Too many politicians in both parties, including our current State Senator, are not focused on solving these problems. Instead, they waste time with extreme policies and partisan political games.

I have lived in south King and eastern Pierce counties most of my life. This is where my wife, Ann, and I raised our kids, and I have represented these communities in state and county government. We deserve better than the partisanship and divisiveness we see today. I know we can do better if we elect people focused on common sense problem solving. As a moderate independent, that is what I will focus on in Olympia. I would appreciate your vote!

Unfortunately, recent legislation is making our state less safe and less affordable. It is a privilege and honor to represent the people of the 33rd Legislative District as your state Senator. I am focused on improving the lives and the opportunities for my constituents and worked hard to pass the law to establish our state's successful Paid Family and Medical Leave Law.

Last session, I was thrilled to pass a major expansion of our state's registered apprenticeship program to non-traditional professions in health care, technology and education. I was also able to work on containing costs for prescription drugs, and passed the \$35 monthly co-pay cap for insulin, the drug people with diabetes must have to stay alive.

In Olympia, I was elected by the entire Senate to serve as Senate President Pro Tem, the presiding officer of Senate sessions when the Lieutenant Governor is unavailable. I also serve as Chair of the Labor, Commerce and Tribal Affairs, Vice Chair of the Rules Committee, and as a member of the Health Care Committee and the Ways and Means Committee. Those positions keep me busy during session, but I am never too busy to meet with constituents to hear your concerns.

**Statement**

Our current career politicians have no problems lying, destroying our economy, taxing us out of our homes and vehicles, supporting pro-crime policies, and policies that sexually groom our young children while at the same time labeling concerned parents as domestic terrorists.

This is *not* an election about political parties, but about voting out those who continually vote for harmful policies. Voting out career politicians, like the 26-year incumbent, will go a long way in turning around the mess they created.

If you are struggling to put or keep a roof over your head, struggling to put gas in your car, and food on the table, *vote them out*. If you feel that neither you nor your property are safe due to the pro-crime policies they created, *vote them out*. If you are appalled by the sexualization of our children and the disrespect of parental rights, *vote them out*.

Remember they supported lockdowns, the destruction of small businesses, the shutdown of education, and the Governor's unending "emergency powers," all while supporting criminals. If we keep voting the same, we'll get more of the same. Together, we can turn this mess around. It's time to vote them out! MarlizaForSenate@gmail.com

I'm excited to keep working for you and would be honored to earn your vote. Endorsed: State Labor Council, Senator Karen Kaiser, Representative Tina Orwall and more....

**Statement**

It's been an incredible privilege to represent you and our diverse, vibrant community in the State Senate. Growing up in Delridge, raising my family in Rainier Beach, and working and volunteering in South Seattle and Skyway – I am deeply connected to our community and understand the challenges and opportunities we face.

These last few years have challenged us all. In the face of a global pandemic, national inflation, and righteous calls for systematic reforms in the wake of George Floyd's murder, as your State Senator, I was ready to stand up and fight for economic, racial, social and climate justice.

We made landmark investments in childcare, public schools, and transportation infrastructure by raising taxes on the wealthiest people and the biggest polluters in our state, while also providing tax relief to working families and more than 120,000 small businesses.

There's still more to do to ensure we have affordable housing, strong schools, a fair economy, and a transportation system that works for all. I would be honored to earn your vote, and hope you will join essential worker unions, Planned Parenthood, Alliance for Gun Responsibility, Washington Conservation Voters, and many more in supporting my re-election.

**Statement**

I have lived in Kent for over three decades and raised my kids here. Within the last few years, I have seen many people priced out of their homes. We need to make it possible for those who work in our communities to live in our communities.

Our crime rate has soared, and people are not feeling safe. We must hold criminals accountable. We need to support our police, hold them to high standards, and make sure they have the tools needed to successfully protect our communities. I will fight the creation of new taxes. I will make sure our small businesses and families are able to keep what they work for. I want to see our community rise and become stronger.

In Olympia I will be a Senator who listens and works for you. I will stand up for our hard-working families, teachers, first responders and everyone in between.

As a child I attended a racially segregated school. We've seen so much progress to extending the American Dream to everyone, but the job isn't done. It would be an honor to see history come full circle and serve as the first black Senator from the 47th District.

**Statement**

I come from a working class family with a long history of giving back to our community here in the 47th, and I am proud to carry on that tradition as a former state legislator and a foster parent to over 10 children. I want everyone to have access to opportunities and the ability to move up with hard work.

Our community faces real challenges; record inflation, increasingly unaffordable housing, a rise in crime, children struggling with mental and behavioral health issues after the last two years, and a homelessness crisis that continues to get worse. We can't continue to uphold the status quo and expect things to change. We need leadership that isn't afraid to try a new approach.

With your vote, I'll focus on improving public safety *and* relations with our historically marginalized communities, lowering property taxes for seniors and those on fixed incomes, supporting home ownership programs for first time buyers, lowering cost of living, investing in excellent public schools, and fully funding mental and behavioral health services.
