Academic Library Add-on Options

Pick a total of 7 selections: 1 from Group A; 3 from Group B; 3 from Group C.

Pick 1 item - Group A	
Pick 1 item - Group A	<p>LGBT Magazine Archive</p> <p>LGBT Magazine Archive includes archival runs of 26 of the most influential, long-running magazines in this field, amounting to approximately 400,000 pages of content.</p>
	<p>Religious Magazine Archive</p> <p>Religious Magazine Archive will comprise archival runs of 18 historical magazines devoted to religious topics. All are primary source publications, not originally scholarly in nature but now high-value sources for scholars. This collection features titles devoted to a wide variety of religions and denominations to maximize the opportunities for comparative study. Each title is digitized from its first issue, with the earliest content dating from 1845. Coverage terminates by default at 2015.</p>
	<p>Education Magazine Archive</p> <p>Education Magazine Archive comprises archival runs* of 26 major 20th and 21st-century magazines relating to many different aspects of education. Rather than scholarly journal content, the collection will comprise publications originally aimed at teachers and other education professionals, providing primary source insights into the history of education during this period.</p>

Pick 3 items – Group C	
Alexander Street Theatre Performance & Design Collection	Theatre students and researchers can now truly see “behind the scenes” of the world’s greatest dramatic performances. Theatre Performance & Design Collection is the first comprehensive, international collection that covers all aspects of theater from production and design to performance, from the 17th century through to the present day, including, set design, lighting design, sound design, costume design, makeup, and more.
Alexander Street Drama Texts Collection	A foundational collection of dramatic texts for any institution wanting to teach the basics of drama. With over 14,000 plays it is the largest assembly of essential texts for Theatre students and teachers alike.
Alexander Street North American Indian Thought & Culture	North American Indian Thought and Culture brings together more than 100,000 pages, many of which are previously unpublished, rare, or hard to find. The project integrates autobiographies, biographies, Indian publications, oral histories, personal writings, photographs, drawings, and audio files for the first time. The result is a comprehensive representation of historical events as told by the individuals who lived through them. The database is an essential resource for all those interested in serious scholarly research into the history of American Indians, Alaska Natives, and Canadian First Peoples.
Alexander Street Early Encounters in North America	Painstakingly assembled from hundreds of sources, Early Encounters in North America: Peoples, Cultures, and the Environment documents the relationships among peoples in North America from 1534 to 1850. The collection focuses on personal accounts and provides unique perspectives from all of the protagonists, including traders, slaves, missionaries, explorers, soldiers, native peoples, and officials, both men and women. The project brings coherence to a wide range of published and unpublished accounts, including narratives, diaries, journals, and letters.
Alexander Street North American Immigrant Letters, Diaries, and Oral Histories	North American Immigrant Letters, Diaries, and Oral Histories provides a unique and personal view of what it meant to immigrate to America and Canada. With more than 100,000 pages of personal narratives, including letters, diaries, pamphlets, autobiographies, and oral histories, the collection provides a rich source for scholars in a wide range of disciplines. Much of the material is previously unpublished. Several thousand pages of Ellis Island Oral History interviews, indexed and searchable for the first time, are included, along with thousands of political cartoons. Never before have scholars been able to search these documents easily and find answers to complex questions with just a few clicks.
Alexander Street North American Women’s Letters and Diaries	North American Women’s Letters and Diaries is the largest electronic collection of women’s diaries and correspondence ever assembled. Spanning more than 300 years, it presents the personal experiences of hundreds of women. Complementing Alexander Street’s British and Irish Women’s Letters and Diaries, the database is ideal for research in women’s studies, history, sociology, literature, genealogy, and other fields.
Alexander Street Music and Dance Online	Music and Dance Online delivers the largest, most diverse catalog of music content to support the teaching and research of music. The multimedia resource features works from thousands of respected partners, covers hundreds of genres from alternative rock to zydeco and from alternative dance to operatic arias, and encompasses a wide range of content formats—including scores, reference, and high definition audio and video.
Alexander Street Women & Social Movements Library	Women and Social Movements Library focuses on women’s public activism globally, from 1600 to the present. Created through a collaboration with leading historians, the collection contains nearly 400,000 pages of primary source documents and more than 200 related scholarly essays interpreting these sources. The powerful online content in Women and Social Movements Library allows students and researchers to interpret historical materials in ways not possible in print media. Serving all levels of historical research, the Library makes often inaccessible primary sources accessible within a monographic focus that uses interpretative frameworks to contribute to historical knowledge.
Disability in the Modern World: History of a Social Movement	One person in seven experiences disability,* yet the story of this community and its contributions is largely absent from the scholarly record. Disability in the Modern World: History of a Social Movement is a landmark online collection that fills the gap, with a comprehensive and international set of resources to enrich study in a wide range of disciplines from media studies to philosophy.
