YA	YAKIMA	DIMS	4963		35819	

DIMS only sends latest status at end of day.

So a record could be received, then the next day accepted.

Or we may only get the accepted record.

Rejected don't come until finalized.

Rejected should actually be titled 'Challenged'.

The problem that challenged it could be resolved, and then accepted later.

Not sure what Returned refers to for DFM.
