

INITIATIVE 967

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 967 to the People is a true and correct copy as it was received by this office.

Ballot Title: A law to require centralized internet voting at state, county, and city levels to foster better "margin of error calculation".

Initiative Part 1

Outsourcing Of All Government Voting
To.<http://www.TrustworthyVoting.com> .

Initiative Part 2

No law, ordinance, or rule anywhere in the state, no government budget, and no state Supreme Court decision is official unless you vote on it with "We The People" software.

Initiative Part 3

Shall a new law outsource all government voting at state, county, and city levels to New Technology Advantage Inc to provide government with daily online voting at <http://www.TrustworthyVoting.com> to maximize power given to ordinary people to fully control government, provide written voting receipts by email, and provide a "margin of error calculation" on each and every voting effort?. All major government decisions will require citizen voting.

_____Yes

_____No

The words "majority vote" and "major decisions" are defined on the <http://www.TrustworthyVoting.com> website.
