## A Message from Secretary of State Kim Wyman

Greetings,

It is with great honor that I have been called to serve the citizens of Washington. I am especially proud to be leading the volunteers and staff of the Combined Fund Drive.

Programs like the CFD are incredibly important to the fabric of a healthy community, helping those less fortunate and changing lives through simple and effective payroll contribution.

In these tough times, charity and goodwill are needed more than ever. The Combined Fund Drive is just one of the ways our citizens show compassion, and your tireless efforts will no doubt help to make our community better.

It is my goal to continue the legacy provided by those who have come before me, and I look forward to working with agency leadership, volunteers and donors of the CFD to make a lasting impact throughout the world.

Thank you so much for everything you've done. Your time and effort have truly made an impact on the lives of others.

Sincerely,

A handwritten signature of Kim Wyman in black ink, written in a cursive style.

What is the  
**COMBINED  
FUND DRIVE?**

Conceived in 1984 by then-Thurston County Auditor Sam Reed and established through an official Executive Order by Governor John Spellman, the Combined Fund Drive (CFD) has become one of the nation's premiere public giving programs.

## Our mission

*Empowering Washington public employees and retirees to strengthen communities through the funding and support of charities.*

The CFD encourages state employees and retirees to give to the charity of their choice through payroll contribution. To date, donors can give to one or more of 5,000 charities.

CFD donors are able to donate five different ways to their favorite charities: check, credit card (for special events), paper contribution forms, payroll contribution (monthly, limited-time and recurring limited-time options are available) and time. The easiest method for many donors is payroll contribution.

This safe and secure method is used by over 15,000 state employees annually, generating \$100 million for local, national and global charities in its 29 years of existence. For many smaller charities in Washington, the Combined Fund Drive is their primary source of funding.

The campaign is administered on an annual basis with the help of thousands of agency and higher education volunteers and continues to be one of the top public giving programs in the country. Our donors and volunteers are now able to log the time they dedicate to the Combined Fund Drive, as well as any other charity they volunteer with. The CFD Volunteer Tracker was unveiled in the spring of 2013 to recognize donors who may not be able to donate financially.

# How to Participate in the CFD

## Donate Online

You can make secure online donations at [www.cfd.wa.gov](http://www.cfd.wa.gov). Click the “Make a Donation” button and follow the instructions.

*First-time users will need to activate their account before they can complete a donation.*

## Use a Contribution Form

Carefully read the instructions provided on the contribution form. Incomplete and/or incorrectly filled-out forms will prohibit or delay your donation from being processed.

*Important notes to remember while filling out paper forms:*

- The first paper form submitted during the campaign will override all previous donation activity. Any additional forms submitted will add donations to your giving account.
- Charity codes are found in this book or online at [www.cfd.wa.gov](http://www.cfd.wa.gov).
- Remember to sign your form. This will authorize the CFD to process your donation.
- Make a photocopy of this form for your personal records.
- Return the completed contribution form to your workplace CFD volunteer.
- **If you fill out a paper contribution form, you will still have to activate your profile on our website if you want to manage your pledges online.**

*Your monthly payroll deduction will roll over into the next year unless you make a change to your donation.*

## Volunteer

The CFD is an employee-run program. We rely on thousands of volunteers from all over the state to make this campaign the success that it is. If you are interested in volunteering, contact your workplace Campaign Leader or contact the CFD office at (360) 902-4162 or [cfd@sos.wa.gov](mailto:cfd@sos.wa.gov).

# 2012 Combined Fund Drive YEAR-IN-REVIEW

Once again, the Combined Fund Drive was able to eclipse the \$5 million mark in pledged donations during the 2012 campaign. This was distinctive among state giving campaigns as other states around the country experienced sharp declines.

Many Campaign Leaders returned in 2012 to volunteer for the campaign, but especially encouraging were the new faces around the state. No matter how many years of experience, the volunteers of the CFD made 2012 another banner year in the face of incredible adversity.

Some of the most notable accomplishments this past year included:

Sherry Thomas and Laura Homan led an enthusiastic group of volunteers, who helped cultivate one of the most successful campaigns in the agency's history, bringing in \$121,044.66.

Craig Perry-Ollila and Traci Collins increased the school's campaign in both dollars (up \$11,000 from 2011) and participation percentage (from 51% to 63%).

Sara Wilson increased her campus' giving by almost \$20,000 (from \$58,000 to \$76,000), including an incredible \$4,400 designated to the Hurricane Sandy Relief Campaign.

The CFD unveiled the Volunteer Tracker, which allows donors and volunteers to track how much time they volunteer in their communities.

## *What is a* **FEDERATION?**

A federation is a partnership of five or more nonprofit organizations that come together to raise money through workplace giving, usually around common issues.

These federations make life easier by providing development and marketing services to smaller charities that cannot afford development and marketing staff. Federations help promote giving, help with administrative duties and speak on behalf of their member organizations. In many ways, a federation links the community to its recipient charities, resources and services.

### **What insights or services do federations offer to CFD Campaign Leaders?**

- They provide a single point of contact for multiple charity speakers and other campaign resources.
- Information on community work and issues is continually refreshed.
- Awareness of nationwide campaign trends and best practices is provided.
- Campaign overhead remains at lowest levels by simplifying distributions.

### **How do donors benefit from the work of federations?**

- **Accountability:** A federation ensures that employees are offered charitable giving choices that meet the highest accountability standards.
- **Efficiency:** The donor's designated charity can concentrate its efforts on direct service rather than allocating resources to workplace giving.
- **Readily Available Resource:** Federations provide comprehensive issue-area education.

### **How do member charities benefit from the work of federations?**

- Cost efficiency is greater as charities receive one consolidated check from many workplace campaigns.
- It's not necessary to allocate staff time to attend numerous workplace events.
- Charities can plan ahead and estimate a portion of yearly revenues for their annual budget.
- Funds raised through workplace giving are unrestricted. Charities can put them to use where dollars are needed most.

# Higher Education Foundations

College students and communities have long relied on the support of scholarships, athletic programs and academic departments to further their educations.

A key component of these programs is the money generated through higher education foundations. Donations from staff, alumni and the community-at-large have helped school foundations keep motivated students learning.

The Combined Fund Drive offers numerous opportunities for you to give to the higher education foundation of your choice. Whether it's your current school, your alma mater or a college in your community, you have access to nearly every foundation in the state through our payroll contribution program.

In this section, you will find all current foundations and their programs.
