How to Obtain an Absentee Ballot:

Any registered voter who cannot vote in person may apply to the county auditor or department of elections for an absentee ballot. Any signed request with the necessary information will be honored. For your convenience, an application form is reproduced below. The addresses of the auditors or departments of elections are also listed below. In order to be certain that an absentee ballot request is authentic, the election laws require that the signature on the application be verified by comparison with the signature on the voter's permanent registration record. For this reason if a husband and wife both wish to vote by absentee ballot, both must sign the application form or separate, signed requests should be submitted. In order to be counted, an absentee ballot must be voted and postmarked no later than the day of the election. If you intend to vote an absentee ballot, make your request as soon as possible to allow sufficient time for an exchange of correspondence with the county auditor or department of elections. Absentee ballot requests may be presented in person at the office of the county auditor or department of elections up until the day of the election. No absentee ballots may be issued on the day of the election.

INTRODUCTION TO THE 1982 VOTERS PAMPHLET

Nearly one-hundred years ago, in 1889, a small band of citizens gathered in Olympia, with the goal of achieving statehood for the people of what was then the Washington Territory. They succeeded and, in just seven years, we will celebrate our state's 100th birthday.

In our constitution and the amendments adopted early in this century, the founders of our state gave us a number of unique and special freedoms that we should reflect upon as we approach our Centennial:

- the right of all adult citizens to vote;
- the individual voter's right to propose legislation through the initiative and referendum process;
- full access to the polls for all citizens, including the disabled;
- this statewide voters pamphlet, offered since 1914, to provide ready information on candidates and issues.

On November 2, you will have the opportunity to vote on four state ballot measures and candidates for federal, state, and local offices. This Voters and Candidates Pamphlet is sent to you and to all other residents of Washington State to assist you in making your decisions on these important propositions and candidates.

Help make Washington as good for our children as it has been for us. Let us continue the tradition established by our state's founders by voting on November 2nd.
