IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON
IN AND FOR THE COUNTY OF CHELAN

Timothy Borders, Thomas Canterbury, Tom Huff, Margie Ferris, Paul Elvig, Edward Monaghan, and Christopher Vance, Washington residents and electors, and the Rossi for Governor Campaign, a candidate committee,
Petitioners,

No. 05-2-00027-3

**PETITIONERS' ILLEGAL
VOTE DISCLOSURE PER
RCW 29A.68.100**

v.

King County and Dean Logan, its Director of Records, Elections and Licensing Services, et al.,
Respondents.

and

Washington State Democratic Central Committee,
Intervenor-Respondent,

and

Libertarian Party of Washington State et al.,
Intervenor-Respondents.

Pursuant to RCW 29A.68.100, Petitioners hereby disclose a list of illegal votes and other challenged and invalid votes three days before trial.

1. Petitioners disclose and incorporate by this reference the lists of illegal and other invalid ballots filed on April 15 as exhibits to the Declaration of David Bowman.

**PETITIONERS' ILLEGAL VOTE DISCLOSURE
PER RCW 29A.68.100 - 1**

1 2. Petitioners also disclose the following additional information regarding several of
2 the categories of invalid and illegal votes disclosed on April 15: Regarding Exhibits 7 & 8
3 to the Bowman Declaration (identifying up to 1,156 provisional ballots improperly cast
4 and counted and providing the names and/or precinct information then available),
5 Petitioners now provide additional information regarding these invalid votes, including
6 additional names of voters casting provisional ballots directly into tabulating machines.
7 See Ex. A attached hereto. Many of those voters also cast multiple ballots (including
8 multiple ballots on election day), more than one of which were counted, and Petitioners
9 thus also supplement their disclosure of dual in-state voters in Exhibit 4 to the Bowman
10 Declaration. See Ex. B attached hereto.
11

12 The additional information regarding the improperly cast and counted provisional
13 ballots (only produced by King County after Petitioners' April 15 disclosure) does not
14 change the total potential number of such ballots (1,156) identified by Petitioners in their
15 April 15 disclosure; it simply provides more detail regarding those ballots than was
16 available at that time. Documents disclosed by King County show that in 281 of the
17 County's 2,626 precincts, 785 provisional ballots were improperly counted in polling
18 places.
19

20 The untimely disclosure of documents by King County and the testimony of King
21 County witnesses (delayed by the County's motion for a protective order) prevented
22 Petitioners' access to this additional information earlier. Specifically, the testimony of the
23 Director of Records, Elections, and Licensing Dean Logan on April 18 (the earliest date
24 allowed by the court in response to King County's motion for a protective order); the
25 production on April 18 of a new spreadsheet providing more detail regarding provisional
26
27

1 ballots (after the end of Petitioners' direct examination of Mr. Logan); the deposition of
2 Elections Supervisor Bill Huenneckens on April 21; and the deposition of Colleen Kwan
3 (the author of the relevant spreadsheets) on May 5, revealed that many of the voters who
4 cast provisional ballots directly into tabulating machines did so fraudulently as they had
5 also cast other ballots (including absentee ballots or poll ballots that same day). Thus,
6 many of the previously identified provisional ballot voters are also fraudulent double
7 voters.
8

9 To the extent Petitioners' disclosure of the additional information herein requires
10 modification of the court's scheduling order, "good cause" as contemplated by that order
11 exists. The additional information herein was not disclosed by King County (despite
12 outstanding requests) until after Petitioners provided their disclosure on April 15. *See*
13 Declaration of Robert Maguire and Declaration of David Bowman, both submitted
14 herewith (without attachments) and in support of Petitioners Opposition to WSDCC's
15 Motion for Summary Judgment on Dual Votes (with attachments). In addition, Petitioners
16 previously disclosed to all parties their intent to provide this updated information by letter
17 on May 11, 2005. *See* Ex. 1 to Korrell Declaration, submitted herewith.
18

19 DATED this 18th day of May, 2005.
