This is the fourth edition of **Go West Young Reader**. These bibliographies are the result of Washington State Librarian Jan Walsh's seasonal *Washington Reads* program. Ms. Walsh launched the program in fall 2003 on the 150th anniversary of the arrival of the Territorial Library books in Olympia. Each subsequent quarter Ms. Walsh chooses a theme and selects at least one adult, one young adult, and one children's book as part of her *Washington Reads* program. This list continues to grow as the State Library seeks and purchases more children and young adult books for its Northwest collection.

The call numbers for many of these items are in the process of being updated. Please check the Washington State Library catalog, www.secstate.wa.gov/library to see if an item's call number has changed.

Many titles have annotations in quotes. These annotations are from the Washington State Library's online catalog.

NW prefixed books are available for check out and interlibrary loan. RARE, R (Reference), and GWA (Governor's Writers Award) prefixed books are available to be viewed only at the State Library.

WR denotes a book selected by Washington State Librarian, Jan Walsh, for her *Washington Reads* program. To read Ms. Walsh's comments about the book go to: www.secstate.wa.gov/library/wa_reads.aspx Her comments can also be found by checking on the *Washington Reads* link in the record for the book in the Library's online catalog.
