- WARREN HOLDER
UNIVERSITY OF TORONTO LIBRARIES

EASY COLLECTION MANAGEMENT

Referenceware takes the guesswork out of collection management by offering the most comprehensive and up-to-date collections. And Referenceware collections are continually enhanced with new titles added every week so that you can provide the latest content while keeping costs under control.

EASY DEPLOYMENT

Provide access within your library, across your campus or remotely as part of your distant-learning program.

MARC RECORDS

Subscriptions also include MARC records, so patrons have one-click access from your online catalog.

Supports and Builds Upon Any Learning Experience

Referenceware delivers comprehensive collections of premium reference content in a searchable, web-based environment. Patrons have full access to the complete unabridged contents of thousands of business, technical and financial books from the best names in book publishing as well as need-to-read best practices authored by C-level industry experts.

Whether your patrons are students preparing for real-world adventures, faculty developing curriculum, staff managing work-related challenges, or residents trying to stay ahead of the learning curve, they can rely on Referenceware to help increase their knowledge, enhance their learning experience, and support them in their everyday activities.

ABOUT BOOKS24X7

Books24x7, a SkillSoft Company, is a leading provider of Web-based digital technical and business reference content, containing thousands of digitized "best-in-class" reference books, research reports, documentation and articles. Books24x7's hosted Web-based platform enables users to search, browse, read and collaborate with vast professional Referenceware libraries assembled through its relationships with the world's top technical and business publishers.

FinancePro™ — A trusted resource on financial topics

FinancePro™ offers instant access to relevant, reliable information on a variety of financial and topics that are needed in today's global, economic environment. Professionals and students use FinancePro to find immediate answers to all their financial questions about:

- Accounting
- Ethics
- Planning & Budgeting
- Alliances and Joint Ventures
- Government & Non-Profit
- Sarbanes-Oxley Compliance
- Auditing
- International Issues
- And more

ExecBlueprints™ — Best practices by industry leaders

ExecBlueprints™ provides concise, easy to absorb, practical information to help address pressing strategic issues. Authored by leading industry executives who have practical expertise and who are regarded as demonstrated leaders in their fields, these best practices provide nuts and bolts information to help formulate planning and action. ExecBlueprints' Topics include:

- Strategic Management
- Marketing
- Technology
- Finance & Accounting
- Learning & Training
- Human Resources
- Operations
- Sales
- And more

ExecSummaries™ — High-level overviews of popular business books

ExecSummaries provides summaries of leading business books from today's foremost business authors. ExecSummaries expertly encapsulates the salient points and ideas of full-length books into digestible summarizations. Unlike excerpts or reviews, ExecSummaries skillfully distills the essence of the author's work, conveying content, style and spirit. ExecSummaries' Topics include:

- Leadership
- Sales & Marketing
- Finance and Accounting
- Customer Service
- Strategic Management
- Hands-on Management
- Personnel & HR
- Success & Career Techniques
- And much more

GovEssentials™ — Covering a broad selection of government topics

GovEssentials™ offers a variety of ready-access titles that cover a broad selection of government-related topics of importance to professionals, contractors, consultants and students— who in turn get unobstructed, immediate 24x7 access to the resources they need to drive results more quickly. GovEssentials addresses important government-related issues, including:

- Foundations of Government
- Leadership & Management
- Information Technology
- Homeland Defense
- Program Management
- 508 Compliance
- Grant Proposals
- Acquisition & Contracting
- And more

OfficeEssentials™ — Ideal for any desktop user

OfficeEssentials™ focuses on the most commonly used desktop applications. It consists of practical, 'how-to' content in easy-to-understand language without technical jargon. Desktop users can find instruction for and answers to questions about common desktop applications, including:

- Adobe Photoshop
- Mac OS
- Microsoft Windows XP, 2003
- Crystal Reports
- Microsoft Office 97, 2000
- Microsoft Windows 95/98
- Computer Literacy
- Microsoft Office XP, 2003
- And more
