WASHINGTON
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | sos.wa.gov

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan
Assistant Secretary of State

Future # Voter

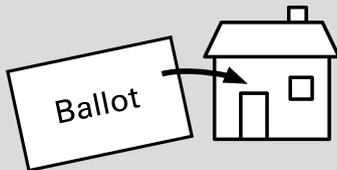

Sign up online at VoteWA.gov with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

How do I vote and return my ballot?

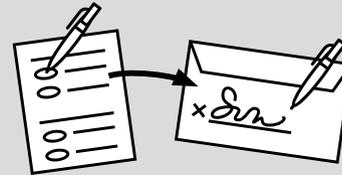

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

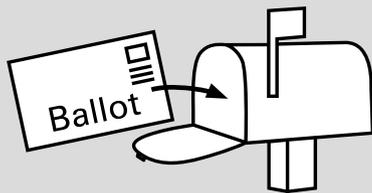

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

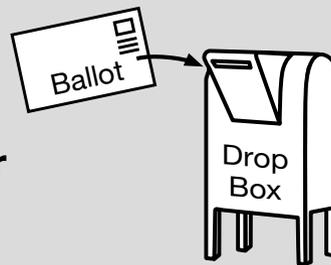

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

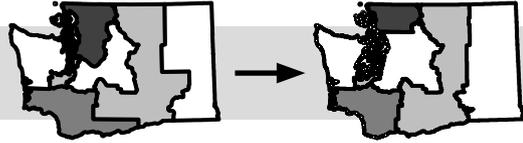

- Your signature is missing
- Your signature doesn't match your voter registration record

View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit www.redistricting.wa.gov.

How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

i Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

40

Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

Ten-Year Projection

Provided by the Office of Financial Management
For more information visit www.ofm.wa.gov/ballot

Engrossed Substitute House Bill 2076 (ESHB 2076)
Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor & Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&I anticipates that there would be additional claims filed by these workers and L&I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

Statement

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Statement

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

McMorris Rodgers

(Prefers Republican Party)

Elected Experience

U.S. Representative from 5th Congressional District; House Energy and Commerce Committee Republican Ranking Member. Served in the Washington State House of Representatives; elected House Republican Leader.

Other Professional Experience

Worked at family-owned orchard and fruit stand for 13 years.

Education

Executive MBA University of Washington, BA Pensacola Christian College.

Community Service

Strong advocate for military families, veterans, farmers, small business owners, students, and people with disabilities.

Statement

I'm blessed to represent the hardworking people of Eastern Washington and serve as your voice in Congress. Every week, I have the privilege of going to Washington, D.C. to fight for you – the veterans who selflessly served our country, the small business owners driving our economy, the farmers putting food on the tables of families around the world, and the next generation of entrepreneurs chasing after the American Dream.

As the Lead Republican on the Energy and Commerce Committee, I've had the opportunity to deliver results on some of the issues most important to Eastern Washington.

From securing America's energy future and making health care more affordable to protecting free speech and closing the digital divide, our committee has been at the forefront. In 2021 alone, I introduced 11 bills that were brought to the House floor, and I continued my work for you by helping lead 149 other pieces of legislation.

Additionally, I helped pass 64 bills out of the Energy and Commerce Committee and onto the House floor, 9 of which were signed into law.

In Congress, I will continue to make our nation's energy independence a top priority. I recently introduced a bill to flip the switch on American energy, restore our dominance on the world stage, and turn away dangerous adversaries like Russia and Venezuela. This is the key to providing hardworking families in Eastern Washington with the reliable and affordable energy they need to keep the lights on.

There is a lot to be excited about in the year ahead. Together, let's imagine what's possible and work hard to make it happen. I am grateful for the support of my family and all of you throughout this journey. It's time to get to work Eastern Washington.

Statement

I'm running because so many of us feel left out of decisions made in Washington, D.C. Our current Congresswoman is out of touch, rarely present, and has become part of the divisive extremism pulling our nation apart and eroding American values.

I offer a different vision. I'm a fourth generation Eastern Washingtonian from Spokane's Hillyard neighborhood. I'm proud to be raising my kids and running my practice here. My childhood was marked with hard times and family struggles, but I developed a strong work ethic and determination to secure a better future that I'll take to Congress.

I started my campaign by listening, holding town halls from Pend Oreille to Walla Walla, calling thousands of voters, and doing something our current Congresswoman refuses to do: answer questions directly. I've heard from folks across our district the importance of prioritizing Jobs, Families, and our Democracy.

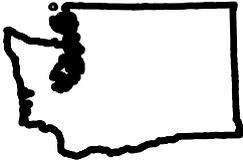

Workers and families are struggling to make ends meet with the high price of gas, groceries, housing, and childcare. As a mom and business owner, I get it. Too many are at risk of going broke if they get sick or injured. Corporations making record profits, while paying poverty wages and unduly influencing policy, is not acceptable. We must ensure government works for the People, regardless of appearance, abilities, or address. I will prioritize tackling inflation, strengthening Unions, improving healthcare access and lowering costs, reducing education costs and debt, investing in childcare, expanding rural broadband, fixing roads and bridges, addressing climate change, and protecting voter rights.

Together, we can stop the extremism, the partisanship, and find common ground to move our communities forward. I'd be honored to earn your vote.

Endorsed: State Senator Andy Billig, State Representative Marcus Riccelli, State Representative Timm Ormsby, Former State Senator Lisa Brown, WA State Labor Council AFL-CIO, and many more.

We need to restore a healthy economic climate and jobs, reduce tax and regulatory burdens while protecting our schools and essential services. While families and small business prioritize spending, government continues to grow and spend beyond its means, I'm working to reverse that trend.

I've worked hard to build strong working relationships on both sides of the aisle and educate urban legislators on Eastern Washington issues which I believe is essential to getting things done for the people of the 7th District. I'd like to continue providing common sense in Olympia, and I ask for your vote.
