"THE WORK GOES BRAVELY ON."

From the contractor of the Cascade Road, Mr. Perkins, who arrived in town on Thursday from the Snoqualmie Pass, we have received a most encouraging account of the progress of the work.

Thus far the construction of the wagon road through the Cascades, so long deemed an almost insurmountable obstacle to our prosperity, is a decided and easy success, and the future is full of cheering promise.

POST GAMBLE, Sept. 21, 1865.

Mr. Barker—Dear Sir:—A meeting of the citizens of this place was held last evening to see what could be done for the relief of the three hundred orphan girls expected soon to arrive in your town.

I was appointed one of three of a charitable committee. I have visited all the families in this place and I am final permanent homes for ten of the girls in respectable families.

Thomas—Accident—A shocking accident occurred to the stage near Salem, Oregon, on the 15th inst. The stage coming north, in descending a steep hill known as Jackson hill, a sharp curve miles south of Salem, struck an oak stump, capsized and was smashed into pieces.

May School—Mrs. Veeder, recently arrived from Portland, will open a day school in this place on Monday next. Mrs. Veeder's former station upon the Sound, as a teacher, is too well known to require any recommendation from us.

LAWRENCE—Capt. Hill's new steamer, which has been for some months upon the ways, was successfully launched yesterday morning. She is a fine little craft, and is intended, we believe, for the Duwamish and White river trade.

PROCEEDINGS

Of a Meeting of the Citizens of Seattle, held on the 16th inst., to Devise Ways and Means for the Disposition of A. S. Mercer's Party of Immigrants.

In view of the intelligence communicated, in a letter just received by J. R. Watson, from Hon. A. S. Mercer, and published in the Gazette, of the 16th inst., announcing that that gentleman would sail from New York on the 19th day of August, accompanied by a party of three hundred ladies,—made orphans by the war,—seeking employment and homes in our midst; and in pursuance of a published call, the citizens of Seattle and vicinity assembled in Yesler's Hall, on Saturday evening, for the purpose of adopting such measures as the exigencies of the case seemed to demand.

After listening to several patriotic airs by the Brass Band,—who generously turned out in full force on the occasion,—the meeting was called to order, and

On motion, C. C. Terry was called to the Chair, and W. E. Barnard elected Secretary.

Upon taking the Chair, Mr. Terry, in a brief, but pertinent speech, presented the claims of these expected strangers to our heartfelt sympathy, and a most cordial welcome to our midst; strongly urging the importance of immediate preparation for their reception and comfort.

An invitation was then extended to all present to give free expression to their views and suggest any plans which might seem best calculated to accomplish the most speedy distribution of these immigrants throughout the Territory, and the requisite provision of suitable and permanent homes for them.

Mr. Doyle being called upon, stated that Dr. Kellogg, of Whidby Island, had received a letter from Mr. Mercer in reference to the matter, and arrangements had already been made for the accommodation and employment of about thirty of the number.

Rev. Daniel Bagley then addressed the meeting, urging the importance of soliciting immediate co-operation from the citizens of the various localities of the Sound-country, in order to lighten the burden which, otherwise, would inevitably fall heavily upon the people of the Seattle precinct; expressing the conviction that, when the hospitalities of the various families in the immediate neighborhood had been taxed to the utmost limit, there would still be a large number who, for a while, would be unprovided with accommodations for food, shelter or rest.

He suggested that some suitable place of sufficient size to accommodate a large number should be secured, to which those not otherwise provided for, could be conducted immediately on their arrival, and that food, cooking appliances, etc., be furnished, and they then and there be respectfully requested to take care of themselves, and to make themselves comfortable until some more desirable arrangement could be effected.

Upon motion, the following Committee were appointed to immediately canvass their respective districts for the purpose of ascertaining for what number of immigrants each district will be able to provide homes, and were instructed to report as soon as possible to the Recording Secretary, in order that the distribution of the party to the various assignments may be conducted with despatch.

On motion, the Seattle Committee were appointed Executive Committee.

On motion, Mrs. H. L. Yesler was chosen President of this Immigration Aid Society, on behalf of the ladies, and W. E. Barnard, on the part of the gentlemen. C. C. Terry, Treasurer, and Rev. D. Bagley, Corresponding Secretary.

It being affirmed that there was not in the town a sufficiency of blankets and other bed-clothing to meet the necessities of the party, it was suggested that the merchants and others, up and down the Sound, immediately forward contributions of this character to the Executive Committee.

Confidence having been expressed that every locality in the Territory would generously respond to this action of the citizens of Seattle, after voting that a report of the proceedings of this meeting be presented to the Publishers of the SEATTLE GAZETTE, and to the other papers of the Territory, with the request that they publish the same, the meeting adjourned.

CHAS. C. TERRY, Chairman. W. E. BARNARD, Secretary.

JOHN S. WALLACE, a merchant of Chicago, was arrested recently for using revenue stamps two or three times over on his warehouse receipts. His manner of doing it was to put a stamp on a receipt, and after it had been passed tear it off and use it again on another receipt.

Numbers of these receipts were found in his desk with stamps off, and the stamps in an envelope. In this way he confessed to having saved about \$35, which will probably cost him about \$25,000, the penalty for each offence being \$1,000, with the addition of imprisonment. Wallace offered \$5,000 to the officer who arrested him if he would let him off.

At the late election in California, the Union party elected the Supreme Judge, the Legislative and county officers generally; but in San Francisco the Democrats elected half the members to the Legislature, owing to a division in the Union party.

TRADE WITH MONTANA.—The mines on Big and Little Blackfoot and the country in that section on both sides of the Rocky Mountains, are attracting considerable attention at the present time. A correspondent of the Walla Walla Statesman estimates the population of these mines at about 18,200. Quite a number of towns have sprung up in the mining region, and a lively trade is commencing with that section from this side. About five hundred animals have been loaded at Walla Walla and Umatilla, and are now en route for these mines. Freight is 16 to 18 cents per pound. This trade bids fair to be of considerable importance, and most of the supplies for that country will in future, probably, be taken from this side.

The examination of Ferdinand Patterson, says the Idaho World of the 19th, was commenced before Judge Kelly one day this week, but was continued to August 28, at which time Judge McBride will return from Boise City, and preside at the examination.

**THE GREAT REMEDY OF THE AGE.**  
**HOLLOWAY'S OINTMENT**

THE EFFECT OF THE OINTMENT ON THE SYSTEM.  
 To the very core and centre of all diseases which affect the human body, this remarkable preparation penetrates. It disappears under the friction of the hand as salt disappears when rubbed upon meat. The unguent performs its healing errand rapidly, safely, and without pain. Simple eruptions, open sores, hard tumours, scrofulous developments of all kinds, abscesses, cancers, old wounds, and in fact, every species of inflammation or suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested in its destructive course and permanently cured without danger, by rubbing in this inestimable Ointment.  
**BAD LEGS, BAD BREASTS, SORES AND ULCERS.**  
 In many Hospitals in Europe this celebrated remedy is now used for the cure of old wounds, sores and ulcers: in Spain and Portugal, and in many parts of Italy, the first Physicians regularly prescribe its use. It is a sovereign remedy for bad breasts and bad legs: and likewise for all skin diseases. It is to be found in the chest of nearly every sailor, soldier and emigrant.

**PILES, FISTULAS, STRUCTURES.**  
 The above class of complaints is surely removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in this Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient to merely smear the Ointment on the affected parts, but it must be rubbed in for some considerable time, two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though it were palpable to the eye. Bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only proper treatment for females in cases of cancer in the stomach, or for those who suffer from a general bearing down.

**IMPRUDENCIES OF YOUTH—SORES AND ULCERS.**  
 Blisters, as also swellings, can with certainty be radically cured if the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way these complaints only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system, and leave the patient a vigorous and healthy being. It will require time, aided by the use of the Pills, to insure a lasting cure.  
**DIPHTHERIA, BRONCHITIS, SORE THROATS, COUGHS AND COLDS.**  
 Any of the above class of diseases may be cured by well rubbing the Ointment three times a day upon the skin covering the throat, chest and neck of the patient. The unguent will soon penetrate the pores and give immediate relief. To allay the fever and prevent inflammation, eight or ten Pills should be taken night and morning. The Ointment will produce perspiration, which is so essential for removing fevers, sore throats, and those oppressions of the chest which arise from Asthma, Bronchitis, and other causes.

**BOTH THE OINTMENT AND PILLS SHOULD BE USED IN THE FOLLOWING CASES:—**  
 Bad Legs, Corns, (Soft.) Rheumatism,  
 Bad Breasts, Cancers, Scalds,  
 Burns, Contracted and Sore Throats,  
 Runions, Stiff Joints, Sore Nipples,  
 Bite of Mosquitos, Elephantiasis, Skin Diseases,  
 Itch and Sand, Fistulas, Scrofula,  
 Piles, Feet, Sore Heads,  
 Cocksney, Glandular Swell. Tumours,
