

2014 Meeting Dates and Locations

The following meeting dates were selected using the Doodle poll developed by Allyson Ruppenthal. As Allyson is out recovering from surgery I do not have associated locations for the meetings in 2014. Since the legislature has finished the session on time, the May meeting can be but does not to be held at the Washington State Library.

Date	Location
Tuesday, May 13, 2014	WSL or
Thursday, September 25, 2014	
Tuesday, November 4, 2014	

Valerie suggested that we meet at some point so that we can tour her new facility at Northwest Indian College near Bellingham. Typically we stay at Holiday inn Express or someplace similar and commute in the morning to the college.

If you have discussed meeting locations with Allyson, please speak up during the meeting so that potential is captured.

Come prepared to discuss meeting locations; bring your ideas.
