

Exhibit C – Library Data

Note: To participate in this project, a library must have non-profit status, and must not be federally funded. Both public and academic libraries are eligible to participate.

Public Libraries: Sources: The Washington State Library publishes an annual statistical publication with information about public libraries: www.sos.wa.gov/quicklinks/WAStats. In particular, review Table 9: Outlets, Registered Borrowers and Staff, for information on population served and service outlets (number of buildings). The WSL population served data is based on information from the Washington Office of Financial Management’s official population estimates: www.ofm.wa.gov/pop/. The following table lists 2011 population served figures for public libraries in the state:
