A Message from Secretary of State Kim Wyman

As I look to the future, I can see the needs that continue to exist in our community. It's why I'm proud to co-chair the CFD, a program that continues to do incredible things for those in need. State employees took time during their busy work days to give back in the most inspiring ways through payroll contribution and fundraising events in their offices. This generosity makes Washington State's giving program one of the most successful in the country.

Nonprofit organizations around the state are working every day for those in need, and it gives me great pride to be a part of a program that helps bring them much needed financial relief. This year alone, state and higher education employees pledged more than \$5.3 million to local, national and global causes.

I promise to continue this inspiring legacy, and I thank all of our wonderful donors and volunteers for your determined efforts and generous contributions.

Sincerely,

KIM WYMAN
Secretary of State

Our mission

Empowering Washington public employees, retirees, and higher education faculty to strengthen our communities through the funding and support of charities.

With the help of our incredible volunteers and generous gifts from every participant, the Combined Fund Drive has created a legacy of giving. Since 1984, the donors of the CFD have given more than \$135 million to local, national and global charities through payroll contribution and fundraising events.

In just the last five years, more than \$25 million has been pledged as a result of the incredibly fun and innovative giving campaign that has entertained and inspired state employees.

VOLUNTEER HOURS TRACKERD BY AGENCY

The Combined Fund Drive is the only public giving program in the country that tracks volunteer hours. The estimated average dollar value for volunteer time in Washington state is more than \$28 per hour. This means that state and higher education employees saved charities in their communities more than \$300,000 in paid staff time during 2016.

EMM

EVERY MONDAY MATTERS®

You Matter.

Every Monday Matters taught us to look at each other and understand how much, and why, each of us matter.

The CFD and EMM partnered this year to encourage state employees that giving matters. Weekly activities of inspiration, connectivity, and generosity with a different monthly theme produced a positive and motivating campaign centered around doing good for yourself and for others.

Matt Emerzian, founder of EMM, kicked off the partnership as the keynote speaker at the Annual Leadership Breakfast with over 500 attendees. Between assisting at local food banks, visiting correctional facilities and just making our volunteers, charities, and donors feel the true connection and heart behind giving – the CFD partnership with EMM showed everyone what matters most. Giving Matters, and so do you.

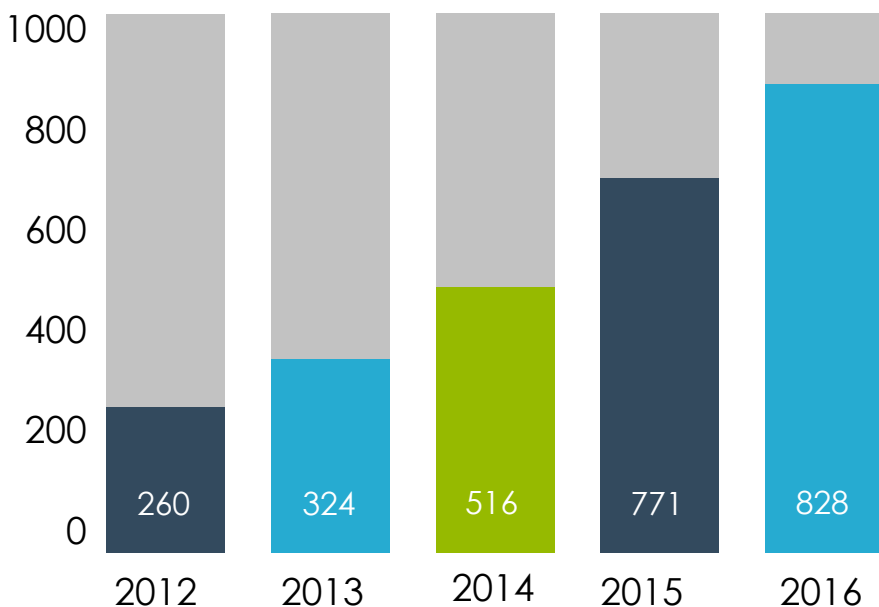

Partnerships bring success to our communities. When committed organizations and business team up to bring local charitable giving to their communities, it matters.

The CFD's partnership with the Washington State Employee Credit Union has reached another successful year for the First Week to Give. With a rise in new or increased donations, donors gave over \$15,000 for member charities during the first week of the Annual Giving Campaign.

First Week to give is a fun and inventive way the CFD works to benefit our communities and how donors make a world of difference. During this first week, a \$5 Starbucks card was received by any state employee who either started a new donation, or upped their current donation by \$5 or more.

Thank you to everyone who took their time to donate to First Week to Give!

A big shout out and thank you to our partners for the First Week to Give:

Masquerade Ball

2016 Combined Fund Drive

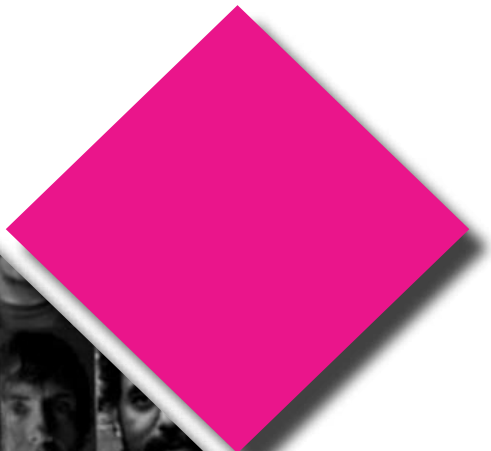

Dancing under a Tiffany chandelier, surrounded by Alaskan marble, and taking selfies in the fourth largest masonry dome in our nation doesn't get much better, but this year it did, and the CFD broke records doing it.

The fifth annual Combined Fund Drive Masquerade Ball reached new heights. The Ball is held in the capital city, Olympia, at the Legislative Building which showed itself as a social epicenter of the year with over 1,000 guests.

Secretary of State Kim Wyman and her office once again co-hosted with the CFD staff for this incredible event. An array of entertainment was found on each floor, including the popular casino night, fortunetelling, a western theme, and formal photo booth, plus a Silent Auction and the first Art Gallery. Food and beverages were graciously donated by local businesses and charitable organizations that competed in Best Taste and Best Presentation, which Little Creek Casino won this year in all categories.

The Ball raised close to \$30,000 (after expenses) for the CFD (last year's Ball raised more than \$10,000). There were 20 different charities on hand to connect with donors through vendor booths on the fourth floor of the building.

The CFD gives thanks to all attendees, volunteers and performers.

Financial Picture EXPENSES

Like any other nonprofit, the Combined Fund Drive has expenses that help administer the program on a statewide level. The program has two different classification of expenses: operational and fundraising.

Operational Expenses

The CFD has operational costs that are accrued throughout the year. Below are the costs for 2016:

| | |
|------------------------------|--------------|
| Employee Salaries | \$209,308.38 |
| Employee Benefits | \$76,825.62 |
| Purchased Services Contracts | \$324,172.22 |

To help administer the program statewide, the Combined Fund Drive entered into contractual agreements with four different organizations:

- University of Washington
- Department of Social and Health Services
- Every Monday Matters

| | |
|-----------------------------------|-------------|
| General Supplies | \$5,989.35 |
| Communications (telephone) | \$1,238.75 |
| Rent and Utilities | \$4,827.35 |
| Data Processing | \$8,858.97 |
| Shipping and Postage | \$2,701.08 |
| Employee Development and Training | \$1,262.48 |
| IT Equipment and Software | \$293.75 |
| Travel | \$10,566.45 |
| Fiscal Services | \$36,000.00 |

The Office of Secretary of State supports the Combined Fund Drive by providing fiscal processing services throughout the year. This service is noted through a monthly fee.

| | |
|--------------------------|----------|
| Other Goods and Services | \$574.26 |
|--------------------------|----------|

| | |
|-----------------------------------|---------------------|
| Total Operational Expenses | \$682,618.66 |
|-----------------------------------|---------------------|

Operational and fundraising expenses are tracked on a monthly basis and added together at the end of the year to acquire the total expenses of the CFD.

Fundraising Expenses

The CFD also incurs costs associated with marketing materials and fundraising events. Below are the fundraising costs in 2016:

| | |
|------------------------------------|--------------------|
| Printing & Reproduction | \$10,910.78 |
|------------------------------------|--------------------|

The Combined Fund Drive creates publications and purchases promotional materials to assist volunteers in raising awareness. Some examples include:

- Posters
- General Campaign Rack Cards
- Charity Guides
- New Employee Rack Cards
- Retiree Rack Cards

| | |
|------------------------------------|--------------------|
| Marketing & Advertising | \$11,343.97 |
|------------------------------------|--------------------|

To raise awareness during the campaign, the CFD also purchases promotional items to give out at events.

Some examples include:

- Balloons
- "I Give" buttons
- CFD pens

| | |
|--------------------------------|--------------------|
| Fundraising Event Costs | \$15,138.93 |
|--------------------------------|--------------------|

The CFD conducts fundraising events throughout the year to help lower administrative costs. Some of these events include:

- Football Kickoff Online Auction
- 2015 Golf for Veterans Tournament
- 2015 Masquerade Ball

| | |
|-----------------------------------|--------------------|
| Reimbursements to Agencies | \$16,319.38 |
|-----------------------------------|--------------------|

Volunteers of the Combined Fund Drive are entitled to reimbursement through the standard statewide reimbursement process. Some examples of costs for reimbursement include:

- Chili Cookoff supplies
- Purchases for softball tournaments
- Silent auction purchases

These purchases are typically made during the campaign. Volunteers seek reimbursement from his/her respective agency. Many agencies wait until the end of the giving campaign to send in a reimbursement request to the CFD.

| | |
|-----------------------------------|--------------------|
| Total Fundraising Expenses | \$53,713.36 |
|-----------------------------------|--------------------|

| | |
|----------------------------|--------------|
| Total Operational Expenses | \$682,618.66 |
| Total Fundraising Expenses | \$53,713.36 |

| | |
|-----------------------|---------------------|
| TOTAL EXPENSES | \$736,332.02 |
|-----------------------|---------------------|

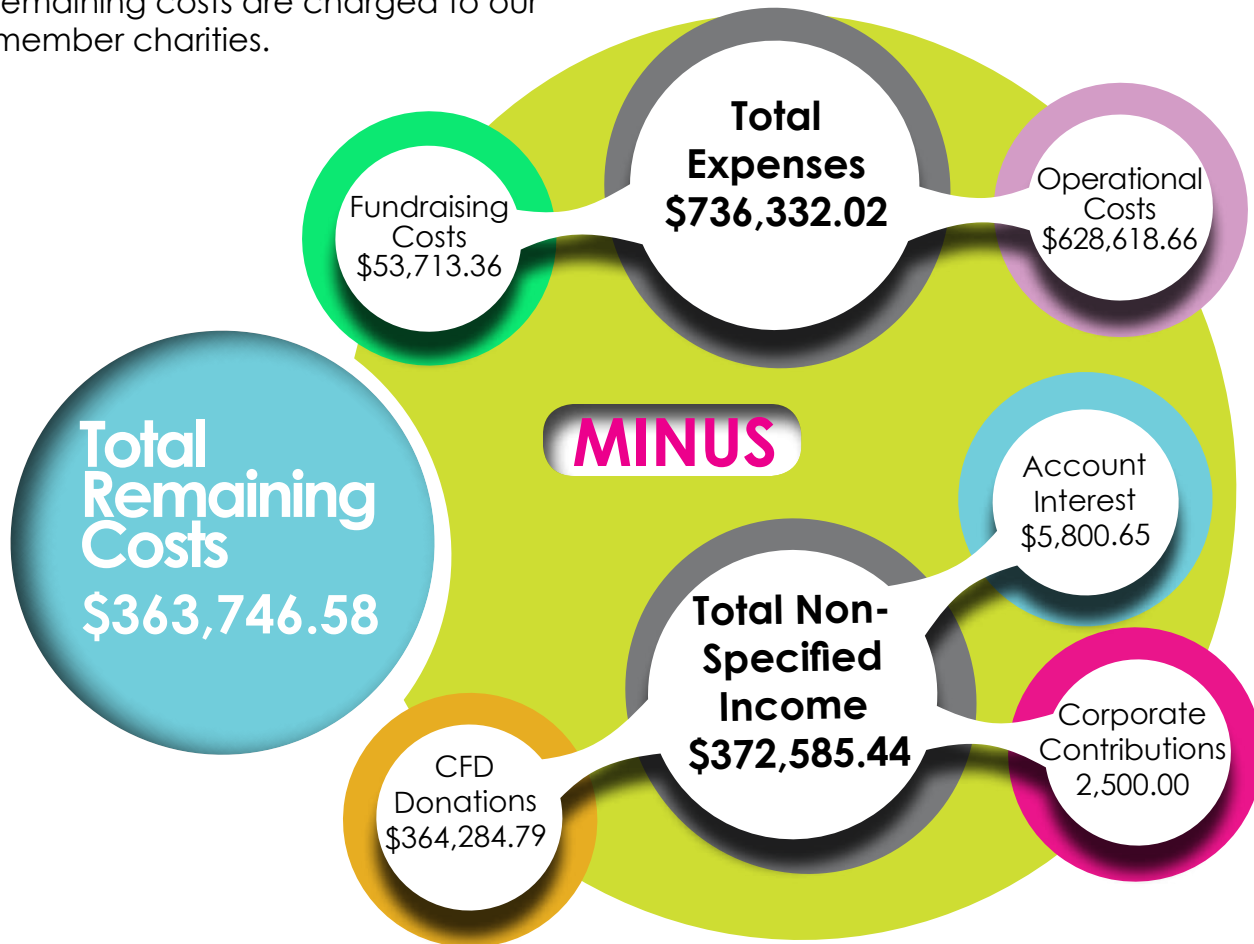

Specified Payroll Contributions and fundraising dollars are funds that have been specifically pledged and collected for CFD member charities.

| | |
|--------------------------------|----------------|
| Specified Payroll Contribution | \$4,302,861.22 |
| Specified Fundraising Dollars | \$349,483.88 |

THE BOTTOM LINE

How does the CFD help keep its administrative costs low? The program and its volunteers raise money for its non-specified fund. All expenses are taken from this fund first. The total remaining costs are charged to our member charities.

AVERAGE PERCENTAGE CHARGED TO CHARITIES

7.82%

| | |
|------------------------------|----------------|
| Total Specified Income | \$4,652,345.10 |
| MINUS | |
| Total Remaining Costs | \$363,746.58 |
| EQUALS | |
| Total Disbursed to Charities | \$4,288,598.52 |

THE BOTTOM LINE

Why do we say average charge to charity?

The Combined Fund Drive splits in remaining costs amongst only the charities receiving funding from specified payroll contributions or fundraising dollars. The costs are administered on a percentage-of-the-whole basis. So that means the more a charity receives in specified contributions, the more their fees will be when disbursing to their organization.

What does that mean for your dollar?

7.82%

Giving Comparison*

So, how does the CFD stack up with other forms of giving?

The graphic below shows the average costs associated with giving to your charity directly using various services and how they compare to giving through your paycheck with the Combined Fund Drive.

| | | |
|---|--|----------------------|
|  | Personal Check A personal check written directly to charity routinely costs up to \$20 to process. | Up to \$20 per check |
|  | Mobile Giving Transaction fees, keyword fees and annual set up fees create mounting costs that can affect your gift in big ways. | Up to 10% per text |
|  | Online Giving Using a credit card to start a recurring gift directly to your charity also has transaction fees with your bank and software creators. | Up to 4-7% per gift |
|  | Credit Card Giving Even if you choose to use your credit card to give directly at an event, there are still bank fees that come with your gift. | Up to 3-8% per gift |

7.82%

Giving through your paycheck is still one of the most cost effective ways to give to charities.

Giving through the CFD not only competes with most giving options, it beats most of them.

And with more than 1,000 volunteers throughout the state, the CFD also engages in campaigns to raise money for charities, working to justify the administrative costs it incurs.
