## NEWS SUMMARY.

Minister Sargent has sailed for Europe.

Ralph Waldo Emerson, the great American poet, is dead.

Forster has refused to allow Parnell's call to be declared.

The Princess Theater at Portsmouth, Eng., has been burned.

The Pope is seriously indisposed. Physicians are changing attendance.

Dorris, late Secretary of the Land League, has been released from prison.

Right Rev. Michael Heese has been consecrated Archbishop of Milwaukee.

The Pond and Smith Sunday law is being enforced all over the State of Ohio.

During March 14,097 emigrants left Hamburg, mostly for the United States.

Advantage Brothers, coffee planters in Ceylon, have failed. Liabilities, \$25,000.

It is reported at Dublin that John Dillon will be unconditionally released soon.

There have been two thousand cases of small-pox in Cincinnati since January last.

The commercial treaty with France was passed by the Spanish Cortes by a heavy vote.

Gould's frequent changes of route in his Western trip are said to be due to fears of assassination.

Secretary Folger opposes the proposed extension of the bonded period of distilled liquors in warehouses.

Darwin, the scientist and author of the "Origin of Species," is the original state man, residing in England.

The recent Antislavery Convention at Albany had 400 delegates. L. C. Chittenden was temporary chairman.

Quilting is growing nervous again and acts as if badly scared whenever mention is made of the Court's proceedings.

Many shops and houses belonging to Jews were burned recently at Kamnitz, Russia. The damage is 500,000 roubles.

The city of Marseilles is trying to recover from the ex-Emperor Eugene a chateau which it pretends to Napoleon IV.

The gross earnings of the railroads of Missouri for the year 1881, as reported to the Railway Commission, amount to \$23,000,000.

Eleven million dollars of government bonds are to be called in immediately—all sizes of 1861. Only \$48,000,000 sixes will remain.

The cattle in the southern portion of Kansas are being marketed. Grass is good, and marketing cattle are earlier than usual.

The speech of the Emperor of Germany strongly advocates the tobacco monopoly as the best substitute for oppressive and direct taxes.

A quiet protestant that Senator Hoar will get the vacancy of the Senate Judiciary Committee caused by the resignation of Secretary Tilden.

Over a hundred families of mechanics who left Warsaw for America, were stopped on the frontier. Some escaped and the others are under police supervision.

Dr. Lamson was finally hanged in London on April 28th. The day previous to the hanging he confessed to the murder of one of the victims but denied the other.

United States Senator Ben Hill of Georgia is in St. Louis, on route to Eureka Springs. The Senator is very weak, so that the journey has been made with difficulty.

Advices from Cape Coast Castle to April 23 say that the King of Ashantee has sent several thousand troops to attack Gambia. All morning the King's army was in the position of a battle.

The exodus of the Jewish families ordered to quit Kiev has begun. In consequence of their departure the city of Kiev is the possession of a general migration.

North Carolina has been taking its turn at having a cyclone. It crossed the state from the southwest to the northeast, and did not reach the coast until about midnight.

Lieutenant Danenhauer arrived at Trolak on the 19th. He is hourly expected at Urenburg. The expedition to the Kaspian Railway, distant some three days from Moscow.

Prince Leopold, of England, was married to the Princess of Wales at the Chapel, Windsor, on April 27th. The Archbishop of Canterbury was the chief officiating clergyman.

The Chicago Communists have adopted resolutions in favor of the continued immigration of Chinese to the United States. They say they believe in the common brotherhood of man.

A correspondent of the New York Herald has been held in \$10,000 bonds on a charge of libel in publishing a story that Senator McPherson is interested in the Peruvian Company.

R. F. Johnson, lately a bank President, and Herman J. Hall, a young speculator, who borrowed \$40,000 on \$10,000 security of the National Bank of New York, have been arrested in Buffalo.

Hon. W. B. Allen, the author of "Allen's History of Kentucky," one of the oldest Masters in the state, and a prominent member of the Grand Lodge of the State of Kentucky, aged eighty years, is dead.

The Indian Bureau complains of the conscription of wood and hay by the troops at Standing Rock Indian Agency, all of which is taken from the Reservation, and causing great discontent among the troops.

Great distress prevails in St. Lawrence County. The severe weather has been such that past winter that no hunting could be done and the provisions for the winter are exhausted, and many are in a starving condition.

The annual report of the Lake Shore Road is unfavorable. At the end of the year the company had a deficiency of \$415,000. Its cash uncollected earnings being \$1,719,000 and its liabilities and dividends \$2,134,000.

Breakfast has brought suit against the Commons for ejecting him from the lobby at the last session. He has also begun suit against the Negate member of Parliament for aiding him.

Industrial Jews in Berlin have letters from Russia, in which their religious intolerance is declared. They will quit the country unless the persecutions continue, but the conference of Jews recently held in St. Petersburg disapproved of a general emigration.

The House Committee on Claims has agreed to recommend the passage of Representative Ellis' bill appropriating \$200,143 to be paid to Ben Holly in full payment and satisfaction for losses sustained in carrying the mails during the Indian hostilities in 1861.

A demonstration in the shape of a parade was recently held in Chicago by the team owners. Some 1400 teams were in the line, signed to emphasize the unanimity with which teamsters will demand five dollars per day after May 1st.

The box, not a strong one, was bound with wooden hoops. In it were two wooden boxes containing the watch jewels from London. The missing one of the boxes was found, but the missing package was either not included in the consignment to London, or that it was taken out on board the ship.

The London Standard says: The speedy release of the American suspects on terms that may involve the recall of Lowell, the gradual withdrawal of the British troops, and the trial of those detained upon suspicion of complicity in the outrages, the substitution of summary jurisdiction in Massachusetts for the amendment of the arrests and the purchase clauses of the Land Act, are the principal features of the Minister's program.

By the adoption of the Indiana Constitutional amendment, changing the date of the State election from October to November, the members of the State Senate will be elected this fall, instead of only twenty-five as heretofore.

The term of office of twenty-five years is inoperative, but will be in force until the expiration of the term of their predecessors, which occur a few days before the November election in 1884. This is deemed important, as the United States Senator to succeed Voorhees is to be elected in the winter of 1884-85.

## SAN FRANCISCO ITEMS.

A company of U. S. soldiers has been sent forward from this city to the scene of the Indian trouble in Arizona.

Sunday excursions are now becoming as plentiful as usual during the spring months. Some seven of these took place last Sunday.

The firm of S. Mosgrove & Co. has been ordered to pay a large sum of money to the creditors for the sale of certain property was ordered.

The German Benevolent Society report their quarterly receipts to have been \$19,515.33, and its disbursements \$11,469.88, the difference, \$8,045.45, having been advanced by the Treasurer.

Major Harry T. Hammond has been elected Colonel of the Independent Irish Regiment. There are seven companies in this new regiment, and they will soon go to the front to raise funds to procure arms.

The British steam yacht Ceylon has arrived at this port. This vessel is on a trip around the world, and will make a short stay here and then proceed to South America on her way home to England.

Floyd & Tolle, warehouse and commission merchants, have filed petition in bankruptcy in the Superior Court. Amount owed \$140,000.00, amount of assets \$184,000.00. Liquidation is entertained but that debts will be paid in full.

A local pedestrian named C. J. Callahan, who participated in the walking matches here a year ago, walked a mile against time at the Recreation grounds, one day last week, covering the distance in 18 minutes and 4 seconds in prospect between Callahan and an unknown walker.

The California State Woman's Hospital has just received a gift of \$500 from Mrs. Ex-Gov. Stanford. This contribution is most opportune, as the expense of the new building on Sacramento street, between Belmont and Lyons, had exhausted the treasury of the hospital.

The American ship Gatherer, which gained such an untimely reputation through the cruelties practiced by her officers during the recent voyage to this port, has just sailed for Europe with a cargo of 1000 tons of wool.

Chas. E. Anselmi, a farmer employ in the Secret Service Department, who was convicted of having in his possession an altered bond of the United States to the amount of \$2,000, was sentenced to imprisonment for four years in the House of Correction and a fine of thirty dollars.

The managers of the Ocean Shore Railroad are busy securing the right of way from land owners between here and Santa Cruz. They agree that the road should be commenced within two months and state that they have plenty of Eastern capital behind them in their undertaking.

The Grand Division Sons of Temperance has just closed its session in this city. Rev. N. Barber, of Sequim, was elected Grand Worthy Patriarch and Jos. R. McLean, of Seattle, Grand Secretary. Both of these divisions are reported in the State with a membership of 1,000.

Our city servants do not seem to be happy family if the number of investigations which are constantly being held on charges against them are any criterion. Not a week passes without the Board of Police Commissioners or Fire Commissioners doing some case of delinquency before them.

Benjamin W. Mudge, a well-known pioneer of this State, died his last illness at his home in Seattle on the 17th inst. Congestion of the lungs was the cause of death. Our old residents are passing over the great market place, Seattle, and the "old residents" will soon be a curiosity to the rising generation.

The city has been very profuse of murders and suicides lately. The latter are being done to grace its columns each day. The most prominent last week was the attempt of Dr. E. W. Wood to commit suicide by jumping from the top of the Washington Hotel.

LOCAL COMMENTS.

THE MAIL AND CHRONICLE. THE MAIL has entered into arrangements with the San Francisco Chronicle...

THE NEWS OF THE WEEK, both foreign and domestic, is of the most ordinary character, and we have only to note that they are still discussing the Coercion and Tenant Rights questions in the British Parliament...

MOUNT VERNON will celebrate the Fourth of July in fine style.

THE SKAGIT is getting ready for its usual summer frolic. Look out for it, and see that it does as little damage as possible.

MR. O. KINCAID, our worthy Representative in the recent Legislature, was in town this week, looking hale and hearty.

LA CONNER will soon have another blacksmith-shop; the building for the same being now in course of erection on the wharf.

THERE are from three to four hundred men engaged in logging in this (Whatcom) County, principally on the Skagit River...

AN IMPORTANT Land Office ruling, allowing pre-emption claimants to mortgage their land for the purpose of raising funds to pay for the same...

W. L. STEINWEG & Co.'s advertisement of their new store at Whatcom will be found in this week's Mail.

A NEW STEAMER is on the docket for the Nookack River. A gentleman who has had considerable experience in steamboating on the Columbia...

THE new Skagit steamer of Messrs. Behrens and Dyer has been launched and is now receiving the machinery.

AS to the first noted project, we should suppose they would come down the Skagit River instead of the Snohomish.

UNDERSTANDS IT.—On Tuesday of last week, in Judge Greene's Court at Tacoma, a German gentleman named Joseph Famer, applied to the Court for naturalization...

WE invite special attention to the new "ad" of Mr. F. W. Wusthoff, the very enterprising and successful hardware and agricultural implement and machinery dealer of Puget Sound...

A. O. U. W. NOTICE.—Swedish Lodge No. 75 A. O. U. W. meets every Tuesday evening, at 8 o'clock, at the town hall.

THE Seattle Post-Intelligencer doesn't appear to like the name of "Washington" for the new State, but yet cannot improve upon it.

MR. A. D. BOWEN, publisher of the Anaortes Enterprise, visited La Conner and Seattle, this week.

THE OLYMPIA FIRE.—The city of Olympia had a fifty thousand dollar fire on Thursday of last week, which nearly destroyed the whole business portion of town.

THE annual meeting of the stockholders of the Oregon & Transcontinental Railroad Company is called to meet at Portland, on Monday, June 19th next...

THE Skagit is getting ready for its usual summer frolic. Look out for it, and see that it does as little damage as possible.

MR. O. KINCAID, our worthy Representative in the recent Legislature, was in town this week, looking hale and hearty.

LA CONNER will soon have another blacksmith-shop; the building for the same being now in course of erection on the wharf.

THERE are from three to four hundred men engaged in logging in this (Whatcom) County, principally on the Skagit River...

Notice of Sheriff's Sale of Real Estate for the Delinquent Taxes of Whatcom County for the Year 1881.

UNDER AND BY VIRTUE OF AN ACT OF THE LEGISLATIVE ASSEMBLY OF THE Territory of Washington, approved December 18, 1879, and an Act extending the time within which to pay taxes, approved December 1, 1881, I will sell at public auction to the highest bidder for cash, at the court-house door, in the town of Whatcom, Whatcom County, Washington Territory, for the delinquent Territory, County, School, and Road Taxes for the year 1881, the Real Estate described in the following List, unless the same shall be sooner redeemed by the persons to whom they are assessed, or their agents, the sale to commence on...

MONDAY, JUNE 5, 1882, AT 10 O'CLOCK A. M.

And continue from day to day, between the hours of 10 A. M. and 5 P. M., until such real estate shall have been sold or twice offered for sale.

Table with columns: PERSONS ASSESSED, DESCRIPTION OF LANDS, TAXES AND CHARGES, and BALANCE DUE. Lists names like Atkins, H. A., Andrews, W. D. & G. H., and various land descriptions with corresponding tax amounts.

MORTGAGES ASSESSED.

Table with columns: PERSONS ASSESSED, DESCRIPTION OF LANDS, TAXES AND CHARGES, and BALANCE DUE. Lists names like Adams, H., and various land descriptions with corresponding mortgage amounts.

THE Law requires the assessment of Mortgages, the tax on which is made a lien upon the Real Estate representing the same. The taxes described in the following list will likewise be offered for sale for the taxes assessed against the mortgages therein named, unless paid by either party in interest before the date of sale.

Continued on the next column.

DELINQUENT TAX LIST.—Cont'd.

Table with columns: PERSONS ASSESSED, DESCRIPTION OF LANDS, TAXES AND CHARGES, and BALANCE DUE. Lists names like Oregon and Washington Mortgage and various land descriptions.

JAMES O'CONNOR, Sheriff of Whatcom County, W. T. MAY 13, 1882.
