

**INITIATIVE 756**

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal, hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 756 to the People is a true and correct copy as it was received by this office.

1 AN ACT Relating to limiting federal jurisdiction; and creating a  
2 new section.

3 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** State sovereignty shall be enforced limiting  
5 federal jurisdiction to United States boundaries defined in the United  
6 States code and subjecting usurping federal agents to state  
7 prosecution.

8 The people of Washington do not live in the United States but in  
9 the several states. The United States is defined as the District of  
10 Columbia, the territories of Guam, etc., and the navigable waters. Its  
11 regulatory power is limited to its boundaries as upheld in *United*  
12 *States v Lopez*.

13 The purpose of this initiative is to eliminate any confusion or  
14 mistaken enforcement of United States law.
