Washington State Elections  
& Klickitat County

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](https://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

# # Future # Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076) Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Smiley**

(Prefers Republican Party)

**Elected Experience**

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Newhouse**

(Prefers Republican Party)

**Elected Experience**

Chairman of Congressional Western Caucus, 2021 – Present. Central Washington’s Representative in Congress 2015 - Present. Washington State House of Representatives 2003-2009.

**Other Professional Experience**

Washington State Department of Agriculture Director, 2009-2013. Operates an 850-acre farm near Sunnyside where he grows hops, tree fruit, grapes, and alfalfa.

**Education**

Bachelor of Science, Agricultural Economics, Washington State University. Graduate of the Ag Forestry Leadership Program.

**Community Service**

Past President, Hop Growers of America, Hop Growers of Washington, and Yakima County Farm Bureau. Former member of the Columbia River Task Force and Central Washington Fair Board. Current NRA member.

**Statement**

Dan Newhouse is a champion for us in Congress. He pushes government to live within its means and cuts red tape so jobs can grow. He solves problems and stands up against the reckless spending that is causing the highest inflation in 40 years. As Chairman of the Congressional Western Caucus, Newhouse leads the charge to lower gas prices by unleashing the American energy sector and making the U.S. energy independent. And he tirelessly fights to protect our Snake River Dams and the clean, renewable hydropower they provide to Central Washington.

Dan understands this region. He’s keeping the Federal government accountable to clean up Hanford. He’s advancing forest management to reduce wildfire risk. And he knows the best land-use decisions come from local leaders and landowners, not federal bureaucrats.

A third-generation Yakima Valley farmer, Dan knows the threat China poses to American food security and national security. He authored the legislation that prohibits the Chinese Communist Party from purchasing any more American farmland.

Dan stands up against the radicals who want to “defund the police.” He works to increase funding to our local police departments and impose harsher punishments on criminals who target police officers. You can count on Newhouse to Back the Blue.

Newhouse is a champion for our veterans and wrote the law to make sure no veteran is ever denied emergency medical care. And to seniors: Dan will protect Social Security. You paid into the system, and Newhouse will help ensure the government keeps its promise to you.

Dan has been commended by business groups, Second Amendment supporters, pro-life organizations, and land rights advocates for his commitment to pro-jobs policies, traditional values, and individual liberty. He brings conservative Central Washington values to Washington, DC. Please vote to keep Republican Dan Newhouse working for us in Congress.

**Statement**

Central Washington has a bold history of accomplishing incredible feats of engineering and a track record of visionary leadership. Our grandparents faced the daunting and overwhelming challenge of getting water to farmers and electricity to their homes. They tackled big problems with grit and determination.

Our ability to work together has been lost. Central Washington has been abandoned by Washington DC. It is the job of our Members of Congress to get people's attention, pass legislation and get things done. We have lost decades where we could've been creating a new generation of prosperity and increased quality of life for every resident here.

I come from a fourth-generation farming family in Yakima. I own and operate a small business that delivers locally grown meals to families in Yakima. For years, my previous business took me all over the world helping companies with marketing, technology, and improving their bottom line. I came back because Yakima is home.

I know we can turn this around. But, we have to stop the politics of division. If you are looking for a campaign that bickers about partisan issues that are designed to pull people apart, this is not your campaign. The goal of this campaign is to bring all people together to get things done. I've listened by holding town halls from the Methow Valley to Klickitat County. I've heard you want to keep our tax dollars here to invest in infrastructure, broadband, healthcare, housing and education. I'll protect medicare and social security, work with community leaders to develop programs to keep kids away from a path of crime and provide the police the support they need. Childcare and protecting our right to privacy are central to our maintaining a strong workforce. I'd be honored to earn your vote.

### Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

### Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

### Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

### Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

### Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
