WASHINGTON
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | sos.wa.gov

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan
Assistant Secretary of State

How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

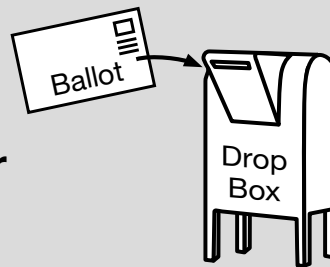

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

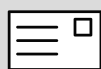

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit www.redistricting.wa.gov.

How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

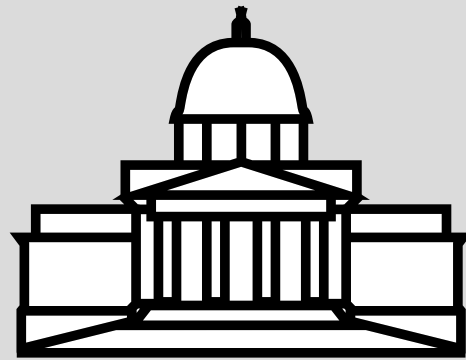

i Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

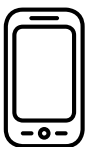

Repeal — means you **don't favor** the tax increase.

Maintain — means you **favor** the tax increase.

**Advisory votes are non-binding.
The results will not change the law.**

40

Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

Ten-Year Projection

Provided by the Office of Financial Management
For more information visit www.ofm.wa.gov/ballot

Engrossed Substitute House Bill 2076 (ESHB 2076) Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor & Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&I anticipates that there would be additional claims filed by these workers and L&I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

Statement

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Statement

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

Community Service

Statement

Our Representatives are completely out of touch with those of us struggling to keep up with the rising costs of food, gas, housing and prescription drugs. As co-owner of an auto repair and machine shop, I know how tough it's been to navigate this economy. Like so many working Washingtonians, we do our best to stay ahead of bills; but because we cannot afford quality child care for our son, we take him to work with us.

Special interests and party bosses have too much power in Washington and are failing to solve our biggest challenges. I'm running to take on politicians who are bought and paid for by large corporations who refuse to pay their fair share while working families who follow the rules fall further behind. I'm not taking a dime of Corporate PAC money and will put people over profits. I like to get my hands dirty fixing things, not working the system.

I'm proud to have created many family wage jobs with my business. As our business has grown, like many employers, we struggle to find workers with the skills they need to succeed. In Congress, I'll make expanding career and technical education a priority, to empower more Washingtonians to obtain family wage jobs they can be proud of.

Finally, I'll stand up to politicians who try to tell women what they can and cannot do with their own body. We cannot assume our rights will be protected here in Washington State any longer. It is up to all of us to fight to protect reproductive freedom.

Endorsements:

Senator Maria Cantwell, Congresswoman Suzan DelBene, Washington State Labor Council, Lands Commissioner Hilary Franz, IBEW 48, Former U.S. Congressmen Brian Baird and Don Bonker, State Representative Sharon Wylie, Vancouver Port Commissioner Don Orange

**Joe
Kent**

(Prefers Republican Party)

Elected Experience

I am not a career politician; I am a warrior. For over twenty years, I fought for our nation in the most challenging conditions as Green Beret and led troops into battle.

Other Professional Experience

I currently work as a project manager for a small technology company. Before joining the Army, I was a Boy Scout summer camp instructor, a lifeguard, and mowed lawns.

Education

Norwich University B.S. Strategic Studies and Defense Analysis, U.S. Army Special Forces Qualification Course, Eagle Scout.

Community Service

I deliver meals to veterans in need and volunteer at my church. I have trained and provided security services to churches and Synagogues.

Statement

I served for over twenty years in our nation's Special Forces and as a foreign policy advisor to President Trump. I'm endorsed by President Trump, Loren Culp, Lars Larson, and Gen. Michael Flynn.

My priorities are: fighting inflation by ending wasteful 'omnibus' spending and restoring energy independence; investigating the 2020 general election, election integrity laws and impeaching Biden and Harris immediately. Standing up for the right to life and the 2nd Amendment; securing our border and ending illegal immigration; and enacting an America First economic agenda that will restore our local manufacturing and timber industries and create good-paying jobs.

Like many of you, I've voted for Jaime Herrera Beutler before, but her betrayal of our conservative values compelled me to run against her. She voted with the Democrats to impeach President Trump, halt construction of the border wall, give 1.5 billion in taxpayer dollars to Planned Parenthood, and enact "Red Flag" laws that take away 2nd Amendment rights.

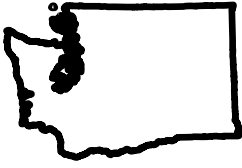

Here in the district, she's done nothing while mills, factories, and veteran clinics are shut down, and she's failed to address the I-5 Bridge Project and the sea lion problem that is devastating our fish stocks. Inflation is robbing our families of 9% of their take-home pay. Jaime caused that by voting for Biden's trillions in omnibus spending and, most recently, to send \$53 billion of your money to Ukraine.

I have been personally affected by Jaime's eagerness to keep U.S. troops in unnecessary foreign conflicts. My wife, Senior Chief Petty Officer Shannon Kent, was killed by a terrorist in Syria one month after President Trump tried to withdraw our troops from that conflict. Jaime voted to block that withdrawal.

Unlike Jaime, I will always put America and Americans first. I would be honored to have your vote.

Statement

Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

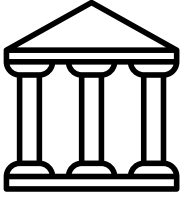

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

We need to protect our seafood and timber industries with realistic climate solutions so our communities can thrive. I will use my voice on behalf of our extraordinary people and land. Statement

Our state is on the wrong track. And the Seattle politicians that run the legislature, are choosing to make it worse. They handcuffed law enforcement when crime was skyrocketing. They voted for a huge increase in gas prices, on top of the inflation we're already suffering from. Obviously, I voted "no."

Our government has a few critical jobs and we're failing to do them. Our education outcomes are woefully behind and our roads are failing. Government must focus on the basics – its constitutional mandate – and stop trying to do everything poorly.

Voting tips

Fill out your ballot

You can use any color of pen to complete your ballot. You do not have to vote in every race to have your ballot counted. Make selections in the contests you'd like to vote, and you can skip those that you're unsure about.

Sign your envelope

Don't forget to sign the back of your return envelope. Your ballot cannot move forward in the process without a valid signature.

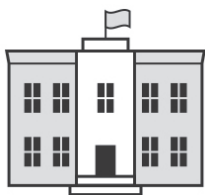

Return your ballot on time

We recommend dropping your ballot in a drop box to ensure it is received on time.

If returning by drop box, there are 8 secure drive up locations across the county. You can find a list on page 35 of this pamphlet. Drop boxes close promptly at 8:00 p.m. on Election Day, November 8, 2022.

If returning by mail, your ballot must be postmarked by Election Day, November 8 in order to be counted. No stamp is needed.

You can also return your ballot in-person at the Cowlitz County Elections Office up until 8:00 p.m. on Election Day.

Election observers

Observe the election process

Our goal is for the public to understand the election process. Touring our facility during an election is a great way to learn more about how elections are fair, safe, and secure.

As an observer, you will be able to ask questions about what you are seeing and witness the path of the ballot's journey firsthand. Anyone can observe the election process. Call our office at (360) 577-3005 if you are interested in viewing the process.

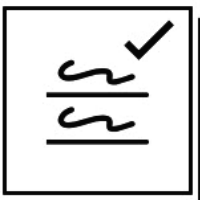

Signing your ballot

Each election, about 1-2% of ballot envelopes are challenged for not having a signature or the signature doesn't match. Don't let that be you.

Here are a few tips to help make sure your signature passes.

If you register online, we pull your signature from the Department of Licensing, so check the signature on your driver's license or state ID. Try to match that as closely as you can.

Your signature does not need to be written in cursive or nicely, it just needs to match the one that we already have on file. If you have a chicken scratch signature, that's okay! Just make sure you scratch it out the same way each time you vote.

Keep your signature current with us by updating it when you notice a change. Simply fill out and return a new voter registration form. You can download a registration form online at sos.wa.gov/elections.

Track your ballot. Log in at votewa.gov to see if your ballot has been received by our office and whether it has been accepted or if there's an issue with your signature.

If there is an issue with your signature, we will send you a cure form to resolve the problem. We will also reach out by phone and email, if you have one on file.

To make sure your ballot is counted, the cure form needs to be returned by 5:00 p.m. on November 28, 2022.

It has been an honor to serve as your County Assessor for the last four years. When I originally ran for office, I had no idea we were about to face unprecedented challenges both in Cowlitz County and around the world. I have worked hard to ensure our office was able to adapt to the ever-changing regulations and restrictions while fulfilling my statutory obligations and serving the public.

Although we have faced a lot of challenges in my first term, I continue to improve our processes by utilizing technology, making our services and our data more accessible. I strive to be an advocate for our community, working to assist both the citizens and the business who choose to call Cowlitz County home. I believe in a transparent government, and our office continues to find new ways to communicate important information to the public, utilizing methods that the citizens of Cowlitz County will find useful. It has also been my pleasure to work alongside other county officials to continuously improve the services we are able to provide to the public.

I look forward to serving as your Assessor for another term and would be honored to receive your vote.

Serving as your County Elections Manager and Auditor for the last 16 years has been a great honor and privilege. I am mindful of the trust you have placed in me and take my responsibilities seriously.

The Auditor's Office has four divisions: Elections, Recording, Licensing, and Accounting, and has many responsibilities within each. However, one of my most important responsibilities is maintaining the integrity of the election process.

I am committed to administering elections securely and accurately while inspiring public confidence and trust in our process. We can accomplish this through transparency and outreach. The Elections Office is always open for observers and hosts an open house annually. This provides citizens with an opportunity to tour the voting center and ask questions while observing ballot processing.

I am the proud recipient of the State's 2022 Auditor of the Year award. While extremely honored, I did not do this alone. I work with an outstanding team that believe in the importance of public service. To be great, we must always evolve, revising procedures and services to meet changing regulations. I will ensure we continue this work while being good stewards of public funds. I appreciate your support.

I have worked in the Clerk's Office for seventeen years, serving as your County Clerk for the past eight years. It has been a privilege and an honor which I look forward to continuing.

In the past four years, the Clerk's Office has continued to increase our use of technology to better serve the citizens. We have installed a public kiosk, increased remote access to our case files and continued efforts toward a paperless system. I will continue to look for new technology and practices to streamline the functions of the office while continuing to increase accessibility. The Clerk's Office is staffed with amazing Deputy Clerks who worked diligently during the COVID pandemic. We maintained essential services and continued to provide quality customer service in a new virtual court environment.

I look forward to another four years serving as your County Clerk and appreciate your vote in the November election.

I am a lifelong Cowlitz County resident. I am running as an Independent because I have not been involved in politics and I do not think that party affiliation matters at the local level. My viewpoint is that local government needs to work for all citizens. After all, those citizens pay our wages!

I grew up in a Blue-Collar family in Rose Valley and I am immensely proud of my Blue-Collar roots. The hard-working Blue-Collar citizens of Cowlitz County are the backbone of our community. I have also owned my own business for the last 33 years and have experience that I have gained there. Those two vantage points allow me to be able to listen to the various sides of an issue.

I am not afraid to tackle the tough issues, whether that is the homeless camp on Alabama street or inefficiencies in departments at the county. I will work with whoever shares that same goal and vision to make our local government work better for the citizens of Cowlitz County.

A 25 year Castle Rock resident, recently retired from Fibre Federal Credit Union, completing a 39 year banking career as Senior Vice President, Chief Retail Officer. I have four children and seven grandchildren.

I believe in a Citizen led government, not the Government led citizen model these elites currently use, ignoring State and Federal constitutions. I will protect your rights by fighting mandates and government overreach perpetrated by elected officials and the non-elected agency entrenched bureaucrats. Picking winners and losers is a job for the free market; your health choices are your business; what the schools teach should be driven by you.

I believe Cowlitz County should strive for financial independence, operating within our county checkbook. The dependence on State and Federal funds shifts power to those knowing the least about local County needs.

I believe leaders with strong morals are crucial to dealing with the corrupting influences of Government. My daily marching orders can be summed up in three short sentences. Walk in faith. Act in love. Endure in hope. I am called to protect your individual rights as presented in the state and federal constitution. I would be honored to receive your vote.

It has been an honor and privilege to serve as your Prosecuting Attorney for the last eight years. Every day our team works to protect our community, stand up for the rights of victims, and provide prompt and effective legal advice to the County.

Our team strives to ensure that victims' voices are heard, and that justice is served by allocating necessary resources to help those most vulnerable, as well as ensuring that persistent, serious, and violent offenders are held accountable for their crimes. Additionally, our team continues to do our part to be proactive in addressing the mental health and addiction crisis. Participation in our County's Mental Health Court is at an all-time high. We have also worked to retool Drug Court to increase participation since the State Supreme Court's Blake decision, which decimated drug court numbers across the State.

Moving forward, we will continue to build on our strong relationships with law enforcement and community partners, as well as prioritize community engagement and involvement.

Having been born and raised in Cowlitz County, and now raising my family here, I am honored to serve as your Prosecutor. Your continued support is very much appreciated.

It has been my pleasure to serve as your County Treasurer. As Treasurer, my most critical responsibility is to safeguard our public funds. It is essential to have an experienced Treasurer to provide protection of the tax payers' money.

The Treasurer's office is the custodian of all moneys for the County including our junior taxing districts, schools, ports, fire districts, etc. We have worked hard to create great relationships with our districts and strive to provide the best customer service to our taxpayers and our districts.

Over the last four years, my team and I have implemented new tax receipting software. We focus on fine tuning our internal processes to improve efficiency. We now send reminder notices, have updated our online tax payment processor, and are working to create a County Investment Pool to increase interest earnings while still making it our top priority of keeping the funds safe.

I understand the trust that the taxpayers give to our office and I take this trust very seriously to ensure we provide the highest level of service to the citizens of Cowlitz County. It would be an honor to receive your vote and continue serving as your County Treasurer.

Over the past four years my first priority has been to help the victims of crime in Cowlitz County feel that the District Court is sympathetic and responsive to their needs. I am committed to make this continue in my second term. The application of a number of sentencing alternatives has helped achieve this goal. These alternatives include community service, work crew and credit against jail sentences for successful completion of treatment directly related to the offense. Victims are many times better served if the defendant can successfully complete domestic violence treatment and then receive credit against a portion of the jail sentence imposed. The same applies to persons convicted of crimes related to drug and/or alcohol abuse. I have found that successful completion of treatment in lieu of an equivalent amount of jail time is usually better for the victim, the community and the defendant. That is not to say that these alternatives work in all cases, and I have found it necessary to impose significant jail sentences when the alternatives to jail will not help or protect the victims of crime.

While serving as your elected Cowlitz County PUD Commissioner since 2017, I have taken action to fulfill my commitment to provide our community with an electric utility second to none. We worked through troubled times, including the Covid pandemic, to keep rates low, service high, build collaborative relationships between the PUD and community, and assure sound financial management. Our PUD has become financially secure with solid reserves and has reduced debt *with no rate increases for 5 years*.

The electric utility industry is facing a uniquely challenging regulatory environment. This environment creates increasing cost pressure and higher chances of regional power shortages. I believe my experience, 40 years in the electric industry, will be instrumental in responsibly managing our way through these challenges. I support clean renewable hydroelectric power and long-range planning to build a safe and reliable electric infrastructure to meet the future needs of our Cowlitz County residents and businesses.

Your vote will allow me to continue working on your behalf. Thank you for your support.

Education and Accreditations: BS in Electrical Engineering (OSU); Registered Professional Engineer; numerous electric utilities industry affiliations.

Argument For

Castle Rock property owners are asked to approve a one-year levy of .30 per 1,000 of assessed property valuation to fund the Castle Rock Library for the year 2023. This levy would replace the levy amount that funded the library budget previous to 2019, which was .50 per thousand.

The levy would cost the owner of a \$200,000 home \$60. That amounts to \$5.00 per month for the year. This would provide all operating expenses for the library continued free public Internet access and wi-fi, e-books, and informational publications such as the archived Advocate.

Castle Rock's library has over 21,000 volumes of fiction, non-fiction, children's books, DVD's, audio books, and reference materials. Adults and children may take advantage of the opportunity for recreational and information reading. No additional fee is required for City tax payers to hold a library card and anyone residing outside the city limits can obtain one for a nominal fee.

Children learning reading skills in school may hone those skills at the library and by participating in the summer reading program. Students can also use the library as a study resource and job seekers can access job opportunities on the Internet for free. Many other Internet services are also available, such as taking the Washington State Health Department food handler card test online. The library is also a distribution point for community services, such as printing computer documents IRS tax forms, and Covid-19 information and test kits.

Castle Rock's library is vital to the community.

Cowlitz 2 Fire & Rescue

Proposition 1

Property Tax Levy for Fire Protection and Emergency Medical Services

The Board of Cowlitz 2 Fire & Rescue adopted Resolution No. 833-2022 concerning a proposition to restore the District's regular property tax levy.

This proposition would provide funds for emergency medical services, fire protection, prevention and safety. It restores the district's maximum regular levy rate for collection in 2022 to \$1.35 per \$1,000.00 of assessed valuation and sets the limit factor for levy increases in 2023-2027 at increases of up to 5%. The maximum allowable levy amount for 2027 will be used for the purpose of computing the limitations for subsequent levies under chapter 84.55 RCW.

Should this proposition be:

Approved

Rejected

See complete resolution text at:
co.cowlitz.wa.us/elections

Explanatory Statement

Your elected Board of Commissioners of Cowlitz 2 Fire & Rescue have determined that funding of fire protection and emergency medical services to our citizens requires more stable and consistent funding.

If approved by the voters, this proposition will authorize the District to restore its regular real property tax levy rate to \$1.35 per \$1,000 of assessed valuation in 2022 for collection in 2023, and will establish an annual levy growth rate of up to 5% for the following five years in order to keep up with inflation. The District's current regular tax levy rate is approximately \$0.97 per \$1,000 of assessed valuation.

The District Board has found that the tax levy and the revenue it will produce is necessary to maintain and improve the current level of services, firefighter staffing, equipment and facilities, and to replace and purchase additional equipment and apparatus to continue to improve services for the protection of life and property in the District and to enhance public safety.

Argument Against Prepared by

Chairperson:

A committee against was not appointed by the jurisdiction.

Argument For

Critical fire, rescue, emergency medical and ambulance services currently provided by Cowlitz 2 Fire & Rescue are at risk of being cut.

In order to keep up with costs, the fire district is asking voters to approve a 6 year lid lift measure. If passed, the district will use the funding to *maintain staffing, support training, and improve infrastructure.*

Since 2015, fire department emergency responses have increased by 2000 calls per year, and the department is now averaging almost 6000 calls per year. Support for this levy will maintain current staffing at three fire stations 24/7/365. There are times when private transport ambulances may have dangerous on scene arrival times, and the lid lift allows the fire department paramedics, who are cross trained in both fire suppression and emergency medical services, the ability to transport critical patients to the ER in a Cowlitz 2 owned critical care ambulance. The levy will also maintain recently lowered fire insurance rates for homeowners in the district.

This levy lid lift helps ensure: 1. Trained fire / medical responders arrive rapidly with adequate personnel to address the emergency; 2. Skilled paramedics with advance lifesaving equipment are able to continue being part of our crew; 3. Well maintained fire stations, medical transport vehicles and fire suppression apparatus.
