

AMENDMENT #3 TO RFP 21-02
ORGANIZATIONAL CHANGE MANAGEMENT SERVICES

It was brought to the attention of the RFP Coordinator that WEBS is showing this solicitation as a selective opportunity. This is incorrect. This is an open opportunity subject to the minimum vendor requirements set forth in the RFP document.

It was also brought to the attention of the RFP Coordinator that WEBS is indicating a close date of April 19, 2021. This is also incorrect. Proposals are currently due March 26, 2021. However, given the delay in posting questions and answers from the preproposal conference, the due date for proposals may be extended to give vendors additional time to consider the answers provided and prepare their proposals accordingly. If the due date for proposals is extended, that information will be posted in a further amendment to the RFP.
