By requiring insurance herein, State does not represent that coverage and limits will be adequate to protect Contractor, and such coverage and limits shall not limit Contractor’s liability under the indemnities and reimbursements granted to the State in this Contract.

Contractor shall, at all times during the term of the Contract at its own cost and expense buy and maintain insurance of the types and amounts listed below. CGL insurance shall have products-completed operations aggregate limit of at least two times the “each occurrence” limit.

CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage). All insurance shall cover liability arising out of premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract), and contain separation of insureds (cross liability) condition.

Contractor shall buy employers liability insurance, and, if necessary, commercial umbrella liability insurance with limits not less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

**If Contractor or subcontractor fails to comply with all state of Washington workers' compensation** statutes and regulations and State incurs fines or is required by law to provide benefits to or obtain coverage for such employees, Contractor shall indemnify State. Indemnity shall include all fines, payment of benefits to Contractor or subcontractor employees, or their heirs or legal representatives, and the cost of effecting coverage on behalf of such employees. Any amount owed to State by Contractor pursuant to the indemnity agreement may be deducted from any payments owed by State to Contractor for performance of this Contract.

## **BUSINESS AUTO POLICY (BAP)**

In the event that services delivered pursuant to this Contract involve the use of vehicles, either owned or unowned by Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

Such insurance shall cover liability arising out of "Any Auto." Contractor waives all rights of subrogation against State for recovery of damages to the extent they are covered.

Business auto coverage shall be written on ISO form CA 00 01, or substitute liability form providing equivalent coverage. If necessary the policy shall be endorsed to provide contractual liability coverage and cover a "covered pollution cost or expense" as provided in the 1990 or later editions of CA 00 01.

Contractor waives all rights against State for the recovery of damages to the extent they are covered by business auto liability or commercial umbrella liability insurance.

The insurance required shall be issued by an insurance company/ies authorized to do business within the state of Washington, and shall name the Office of the Secretary of State, State of Washington, its agents and employees as additional insureds on all general liability, umbrella, excess, and property insurance policies. All policies shall be primary to any other valid and collectable insurance. The Contractor shall instruct its insurers to give the Purchaser 30 days advance notice of any insurance cancellation.
