Washington State Elections

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1(800) 448-4881 | [sos.wa.gov](https://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

2

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

### View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

### Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076) Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

# Federal Qualifications & Responsibilities

Except for the President and Vice President, all federal officials elected in Washington must be residents of the state. Only federal offices have age requirements above and beyond being a registered voter.

## Congress

The United States' Senate and House of Representatives have equal responsibility for declaring war, maintaining the armed forces, assessing taxes, borrowing money, minting currency, regulating commerce, and making all laws and budgets necessary for the operation of government.

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

Representatives must be at least 25 years old and citizens of the U.S. for at least seven years. Representatives are not required to be registered voters of their district, but must reside in the state. Representatives serve two-year terms.

The House of Representatives has 435 members, all of whom are up for election in even-numbered years. Each state has a different number of members based on population. After the 2010 Census, Washington was given a 10th Congressional District.

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

**Elected Experience**

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Elected Experience**

Chairman of Congressional Western Caucus, 2021 – Present. Central Washington’s Representative in Congress 2015 - Present. Washington State House of Representatives 2003-2009.

**Other Professional Experience**

Washington State Department of Agriculture Director, 2009-2013. Operates an 850-acre farm near Sunnyside where he grows hops, tree fruit, grapes, and alfalfa.

**Education**

Bachelor of Science, Agricultural Economics, Washington State University. Graduate of the Ag Forestry Leadership Program.

**Community Service**

Past President, Hop Growers of America, Hop Growers of Washington, and Yakima County Farm Bureau. Former member of the Columbia River Task Force and Central Washington Fair Board. Current NRA member.

**Statement**

Dan Newhouse is a champion for us in Congress. He pushes government to live within its means and cuts red tape so jobs can grow. He solves problems and stands up against the reckless spending that is causing the highest inflation in 40 years. As Chairman of the Congressional Western Caucus, Newhouse leads the charge to lower gas prices by unleashing the American energy sector and making the U.S. energy independent. And he tirelessly fights to protect our Snake River Dams and the clean, renewable hydropower they provide to Central Washington.

Dan understands this region. He’s keeping the Federal government accountable to clean up Hanford. He’s advancing forest management to reduce wildfire risk. And he knows the best land-use decisions come from local leaders and landowners, not federal bureaucrats.

A third-generation Yakima Valley farmer, Dan knows the threat China poses to American food security and national security. He authored the legislation that prohibits the Chinese Communist Party from purchasing any more American farmland.

Dan stands up against the radicals who want to “defund the police.” He works to increase funding to our local police departments and impose harsher punishments on criminals who target police officers. You can count on Newhouse to Back the Blue.

Newhouse is a champion for our veterans and wrote the law to make sure no veteran is ever denied emergency medical care. And to seniors: Dan will protect Social Security. You paid into the system, and Newhouse will help ensure the government keeps its promise to you.

Dan has been commended by business groups, Second Amendment supporters, pro-life organizations, and land rights advocates for his commitment to pro-jobs policies, traditional values, and individual liberty. He brings conservative Central Washington values to Washington, DC. Please vote to keep Republican Dan Newhouse working for us in Congress.

**Statement**

Central Washington has a bold history of accomplishing incredible feats of engineering and a track record of visionary leadership. Our grandparents faced the daunting and overwhelming challenge of getting water to farmers and electricity to their homes. They tackled big problems with grit and determination.

Our ability to work together has been lost. Central Washington has been abandoned by Washington DC. It is the job of our Members of Congress to get people's attention, pass legislation and get things done. We have lost decades where we could've been creating a new generation of prosperity and increased quality of life for every resident here.

I come from a fourth-generation farming family in Yakima. I own and operate a small business that delivers locally grown meals to families in Yakima. For years, my previous business took me all over the world helping companies with marketing, technology, and improving their bottom line. I came back because Yakima is home.

I know we can turn this around. But, we have to stop the politics of division. If you are looking for a campaign that bickers about partisan issues that are designed to pull people apart, this is not your campaign. The goal of this campaign is to bring all people together to get things done. I've listened by holding town halls from the Methow Valley to Klickitat County. I've heard you want to keep our tax dollars here to invest in infrastructure, broadband, healthcare, housing and education. I'll protect medicare and social security, work with community leaders to develop programs to keep kids away from a path of crime and provide the police the support they need. Childcare and protecting our right to privacy are central to our maintaining a strong workforce. I'd be honored to earn your vote.

**Statement**

You sent me to Congress because you knew I would advocate for you the same way I stood up for children and families for over 20 years as a pediatrician. I promised to be an independent and effective voice for our district, someone willing to work with both parties to deliver real results that matter. I've helped pass laws to bring down costs for working families, to get Veterans the quality healthcare they deserve, and to support training and resources for local police because everyone deserves to feel safe in our community.

As the only pediatrician in Congress, I've helped pass laws to actually bring down the cost of lifesaving prescription drugs, like insulin. I will work to make healthcare and other everyday costs more affordable for middle class families. As a doctor, I will always fight to protect a woman's right to choose and to keep politicians out of private decisions between a woman and her doctor.

I am the only member of Congress from the Pacific Northwest on the Agriculture Committee. I have worked with both parties on behalf of our farming communities to support trade, encourage sustainable agriculture, advocate for commonsense immigration reform, and fix supply chain disruptions so farmers can get their goods to market. I will continue to champion responsible stewardship of our cherished public lands, clean air, and water.

With nearly 100 town halls, I've listened, I've learned, and I've gone to bat for you in Congress. It is an honor to serve you and I humbly ask for your vote.

I'm running for Congress because we all deserve a better, safer, Washington to raise our families in. As a father of 4 young children, Christian, business owner, former White House staffer, and prosecutor, I have a uniquely qualified perspective on the problems plaguing our state. My roots run deep in Washington---I was born and raised here. My family has lived here for 165 years. We own a 3rd generation, manufacturing company, employing over 600 people, making products in the USA which bring clean water to people globally.

Washington is heading in the wrong direction. Enabling policies and our crisis at the border have led to skyrocketing crime, homelessness, and drug abuse. Our state desperately needs a leader to tackle these issues.

We need to give parents back their voices in their children's education. We need to lower inflation so families can pay bills and fill their gas tanks. We need to ensure free, fair elections and a strong national defense which starts with energy independence.

Together we will reign in federal spending, Make Crime Illegal Again, take back our streets and parks, and restore hope for everyday Americans. I'm a hard worker who will never stop fighting for Washington families---it's time to roll up our sleeves and get to work!

I'm proudly endorsed by the Pierce and Snohomish County Republican Parties, Seattle Police Officers Guild, WA Young Republicans, Snohomish County Sheriff Adam Fortney and the Pierce County Sheriff, former WA Treasurer Duane Davidson, former WA Attorney General, Senators Phil Fortunato and Jim McCune, Representatives Carolyn Eslick and Robert Sutherland, former King County Councilwoman Kathy Lambert, Pierce County Councilwoman Amy Cruver, First Responders, Health Care Professionals, Radio Talk Show Hosts, Businesses, Teachers, Veterans and many others.

Washington deserves a Congressman who'll fight for them---because Washington is worth fighting for!

Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. It has been a privilege to serve the 12th District the past 4 years and although the geography has changed, there are many issues that are common throughout the 12th. Public safety, fiscal responsibility and government accountability are areas of concern. There are still great opportunities for the State if we manage our resources well and the financial commitments ensure that our government is truly working for the benefit of its citizens.

Elected to City of Gold Bar Council, I served on Snohomish County Tomorrow, the Community Transit Board of Directors, and the Policy Advisory Board for CDBG. I was twice elected as President of Snohomish Cities and Towns. I understand where the system works well and where it is dysfunctional. This has more than prepared me to be effective in Olympia even without being in the majority.

**Statement**

My family moved to Washington 26 years ago and found a welcoming place. I have grown quite fond of it. I found Washington to be dynamic and creative with a world of possibilities for all citizens. Over the years, this has been diminished by government policy. I am running to provide a path back to a legislative majority with the confidence that we can make meaningful change. More importantly this change can start tomorrow. I cannot do it alone but believe deeply that together we can make Washington a beacon of hope to our country.

**Statement**

I have been honored to serve you in the Washington State  
Legislature. As a proud fourth generation Washingtonian,  
my goal has always been to bring more balance to the  
Legislature by representing Eastern Washington in Olympia.  
Growing up on a family dairy farm, I learned the value of hard  
work and the economic realities of rising expenses with little  
increase in prices for our agricultural products.

Public safety is a primary focus for me. Crimes have  
increased with fewer tools for society to hold criminals  
accountable. Victims of crimes need our support and help.  
State spending has outpaced the average growth of private  
sector wages by more than double. Washington tax rates  
are increasing when we could be providing relief on property  
taxes, gas taxes and transportation related fees. Holding  
state agencies accountable to constituents is crucial. We  
must bring a higher level of trust and transparency to the  
taxpayers of the workings and budgets of state government.

Solutions to solving the many issues facing the State of  
Washington will be achieved by working together. I am  
thankful for your support in the past and once again ask for  
your vote in this election.

### Statement

For far too long, people in this district have dealt with top-down leadership, in which decisions are made without the consent or cooperation of the people affected. It is time for community based servant leadership that is honest, transparent, and with integrity. We can't get more functional systems of education, employment, housing, policing, infrastructure or healthcare without starting at the root cause: the lack of adequate resources within the communities themselves.

I make a firm commitment to make no decisions without first learning from the people those decisions will affect. I offer to represent the people not by command or decree but by cooperation. Together, we can craft a better future for all in the 15th legislative district. As your state Senator, I will serve and represent all our communities and advocate for real and lasting change. We can shape the future with how we move towards it. Juntos logramos el cambio; together, we'll achieve the change.

Independence, impartiality, and integrity are the three traits that the public should keep in mind when voting for judges. These traits are the hallmarks of a good judicial officer. Judge Jourdan exemplifies these traits and has shown these traits since his appointment to the bench.

Impartiality means that the judge will make a fair decision, based on the law and the facts that have been proven. This means that a judge will listen carefully to all the parties and not have any preconceived notions. Judge Jourdan believes the right to be heard is an essential component of a fair and impartial system of justice.

Integrity means that a judge will be honest, competent and thorough. It means that the decision the judge makes will be well reasoned and based upon the law. This is trait that Judge Jourdan has been known for throughout his legal career, both as an attorney and on the bench.
