# OFFICIAL VOTERS PAMPHLET

CANDIDATES PAMPHLET ENCLOSED

WASHINGTON STATE LIBRARY  
STATE DEPOSITORY COPY

PUBLISHED BY OFFICE OF THE SECRETARY OF STATE

## How to Obtain an Absentee Ballot:

Any registered voter who cannot vote in person may apply directly to his county auditor or department of elections for an absentee ballot. Any signed request containing the necessary information will be honored. For your convenience, an application is reproduced below. The addresses of the auditors or departments of election are also listed below. In order to be certain that the voters' application is authentic, the election laws require that the signature on the application be verified by comparison with the signature on the voter's permanent registration record. For this reason, if a husband and wife both wish to vote by absentee ballot, separate, signed requests should be submitted. An additional absentee ballot request form can be found on the inside back cover of this pamphlet. In order to be counted, an absentee ballot must be voted and postmarked no later than the day of the election. For this reason, sufficient time must be allowed for an exchange of correspondence with the county auditor or department of elections.

## Introduction to the Official Voters Pamphlet

WASHINGTON STATE LIBRARY

A60004 706979

Dear Citizen,

On November 2 you will be asked to help decide the fate of numerous national, state, and local offices, as well as five state ballot measures. This voters pamphlet is sent to you and all other residents of Washington State to assist you in making informed decisions.

The first section of the pamphlet contains the official ballot titles and explanatory statements as prepared by the Attorney General, for each state measure. Statements "for" and "against" and rebuttal statements for each measure have been prepared in cooperation with both the opponents and proponents of these measures, as prescribed by law.

The center section of this publication, bordered in red, constitutes the Official Candidates Pamphlet.

As Secretary of State of the State of Washington, I certify that the text of each proposed measure, ballot title, explanatory statement, statement for and against, and rebuttal statement which appears in this pamphlet, is a true and correct copy of the original document filed in my office. Witness my hand and the seal of the State of Washington.
