On behalf of the Office of the Secretary of State and election officials statewide, I am honored to present the 2023 General Election Voters’ Pamphlet. This guide includes information about voting to help you make informed decisions as you exercise your right to vote.

To participate in the election, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 30. If you are already registered, review your registration information at VoteWA.gov to ensure it is up to date. After Oct. 30, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 7, to register to vote or update your registration and receive a ballot.

After you have marked your ballot, be sure to sign the return envelope. Your signature is important because trained election officials check to ensure your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage necessary — remember that ballots must be postmarked by Nov. 7 to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Go to VoteWA.gov to locate a ballot drop box or check the status of your ballot.

By voting, you are making your voice heard. Thank you for participating in our democratic process.

Sincerely,

Steve Hobbs
Secretary of State

How do I vote and return my ballot?

1. If you’re registered to vote, there is no need to request a ballot. Your ballot will be mailed by October 20 to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2. Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3. Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by November 7. Don’t let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

   Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on November 7. Find drop box locations at VoteWA.gov.

   If you cannot personally return your ballot, let only people you trust deliver it for you.

4. Check the status of your ballot on VoteWA.gov to see if it has been received by your county elections office.

   Election staff will contact you before your ballot is processed if:
   - Your signature is missing
   - Your signature doesn’t match your voter registration record

   View election results online
   After 8 p.m. on election night, tallied results from each county are posted at results.vote.wa.gov.

   Results are updated as counties report and unofficial until certification.

Your signature is needed to make sure your ballot gets counted.

The signature on your return envelope is compared to the signature on your voter registration record. Trained election officials verify each and every signature.

If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail before certification. They may call or email if you gave them this info.

If you registered to vote online or through Department of Licensing, the signature from your driver’s license, permit, or state ID will be on your voter registration record.

Voters can track and check their ballot status at VoteWA.gov.
How is my ballot counted?

1. **Your county receives your ballot**
   Deposit your ballot in an official drop box by 8 p.m. on November 7, Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

2. **Your signature is verified**
   Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

3. **Envelopes and sleeves are separated**
   The return envelope is opened and the security envelope or sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4. **Your ballot is reviewed and scanned**
   The security envelope or sleeve is opened and election staff review your ballot to verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5. **Your ballot is counted**
   After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.
