

INITIATIVE 849

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal, hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 849 to the People is a true and correct copy as it was received by this office.

18 Save paper instead of recycling.

When a sponsor submits more than one initiative, one affidavit will be sufficient to identify him/her. The present practice of requiring that each initiative submitted must be accompanied by an affidavit is not only wasteful it is assinine and clutters offices with tons of unnecessary paper.
