Respondents.)	

Based upon the oral motion by Petitioners, during the January 12 hearing on the Washington State Democratic Central Committee's Motion to Intervene, that the parties be allowed to serve discovery, briefs, and other papers in this case electronically (by facsimile or electronic mail) and based on the agreement by all parties present that this procedure should be adopted in this case, and despite the representation that some parties have objected to electronic service, it appears to this Court that this procedure will promote the expeditious and efficient litigation of this matter. It is, therefore, HEREBY ORDERED that:

The parties may serve upon each other all papers that would otherwise have to be served by U.S. Mail or by hand delivery, such as discovery requests and responses,

1 motions, briefs, and the like, by electronic means such as facsimile transmission or
2 electronic mail.
