WASHINGTON
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | sos.wa.gov

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan
Assistant Secretary of State

Sign up online at VoteWA.gov with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit www.redistricting.wa.gov.

How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

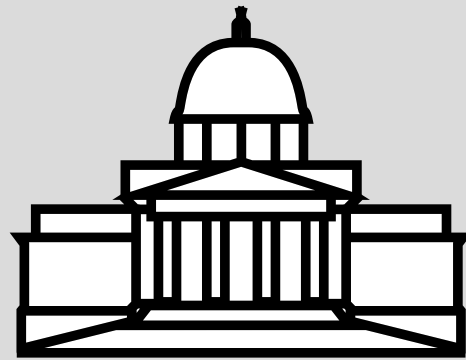

i Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

Repeal — means you **don't favor** the tax increase.

Maintain — means you **favor** the tax increase.

**Advisory votes are non-binding.
The results will not change the law.**

40

Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

Ten-Year Projection

Provided by the Office of Financial Management
For more information visit www.ofm.wa.gov/ballot

Engrossed Substitute House Bill 2076 (ESHB 2076)
Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor & Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&I anticipates that there would be additional claims filed by these workers and L&I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

Statement

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Statement

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

Elected Experience

U.S. Representative from 5th Congressional District; House Energy and Commerce Committee Republican Ranking Member. Served in the Washington State House of Representatives; elected House Republican Leader.

Other Professional Experience

Worked at family-owned orchard and fruit stand for 13 years.

Education

Executive MBA University of Washington, BA Pensacola Christian College.

Community Service

Statement

I'm blessed to represent the hardworking people of Eastern Washington and serve as your voice in Congress. Every week, I have the privilege of going to Washington, D.C. to fight for you – the veterans who selflessly served our country, the small business owners driving our economy, the farmers putting food on the tables of families around the world, and the next generation of entrepreneurs chasing after the American Dream.

As the Lead Republican on the Energy and Commerce Committee, I've had the opportunity to deliver results on some of the issues most important to Eastern Washington.

From securing America's energy future and making health care more affordable to protecting free speech and closing the digital divide, our committee has been at the forefront. In 2021 alone, I introduced 11 bills that were brought to the House floor, and I continued my work for you by helping lead 149 other pieces of legislation.

Additionally, I helped pass 64 bills out of the Energy and Commerce Committee and onto the House floor, 9 of which were signed into law.

In Congress, I will continue to make our nation's energy independence a top priority. I recently introduced a bill to flip the switch on American energy, restore our dominance on the world stage, and turn away dangerous adversaries like Russia and Venezuela. This is the key to providing hardworking families in Eastern Washington with the reliable and affordable energy they need to keep the lights on.

There is a lot to be excited about in the year ahead. Together, let's imagine what's possible and work hard to make it happen. I am grateful for the support of my family and all of you throughout this journey. It's time to get to work Eastern Washington.

Statement

I'm running because so many of us feel left out of decisions made in Washington, D.C. Our current Congresswoman is out of touch, rarely present, and has become part of the divisive extremism pulling our nation apart and eroding American values.

I offer a different vision. I'm a fourth generation Eastern Washingtonian from Spokane's Hillyard neighborhood. I'm proud to be raising my kids and running my practice here. My childhood was marked with hard times and family struggles, but I developed a strong work ethic and determination to secure a better future that I'll take to Congress.

I started my campaign by listening, holding town halls from Pend Oreille to Walla Walla, calling thousands of voters, and doing something our current Congresswoman refuses to do: answer questions directly. I've heard from folks across our district the importance of prioritizing Jobs, Families, and our Democracy.

Workers and families are struggling to make ends meet with the high price of gas, groceries, housing, and childcare. As a mom and business owner, I get it. Too many are at risk of going broke if they get sick or injured. Corporations making record profits, while paying poverty wages and unduly influencing policy, is not acceptable. We must ensure government works for the People, regardless of appearance, abilities, or address. I will prioritize tackling inflation, strengthening Unions, improving healthcare access and lowering costs, reducing education costs and debt, investing in childcare, expanding rural broadband, fixing roads and bridges, addressing climate change, and protecting voter rights.

Together, we can stop the extremism, the partisanship, and find common ground to move our communities forward. I'd be honored to earn your vote.

Endorsed: State Senator Andy Billig, State Representative Marcus Riccelli, State Representative Timm Ormsby, Former State Senator Lisa Brown, WA State Labor Council AFL-CIO, and many more.

1

Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on November 8, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! - Your signature is missing
- Your signature doesn't match your voter registration record

2

Your signature is verified

If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

Envelopes and sleeves are separated

The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

Your ballot is reviewed and scanned

The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.

Your signature matters.

Under Washington State law, the signature on your ballot return envelope must match the signature from your voter registration record in order for your ballot to be counted. That means we check every single signature on every single return envelope in every single election. Each election, ballots are returned either unsigned or with a signature that doesn't quite match. Don't let that be you.

Here are a few tips to help make sure your signature passes the check and your ballot gets counted:

- If you register online, we pull your signature from the Dept. of Licensing, so check the signature on your drivers license or state ID and try to match that as closely as you can.
- Your signature does not need to be written in cursive or nicely or even legibly, it just needs to match the one that we already have on file. If you have a chicken scratch signature, that's okay! Just make sure you sign it the same way each time you vote.
- If you have no idea what signature you might have used or it's been a while and your signature has changed, you can always update your signature simply by returning a paper voter registration form. Returning a paper registration form will add your updated signature to your file.

If there is an issue with your signature not matching or if you just plain forgot to sign, we will send you a letter and, if we have your number, we'll reach out by phone as well. To make sure your ballot is counted, you'll need to fill out and return a simple form before 4:30 pm on November 28, 2022.

How to return your forms to Stevens County Elections:

- Email:

Take a clear photo or scan and send to elections@stevenscountywa.gov. This is the fastest way to return forms to us. A clear photo is the key to success here!

- Mail:

Send to 215 S. Oak St, Room 106, Colville, WA 99114

- In person:

Return it to our office by the deadline on your letter

215 S. Oak St, Room 106, Colville, WA 99114

- Fax: 509-684-7568

If you have questions about signature challenges or how to update yours, please call us at 509-684-7514.

Statement

We must go back and rediscover our Nation's founding. The United States Constitution is perhaps the most important document ever written for the benefit of mankind other than the Bible.

George Washington wrote that the U.S. Constitution and system of government is "in my opinion the fairest prospect of happiness and prosperity that ever was presented to man." Article I, Section 3 of the Washington State Constitution reads: "No person shall be deprived of life, liberty, or property, . . ."

I believe elected officials should serve and protect the citizens they represent: NOT the State.

We need to protect our disabled veterans, our citizens facing hardship, and those on fixed incomes from losing their property to tax lien foreclosures.

As your Stevens County Assessor, I will bring strong leadership, sound business management, customer service, courtesy, standards of fair practice, fair assessments, and interdepartmental cooperation.

I will work hard to protect your property rights and I will seek the Lord's guidance through prayer when making decisions as your Assessor.

I would appreciate your vote. Thank you.

Dude Simmons is well known for his dedication to service to the communities in Northeast Washington through volunteer work and his professional career, which has spanned nearly four decades. He has spent the last seven years insuring that citizens of Stevens County are shown professionalism and courtesy, every time they work with him. As the Deputy Assessor charged with managing 664,000+ acres in the Designated Forest Land Program and 90,000+ acres in the Current Use Farm & Ag Program, Dude has worked tirelessly to insure accuracy and accountability for all.

With the recent events in the world and a large influx of new homebuyers, Stevens County has seen a drastic rise in land values. Every citizen has felt the effects of higher land taxes and learning from coworkers, I have gained experience in the Senior Citizen and People with Disabilities Exemption program to aid those in need. Proper administration of this program will be high priority due to the resulting tax.

I will assemble a team dedicated to the service of Stevens County. I will work to insure all tax assistance programs, appraisals, levy calculations are according to law, conducted professionally and correctly.

Statement

Thank you for taking an interest in my campaign. I am running to serve another 4 years as your Stevens County Auditor.

It has been my honor, with the support of my team, to protect the integrity and security of local elections, provide excellent customer service in our recording and licensing departments, and safeguard taxpayer dollars.

During my first term as Auditor, new recording software has been instituted, including a self-service online portal for citizens to research documents. Three staff are now certified elections administrators. Cross-training has shortened the line at our cheerful and dedicated licensing department, and I have ensured public funds are used appropriately and with accountability.

Stevens County's interests are also protected on the state-wide stage; I have served two years as the Washington State Association of County Auditors (WSACA) as treasurer, and I will serve as Vice President of the Association. I am co-chair of the WSACA Legislative Committee and I frequently testify before the legislature, advocating the interests of Stevens County citizens.

You have my commitment that I will continue to serve Stevens County with dedication and excellence. I am humbled to be your Auditor, and I ask for your vote.

Michelle worked shoulder to shoulder with former long-time clerk, Patricia "Patty" Chester, for over 15 years learning all facets of the Clerk's Office.

In addition to her experience in the Clerk's Office, Michelle's work in the County Commissioners' Office provided valuable experience with county budget procedures and grant management. This combined experience gave her the depth of knowledge necessary to run the Clerk's Office.

Since her appointment, she has also been appointed to the Executive Board of the Washington State Clerks Association as Director of Communications and serves on two sub committees that update court-patterned forms to comply with recent changes in legislation.

Michelle resides outside of Colville with her husband and enjoys spending time outdoors with her family and friends both in the woods and kayaking. Statement

Since November of 2020 I have served as your Stevens County Commissioner for District Two. By the end of 2022 I will have worked through three complete budget cycles, and I hope to continue using this valuable experience to serve you! As commissioner I have required employee accountability and advocated for reasonable compensation to retain quality employees to serve you. I believe good stewardship of your tax dollars means all county departments must operate as efficiently as possible. I'm a 5-year Air Force Veteran and a 30-year police veteran, retiring as Chief of Police for the City of Chewelah. During my career I managed many incidents and helped thousands of people. This experience enables me to have unique insight into the issues that are important to our local culture. I have always worked well with community and neighboring agencies including tribal, county, state and federal entities. During 35 years of dedicated service, I completed over a thousand hours of training that includes budgeting, personnel management, and executive leadership. I was raised in a God-fearing farming and ranching family and place a very high level of importance on protecting private property rights and the inalienable God-given rights we enjoy as Americans.

Education

Community Service

Philanthropist and Volunteer Coach

Statement

During my campaign I would like to focus on the following; leadership, candor, budgets, taxes, veteran outreach, homelessness, business growth, private property concerns, infrastructure and constituent representation.

My plans are simple in nature:

Customer Service! Too often constituents are forgotten, in that we are customers of the government. We are a representative republic; elected officials should be servant leaders. My plan, given the opportunity, is to represent you in a manner that I have led in business and the military. Leaving no person behind is a creed to which every person in the military identifies with. I have a proven track record operationally, starting and supporting non-profit organizations and in business for attention to detail and mission accomplishment. Most importantly, leaving no one behind.

How do we get there? Simply paying attention to the constituents and their needs within the construct of the state and federal constitution. By growing business and getting rid of restrictive regulations that makes it prohibitive to conduct commerce on a day-to-day basis

Please get to know me better by visiting my campaign website at www.taylorfordist2.com where you are encouraged to share ideas and if you feel compelled to support us, we would appreciate your donation.

Statement

I am honored to have served as your Coroner for the past 8 years. I have been a Medicolegal Death Investigator for the past 23 years. I am one of only 2120 board certified Medicolegal Death Investigators in the nation. My qualifications well exceed the established 2021 legislative mandated minimum level of training to hold an elected coroner position. In addition, I am a registered nurse and every shift that I work in an emergency room has provided me with invaluable experience and education that I bring back to my Coroner position. I am currently working on accrediting the coroner office through the International Association of Coroners and Medical Examiners. I have accessed additional resources to serve Stevens County taxpayers, including federal grant funds to purchase two properly equipped vehicles for the office.

As Coroner I sign more death certificates annually than any medical provider or physician in Stevens County. This requires broad medical knowledge and investigative experience. Using my death investigation skills and extensive medical expertise I determine the cause and manner of death. As your Coroner I will continue to serve our county without bias and with transparency while honoring my commitment of honesty and integrity.

Proposition No. 1

Capital Levy For Security and Technology Improvements

The Board of Directors of Loon Lake School District No. 183 adopted Resolution No. 204, concerning a proposition for a levy to make capital improvements. This proposition would authorize the District to levy the following excess taxes, on all taxable property within the District, to make security and technology improvements (including installing additional security cameras; acquiring student and staff computers and other technology equipment, hardware and software):

Collection Year	Estimated Levy	
	Assessed Value	Levy Amount
2023	\$0.20	\$100,000
2024	\$0.20	\$100,000
2025	\$0.18	\$100,000
2026	\$0.17	\$100,000
2027	\$0.17	\$100,000
2028	\$0.17	\$100,000

all as provided in Resolution No. 204. Should this proposition be approved?

- Levy Yes
- Levy No

Explanatory Statement:

Proposition No. 1 – Capital Levy For Security and Technology Improvements

Passage of Proposition No. 1 would allow the levy of taxes over a six-year period to pay for security and technology improvements throughout school facilities, including: (1) acquiring, installing, implementing and modernizing security cameras, access controls, door locks and other security systems; and (2) acquiring, installing, implementing and modernizing student and staff computers, personal computing devices and other technology equipment, hardware and software, and making other improvements and upgrades to the District’s technology equipment, infrastructure, systems and facilities. The School Board determined the capital improvements were necessary due to student and staff security needs, the existing condition of technology infrastructure, equipment, systems and facilities, and the needs of educational programs. Further information is available at <https://www.loonlakeschool.org/>.

The proposed six-year capital levy would authorize collection of taxes to provide \$100,000 each year from 2023 through and including 2028. The tax levy rate required to produce these levy amounts is estimated to be \$0.20 in 2023, \$0.20 in 2024, \$0.18 in 2025, \$0.17 in 2026, \$0.17 in 2027, and \$0.17 in 2028 (estimated levy rate per \$1,000 of assessed value). Exemptions from taxes are available, call the Stevens County Assessor: 509.684.6161 or Pend Oreille County Assessor 509.447.4312.

Arguments For and Against this measure are on next page →

Argument For:

I usually argue against school district tax measures across the state because most districts are wasting taxpayer dollars with excessive spending even with the McCleary Decision's influx of millions of increased state property tax dollars. That is not the case for the Loon Lake SD (LLSD). LLSD is frugal with a total per pupil expenditure of \$13,000 as of 2020-2021. The district has low overhead with 0 assistant superintendents for example. The LLSD superintendent is also the principal serving multiple duties. The district is an efficiently run K-8 single school building district quite similar to our state's frugal public charter schools. Many WA school districts select paid district staff to serve as the pro committee for the voters' pamphlet. The LLSD did not do that. They advertised for citizens to volunteer for either the pro or con committee. I waited for all others and then volunteered as the last resort. But this time for the pro committee.

This 6 year capital levy before you is for \$100,000 for each of the next 6 years (2023-2028) for a total of \$600,000. The previous 6 year capital levy was for \$423,667 for each of the previous 6 years (2017-2022) for a total of \$2.5M. So this new levy is a 76% decrease in dollars. There are no tax "rate" games being played by the LLSD. They plan for a constant amount to be collected each levy year. Please weigh the pros and cons and make your own decision. New Washington resident

Welcome! Register to vote online, by mail, in person, or when you get your new driver's license or ID at the Department of Licensing. You may not vote in more than one place, so cancel your previous voter registration.

**Military or overseas voter**

Register to vote anytime on or before Election Day. You may receive your ballot by mail, email, or fax. Spouses and dependents also away from home have the same voting rights.

**College student**

Register to vote using either your home or school address, but you may not vote in more than one place. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington.

**Non-traditional address voter**

Use any physical location you consider your residence such as a shelter, park, or marina. Your mailing address can be general delivery at a local post office, a PO Box, or an address of a trusted friend or relative. A federally recognized tribe may designate tribal government buildings to serve as residential or mailing addresses for voters living on tribal lands.

**Seasonal resident**

Vote in Washington even if you're away during an election. To ensure you receive your ballot, update your mailing address at VoteWA.gov or with a county elections office. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington. You may not vote in more than one place.

**Person convicted of a felony**

If you were convicted of a felony in Washington, your right to vote is restored when you are no longer serving a sentence of total confinement in prison. After your right to vote is restored, you must re-register to vote in order to receive a ballot.

VoteWA is a collaboration between the Office of the Secretary of State and all 39 Washington counties to create an advanced, centralized system for both voter registration and election management.

Your signature is needed to make sure your ballot gets counted.

The signature on your return envelope is compared to the signature on your voter registration record. Election officials verify each and every signature.

If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail **before certification**. They may call or email if you gave them this info.

If you registered to vote online or through Department of Licensing, the signature from your driver's license or state ID will be on your voter registration record.

Voters can track and check their ballot status at **VoteWA.gov**.

1

Vote by mail

Washington votes by mail every election.

We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2

Online voter registration

We offer online voter registration. Register to vote or update your address at **VoteWA.gov**

3

Top 2 Primary

Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4

No party affiliation

Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5

Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6

Same day registration

Citizens can register and vote a ballot in person during the voting period until 8 p.m. on Election Day.

- Participants learn about the unique vote-by-mail elections process used in our state.
- Non-partisan and free to all public, private, tribal, and homeschool K–12 students.
