Happy Birthday, Washington!

RALPH MUNRO
Secretary of State

The State of Washington, Seattle, King County, and the many governmental jurisdictions in the County have cooperated to provide this pamphlet for your use. I urge you to read this pamphlet and study the issues. Then celebrate our 100 years as a State and a County by voting on Tuesday, November 7, 1989.

BOB BRUCE
Superintendent of Elections
King County

Form No. 1.

THE WESTERN UNION TELEGRAPH COMPANY.

This Company TRANSMITS and DELIVERS messages only on condition limiting its liability, which have been accepted by the sender of the following message. Errors can be guarded against only by repeating a message back to the sending station for correction, and the company will not be held responsible for errors or delays in transmission or delivery of Unrepeated Messages, beyond the amount of tolls paid thereon, nor in any case where the delay is attributable to striking within sixty days after sending the message.

THE "A" UNREPEATED MESSAGE, and is delivered by request of the sender, under the conditions named above.

THOS. T. ECKERT, General Manager.

INITIATIVE MEASURE 102

TO THE LEGISLATURE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 102 begins on page 12.

Statement for

THE CHILDREN'S INITIATIVE WILL PROTECT ALL CHILDREN

We must do more to protect *all* children from drugs, crime and abuse. *All* children need a good basic education and safe schools. Drug education and child abuse prevention work. Smaller classes work, and early childhood education works.

WASHINGTON'S CHILDREN CAN'T WAIT

Cases of child abuse and neglect have doubled since 1979; sexual abuse cases have increased fivefold. One in four students drops out of school, and half our prisoners are dropouts. 80,000 youths need help for alcohol or drug abuse; and nearly one-third of the babies born in our major hospitals are addicted to drugs. 93 percent of mentally ill children never receive treatment. One-third of the children living in poverty are under 5.

THE CHILDREN'S INITIATIVE IS AN INVESTMENT IN PREVENTION

Every penny we spend on children now will save thousands of dollars later for adult social services, welfare or imprisonment. It costs \$2,851 per year to educate a child -- but \$21,969 to house a prisoner.

Health care during pregnancy costs far less than treating sick babies. Help for a child failing in school costs one-fifth as much as repeating a grade.

Official Ballot Title:

Shall the State support of children and family services and K-12 education programs be increased by \$360,000,000 in new taxes?

The law as it now exists:

The State Constitution, as interpreted by the State Supreme Court, requires that the State adequately fund basic education in the K-12 public schools. Some State taxes and revenues are identified by the Constitution and statutes to be for school purposes. The

amount authorized to be spent for the K-12 education program is established by the Legislature. The funding of children's services is also as established by the Legislature, there are no statutes earmarking revenues for those purposes.

The effect of Initiative Measure 102, if approved into law:

This Initiative would, if enacted, declare a State commitment to increase the funding for children's needs including but not limited to treatment of abuse and neglect, health care, nutrition, rehabilitation, aid for families with dependent children, prenatal care, child care and education. The measure would not affect the State's responsibility to adequately fund basic education under the K-12 program.

If the Legislature fails to enact new or increased taxes sufficient to raise at least \$360,000,000 during the fiscal year July 1, 1990 through June 30, 1991, then the rate of the State sales and use taxes will be increased 0.9 percent. Those tax revenues are directed to be equally divided between children's services and the K-12 education programs. These funds are to be in addition to previously approved legislative appropriations.

Children's services include prevention and early intervention

services, services for abused and neglected children, maternal and child health services, early childhood education, child care, family support services, out-of-home placements, children mental health services, developmentally disabled services, prevention and treatment of substance abuse, juvenile rehabilitation, nutrition programs for women, infants and children, emergency services for homeless children, increased availability of prenatal delivery and post-natal care for pregnant women and infants, health care for children, increased payment standards for aid to families with dependent children and other programs that promote health, protection and welfare and education of children and their families.

The education funds are to be expended for reducing class sizes, especially in elementary grades, basic skills learning assistance programs, programs for handicapped children, programs for at-risk children and children from economically disadvantaged and minority backgrounds, in-service training for instructional staff and other programs and purposes which promote high-quality education for children.

A Children's Initiative Fund Oversight Committee would be created consisting of eleven persons appointed by the Governor and four by the Legislature. The committee is to analyze needs and make annual reports to assist in determining which programs and purposes should be supported by the children's fund appropriation.

ALL CHILDREN NEED PROTECTION

Adults who prey on vulnerable children are not born predators. Drugs, gangs, abuse and neglect can turn a happy, healthy child into a dangerous adult. One child at risk today can put a whole community at risk tomorrow.

The Children's Initiative, endorsed by thousands of nurses, doctors, teachers, police officers and church groups, will fund programs that protect children and help them succeed in school. How well our children are protected depends on you, the voter. Please vote YES on Initiative 102.

Rebuttal of Statement against

I-102 doesn't require a sales tax increase. The opposition's statement is very misleading. I-102 gives the Legislature other options -- including closing existing tax loopholes.

I-102 forces the Legislature to fund programs to promote quality basic education, fight drug abuse and directly protect all children.

I-102 won't change the Legislature's clear authority to cut bad programs.

Without the Children's Initiative, there is no guarantee that additional money to protect children will be available in the future.

For more information, call (206)682-7424.

Voters Pamphlet Statement Prepared by:

CLIFF BAILEY, State Senator; JOE KING, State Representative; SUE LILE, Chairman of the Board, Children's Hospital and Medical Center.

Advisory Committee: BOOTH GARDNER, Governor; GARY L. LENTZ, SR., President, Washington State Council of Police Officers; FRANK N. MORRIS, President, Puget Sound Council of Senior Citizens; CAROL MASON, Director, Washington Association of Child Abuse Councils; WANDA HAAS, President, League of Women Voters of Washington.

Statement against

A 14% TAX INCREASE

Initiative 102 will raise our sales tax by 14%. I-102 will take at least \$360 million each year from working families -- some struggling just to get by -- and give that money to an expanded bureaucracy.

None of the money will go directly to children. No one knows exactly how the money will be spent except for an 8% increase in welfare payments. Most of the money will go to state agencies to be spent as they see fit.

BIGGER GOVERNMENT

Under I-102, no government program may be cut or eliminated -- even programs that don't work -- to provide more funds for children's programs. We could only make government bigger, never smaller.

I-102 creates a new layer of government, an "Oversight Committee," to tell the Legislature how to spend the money. Half the members of the committee will be state workers from the agencies receiving the new tax money.

MORE IS NEVER ENOUGH

This year the Legislature increased state spending by 20% and provided an additional \$1.2 billion for the very programs I-102 would fund including prenatal care, family services and K-12 education.

To the people who are backing I-102 -- the state teachers' union, social service agencies and others who would benefit from a tax increase -- this is not enough. To them, more is never enough.

MORE GOVERNMENT WON'T MAKE HEALTHIER, SAFER CHILDREN

A 14% tax increase won't stop abusive parents. A bigger bureaucracy won't stop children from turning to drugs or alcohol.

Parents earning decent wages to provide good homes will help. Don't take more money from working families to give to the bureaucracy. Vote NO on I-102.

Rebuttal of Statement for

Claim: Initiative 102 "...will fund programs that protect children...". What programs? Fact: Only guarantee is 8% increase in welfare payments.

Claim: Initiative 102 is "...investment in prevention." Fact: Legislature just added \$1.2 billion for specific preventative programs -- education, prenatal care, family services. Fact: 14% sales tax increase with no spending controls. \$360 million will be allocated this year and every year. No program can be cut.

Don't give bureaucrats a blank check. Vote "NO" on Initiative 102.

For more information, call (206) 354-6035.

Voters Pamphlet Statement Prepared by:

LINDA SMITH, State Senator; MIKE PADDEN, State Representative; CATHY MICKELS, Chairwoman, Mothers' Campaign For Family.

SENATE JOINT RESOLUTION 8200

PROPOSED CONSTITUTIONAL AMENDMENT

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Senate Joint Resolution 8200 begins on page 14.

Vote cast by the 1989 Legislature on final passage:

HOUSE: Yeas, 97; Nays, 0; Absent or not voting, 1.

SENATE: Yeas, 43; Nays, 0; Absent or not voting, 6.

Official Ballot Title:

Shall the State Constitution be amended to provide that victims of charged felony crimes shall have certain basic fundamental rights?

The law as it now exists:

The Washington State Constitution does not contain any provisions specifically relating to victims of crime nor does it create any victims' rights.

The effect of SJR 8200, if approved into law:

This measure would amend the State Constitution to declare certain basic fundamental rights for victims of a crime which is charged as a felony. A felony is now defined as a crime punishable by one year or more of imprisonment. A victim would be entitled, after giving notice to the prosecuting attorney, to be informed of, and subject to the discretion of the court, the right to: (1) attend trial and all other court proceedings that the defendant has a right to attend; (2) make a statement at the time of sentencing and any proceeding where a defendant's release is considered. Such statements would be subject to rules of procedure.

If the victim is deceased, incompetent, unable to attend, or is a minor, a representative can be designated to exercise the victim's rights.

Statement for

VICTIMS OF CRIME DESERVE RIGHTS WHICH ARE PROTECTED BY THE WASHINGTON STATE CONSTITUTION

Many victims of crime have expressed regret at having insufficient involvement in the prosecution of criminal cases because victims have very few rights. This amendment to the Washington State Constitution will establish and protect the rights of crime victims. The resolution will give our citizens more confidence that our criminal justice system is truly fair.

VICTIMS SHOULD BE GIVEN REASONABLE ACCESS TO THE CRIMINAL JUSTICE SYSTEM

We cannot have an effective criminal justice system without the active participation of crime victims. Victims are able to explain the impact of the crimes on their lives and the resulting trauma to their families. The courts need to understand the full ramifications of the crime committed. It is also time that this state recognizes that crime victims have an inherent right to participate in the sentencing of criminal offenders.

SJR 8200 WILL GIVE VICTIMS OF CRIME A VOICE IN THE CRIMINAL JUSTICE SYSTEM

Victims of felonies will have the right to be informed of the time and date of trial, and all other proceedings which the defendant has the right to attend. A victim may attend all criminal proceedings, subject to the discretion of the judge. A victim may also make a statement at the defendant's sentencing and at any hearing where the de-

fendant's release is being considered. Nothing in this resolution will slow prosecutions or be cause for a reversal of a conviction.

VOTE "YES" ON SJR 8200

Victims of crime who are involved in the judicial process deserve the right to be treated with dignity, respect and fairness. A "YES" vote will ensure that victims of crime are afforded meaningful involvement in the critical stages of the criminal justice process.

Voters Pamphlet Statement Prepared by:

KENT PULLEN, State Senator; JAY R. INSLEE, State Representative; KEN EIKENBERRY, Attorney General.

Statement against

State law requires that the argument and rebuttal statement against a constitutional amendment be written by one or more members of the state Legislature who voted against that proposed measure on final passage or, in the event that no such member of the Legislature consents to prepare the statement, by any other responsible individual or individuals to be appointed by the Speaker of the House of Representatives, the President of the State Senate, and the Secretary of State. No legislator who voted against Senate Joint Resolution 8200 or other individual opposing the measure consented to write an argument against the measure for publication in this pamphlet.

SENATE JOINT RESOLUTION 8202

PROPOSED CONSTITUTIONAL AMENDMENT

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Senate Joint Resolution 8202 begins on page 14.

Vote cast by the 1989 Legislature on final passage:

HOUSE: Yeas, 93; Nays, 3; Absent or not voting, 2.

SENATE: Yeas, 40; Nays, 3; Absent or not voting, 6.

Official Ballot Title:

Shall the State Constitution's provision creating the Judicial Conduct Commission be revised to more explicitly describe its process and authority?

The law as it now exists:

The Judicial Conduct Commission, which consists of nine members, four of whom are non-lawyers, is empowered to consider complaints against judges. However, sanctions against a judge can only be imposed by the State Supreme

Court. The commission first conducts an initial proceeding, which is confidential, to determine whether sufficient reason exists to conduct a hearing. Hearings after the initial hearing are open to members of the public. If the Commission, after a hearing, concludes that a judge should be censured, suspended, removed from office or required to retire, the matter is then referred to the State Supreme Court. If the Commission recommendation is removal, the judge is suspended immediately with salary until a final determination is made by the Supreme Court.

If the Supreme Court removes a judge from office, that person is ineligible to reassume judicial office until eligibility is reinstated by the Supreme Court.

The effect of SJR 8202, if approved into law:

The Judicial Conduct Commission would be increased to eleven members, adding two additional non-lawyers. The Commission, in response to complaints or upon its own motion, is to investigate judicial conduct. An initial proceeding, which is confidential, is to determine whether probable

cause exists to proceed to hearing. The Commission is directed to notify the judge of the existence and the basis for the initial proceeding. If a hearing is then held, the hearing is open to the public and all of the records of the initial proceeding that provided the basis for the Commission's conclusion are to be made public.

If the Commission censures or reprimands a judge, the judge has the right of appeal to the Supreme Court within thirty days. If the Commission recommends suspension or removal, the matter is referred to the State Supreme Court. If the Commission's recommendation is removal, the judge is suspended immediately with salary until a final determination is made by the Supreme Court.

If the Supreme Court removes a judge from office, that person is ineligible to reassume judicial office until eligibility is reinstated by the Supreme Court.

The Commission is authorized to adopt appropriate rules in compliance with the general laws governing state agency adoption of rules, unless to do so would conflict with this constitutional amendment. The Commission is further required to employ one or more investigative officers having appropriate professional training and they are to report directly to the Commission.

Statement for

STRENGTHENING THE JUDICIAL CONDUCT COMMISSION WILL RESTORE PUBLIC CONFIDENCE

Allegations of serious misconduct by judges must be handled in as fair and as open a way as possible. The mostly secret handling of such cases has shaken public confidence in judges and in the Commission on Judicial Conduct.

Only by adopting SJR 8202 can we insure public awareness of judicial misconduct when it occurs. Only by adopting this amendment can we restore public confidence that such misconduct will be dealt with appropriately.

The great majority of judges in this state are honorable, competent and hard working. They deserve the respect that this restoration of confidence will promote.

SJR 8202 MAKES IMPORTANT IMPROVEMENTS IN THE COMMISSION AND ITS OPERATIONS

The membership of the commission is increased and non-lawyers are given a majority of the membership.

The commission is directed to take a more active investigative role in cases of possible judicial misconduct. The commission is required to hire appropriately trained and experienced investigative personnel.

The commission's disciplinary actions are made open to public scrutiny. Once the commission has determined there is probable cause to believe judicial misconduct has occurred, all subsequent proceedings of the commission must be open to the public. In addition, all of

the investigative material that led to the finding of probable cause must be made public.

CONSTITUTIONAL CHANGE IS NECESSARY

The public cannot be adequately protected by the secret procedures of the past. This constitutional amendment provides a balance between the needs of an independent judiciary and the needs of the public to be protected from judicial misconduct.

Vote *FOR* SJR 8202.

Voters Pamphlet Statement Prepared by:

MAX E. BENITZ, State Senator; KENT PULLEN, State Senator;
MARLIN APPELWICK, State Representative.

Statement against

State law requires that the argument and rebuttal statement against a constitutional amendment be written by one or more members of the state Legislature who voted against that proposed measure on final passage or, in the event that no such member of the Legislature consents to prepare the statement, by any other responsible individual or individuals to be appointed by the Speaker of the House of Representatives, the President of the State Senate, and the Secretary of State. No legislator who voted against Senate Joint Resolution 8202 or other individual opposing the measure consented to write an argument against the measure for publication in this pamphlet.

SENATE JOINT RESOLUTION 8210

PROPOSED CONSTITUTIONAL AMENDMENT

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Senate Joint Resolution 8210 begins on page 15.

Vote cast by the 1989 Legislature on final passage:

HOUSE: Yeas, 97; Nays, 0; Absent or not voting, 1.

SENATE: Yeas, 46; Nays, 1; Absent or not voting, 2.

Official Ballot Title:

Shall the State Constitution permit local governments to finance, from the revenues of water sales, private efforts to conserve water?

The law as it now exists:

The Washington Constitution prohibits local governments from providing or loaning public money or credit to private persons other than the poor and infirm. However, an amendment to the Constitution permits local governments,

as authorized by the Legislature, to finance, with public money or credit derived from the sale of energy, the acquisition by private persons of materials and equipment for energy conservation.

The effect of SJR 8210, if approved into law:

This constitutional amendment would permit local governments, as authorized by the Legislature, to also finance, with public money or credits derived from the sale of water, the acquisition by private persons of materials and equipment for water conservation.

Statement for

SJR 8210 ENCOURAGES THE EFFICIENT USE OF WATER -- SAVES RATEPAYERS MONEY AND PRESERVES THE ENVIRONMENT

Reducing water demand will defer the necessity to construct additional costly water supply facilities to meet the needs of an increasing population.

Fish and wildlife resources and other environmental values can be better protected and preserved by reducing water consumption.

The effect of future droughts can be lessened by preserving precious water resources.

The efficient use of water can reduce sewage flows and thereby postpone the need for expensive enlargement of wastewater treatment facilities.

Using less water can reduce pumping and treatment costs.

Using more efficient plumbing fixtures can lower customers' hot water use and lessen their future energy bills.

SJR 8210 ESTABLISHES A WATER CONSERVATION PROGRAM PATTERNED AFTER THE SUCCESSFUL ENERGY CONSERVATION PROGRAM

State voters gave overwhelming approval in 1988 to renew the energy conservation program administered by public utilities. This water conservation program is patterned after the very successful energy conservation program and allows utilities to fund cost-effective conservation opportunities that exist in homes, commercial businesses and industries.

The program is voluntary, relying on sound economic incentives and a positive conservation ethic that will help to control costs to the utility and the ratepayer.

Conservation efforts can create an additional supply of water more quickly than building new water supply facilities.

SJR 8210 MAINTAINS THE FINANCIAL PROTECTION OF PUBLIC AND PRIVATE INTERESTS

SJR 8210 carefully limits conservation loan programs to the purchase and installation of cost-effective conserving plumbing fixtures, systems, and equipment.

No tax dollars are involved. Only funds from the sale of water can be used for conservation loans.

Voters Pamphlet Statement Prepared by:

SCOTT BARR, State Senator; PHIL TALMADGE, State Senator; JENNIFER BELCHER, State Representative.

Advisory Committee: WANDA HAAS, President, League of Women Voters of Washington; ROBERT J. CLARK, Master, Washington State Grange; DOUG SUTHERLAND, Mayor, City of Tacoma; R. EDWARD MACDONALD, President, Washington State Association of Water and Wastewater Districts; DON DAVIDSON, Chairman, East King County Regional Water Association.

Statement against

State law requires that the argument and rebuttal statement against a constitutional amendment be written by one or more members of the state Legislature who voted against that proposed measure on final passage or, in the event that no such member of the Legislature consents to prepare the statement, by any other responsible individual or individuals to be appointed by the Speaker of the House of Representatives, the President of the State Senate, and the Secretary of State. COMPLETE TEXT OF Initiative 102

AN ACT Relating to children, youth, and family programs and education programs; adding a new chapter to Title 74 RCW; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; creating new sections; making an appropriation; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. **DECLARATION OF PUBLIC POLICY.** The purpose of this chapter, to be known as the children's initiative act, is to increase our state's commitment to addressing the needs of children for prevention, early detection, and treatment of abuse and neglect, for adequate nutrition and support, for access to necessary health care, for treatment of developmental disabilities, mental illness, and substance abuse, for affordable child care, for necessary social services, for a high quality education from early childhood through the twelfth grade, and for other services essential for their survival and well-being. It is the further purpose of this chapter to address these needs in an efficient and effective manner which minimizes administrative costs.

NEW SECTION. Sec. 2. **CHILDREN'S INITIATIVE FUND.** (1) There is created in the state treasury a fund to be known as the children's initiative fund.

(2) The children's initiative fund shall consist of the following two accounts:

(a) The children's services and support account; and

(b) The K-12 education account.

(3) Of the moneys deposited in the children's initiative fund, fifty percent shall be credited to the children's service and support account and fifty percent shall be credited to the K-12 education account.

(4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the children's initiative fund may be spent only after appropriation by statute.

(5) All earnings from investment of balances in the children's initiative fund, except as provided in RCW 43.84.090, shall be deposited in the children's initiative fund.

NEW SECTION. Sec. 3. **LIMITATION OF USES OF CHILDREN'S INITIATIVE FUND MONEYS.** (1) Moneys in the children's services and support account of the children's initiative fund may be appropriated by the legislature only to the department of social and health services, the department of community development, and other state agencies that provide services and support for children and their families for the following programs and purposes:

- (a) Prevention and early intervention services;
- (b) Services for abused and neglected children;
- (c) Maternal and child health services;
- (d) Early childhood education;
- (e) Child care;
- (f) Family support services;

- (g) Out-of-home placements;
- (h) Children's mental health services;
- (i) Developmental disabilities services;
- (j) Prevention and treatment of substance abuse;

- (k) Juvenile rehabilitation;
- (l) The women, infant, and children nutrition program;

- (m) Emergency services for homeless children;
- (n) Increasing the availability of prenatal, delivery, and postnatal care for pregnant women and infants and the availability of health care for children;

- (o) Increasing the payment standard for aid to families with dependent children; and

- (p) Other programs that promote the health, protection, welfare, and education of children and their families, including the children's initiative fund oversight committee, except for programs eligible for funding under subsection (2) of this section.

(2) Moneys in the K-12 education account of the children's initiative fund may be appropriated by the legislature only to the superintendent of public instruction for the following common schools programs and purposes:

- (a) Reducing class sizes, especially in elementary grades;

- (b) Basic skills learning assistance programs;

- (c) Programs for handicapped children;

- (d) Programs for at-risk children and children from economically disadvantaged and minority backgrounds;

- (e) In-service training for instructional staff; and

- (f) Other programs and purposes which promote high quality education for children in kindergarten through the twelfth grade, including the children's initiative fund oversight committee.

Funds appropriated from the K-12 education account shall not be considered levy reduction funds as defined in RCW 84.52.0531(7).

NEW SECTION. Sec. 4. **LIMITATION ON USE OF CHILDREN'S SERVICE AND SUPPORT ACCOUNT FUNDS IN THE BIENNIUM ENDING JUNE 30, 1991.** From the children's service and support account of the children's initiative fund, there is appropriated \$50,000,000, or so much thereof as may be necessary, for the fiscal year beginning July 1, 1990, and ending June 30, 1991, to the department of social and health services, not more than \$25,000,000 of which is to be used to increase the payment standard for aid to families with dependent children by eight percent over the level of such payment standard as of July 1, 1988, which increase shall be added to any other increases in the payment standard in the biennium ending June 30, 1991, and, to the extent of the remaining available funds from this appropriation, to increase the availability of prenatal, delivery, and postnatal care for pregnant women and infants up to one year of age, and the availability of health care for children up to eight years of age, by expanding eligibility for medical assistance for categorically needy pregnant women and infants up to one year of age, and for children up to eight years of age, to the highest income and age levels for which federal financial participation is available under Title XIX of the federal social security act.

NEW SECTION. Sec. 5. **INTENT TO PROHIBIT SUPPLANTING OF CURRENT PROGRAM FUNDING.** Moneys may be appropriated from the children's initiative fund only to provide support and services in addition to such support and services as would be provided if the

support and service levels of the programs eligible for funds from the children's initiative fund for the biennium ending June 30, 1989, adjusted in future biennia to reflect the impact of population change and inflation in the state, were fully funded in the biennium ending June 30, 1991, and in subsequent biennia. Nothing in this chapter shall prohibit additional funding from other sources of the agencies, programs, and purposes eligible for funds under this chapter.

NEW SECTION. Sec. 6. CHILDREN'S INITIATIVE FUND OVERSIGHT COMMITTEE. (1) To assist the governor and the legislature in determining which programs and purposes should be supported with appropriations from the children's initiative fund and whether children's initiative fund moneys are being spent in an efficient and effective manner that minimizes administrative costs, an oversight committee, to be known as the children's initiative fund oversight committee, is established. The committee shall have the authority to analyze the current and emerging needs of children in the state and to review and evaluate the efficiency and effectiveness of programs supported by the children's initiative fund in meeting these needs.

(2) All agency reports concerning program performance, including administrative review, quality control, and other internal audit or performance reports, which are requested by the committee, shall be furnished by the agency requested to provide such report.

(3) The committee shall annually report to the governor and the legislature. The committee's annual report shall include findings and recommendations on matters relating to the committee's purposes as defined in this section.

(4) The committee shall consist of fifteen members. Eleven of the members shall be appointed by the governor, six of whom shall be experienced authorities on the programs eligible for funding by the children's initiative fund and five of whom shall be representatives of the general public. One member of the committee shall be selected by the two largest political caucuses in each house of the state legislature. The chair of the committee shall be designated by the governor from among the representatives of the general public.

(5) The initial members shall be appointed within sixty days of the effective date of this section. Of the initial members, four nonlegislative members and one legislative member shall be appointed for three years, four nonlegislative members and two legislative members shall be appointed for two years, and three nonlegislative members and one legislative member shall be appointed for one year. A legislative member shall serve as long as he or she is a member of the caucus from which he or she was appointed. Successors to the initial members shall serve for a term of three years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which the predecessor was appointed shall be appointed for the remainder of such term. Vacancies shall be filled within sixty days of their occurrence.

(6) Nonlegislative members of the committee shall receive reimbursement for travel expenses in accordance with RCW 43.03.050 and 43.03.060. Legislative members shall be reimbursed pursuant to RCW 44.04.120.

NEW SECTION. Sec. 7. INTENT ON SOURCE OF MONEYS FOR CHILDREN'S INITIATIVE FUND. (1) It is the intent of this chapter that the raising of revenues for the purposes of this chapter, as well as the raising of revenues for all other purposes of state government, shall be done in a fashion which fairly and equitably distributes

the burdens of taxation among the state's taxpayers, protects those with the lowest incomes, promotes business development and economic growth in the state, and assures a stable funding base for state services that is sufficient to meet the needs of state government, including the purposes of this chapter. No cause of action may lie to enforce this subsection.

(2) The source of moneys for the children's initiative fund shall be new or increased taxes, which means one or more of the following:

(a) An increase in the rate of any tax which was in effect as of July 1, 1988;

(b) An increase in the base of any tax which was in effect as of July 1, 1988; or

(c) Any tax which was not in effect as of July 1, 1988.

Funding from sources other than the children's initiative fund for the activities of state government, including those eligible for support from the children's initiative fund, shall not be reduced in order to provide moneys for the children's initiative fund.

(3) The tax increases specified in sections 8 and 9 of this act are imposed only for the purpose of making this chapter legally enforceable in the event the legislature fails to impose new or increased taxes which meet the specifications of subsection (1) of this section in order to provide sufficient moneys for the purposes of this chapter. It is the intent of this chapter that if the tax increases specified in sections 8 and 9 of this act are imposed, such increases will be repealed as soon as possible and replaced with taxes that meet the specifications of subsection (1) of this section, and that provide support for the children's initiative fund comparable to that provided by the tax increases imposed in sections 8 and 9 of this act.

NEW SECTION. Sec. 8. ALTERNATIVE ADDITIONAL TAX. A new section is added to chapter 82.08 RCW to read as follows:

Prior to June 1, 1990, if new or increased taxes sufficient to generate at least \$360,000,000 during the fiscal year beginning July 1, 1990, and ending June 30, 1991, have not been imposed and if at least \$360,000,000 of the proceeds of such new or increased taxes have not been directed to be deposited in the children's initiative fund during such fiscal year, there is levied and shall be collected, as of June 1, 1990, an additional tax on each retail sale in this state equal to nine-tenths of one percent of the selling price. The moneys collected as a result of the increases specified in this section shall be deposited in the general fund for transfer to the children's initiative fund.

NEW SECTION. Sec. 9. ALTERNATIVE ADDITIONAL TAX. A new section is added to chapter 82.12 RCW to read as follows:

Prior to June 1, 1990, if new or increased taxes sufficient to generate at least \$360,000,000 during the fiscal year beginning July 1, 1990, and ending June 30, 1991, have not been imposed and if at least \$360,000,000 of the proceeds of such new or increased taxes have not been directed to be deposited in the children's initiative fund during such fiscal year, there is levied and shall be collected, as of June 1, 1990, an additional tax on each use by any person of property subject to tax under RCW 82.12.020 equal to nine-tenths of one percent of the value of the article used by the taxpayer. For purposes of computing the tax under this chapter, the rate of this additional tax shall be added to the rate in effect for the retail sales tax under RCW 82.08.020, in the county in

which the article is used. The moneys collected as a result of the increase specified in this section shall be deposited in the general fund for transfer to the children's initiative fund.

NEW SECTION. Sec. 10. IMPLEMENTATION OF INCREASED TAXES. The director of revenue shall immediately take all necessary steps, within the authority granted to the director under RCW 82.01.060, to ensure that any new or increased taxes imposed to carry out the purposes of this act are assessed and collected on the applicable effective date of such tax increases.

NEW SECTION. Sec. 11. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. CONSTRUCTION. The provisions of this act are to be liberally construed to effectuate the policies and purposes of this act. In the event of conflict between the provisions of this act and any other act, the provisions of this act shall govern.

NEW SECTION. Sec. 13. CAPTIONS. As used in this act, captions constitute no part of the law.

NEW SECTION. Sec. 14. SHORT TITLE. This act shall be known as the children's initiative act.

NEW SECTION. Sec. 15. LEGISLATIVE DIRECTIVE. Sections 1 through 3 and 5 through 7 of this act shall constitute a new chapter in Title 74 RCW.

NEW SECTION. Sec. 16. EFFECTIVE DATE. This act shall take effect June 1, 1990.

COMPLETE TEXT OF Senate Joint Resolution No. 8200

THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article I, section -- of the Constitution of the state of Washington to read as follows:

Article I, section --. Effective law enforcement depends on cooperation from victims of crime. To ensure victims a meaningful role in the criminal justice system and to accord them due dignity and respect, victims of crime are hereby granted the following basic and fundamental rights.

Upon notifying the prosecuting attorney, a victim of a crime charged as a felony shall have the right to be informed of and, subject to the discretion of the individual presiding over the trial or court proceedings, attend trial and all other court proceedings the defendant has the right to attend, and to make a statement at sentencing and at any proceeding where the defendant's release is considered, subject to the same rules of procedure which govern the defendant's rights. In the event the victim is deceased, incompetent, a minor, or otherwise unavailable, the prosecuting attorney may identify a representa-

tive to appear to exercise the victim's rights. This provision shall not constitute a basis for error in favor of a defendant in a criminal proceeding nor a basis for providing a victim or the victim's representative with court appointed counsel.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.

COMPLETE TEXT OF Senate Joint Resolution No. 8202

THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article IV, section 31 of the Constitution of the state of Washington to read as follows:

Article IV, section 31. ~~((There shall be a commission on judicial conduct consisting of a judge selected by and from the court of appeals judges, a judge selected by and from the superior court judges, a judge selected by and from the district court judges, two persons admitted to the practice of law in this state selected by the state bar association, and four persons who are not attorneys appointed by the governor and confirmed by the senate.~~

~~The supreme court may censure, suspend, or remove a judge or justice for violating a rule of judicial conduct and may retire a judge or justice for disability which is permanent or is likely to become permanent and which seriously interferes with the performance of judicial duties.~~

~~The office of a judge or justice retired or removed by the supreme court becomes vacant, and that person is ineligible for judicial office until eligibility is reinstated by the supreme court. The salary of a removed judge or justice shall cease. The supreme court shall specify the effect upon salary when disciplinary action other than removal is taken. The supreme court may not discipline or retire a judge or justice until the commission on judicial conduct recommends after notice and hearing that action be taken and the supreme court conducts a hearing, after notice, to review commission proceedings and findings against a judge or justice.~~

~~Whenever the commission receives a complaint against a judge or justice, it shall first conduct proceedings for the purpose of determining whether sufficient reason exists for conducting a hearing or hearings to deal with the accusations. These initial proceedings shall be confidential, unless confidentiality is waived by the judge or justice, but all subsequent hearings conducted by the commission shall be open to members of the public.~~

~~Whenever the commission adopts a recommendation that a judge or justice be removed, the judge or justice shall be suspended immediately, with salary, from his or her judicial position until a final determination is made by the supreme court.~~

~~The legislature shall provide for commissioners' terms of office and compensation. The commission shall establish rules of procedure for commission proceedings including due process and confidentiality of proceedings.)~~

(1) There shall be a commission on judicial conduct, existing as an independent agency of the judicial branch, and consisting of a judge selected by and from the court of appeals judges, a judge selected by and from the superior court judges, a judge selected by and from the district court judges, two persons admitted to the practice of law in this state selected by the state bar association, and six persons who are not attorneys appointed by the governor.

(2) Whenever the commission receives a complaint against a judge or justice, or otherwise has reason to believe that a judge or justice should be admonished, reprimanded, censured, suspended, removed, or retired, the commission shall first investigate the complaint or belief and then conduct initial proceedings for the purpose of determining whether probable cause exists for conducting a public hearing or hearings to deal with the complaint or belief. The investigation and initial proceedings shall be confidential. Upon beginning an initial proceeding, the commission shall notify the judge or justice of the existence of and basis for the initial proceeding.

(3) Whenever the commission concludes, based on an initial proceeding, that there is probable cause to believe that a judge or justice has violated a rule of judicial conduct or that the judge or justice suffers from a disability which is permanent or likely to become permanent and which seriously interferes with the performance of judicial duties, the commission shall conduct a public hearing or hearings and shall make public all those records of the initial proceeding that provide the basis for its conclusion. If the commission concludes that there is not probable cause, it shall notify the judge or justice of its conclusion.

(4) Upon the completion of the hearing or hearings, the commission in open session shall either dismiss the case, or shall admonish, reprimand, or censure the judge or justice, or shall censure the judge or justice and recommend to the supreme court the suspension or removal of the judge or justice, or shall recommend to the supreme court the retirement of the judge or justice. The commission may not recommend suspension or removal unless it censures the judge or justice for the violation serving as the basis for the recommendation. The commission may recommend retirement of a judge or justice for a disability which is permanent or likely to become permanent and which seriously interferes with the performance of judicial duties.

(5) Upon the recommendation of the commission, the supreme court may suspend, remove, or retire a judge or justice. The office of a judge or justice retired or removed by the supreme court becomes vacant, and that person is ineligible for judicial office until eligibility is reinstated by the supreme court. The salary of a removed judge or justice shall cease. The supreme court shall specify the effect upon salary when it suspends a judge or justice. The supreme court may not suspend, remove, or retire a judge or justice until the commission, after notice and hearing, recommends that action be taken, and the supreme court conducts a hearing, after notice, to review commission proceedings and findings against the judge or justice.

(6) Within thirty days after the commission admonishes, reprimands, or censures a judge or justice, the judge or justice shall have a right of appeal de novo to the supreme court.

(7) Any matter before the commission or supreme court may be disposed of by a stipulation entered into in a public proceeding. The stipulation shall be signed by the judge or justice and the commission or court. The stipulation may impose any terms and conditions deemed appropriate by the commission or court. A stipulation

shall set forth all material facts relating to the proceeding and the conduct of the judge or justice.

(8) Whenever the commission adopts a recommendation that a judge or justice be removed, the judge or justice shall be suspended immediately, with salary, from his or her judicial position until a final determination is made by the supreme court.

(9) The legislature shall provide for commissioners' terms of office and compensation. The commission shall employ one or more investigative officers with appropriate professional training and experience. The investigative officers of the commission shall report directly to the commission. The commission shall also employ such administrative or other staff, as are necessary to manage the affairs of the commission.

(10) The commission shall, to the extent that compliance does not conflict with this section, comply with laws of general applicability to state agencies with respect to rule-making procedures, and with respect to public notice of an attendance at commission proceedings other than initial proceedings. The commission shall establish rules of procedure for commission proceedings including due process and confidentiality of proceedings.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.

COMPLETE TEXT OF Senate Joint Resolution No. 8210

THAT, At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article VIII, section 10 of the Constitution of the state of Washington to read as follows:

Article VIII, section 10. Notwithstanding the provisions of section 7 of this Article, any county, city, town, quasi municipal corporation, municipal corporation, or political subdivision of the state which is engaged in the sale or distribution of water or energy may, as authorized by the legislature, use public moneys or credit derived from operating revenues from the sale of water or energy to assist the owners of structures or equipment in financing the acquisition and installation of materials and equipment for the conservation or more efficient use of water or energy in such structures or equipment. Except as provided in section 7 of this Article, an appropriate charge back shall be made for such extension of public moneys or credit and the same shall be a lien against the structure benefited or a security interest in the equipment benefited. Any financing for energy conservation authorized by this article shall only be used for conservation purposes in existing structures and shall not be used for any purpose which results in a conversion from one energy source to another.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.

SPECIAL NOTE: The following is the complete text of Chapter 367, Laws of 1989. Although this measure will not be voted upon at the state general election on November 7, it contains the implementing statutes for Senate Joint Resolution 8202 and will become effective if that proposed constitutional amendment is approved by a majority of the voters. The text of this law is included to facilitate each voter's understanding of the effect of the adoption of that proposed amendment to the state constitution.

AN ACT Relating to the commission on judicial conduct; amending RCW 2.64.010, 2.64.020, and 2.64.050; adding new sections to chapter 2.64 RCW; repealing RCW 2.64.091 and 2.64.110; and providing a contingent effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. Section 2, chapter 268, Laws of 1981 as amended by section 1, chapter 186, Laws of 1987 and RCW 2.64.010 are each amended to read as follows:

~~((For purposes of this chapter,))~~ Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Admonishment" means a written disposition of an advisory nature that cautions a judge or justice not to engage in certain proscribed behavior. An admonishment may include a requirement that the judge or justice follow a specified corrective course of action.

(2) "Censure" means a written action of the commission that requires a judge or justice to appear personally before the commission, and that finds that conduct of the judge or justice violates a rule of judicial conduct, detrimentally affects the integrity of the judiciary, undermines public confidence in the administration of justice, and may or may not require a recommendation to the supreme court that the judge or justice be suspended or removed. A censure shall include a requirement that the judge or justice follow a specified corrective course of action.

(3) "Commission" means the commission on judicial conduct provided for in Article IV, section 31 of the state Constitution, which is authorized to recommend to the supreme court, after notice and hearing, the ~~((censure,))~~ suspension or removal of the judge or justice for violating a rule of judicial conduct, or the retirement of a judge or justice for disability ~~((which is permanent, or likely to become permanent, and which seriously interferes with the performance of judicial duties. For purposes of this chapter, the term))~~.

(4) "Judge or justice" includes justices of the supreme court, judges of the court of appeals, judges of the superior courts, judges of any court organized under Titles 3 or 35 RCW, judges pro tempore, court commissioners, and magistrates.

(5) "Removal" means a written recommendation by the commission and a finding by the supreme court that the conduct of a judge or justice is a violation of a rule of judicial conduct and seriously impairs the integrity of the judiciary and substantially undermines the public confidence in the administration of justice to such a degree that the judge or justice should be relieved of all duties of his or her office.

(6) "Reprimand" means a written action of the commission that requires a judge or justice to appear person-

ally before the commission, and that finds that the conduct of the judge or justice is a minor violation of the code of judicial conduct and does not require censure or a formal recommendation to the supreme court that the judge or justice be suspended or removed. A reprimand shall include a requirement that the judge or justice follow a specified corrective course of action.

(7) "Retirement" means a written recommendation by the commission and a finding by the supreme court that a judge or justice has a disability which is permanent, or likely to become permanent, and that seriously interferes with the performance of judicial duties.

(8) "Suspension" means a written recommendation by the commission and a finding by the supreme court that the conduct of a judge or justice is a violation of a rule of judicial conduct and seriously impairs the integrity of the judiciary and substantially undermines the public confidence in the administration of justice to such a degree that the judge or justice should be relieved of the duties of his or her office by the court for a specified period of time, as determined by the court.

This chapter shall apply to any judge or justice, regardless of whether the judge or justice serves full time or part time, and regardless of whether the judge or justice is admitted to practice law in this state.

Sec. 2. Section 3, chapter 268, Laws of 1981 as amended by section 2, chapter 186, Laws of 1987 and RCW 2.64.020 are each amended to read as follows:

The commission shall consist of ~~((nine))~~ eleven members. One member shall be a judge selected by and from the court of appeals judges; one member shall be a judge selected by and from the superior court judges; one member shall be a judge selected by and from the district court judges; two members shall be selected by the state bar association and be admitted to the practice of law in this state; and ~~((four))~~ six members shall be nonlawyers appointed by the governor ~~((and confirmed by the senate))~~. The term of each member of the commission shall be four years.

Sec. 3. Section 6, chapter 268, Laws of 1981 and RCW 2.64.050 are each amended to read as follows:

The commission may employ ~~((any))~~ personnel, including ~~((lawyers))~~ attorneys, and make any other expenditures necessary for the effective performance of its duties and the exercise of its powers. The commission may hire attorneys or others by personal service contract to conduct initial proceedings regarding a complaint against a judge or justice. Commission employees shall be exempt from the civil service law, chapter 41.06 RCW.

NEW SECTION. Sec. 4. A new section is added to chapter 2.64 RCW to read as follows:

The commission is authorized to impose the following disciplinary actions, in increasing order of severity: (a) Admonishment; (b) reprimand; or (c) censure. If the conduct of the judge or justice warrants more severe disciplinary action, the commission may recommend to the supreme court the suspension or removal of the judge or justice.

NEW SECTION. Sec. 5. A new section is added to chapter 2.64 RCW to read as follows:

The commission is authorized to investigate and consider for probative value any conduct that may have occurred prior to, on, or after December 4, 1980, by a person who was, or is now, a judge or justice when such conduct relates to a complaint filed with the commission against the same judge or justice.

NEW SECTION. Sec. 6. A new section is added to chapter 2.64 RCW to read as follows:

All pleadings, papers, evidence records, and files of the commission, including complaints and the identity of the complainants, compiled or obtained during the course of an investigation or initial proceeding involving the discipline or retirement of a judge or justice, are exempt from the public disclosure requirements of chapter 42.17 RCW during such investigation or initial proceeding. As of the date of a public hearing, all those records of the initial proceeding that were the basis of a finding of probable cause are subject to the public disclosure requirements of chapter 42.17 RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 2.64 RCW to read as follows:

The adjudicative proceedings, judicial review, and civil enforcement provisions of chapter 34.05 RCW, the administrative procedure act, do not apply to any investigations, initial proceedings, public hearings, or executive sessions involving the discipline or retirement of a judge or justice.

NEW SECTION. Sec. 8. A new section is added to chapter 2.64 RCW to read as follows:

The commission is subject to the open public meetings act, chapter 42.30 RCW. However, investigations, initial proceedings, public hearings, and executive sessions involving the discipline or retirement of a judge or justice are governed by this chapter and Article IV, section 31 of the state Constitution and are exempt from the provisions of chapter 42.30 RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 2.64 RCW to read as follows:

The commission shall provide by rule for confidentiality of its investigations and initial proceedings in accordance with Article IV, section 31 of the state Constitution.

Any person violating a rule on confidentiality is subject to a proceeding for contempt in superior court.

NEW SECTION. Sec. 10. A new section is added to chapter 2.64 RCW to read as follows:

Whenever the commission determines that there is probable cause to believe that a judge or justice has violated a rule of judicial conduct or that the judge or justice suffers from a disability which is permanent or likely to become permanent and which seriously interferes with the performance of judicial duties, the commission shall disclose to the judge or justice any material or information within the commission's knowledge which tends to negate the determination of the commission, except as otherwise provided by a protective order.

NEW SECTION. Sec. 11. The following acts or parts of act are each repealed:

(1) Section 4, chapter 186, Laws of 1987 and RCW 2.64.091; and

(2) Section 12, chapter 268, Laws of 1981, section 5, chapter 186, Laws of 1987 and RCW 2.64.110.

NEW SECTION. Sec. 12. This act shall take effect upon the effective date of an amendment to Article IV, section 31 of the state Constitution making changes to the commission on judicial conduct. If such amendment is not validly submitted to and approved and ratified by the voters at a general election held in November 1989, this act shall be null and void in its entirety.

SPECIAL NOTE: The following is the complete text of Chapter 421, Laws of 1989. Although this measure will not be voted upon at the state general election on November 7, it contains the implementing statutes for Senate Joint Resolution 8210 and will become effective if that proposed constitutional amendment is approved by a majority of the voters. The text of this law is included to facilitate each voter's understanding of the effect of the adoption of that proposed amendment to the state constitution.

AN ACT Relating to conservation of water; adding a new section to chapter 35.92 RCW; adding a new section to chapter 54.16 RCW; adding a new section to chapter 57.08 RCW; creating new sections; and providing a contingent effective date.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The conservation and efficient use of water is found and declared to be a public purpose of highest priority. The legislature further finds and declares that all municipal corporations, public utility districts, water districts, and other political subdivisions of the state that are engaged in the sale or distribution of water should be granted the authority to develop and carry out programs that will conserve resources, reduce waste, and encourage more efficient use of water by consumers.

In order to establish the most effective state-wide program for water conservation, the legislature hereby encourages any company, corporation, or association engaged in selling or furnishing utility services to assist their customers in the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water.

NEW SECTION. Sec. 2. This section was vetoed by Governor Booth Gardner, May 13, 1989.

NEW SECTION. Sec. 3. A new section is added to chapter 35.92 RCW to read as follows:

Any city or town engaged in the sale or distribution of water is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures in financing the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water in the structures under a water conservation plan adopted by the city or town if the cost per unit of water saved or conserved by the use of the fixtures, systems, and equipment is less than the cost per unit of water supplied by the next least costly new water source available to the city or town to meet future demand. Except where otherwise authorized, assistance shall be limited to:

(1) Providing an inspection of the structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation fixtures, systems, and equipment for which financial assistance will be approved and the estimated life cycle savings to the water system and the consumer that are likely to result from the installation of the fixtures, systems, or equipment;

(2) Providing a list of businesses that sell and

install the fixtures, systems, and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize the fixtures, systems, and equipment in accordance with the prevailing national standards;

(3) Arranging to have approved conservation fixtures, systems, and equipment installed by a private contractor whose bid is acceptable to the owner of the structure and verifying the installation; and

(4) Arranging or providing financing for the purchase and installation of approved conservation fixtures, systems, and equipment. The fixtures, systems, and equipment shall be purchased or installed by a private business, the owner, or the utility.

Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length.

NEW SECTION. Sec. 4. A new section is added to chapter 54.16 RCW to read as follows:

Any district is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures in financing the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water in the structures under a water conservation plan adopted by the district if the cost per unit of water saved or conserved by the use of the fixtures, systems, and equipment is less than the cost per unit of water supplied by the next least costly new water source available to the district to meet future demand. Except where otherwise authorized, assistance shall be limited to:

(1) Providing an inspection of the structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation fixtures, systems, and equipment for which financial assistance will be approved and the estimated life cycle savings to the water system and the consumer that are likely to result from the installation of the fixtures, systems, or equipment;

(2) Providing a list of businesses that sell and install the fixtures, systems, and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize the fixtures, systems, and equipment in accordance with the prevailing national standards;

(3) Arranging to have approved conservation fixtures, systems, and equipment installed by a private contractor whose bid is acceptable to the owner of the structure and verifying the installation; and

(4) Arranging or providing financing for the purchase and installation of approved conservation fixtures, systems, and equipment. The fixtures, systems, and equipment shall be purchased or installed by a private business, the owner, or the utility.

Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length.

NEW SECTION. Sec. 5. A new section is added to chapter 57.08 RCW to read as follows:

Any district is hereby authorized, within limits

established by the Constitution of the state of Washington, to assist the owners of structures in financing the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water in the structures under a water conservation plan adopted by the district if the cost per unit of water saved or conserved by the use of the fixtures, systems, and equipment is less than the cost per unit of water supplied by the next least costly new water source available to the district to meet future demand. Except where otherwise authorized, assistance shall be limited to:

(1) Providing an inspection of the structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation fixtures, systems, and equipment for which financial assistance will be approved and the estimated life cycle savings to the water system and the consumer that are likely to result from the installation of the fixtures, systems, or equipment;

(2) Providing a list of businesses that sell and install the fixtures, systems, and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize the fixtures, systems, and equipment in accordance with the prevailing national standards;

(3) Arranging to have approved conservation fixtures, systems, and equipment installed by a private contractor whose bid is acceptable to the owner of the structure and verifying the installation; and

(4) Arranging or providing financing for the purchase and installation of approved conservation fixtures, systems, and equipment. The fixtures, systems, and equipment shall be purchased or installed by a private business, the owner, or the utility.

Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length.

NEW SECTION. Sec. 6. This act shall take effect on the same date as the proposed amendment to Article VIII of the state Constitution, authorizing the use of public moneys or credit to promote conservation or more efficient use of water, is validly submitted and is approved and ratified by the voters at a general election held in November 1989. If the proposed amendment is not so approved and ratified, this act shall be void in its entirety.

LOCAL FOCUS: King is the state's most populous county with an estimated 1,361,700 residents. The County has a home rule charter which calls for election of a nine-member Council, a County Executive, Prosecuting Attorney, and Assessor. King County serves as both local government to unincorporated areas and as a regional government.

King County

BALLOT TITLE

PROPOSED CHARTER AMENDMENT NO. 1

Shall the King County Charter be amended to (1) require the County Council to provide for distributing public matching funds to candidates for county charter elective offices who agree to observe campaign expenditure limits established by ordinance, (2) require the Council to establish by ordinance mandatory campaign contribution limits and voluntary campaign expenditure limits for such candidates, and (3) authorize imposition of penalties for violations of such mandatory contribution or agreed expenditure limits, all as provided in Ordinance No. 8977?

Explanatory Statement

If approved by the voters, proposed Charter Amendment No. 1 would amend Article 6 of the King County Charter by adding a new section, 690.10.

The proposed amendment would authorize and require the King County Council to provide by ordinance, for the distribution of public matching funds to candidates for county charter elective offices (King County Executive, King County Assessor and King County Council members) who agree to abide by voluntary limits on campaign expenditures established by ordinance. The proposed amendment would also authorize and require the Council to establish, by ordinance, mandatory limits on campaign contributions to such candidates, and voluntary limits on expenditures by such candidates. Finally, the proposed amendment would authorize the Council to provide, by ordinance, for penalties for violations of mandatory contribution limitations and agreed expenditure limitations, including the disqualification of a candidate from holding county elective office for willful violations.

Neither the current Charter nor the current King County Code provides for the distribution of public funds for candidates, nor is there a provision in either the Charter or the Code limiting campaign contributions or expenditures. Section 690 of the current Charter requires each candidate for an elective county office to file an itemized statement showing all campaign contributions to, and campaign expenditures by, that candidate.

Statement for

Thousands, often millions of dollars are spent on national, state and local campaigns. Most of these funds come from special interest groups and thus impose a real or implied influence on candidates.

The Campaign Finance Reform Amendment will limit the role of special interest money in King County elections and will encourage candidates to rely on small contributions from constituents. Voters' approval of this amendment will require implementation of a county ordinance which has the following provisions: candidates cannot accept contributions over \$350 from ANY person, or \$1,000 from ANY political committee in ANY campaign year, or more than \$100 from any person in a non-campaign year.

In addition, the Campaign Finance Reform Amendment will provide the following voluntary spending limits on total dollar amounts in campaigns: \$71,000 (annual salary) for the county council races and \$306,000 (three times annual salary) for the county executive race. All candidates who voluntarily agree to these limits will be eligible for public matching funds of up to \$50.00 for each contribution from a local contributor.

This system of spending control, coupled with some public funding, will permit citizens to challenge incumbents. It promotes better access to candidates by limiting special interest influence.

To summarize, Campaign Finance Reform will motivate candidates to (1) seek small contributions directly from their constituents, (2) present well thought-out campaign positions on key public issues, (3) shorten the length of their campaigns, and (4) give citizens better access to their candidates.

Rebuttal of statement against

It's time to end big spender campaigns! Any taxpayer money invested in public campaigns will be many times returned by reducing special interest expenditures and influences in county government. If we expect public officials to pay attention to public interests, then their campaigns should not be primarily funded by the special interests. Seattle's 1989 mayoral primary is a good example of the competitive elections that will result from this amendment. Vote YES for better government.

STATEMENT PREPARED BY: JOANNE BREKKE,
JEAN CARPENTER AND ALAN MILLER

Statement against

Using scarce and desperately needed taxpayer money to fund campaigns is not a priority in comparison with essential fire and police services, homeless people needing mental health treatment, and road improvements.

Contrary to limiting the influence of special interests, this proposed law actually FAVORS special interests over individual citizens. Political Action Committees will be able to contribute three times more than any individual (\$1000 from PACs and \$350 from individuals). This law will encourage PACs to exceed the limits by donating through associated groups, and through "independent expenditures" -- as has happened in other states.

Incumbents currently have an advantage of district-wide mailings (taxpayer supported), and free media coverage. Challengers do not have these advantages.

This law further protects elected officials. In Seattle, which has a similar program, ONLY ONE MEMBER OF THE CITY COUNCIL AND NO INCUMBENT MAYOR HAS BEEN DEFEATED SINCE PASSAGE OF THEIR LAW! Meanwhile, in King County, VOTERS HAVE REPLACED AT LEAST SIX OF NINE COUNCIL INCUMBENTS, THE COUNTY ASSESSOR AND TWO COUNTY EXECUTIVES! This law will clearly make elections LESS competitive.

Don't accept a law that would restrict the right of personal expression in support of a candidate, camouflage the sources of contributions, or use your taxes for politicians that many taxpayers do not support.

Current disclosure laws allow citizens to look beyond the campaign veneer to vote with knowledge and judgement, without spending thousands of tax dollars on politicians' campaigns that would be better spent on essential services. Vote AGAINST this proposed charter amendment.

Rebuttal of statement for

These contribution limits still favor special interest PACs over citizens' interests. This proposal will NOT shorten campaigns or encourage clearer positions on issues. Courts have declared campaign giving and spending to be constitutionally protected rights. A law that limits those rights leaves loopholes for politicians and special interests -- loopholes that allow splitting contributions for more matching funds, while masking their true funding source, and uncontrolled "independent expenditures." INFORMED VOTER JUDGMENT IS THE ONLY SOLUTION!

STATEMENT PREPARED BY: PAUL BARDEN,
BRUCE LAING AND DAVE KAPLAN

King County

BALLOT TITLE

PROPOSITION NO. 1

ENHANCED 911 - EMERGENCY TELEPHONE SYSTEM

Shall King County impose an excise tax on the use of all telephone access lines in an amount not to exceed forty-five cents per month for each line for the purpose of paying for the continued operation of an enhanced 911 emergency telephone system, all as provided in King County Ordinance No. 9017?

Explanatory Statement

If approved by the voters, Proposition No. 1 would authorize King County to continue to impose an excise tax on the use of all telephone access lines within King County in an amount not to exceed forty-five cents per month for the purpose of paying for the continued operation of an enhanced 911 emergency telephone system within King County.

To be approved, this proposition must receive "yes" votes from at least 60% of those voting on it. If the number of electors voting on the proposition does not exceed 40% of the total votes cast in the county in the last preceding general election, the number of persons voting "yes" on the proposition must constitute at least 60% of a number equal to 40% of the total number of votes cast in the county in that last preceding general election.

Statement for

Proposition 1 asks King County residents to approve 9-1-1 service for six more years at a maximum monthly rate of 45 cents per telephone customer. We believe that's a small price to pay for this vital emergency communication system.

In the last election, the 9-1-1 ballot issue almost failed in King County. In fact, it cleared the 60 percent majority needed to certify the election by just 1.8 percent.

How could such a well-received and beneficial service just barely squeak through an election? Because registered voters assumed the issue would pass and simply didn't bother to go to the polls.

Without your vote for Proposition 1, it's possible that the lifesaving service provided by 9-1-1 won't be available anywhere in King County after August 1990.

A vote to save 9-1-1 is a vote to save lives.

Statement against

NO STATEMENT SUBMITTED.

STATEMENT PREPARED BY: DWIGHT VAN ZANEN,
JAKE EVANS AND STANLEY O. MCNAUGHTON

Explanatory Statement

BALLOT TITLE

KING COUNTY PROPOSITION NO. 2 PUBLIC GREEN SPACES, GREEN BELTS, OPEN SPACE, PARKS AND TRAILS BONDS - \$117,640,000

Shall King County, for the purpose of paying all or part of the costs of acquiring, constructing, developing and improving public green spaces, green belts, open space, parks and trails within the county, issue \$117,640,000 of its general obligation bonds, maturing within twenty years, and levy excess property taxes to pay and retire the bonds, all as provided in Ordinance No. 9071?

If approved by the voters, Proposition No. 2 would authorize King County to issue up to \$177,640,000 worth of general obligation bonds to provide funds for the acquisition, construction, development, and improvement of public green spaces, green belts, open space, parks, and trails within King County, all as provided in Ordinance No. 9071.

The bonds, which would be required to mature within twenty years of their issuance, would be paid for through annual tax levies to be made upon all of the taxable property within the county and in excess of the regular non-voted property tax levy without limitation as to rate or amount, and through any other funds which may become available and may be used for such purposes.

Statement for

A "yes" for County Proposition 2 -- the Green Spaces Bond -- will save the best of our greenbelts, open spaces, natural areas and trails from development and growth. Proposed by a committee of citizens from communities across King County, Proposition 2 saves critical shoreline, wildlife habitat, trails and undeveloped lands for an afternoon family getaway, a school trip or a quiet walk. It will keep our county green from Seattle to Snoqualmie, Bothell to Federal Way.

Proposition 2 will fund a county-wide program of 116 greenbelt, open space and trail acquisition or improvement projects proposed by local communities and evaluated by the citizen committee. A Citizens' Oversight Committee will ensure projects are acquired or completed within the next 3 to 5 years. Projects will be maintained by the local government where they are located: Seattle, King County or suburban cities.

Proposition 2 will cost the owner of an average home \$13 a year. It will provide us with a system of over 3,144 acres of greenbelts, natural areas and shoreline parks equitably distributed throughout Seattle, suburban cities and unincorporated communities. It also will purchase or improve miles of trail to link together almost every city in King County.

Proposition 2 is supported by a broad coalition of groups and individuals including the Washington Environmental Council, the Seattle, Bellevue and Kirkland Chambers of Commerce and dozens of neighborhood and Democratic and Republican grassroots organizations. Vote "YES" on Proposition 2 -- the Green Spaces Bond. Help maintain our environment and quality of life.

Rebuttal of statement against

GROWTH! 300,000 people are expected within the decade. Unless we act, we'll have asphalt from Seattle to Snoqualmie. With development rampant and land costs soaring, resources for preserving green spaces are woefully inadequate. Proposition 2 is critical to save some land the way nature made it. No argument, government faces many priorities. But, if we don't save breathing space now for our children and grandchildren, it simply won't be available tomorrow at any price.

**STATEMENT PREPARED BY: JAMES R. ELLIS, MIKE LOWRY
AND NAN CAMPBELL**

Statement against

Does King County really need to spend \$117 million of new property taxes, plus \$115 million in interest, to buy and develop more parks at this time? King County already levies a property tax called the Conservation Futures Tax of \$5 million per year (at today's assessed value) for acquisition of parks and open space. Washington State also has spent \$60 million of gas tax money in 7 years building bike and pedestrian trails. With the suburban school districts seeking large upcoming bond issues, with major dollar needs for the jails and criminal justice system due to enormous drug and crime problems, and major transportation needs going unfunded -- is a new park spending spree what the taxpayers want? With some of the most heinous crimes against children occurring recently in parks and trails and a Hotline being installed for drug needle sightings in Seattle parks, it seems that safety, security and maintenance in the parks we already have is a higher priority at this time. Also this Bond Issue has no money allocated for maintenance or public safety for the proposed parks and trails. Educational quality, crime and transportation are the top immediate priorities, yet elected officials have instead chosen to place this \$117 million park bond ahead of the real needs and problems of King County citizens. King County already owns 1500 acres of undeveloped parkland that could be developed first. Vote NO on Proposition #2 and save your TAX DOLLARS for safer streets and better schools.

Rebuttal of statement for

There are already 900 parks in King County and over 440,000 acres of land in King County are in parks, open space or forests. Do we need another 116 parks and trails and more land off the tax rolls? Let's get our priorities straight and fix what we have first. Spend our tax dollars on curbing crime, building schools and correcting road congestion. Vote NO on Proposition #2 and have SAFE STREETS and GREAT SCHOOLS.

STATEMENT PREPARED BY: RICHARD J. WELSH, JR.

King County Executive

**Bruce
HILYER**
Democrat

There is still time to prevent the Los Angelization of King County. I am running for King County Executive to offer realistic new solutions and fresh energetic leadership to prevent our quality of life from slipping away. Over the past four years our County's problems have grown at an alarming rate: intolerable traffic congestion, suburban sprawl and unbalanced growth that devours our open space and threatens our natural environment. Public safety is threatened by drugs, street gangs and an overcrowded jail.

Frankly, we can no longer afford the invisible leadership and passive administration of Tim Hill. Our County needs forceful leadership with a clear agenda to chart the future.

Here's my agenda as King County Executive:

- Change the way King County manages growth by preventing development inconsistent with comprehensive planning and environmental protection.
- Where growth must occur, carefully control the rate of growth. Require new roads, schools, and parks to be "phased-in" before approving new buildings.
- Instead of raising taxes to pay for growth, shift the cost onto developers. Implement "Developer Impact Fees" that require developers to pay their fair share for new roads, schools, and parks.

- Accelerate efforts to build a new public transit system, including rail, before the year 2000.
- Build new jail space in the County quickly.
- Coordinate all local law enforcement efforts to prevent crime and increase drug education programs.
- Strengthen our County Police Department, offer specialized services including a gang combat unit, "SWAT" team, K-9 and bomb squad to all local jurisdictions.

I worked to fight crime as a Deputy Prosecutor. I know firsthand what it takes to get criminals off our streets and behind bars. I worked in prison administration and understand how public safety is threatened when dangerous criminals are released on our streets because of inadequate jail space. I grew up in King County and I want my children to have the same chance I had to hike in protected open spaces, catch salmon in Puget Sound and enjoy our spectacular natural environment.

The warning signs about our County's future are plain to see. We cannot meet the challenges of the 1990's with tired leadership and old solutions. If you will join with me in a new commitment to preserve our quality of life, our County's future can be bright again.

CAMPAIGN MAILING ADDRESS: 515 Olive Way, Seattle, WA 98101 PHONE NUMBER: 682-7219

**Tim
HILL**
Republican

I view the future of King County with great optimism. We are blessed with an environment of unparalleled natural beauty and an economy that is both strong and diverse. We are producing good jobs and working hard to protect our environment.

My administration has taken significant steps to protect our Northwest way of life. I have:

- Proposed a sensitive areas ordinance that is among the strongest environmental legislation in the State. It will control development near sensitive wetlands, flood plains, and steep slopes.
- Placed protective zoning controls on more than 1500 square miles of land to preserve our forests, farmlands, and fish bearing streams. Interim zoning in the Snoqualmie Valley and Soos Creek has protected an area almost the size of Los Angeles.
- Developed an open space plan that preserves greenbelts, streams, lakes, and wildlife habitat.
- Held hazardous waste round-ups to dispose of potentially harmful items such as old paint, motor oil, and pesticides. That program is being expanded to include year-round collection.
- Enacted a billboard control law that establishes billboard free zones to protect scenic vistas.

The greatest problem created by growth is traffic congestion. We are aggressively planning for a rail system while trying to unravel the congestion we have today. I stopped the diversion of money from the road fund and

have established the largest road improvement program in the County's history. Growth will be charged its fair share of road improvements through a state-of-the-art transportation mitigation payment system.

A primary function of any government is the safety of its citizens. We have added more police, arrests are up, and there is more jail space to punish offenders.

We are also working to break the cycle of crime for our young people. I established DARE (Drug Abuse Resistance Education) in our elementary schools. A King County police officer teaches kids the why and how of saying no to drugs. Our new youth detention facility will provide safety for the community while providing the services needed to turn children away from crime.

We have achieved great progress in serving those in need. My subsidized child care program, the regional system of youth shelters, Young Family Independence Program, programs for our senior citizens and the nationally recognized AIDS education and prevention programs are a few examples.

I ask you to judge my record, then vote for me on November 7.

Thank you very much.

CAMPAIGN MAILING ADDRESS: P.O. Box 92, Seattle, WA 98111-0092 PHONE NUMBER: 285-2920

King County Council District No. 3

**Brian
DERDOWSKI**
Republican

As your Representative on the King County Council I will try my best to do the following:

- 1) Represent all of you.
- 2) Listen to your concerns and respond. I will either help you accomplish your objectives or give you a straight answer why I can't.
- 3) Report to you how your money is being spent and work to make sure it is spent effectively. If more money is required I will level with you and explain why.
- 4) Provide the best service possible for your dollar. To do this I will need your suggestions as well as the help and cooperation of my fellow County employees.
- 5) Ensure that our Land Use Plans are compatible with our rural and urban neighborhoods. I will value neighborhood considerations over those of any particular special interest.
- 6) Ensure that transportation, schools, water, police, and other services are adequate before developments are approved.
- 7) Ensure that environmental protections are effective, fair, and enforced.
- 8) Make our land use decision making process simpler, accessible, understandable, and less prone to special interest manipulation.
- 9) Ensure that our children's futures are not placed into the hands of one or two large developers. Small builders and property owners deserve a voice.
- 10) Develop a County growth policy that strikes a better balance between population growth, economic growth, and our quality of life.

It is a real privilege to represent you. Help me accomplish these objectives. Watch what I do and hold me accountable. My office will always be open to every one of you.

CAMPAIGN MAILING ADDRESS: 7008 232 NE, Redmond, WA 98053 PHONE NUMBER: 868-1927

UNOPPOSED

King County Council District No. 9

**Mike
TODD**
Democrat

In his seven years as state representative, Mike Todd has worked to bring groups together to solve the problems facing our community: transportation and growth, solid waste disposal, energy and environmental issues, crime and drugs. In all these areas Mike has been and continues to be a leader. His record of achievement has earned him the following honors:

- American Association of Retired Persons 1988 Outstanding Legislator of the year
- 1989 King County Police Officers Union Endorsement for King County Council
- 1989 King County Women's Political Caucus
- Audubon Society 1987 Environmentalist of the Year

MIKE TODD REPRESENTS YOU

Mike is a leader in education and is recognized by his legislative peers as one of the foremost advocates of children and schools. Mike has written, cosponsored or actively supported virtually every piece of pro-education legislation that has passed the House since 1982.

MIKE TODD PLANS AHEAD

While others wait and react to problems, Mike Todd anticipates and prepares for them. He offers the kind

of vision that we can and must have to build our community the way we want to see it built. Long before many elected officials recognized the urgent need for planned growth, mass transit and solid waste management/recycling, Mike Todd was studying the issues and proposing long-range solutions. Now, as others play catch up, Mike is tackling the problems.

MIKE TODD WORKS FOR YOU

Mike is always looking for the bottom line, not headlines. His interests don't change with media trends. For years he has prepared himself to face the kind of nuts and bolts issues that relate to our everyday life in South King County. Mass transit and rail alternatives instead of clogged roads and traffic congestion; tougher sentences for criminals; compensation for victims; better schools and more opportunities for kids — the kinds of goals that make this community the one we are proud to call our own.

On a personal note, Mike and his wife Donna live in Auburn. They have three children. Mike owns a small business and is active in a number of community organizations.

CAMPAIGN MAILING ADDRESS: P.O. Box 1776, Auburn, WA 98071 PHONE NUMBER: 939-9479

**Kent
PULLEN**
Republican

During the past 17 years as a legislator, I have represented at one time or another virtually all of the major areas of the 9th District (stretching from Renton and Kent at the north end to Auburn and Enumclaw at the south end). Thus, I feel that I have the experience to understand and be responsive to the special needs of each community.

I presently serve as Chairman of the Senate Law & Justice Committee, where I have successfully gotten numerous bills enacted into law to toughen penalties against dangerous criminals, close sentencing loopholes, increase convictions of sex offenders, protect children against child abuse, and protect the rights of victims of crime. If elected to the King County Council, public safety will continue to be one of my highest priorities.

In addition to working for greater public safety, I will also work for better roads with less traffic congestion, a fiscally responsible budget, social services that are better administered in order to respond to

those truly in need, and land use planning that is more sensitive to the needs of people rather than the whims of bureaucrats.

Where possible, I will work to reduce the tax burden through improved spending efficiency and through other reasonable economies. I am especially alarmed by recent huge increases in the property tax, which is driving many senior citizens from their homes.

I have a strong, positive image for the future of King County. I want to see a county government that is more open and responsive. I want to see crime deterred and dangerous criminals held accountable for their actions so that our children and grandchildren can grow up in a safer society. Finally, I want to see responsible, orderly growth that will promote a healthy economy with quality jobs, but at the same time ensure protection of our precious open spaces to help maintain quality of life.

CAMPAIGN MAILING ADDRESS: P. O. Box 5253, Kent, WA 98064 PHONE NUMBER: 631-1177

LOCAL FOCUS: The Port of Seattle is among the Nation's largest port districts. It is the owner/developer of marine and transportation facilities around Seattle's harbor and the owner/operator of Seattle-Tacoma International Airport, Fishermen's Terminal and Shilshole Marina. It is governed by five Commission members elected for six-year terms.

Port of Seattle District No. 2

**Gary
GRANT**

Many people do not realize that the Port of Seattle is probably the single most important "engine" of our region's economy. It is fueled by an increasing amount of trade coming through the Puget Sound area from Pacific Rim countries.

I have always considered public service as an honor and a privilege, having served in the State Legislature, on the METRO Council and as a member and Chair of the King County Council. In all of my public endeavors, I have attempted to build consensus by working with all parties and listening to my constituents. My experience working with business and labor, Democrats, Republicans and independents will help me serve you as Port Commissioner.

JOB: I believe a strong economy and an opportunity for meaningful employment are essential to a community and its residents. Expanded trade and our proximity to the Pacific Rim have caused Seattle and King County to become a focal point for this nation's economic future.

REGIONAL COOPERATION: The Port has a unique role to play in our region, but we must all work together. I will strive to build good working relationships with other elected officials, business people and concerned citizens. We must join in efforts to

market Puget Sound ports to improve our regional economy.

THE ENVIRONMENT: I have lived in King county all of my adult life and I truly cherish the quality of life and tremendous natural resources this area offers. Over the next few years the Port of Seattle will play a key role in deciding how to balance growth and provide new jobs while protecting our neighborhoods.

The Port Commission needs someone who has the experience in tackling the difficult issues of our region, listening to the community and making sound decisions. I have chaired the County Council four times since 1984, during which time we have developed a nationally recognized Comprehensive Land Use Plan, preserved our remaining farmlands, vastly expanded our regional parks and open spaces and began recycling programs to address King County's solid waste concerns.

I have the experience to meet the challenges facing the Port of Seattle. I will be a Port Commissioner you can be proud of.

CAMPAIGN MAILING ADDRESS: 506 Second Avenue, 1726 Smith Tower, Seattle, WA 98104

**George
CAMPBELL**

George Campbell, a thirty-year veteran in international ocean shipping, trade and transportation, has a deserved reputation for his "well-experienced" and "effective" leadership. He is a common sense, hard working leader and knows a good port must provide initiative and strong direction. George has the proven ability to get results by using highly developed analytic skills. George Campbell's extensive transportation knowledge and experience with, and of, the Seattle Port Commission responsibilities has been attained through direct association with numerous domestic and international maritime, rail, trucking, air cargo and passenger carriers, and international trade exporters and importers.

His colleagues, also primary users of Port of Seattle facilities, chose George as chairman of their maritime and transportation ad hoc Port of Seattle Steering Committee. George Campbell also served as President of the Puget Sound Steamship Operators Association, Inc.

The regional executive director of a major steamship company, George was responsible for the overall direction of department management. Through policy, procedure and planning he achieved his good purposes and goals. He represented the Weyerhaeuser Company's intercoastal service and vessels. He accrued experience at sea aboard a large ocean vessel sailing the North Pacific.

Campbell held a prominent role in Port of Seattle

development. He was responsible for the direction of leading ocean shipping services from the Port of Seattle to and from the Pacific Rim countries, the east and west coast of South America and Europe.

In San Francisco, he led in the innovation of intermodal container international trade. His responsibilities included trans-Pacific ocean services together with other worldwide operations. Also, he was manager of a United States trading division for a major Scandinavian firm in the competitive international commodities trade arena.

Air cargo transport business continues improvement and expansion. Sea-Tac is approaching saturation. Another passenger and/or cargo airport will be needed soon for air traffic. We should consider all options including McCord, Paine Field, Arlington airport or a new location, keeping the resulting air traffic, economic and environmental impacts in mind. Other factors to consider are the predominant winds, fog, jet noise, and nearness to existing or planned expressways.

George Campbell is known to many in the domestic and international trade in Seattle, United States and abroad. We need a leader with proven talent and new ideas to help direct the Port of Seattle. Vote George Campbell, Port of Seattle Commissioner.

CAMPAIGN MAILING ADDRESS: P.O. Box 75631, Seattle, WA 98125-0631

Port of Seattle Position No. 5

**Paul
SCHELL**

Paul Schell will bring to the Port a background of solid business experience and a proven record of committed public service.

As a public official and civic leader, Paul Schell:

- Played a vital role in saving and restoring the Pike Place Market.
- Co-Chaired the effort to save King County farmlands.
- Co-Chaired Seattle's school levy.
- Served as President of Allied Arts.
- Currently is a board member of the Goodwill Games.

As a business manager, Paul co-founded and guided the Cornerstone Development Company, which grew to over 800 employees and built award-winning projects in Seattle, Tacoma and Portland.

Paul's extensive experience in economic development and his commitment to making the Port "the frontier of opportunity for our region's economy," have earned him the endorsement and support of a broad cross section of our community. These in-

clude: Congressman Jim McDermott, James Ellis, Mike Lowry, Jill and Bill Ruckelshaus, Brewster Denny, Christopher Bailey, King County Councilmember Greg Nickels, Pepper Schwartz, Toshi Moriguchi, Earl Lasher, Linda Ferris, Wes Uhlman, Mike Williams, Rosanne Royer, Bill Lagen, Doug Raff, Owen Burt, Solomon Amon, Joe Appiah-Kusi, and Heng-Pin Kiang.

Port Commissioners are not only the Port's Board of Directors, they are also your, the public's, elected representatives. Paul Schell believes that the Port must better understand how it impacts on neighborhoods and communities — and that the Port must listen better to the public.

Paul Schell knows how to listen, how to innovate, how to lead and how to behave as a public figure.

All of Paul's friends and supporters urge you to join us in electing Paul Schell to the Port. Thank you.

**Cary E.
BOZEMAN**

Dear Voter:

I want to keep Bellevue working, but the things we each love about Bellevue are at risk. Traffic congestion, pressures on our environment, and regional growth threaten the good life we have in Bellevue and King County.

We need to protect what we have in Bellevue with a strong voice in regional affairs. The threats to Bellevue come from uncontrolled growth in King County. We have done everything we can to target growth downtown to protect our neighborhoods. But between now and the year 2000, King County's population will increase 33%. Bellevue has taken its fair share of that growth and it is time that we have a county growth plan that is realistic.

Bellevue has a great future ahead. I look forward to helping to make that future secure. I have five priorities for the next four years:

- 1) Safeguard the fiscal health of the City.
- 2) Preserve the high quality of services provided by our police and fire departments, park facilities and Medic One.
- 3) Forge a partnership between the City and our schools to fight drugs and prevent dropouts.
- 4) Work to reduce traffic congestion in a cost effective manner.
- 5) Strengthen Bellevue's voice in regional affairs to manage growth and protect our environment.

**Margot
BLACKER**

An involved citizen of Bellevue since 1972, Margot Blacker has impressive qualifications for City Council. Margot is recognized for her responsible approach to city government and has gained a reputation for working hard and doing her homework. She has provided informed and thoughtful leadership in her role as Chair of the Bellevue Planning Commission.

Margot has a university degree in Interior Design with a major in History of Art and Architecture. She and her husband Richard have two sons and have lived in Bellevue for 18 years.

City of Bellevue and Community experience includes: Bellevue Planning Commissioner since 1984, Immediate Past Chair; Storm and Surface Water Advisory Commissioner 1982-84; Founder and President, Bellevue Historical Society; Trustee, Seattle Center Foundation; Convention Center Design Review Committee; Bellevue Centennial Committee; 1988 Park Bond Committee; Oversight Committee, Transportation Task Force to address the Traffic Initiative; NorthTowne Community Club President, 1980-84; King County Affordable Housing Policy Plan Committee, 1985; Administrative Assistant, Washington Trust for Historic Preservation.

My primary concern for Bellevue as it matures is retaining its liveability and beauty. We want a community that provides the best possible qualities of life; safe, stable neighborhoods served by good schools, mobility in the city and region, a clean environment and a strong, healthy economy. Bellevue City Government must be efficient and responsive to face the challenges and meet the needs of its citizens into the 90's, and to that end I pledge my time, energy and experience on your behalf.

**Robert (Bob)
DUCKWORTH**

The "Big C's" are going to be the keys to a future for this city and the Eastside which will respect the environment and the people: COOPERATION of residents, businesses, developers and governments; COMMUNICATION within and between these groups; and CONTINUED study and reassessment of problems and solutions and trends.

Regional approaches are necessary, where the problem is the environment, transportation, human services or mega-projects such as sewage-treatment plants, garbage disposal, recreation and parks, zoos or museums.

The "Big C's" themselves are important because of CHANGE. Population change—major growth, a new picture in demographics with Asian and Eastern European refugees joining longtime residents and those moving in from other States, and shifting economic conditions.

It is imperative that there be better communication between City Council individuals and school board members if we are truly going to reduce the drop out rate in our district.

We must continue to look for ways to minimize the tax burden for citizens and businesses, but yet strive to maintain and improve upon the quality of life in Bellevue.

We as a city appear to always be reacting to problems, we should analyze the effects of our decisions and become proactive. Getting input from the community before decisions are made would certainly enhance this process.

I am willing and prepared to take the challenges posed by the changes in this region.

Working together we can make a difference. I need your support.

**Jane
HAGUE**

Jane Hague is an active leader in her neighborhood, her community and her profession. She has proven management experience, leadership skills and knowledge of private business and government. Her commitment to Bellevue includes Somerset Community Association, Bellevue Planning Commission and Metro's Citizen's Water Quality Advisory Committee. Professionally, she serves as Manager of King County General Services Division, Vice President of the Washington Association of County Officials and is on the National Association of County Officials' Environment, Energy and Land Use Committee and Bellevue Rotary.

Jane Hague's experience in both public and private sectors gives her perspective on the challenges Bellevue faces. She was contract administrator for a Bellevue engineering firm and has seen how government regulation affects private business. Hague believes in accessible, understandable government-- that's why as King County's Manager of Records and Elections she developed its first local voter's pamphlet in 1987.

A 21-year Bellevue resident and a Planning Commission member, Jane Hague understands and has worked on behalf of neighborhood needs and the community as a whole. She knows Bellevue is a community of diverse neighborhoods and people which we should celebrate. She is committed to encouraging a vital economy, increasing parks and open space, maintaining stable zoning, and offering law enforcement that continues to protect our safety and well-being.

Jane Hague will strengthen Bellevue's role as a regional leader, building on her firsthand experience with local, county, and state issues and officials to address growth management, transportation, human services, and a quality environment.

CAMPAIGN MAILING ADDRESS: 4701 139 AV SE, Bellevue, WA 98006 PHONE NUMBER: 641-9947

**Georgia
ZUMDIECK**

Born July 29, 1941, Bellevue resident since 1974. Graduated, University of Washington, 1963. Taught school, 3 years, Shoreline School District. Married 24 years to John, an engineer, they have 2 sons both graduated from Bellevue High.

City and community involvement includes: Drafter of Citizens Traffic Initiative, which gathered 8,200 signatures and resulted in an ordinance to require developers to fund needed improvements prior to project approval • Treasurer for Three Towers Legal Fund, a successful citizen campaign to preserve Old Bellevue from high rise intrusion which led to a court decision upholding a city's right to plan • President Northtowne Community Club • Downtown traffic study • Solid Waste recycling • Housing • Downtown Park Design Jury • Bellevue School District volunteer • Little league baseball coach • League of Women Voters.

California type growth pressures are here. During my 12 years participation I have helped stabilize our neighborhoods in the face of rapid growth and in the process have gained an understanding of the factors which affect the balance between Bellevue's business and commercial community and its neighborhoods. These include compatible and adequate transitional zoning, uncongested traffic flow without spillover onto residential streets, stable zoning to protect the long-term investments of residential property owners and density levels that support a healthy local economy without overcrowding.

My experience, knowledge and historical perspective are essential in dealing with the issues confronting a maturing Bellevue. I know which solutions are most successful when balancing growth against liveability.

CAMPAIGN MAILING ADDRESS: 909 147 PL NE, Bellevue, WA 98007 PHONE NUMBER: 454-4742

LOCAL FOCUS: Located on I-90, 17 miles east of Seattle in a valley bounded by the "Issaquah Alps" and Lake Sammamish, ISSAQUAH is a progressive suburban city with a Mayor-Council form of government; population 7,440. The Salmon Hatchery, Gilman Village, and Boehm's Homemade Swiss Candies are some of Issaquah's unique tourist attractions.

City of Issaquah

MAYOR

Rowan C. HINDS

The City of Issaquah has an opportunity to develop a vision that will guide the community for generations to come. I hope to involve every Issaquah citizen in the process of developing and implementing this vision. Through this process the people of Issaquah will be empowered to work with anticipated growth, making it sensitive to our environment, neighborhoods, history, transportation needs, and local economy. By encouraging citizen participation, the city will reap the benefits of new ideas and innovative approaches, balance the voices of its many constituents, and facilitate solutions to many pressing problems.

Under my administration the city government would become a responsive, service-oriented organization with a caring attitude towards all people. Our community will be increasingly involved in finding solutions for affordable housing, youth activities, and social services. I would actively engage other Issaquah agencies, such as the school district, the Chamber of Commerce and youth organizations, in finding ways to share people and resources.

Although Issaquah has a number of difficult challenges to face in the coming decade, with the help and support of interested citizens we can accomplish our goals. I am looking forward to a vibrant Issaquah that continues to promote its virtues of small-town neighborliness, a clean and attractive environment, a positive business climate, and support for families and children as well as others with special needs.

CAMPAIGN MAILING ADDRESS: 180 Mt Si PL NW, Issaquah, WA 98027 **PHONE NUMBER:** 392-1917

Darlene C. McHENRY

Citing "Leadership Through Service" as her campaign theme, Darlene McHenry who was first elected in 1981, is completing her second term on the Issaquah City Council. She has served as Council President/Mayor ProTem and has chaired various council committees during her tenure. She is currently chairing the Council Utilities Committee. In addition, McHenry presently serves on the Washington State Transportation Improvement Board, the Puget Sound Council of Governments Executive Board, the King County Commission for Recycling and is a member of several regional and Metro advisory committees.

Identifying transportation, solid waste management, growth impacts on city services and annexation as key issues immediately facing Issaquah, McHenry will stress the importance of carefully managed growth, on-going enhancement of the city's infrastructure, a strengthened partnership between government and volunteer organizations, and an effective working relationship with surrounding jurisdictions regarding transportation, land-use planning, growth and provision of cost effective regional services.

In addition to her elected position, McHenry has been active in a number of aspects of community service. She is the past President of the Issaquah Little League, Coordinator of the Chemical People substance abuse prevention project, parish councilmember and steering committee member that established the Eastside Human Services Forum.

COUNCIL POSITION 1

K. Scott NISHIZATO

Candidate did not submit a statement or photograph.

Joe PETERSON

"Whether we like it or not, we are going to have rapid growth in Issaquah. The question of growth vs. no growth is over. Our task in the next few years is to manage it so we get both the benefits of more choices and keep it a desirable place to live and work.

Several challenges face the city. Traffic is the most obvious. It will do us no good to increase the variety of goods and services available if we can't get to them, and yet it's not that simple because retail establishments generate much needed tax revenue for the city. Annexation is another equally difficult choice. It is crucial that both plateau residents and those who are already city residents benefit from the proposed expansion."

Peterson is currently serving as the city resident representative on the annexation technical feasibility study.

"Other concerns include: the possibility of a hearing examiner for development review; a more systematic approach to street maintenance funding; keeping a close eye on both our water source and the impacts of the Cedar Hills garbage landfill (which necessitates regional cooperation and influence); and an awareness of the human needs of some residents which are often overlooked amongst so much affluence."

Peterson has lived and worked in the city of Issaquah for 22 years and served a 4 year term on the city council between 1980 and 1984. Joe and his wife, Stephanie, have two teenage sons, Jack and Dan.

**Steve
BELL**

When I first came to Issaquah eight years ago there were no traffic lights. Today there are ten and at least five more are due soon. Every reasonable alternative for reducing the number of cars on our roads must be explored. Growth brings economic benefits but unless handled with foresight and innovation it can destroy a community's character and identity. This is my greatest concern about Issaquah.

When a city's identity is focused, it's residents care more. I believe a downtown historic district would preserve our character and be a smart move economically. Issaquah Creek is a symbol of pride and the centerpiece for our most profitable event - Salmon Days. The creek must be kept healthy.

Our heritage is alive in our seniors and their experience is worth a great deal. We must be responsive to their needs.

Annexed or not the Pine Lake Plateau will have a major impact on Issaquah. I am a city representative on the plateau feasibility study and recognize the need for cool objectivity to do what is best for the City of Issaquah.

I also have the pleasure of serving on the Issaquah Library Board and have been reappointed to a five year term. Since 1984 I have researched, written and produced hundreds of features for public radio locally and nationally.

1987 - First Place Award - Society of Professional Journalists

1989 - Silver Award - Council for the Advancement and Support of Education

I married Laura Keckler in 1983 and in 1986 our daughter, Alexandra, was born.

FRISINGER**

Issaquah, and its surrounding area, are experiencing some of the greatest growth pressures in the Puget Sound region. This pressure strains our traffic systems and emphasizes the need for a regional approach to transportation planning and management.

In fact, all of Issaquah's services from public safety to parks and recreation and human services are affected by rapid growth. This poses challenges for the future.

I am confident that Issaquah can meet those challenges and keep its distinctive community character. Issaquah is blessed with both human and natural resources. And I would appreciate continuing to serve the people of Issaquah during this time of challenge and change.

Education: M.A., University of Washington, 1967.

Experience: Current President, Issaquah City Council. Immediate past Council Deputy President. Formerly chaired City Council's Land Use Planning and Community Intergovernmental Relations Committees. Former member, Council Utilities Committee. Current member, Public Safety and Finance and Personnel Committees. Member, Issaquah Planning Policy Commission, 1983-85.

Community service: Volunteer, Issaquah Middle School Writing Challenge Program.

Family: Husband, Bill; children, Diane and Robert, ages nineteen and eighteen.

**John A.
ARDUCCI**

I believe Issaquah is near the midpoint of a 20-year period of rapid growth and change. It is growing because ever more people see Issaquah as a desirable place to live and work. But it is important to the well-being of our city that this growth not destroy those very attractions which make Issaquah stand out among its suburban neighbors. This coming year, the City Council will be adopting an "Issaquah Image" statement to guide our future comprehensive planning processes. Your Council representative will need vision and firmness to make the right choices, often among strongly conflicting views. I believe that I can make those choices.

The hallmarks of Issaquah are its unique environment and its people. I have been a proponent of citywide recycling, and we are now a leader in this important activity. I have supported, and will support, growth which is in scale with the community. New business is needed to balance residential growth, but it, too, must be scaled to what our roads and facilities can handle. As chair of the Council's Community and Intergovernment Relations Committee for the past two years, I have worked to improve community services for those most in need. The contribution of Issaquah's volunteer organizations is second to none and I will work to facilitate City support for their achievements.

Any citizen with a view to express, or a question to be answered, should be assured that their City Council representative is listening and cares.

**Ann
LUKENS**

Ann Lukens is a magna cum laude graduate of Brown University and past president of both Bellevue Schools Foundation and Bellevue PTSA Council. While spending the past fourteen years in hands-on involvement with our schools, she has broadened her community volunteer experience through church, Metro, City of Bellevue, and Campfire. Having worked closely with citizens throughout the community, Lukens recognizes that residents and business people alike hold very high expectations for our schools.

As we face continuing state limits on local funding, retirement of many of our seasoned staff, and increasing challenges in educating a diverse urban population, careful and visionary management is crucial to the continued vigor of our schools. To steer them through the challenges of the coming decade, Lukens advocates:

- Constant reevaluation of how effectively our staff and funds are applied to student needs
- Active pursuit of partnerships with other organizations, both public and private, which can complement school programming
- Design of effective methods to regularly tap public opinion and to build renewed support of our schools
- Work with neighboring districts to create a powerful legislative coalition addressing the state's responsiveness to local school needs.

Bellevue residents and businesses share the proud tradition of building a strong community. We must continue to bring the best ideas and energies of both to bear on the future of our schools.

TANAKA**

The education of our children should be of paramount importance to every person in the Bellevue School District. Unfortunately, the legislature has restricted our ability to raise needed dollars for quality education. At the same time, we need money to teach our children to live and work in an increasingly complex and competitive world and to deal with the problems of drug abuse, child abuse and other hazards in our society.

The Bellevue School Board needs to work cooperatively with the Superintendent and the public to anticipate the issues that our District will face in the future and then must formulate specific plans which will be understood and accepted by the public. Issues such as adequate school funding, minority achievement, reopening schools, and school boundary adjustments must be handled in a positive manner with maximum involvement from the public.

As volunteers, my wife Jan and I have worked actively to help our children's neighborhood school, the District, and the Bellevue Schools Foundation. I will bring to the school board a strong belief in public education, knowledge of school district operations, and a commitment to the time and effort needed to assure the best educational opportunities for the students in our District.

**Sandra
GAITHER**

A lifelong resident of Washington, born April 13, 1946, I graduated from Auburn High School in 1964 and Green River College in 1968. John and I have lived in Maple Valley fifteen years and have two sons attending Tahoma schools.

My Current Activity in Education and Children's Issues includes: 1. Four years — Tahoma School Board; 2. 1989 - 1990 President — School Directors' Association of King County; 3. Cooperative Preschool Advisory Board — Green River College; 4. 1987-1989 — Project Coordinator of a grant focusing on adult illiteracy in the community for Highline College; 5. 1989-1991 — Educational Programs Committee, Washington State School Directors' Association.

Caring for kids and preparing for change are the foundation of my educational and personal philosophy.

Schools must provide considerate, caring, learning environments and as educational leaders—Directors, administrators, teachers, — we must model high standards and ethics, respect and concern.

We must as a community and as a school system respond to changes in society, the demands of technology, and a regional as well as world-wide economy. We must encourage creativity and invention and prepare our students with problem-solving and communication skills.

I am delighted to live in Maple Valley—a community supportive of children and schools, a community with the opportunity to be an educational leader in the State of Washington.

Your Tahoma School Board has developed a plan to manage growth and a vision to reach excellence and meet the needs of students. When you cast your vote, please consider my experience, leadership and dedication to helping children learn.

**Margaret (Peg)
ROBB**

The community of Maple Valley will grow considerably in the next 5-10 years. The burden of the schools will be one of handling growth without losing the neighborhood characteristics presently available in Maple Valley. It will be important to endorse policies which lead to a spirit of unity rather than increased busing which may cause a loss of the neighborhood unity.

The school board, administration, community, and teachers must all work as partners to ensure the development of children who will be intelligent and responsible voting citizens interested in the welfare of the community and state. The purpose of the schools is to short cut the learning process and achieve the objectives of passing down the wisdom of the ages, communicating the values of democracy, and developing critical thinking skills. Actions of the board should reflect these objectives and achieve a quality school system of which all can be proud.

After 36 years of active participation in public education which included teaching at the high school and college level, I retired as Associate Dean, College of Arts and Sciences, University of Rhode Island. I was born and raised in Eastern Oregon and the Northwest was my preference when it came time to retire. I received a B.S. from Oregon State University, M.S. from the University of Washington, and Ph.D. from the University of Michigan.

SCHNEIDER**

The Children of our community are a part of the future of our Nation. It is important that we, as a community, are concerned about and supportive of the educational process and progress of the Tahoma School District.

There are many ways that we as individuals can do this. There are many among us who volunteer countless hours in our children's classrooms, those who help after school hours, those who support the School Band by contributing coupons, and all of us who contribute through our tax dollars.

Each and every contribution is vital for the education of our children and the future of our community. It is important that our children trust in us to have care and concern for their education. It is important to us that they value that trust we give them in our combined future.

When we elect a School Board Director, we are entrusting a part of our care and concern and commitment to our children collectively into those hands. Should I be elected, that is how I would strive to serve; with your trust and care and commitment to our children.

My experience serving on Board of Directors includes the Airline Pilots Association, the Association of Flight Attendants and the Childrens Garden School.

Thank you.

DUGOVICH**

Schools must educate more effectively to prepare our children for an increasingly complex and competitive world. I believe we can do it.

I will continue to work:

1. For accountability at all levels: student and teacher performance as well as administrative effectiveness. We must be able to measure improvement.
2. To return a sense of independence to the community. Federal and State directives have become increasingly rigid. This stifles people, exploration, and true innovation.
3. To return a sense of independence to the classroom and allow professional teachers and administrators some flexibility. This will inspire creativity, enthusiasm, and motivation that transfers to students.
4. To utilize our counseling staff to it's maximum potential.
5. To promptly assist students who are in danger of failing. We can begin special help sessions concentrating on study skills. Peer-tutoring is one example of successful efforts in this area.

We are experiencing rapid growth in the Snoqualmie Valley. We must decide now what kind of education our schools will offer. Will we attempt to cover everything?

My goal is to provide future students an excellent foundation in basic academic subjects and the motivation to achieve in a healthy learning environment.

We need informed citizen input. That's what a school board is for. Let me hear from you.

As adults we sometimes mouth phrases that are popular, not really believing in them or giving much thought to what the words mean. "Children are a nation's best natural resource" is one phrase I sincerely believe in. The beliefs we have and the goals we set in our lives are carried on by "our" children of this country. If we want a strong, independent and ethical nation in the future, children must be given every advantage to be strong, independent and ethical. Our schools play an ever growing role in young lives as our social structure continues to change and the peer pressures increase. I want to help our schools meet the ever changing demands and be a positive stroke for the future.

**Brian C.
THOMAS**

Brian Thomas and his wife Judy, a school teacher, have lived in the Issaquah School District for 24 years. Their sons, Jeff and Kyle, graduated from Liberty High School where their daughter, Cheryl, is currently a senior.

Brian has a BS in Engineering from Oregon State University, an MBA from PLU and attended the UW Law school. He is serving on the Issaquah School Bond Feasibility Committee and has served on the district's Attendance Area Committee. He is past president of Issaquah Rotary and has served as cubmaster at Briarwood Elementary School, an Issaquah Cemetery Board member and a director of Issaquah Valley Community Services.

Leadership in the Rotary Foreign Student Exchange Program and hosting numerous exchange students gives Brian an understanding of alternative school systems and an appreciation for cultural differences. As the Research Administrator at Puget Power and a U.S. Coast Guard Reserve Captain, he has experience dealing with complex policy decisions.

Brian feels the current board and school administration have done a very good job. He intends to carry on the tradition of cooperation and progress exemplified by retiring board member Tom McLaughlin. "The students come first," Thomas believes. "Our job is to provide them with modern facilities - excellent teachers, a balanced curriculum and motivate them to make full use of their abilities." "We will be challenged to replace our aging bus fleet, cope with unprecedented growth, maintain balance and fairness in allocating school resources and move the State of Washington to adequately fund the public schools."

**Everett
WILCOCK**

Everett Wilcock will work to be part of a team to help the Issaquah District provide the education that will enable our children to reach their potential and to lead happy productive lives, able to compete successfully in tomorrow's world.

Everett has two children at Liberty High, Jessica, a Senior and Elliot, a Sophomore and knows, as a single parent, the concerns and problems in educating different types of students.

Everett was motivated to run by his concern for the education of his and the community's children and his knowledge of the district gained from months of attendance at board meetings and study of the workings of the district.

Everett will work with you, parents, students, teachers, and administrators to individualize education for our children, to provide the tools for learning so that our children get the most from their classroom time.

Everett will seek to facilitate teaching and learning by creatively building enthusiasm in teachers and students.

Everett has experience in building programs in industry that are successful and productive. He is effective in listening to diverse interests and bringing them together to achieve their objectives. Trained to understand people and to communicate, he will provide a bridge to keep together each part of the team as a creative functioning unit.

Please cast your vote for Everett Wilcock, for a person that will help all of us to teach, to learn, and to grow, so that the Issaquah School District can do its best for our children.

GRIMES**

I decided to run for the Issaquah School Board because I have a strong desire to serve my community during these years of accelerated growth. It is particularly important to me that the quality of our education remain high and effective.

Because of my experience as a Jr. High teacher of Home Economics, I have compassion for the challenges teachers face and would like to support them in creative ways that would help them to have greater job satisfaction and emotional rewards.

I am concerned about the children with special needs and would like to see Issaquah schools strengthen their already outstanding programs for them.

We live in a world that is becoming increasingly aware of our interdependence and interconnectedness. Therefore, I would encourage curriculums that prepare our youth to think and act as responsible global citizens.

I believe that the primary goals of education are:

- To build a strong self-image
- To learn how to resolve conflicts nonviolently
- To accept responsibility for caring for the environment

My three children graduated from Issaquah High School and two Brazilian exchange daughters each attended for a year and I feel that the quality of instruction, extra-curricular activities and general atmosphere was excellent.

I would like to ensure that every student has a positive, enriching experience that will truly prepare them to be a fully contributing citizen, living their lives to their highest potential.

**Mary
SCOTT**

In a time of rapid change, school districts are making decisions that impact all our futures. To maintain class size and deal with growth, Issaquah schools need to add classrooms and remodel buildings. State and local funds are vital. The Issaquah School Board has led in encouraging state and county officials to offset the extra burdens placed on rapidly-growing districts. Mary Scott will continue that effort.

Mary wants to ensure fair and equitable distribution of programs and resources such as books, classroom supplies, and computers throughout all schools in our district. Mary will continue working to attract and keep quality teachers and pay them adequately.

Mary is committed to continued improvement of our schools by involving parents, community, and business. Mary will work to implement the school district's exciting new program for student service and involvement in the community.

Mary graduated from WWU and earned an M.A. from the UW. Mary and her children, Amy, 19, and Mike, 15, live in the Tiger Mountain home built by Mary and her late husband.

Elected to the Issaquah School Board in 1981, Mary served as board president, vice president, and legislative representative. She currently serves on the Executive Board of the Washington State School Director's Association, where she represents 13 King County school districts. She is on the advisory board of Issaquah Youth and Family and was appointed to the King County Human Services Steering Committee for Mobilization Against Substance Abuse.

Your voice and vote count with Mary.

BROWN**

With the increasing challenges of a fast-paced world, a high-quality education is more important than ever. School districts are compelled to provide a broad-based yet academic curriculum, one that insists on basic competencies, while preparing students in subjects never before envisioned for our public schools.

The Lake Washington School District has become a leader in making education relevant to the pressing needs of individuals in our society. I pledge to do my best to maintain high goals for the district and to challenge staff and students to achieve these goals in order to equip students for the challenges of today and tomorrow.

Key issues facing the schools are:

First, the needs of kids with special challenges. These "at-risk" kids need special programs and opportunities in order to avoid "tuning-out" or "dropping out." As a society we cannot afford to neglect the kids with special needs.

Second, we must seek to manage the district's rapid growth in the least disruptive manner possible. Growing at the rate of 1,000 students per year puts strains on the system. Doing our best to smooth the resulting hardships on students, parents and staff is an important priority.

Third, we must continue to improve the academic climate of our schools, always making sure that we are doing the best to provide a positive learning climate and challenging learning curricula.

In listening, studying, speaking out and providing leadership I will do my best to make the future of our kids a bright one.

**Doug
EGLINGTON**

Doug, his wife Shari, and their two children Jared, 9, and Leah, 2, live on the plateau east of Lake Sammamish - one of the fastest growing areas on the Eastside.

Appointed to the Lake Washington School Board in February, Doug represents the area southeast of State Route 520 and Avondale and Novelty Hill Roads. He has lived in the Redmond area for over three years.

Doug has worked as a legislative analyst and staff person for the King County Council for the past twelve years. He knows how government works. Presently he serves as staff advisor to the Council's Health, Housing, and Human Services Committee.

Active in his community, Doug is past president of the King County Chapter of Mothers Against Drunk Driving (MADD) and a past member of the Lake Washington School District Child Care Study Committee. He is presently a member of the Louisa May Alcott Elementary School Community Group, assistant den leader for his son's Cub Scout Pack, sings with the King County Centennial Singers, represents his neighborhood to the Tree Farm Homeowners Association, and belongs to Sammamish Hills Lutheran Church, and the Redmond Chamber of Commerce.

Children are what our school system is about. Doug Eglington supports a pilot school breakfast program because children are coming to school hungry. He supports adding more tutors to assist teachers in the classroom. He believes the School Board can do a better job listening to parents and taxpayers.

Kent resident for 24 years; University of Puget Sound graduate: BA in Communication Arts; wife of Dr. Andrew Tolas, and mother of four Kent School District graduates; Professional Writer: Associate Editor of the Washington State Staff Development Newsletter; Community and School Involvement: Kent Orthopedic Guild, past president; Kent Arts Commission, Performing Arts Chair; First Baptist Church, Treasurer; Pine Tree Elementary, PTA President; Kent-Meridian and Sequoia Jr. High, American Red Cross Health Room Volunteer.

The Kent School District is facing enormous educational challenges created by the population growth, and the changing technical and social needs of our Community. New schools, new school boundaries, and a changing curriculum demand a commitment of responsible leadership. As a member of the Kent School Board of Directors I am committed to being responsive to the technical, educational, and social needs of our diverse and growing student population; making the best possible use of available resources; and giving the necessary time needed to be personally aware of what is happening in the Kent School District.

My ability to analyze facts and situations in order to make logical decisions, combined with my communication skills, and a 22 year involvement in the Kent School District enables me to be an intelligent and invaluable school board member.

In the 12 years I have served as school director for the Kent School District, there has been a tremendous growth in numbers of children and facilities needed. This has provided a tremendous opportunity to attract the most qualified people available to help manage this growth and provide new, original programs. During this period, the Kent District has received many national and state awards and is recognized as an innovative leader in the state of Washington and one of the best. I feel I have the ability and the interest to continue to keep the Kent schools at the top. As a parent I want the best opportunities for my children. As a school director I am committed to providing all children, regardless of ability or background, the opportunity to meet their optimum growth potential. It has been both a challenge and opportunity to help manage the second largest industry in South King County. I look forward to the next four years.

Education is the foundation of success for young people. It is a school board's responsibility to ensure that each student is given the opportunity to achieve his or her greatest potential.

The Kent school district is changing rapidly. Continued rapid population increases, new demographics, technology and community expectations require constant evaluation of what we offer our students. As a member of the board, I participate in decisions regarding all aspects of the district based on what is best for all students. The board is the advocate for students, and represents the diverse socio-economic, multi-cultural makeup of Kent. Student success is the ultimate goal of the decision process.

I serve with pride on the Kent Board. Our staff represents the best and brightest. Our community is supportive. Many students, staff members and programs have been recognized for excellence at the state and national level.

As a board member it is my responsibility to be informed, set priorities for the best return on our educational dollars, and maintain open, two-way communication with the community. I have a vision of what education is, and what it can and should be. I have a commitment to make a difference in the lives of children, and the reward of celebrating their successes. I am pleased to be able to again serve my community as a member of the Kent School Board.

Water District No. 90

COMMISSIONER

**Jim W.
ROHRER**

I thank the residents of K.C.W.D. #90 for allowing me to serve the past 18 years as Commissioner of your Water District. During my tenure in office my record proves that I represent the views of the majority of our residents.

With Commissioner Dale Ocker recently resigning (July '89) and recently elected Commissioner Tom Tasa (with less than 3 years of experience) I've elected to run for office for another term. I feel it necessary to assist in providing the experience and leadership necessary to continue the business and financial plans of Water District #90.

I have served as President/Chairman or Secretary/Treasurer during most of my terms in office. It is my belief that continuity and knowledge is important for successful management.

Your district has more feet of water main per capita than most water districts in King County. Wise planning and proper scheduling is necessary for the funding and replacement of water mains in many areas of our district. With proper guidance and responsible spending our District can obtain these objectives and still enjoy reasonable water rates.

Besides the major physical improvements that I've sponsored in your district to maintain quality and economical rates, I'm proud of the many resolutions I've sponsored, wherein new developments and the expenditures to support this growth is now passed on to the developer and new residents and not the entire district. Also, having lived in this district since 1963 I have continually supported your wishes in keeping our area truly suburbia.

CAMPAIGN MAILING ADDRESS: 13817 162 SE, Renton, WA 98056 PHONE NUMBER: 226-8069

**Richard P.
RUSBULDT**

1. Native of the State of Washington

2. Born: April 14, 1938

3. Educational Information: AA Electrical/Mechanical Engineering

4. Occupation: Engineering Technical Coordinator for Engineering Support Contracts with USAF on the E-3 Aircraft

5. Qualifications:

My family has its roots and future in this community so I have always tried to participate in some capacity. As our area continues to grow, so will our needs for thoughtful long-range planning and sound financial management of the District funds.

I believe I have the background and the experience to both make sound business decisions and deal as necessary with other political jurisdictions.

If elected, I will ensure that the residents and taxpayers of the District will receive maximum service available within the monies provided by the budget. I want the manpower and facilities of the District effectively and efficiently utilized. The decisions affecting the District should be made in public with the maximum of public input and public discussion. The residents of the District should be informed as to what is going on.

The decisions made and policies instituted by this office should be from full information developed in advance without undue influence or conflict of interest.

If elected, I do not intend to be a "YES" person or a "RUBBER STAMP" of any person or any organization.

I have no loyalties, other than to the residents and taxpayers of the District.

Water District No. 107

LOCAL FOCUS: King County Water District No. 107 supplies water and wastewater service to Factoria, Newport Hills and surrounding areas. The District is governed by an elected three member board of commissioners. The District's goal is to continue to provide safe, reliable and economical water and wastewater service.

COMMISSIONER

**Henry F.
McCULLOUGH**

(UNOPPOSED)

Henry retired from the Boeing Company in 1987 after 43 years of service. He started work with Boeing as an airplane specialist and, at the time of his retirement, was a quality control manager. He graduated from the UCLA Graduate School of Management in 1980. He served with the Canadian Armed Forces during World War II and was a flight engineer in the U.S. Air Force during the Korean War.

Henry has served as a Commissioner for the District for 27 years and as the President of the Board of Commissioners for 26 years. He also served as the Secretary for the Newport Hills Sewer District before its merger into the District.

Henry and his wife, Connie, have lived in the District for 30 years and have six children. Henry is also a charter member of the Newport Hills Community Club and served three terms as the Club's president. He also works with the King County Crime Prevention Program and serves on the Executive Board of the Boy Scouts of America Boy Seattle Council.

As an incumbent, I am seeking re-election to continue my work for reliable and safe water and wastewater systems in the District. I support the policy that new development bear the cost of installation of new water and sewer system extensions. As a Commissioner, I recognize that we work for and represent the ratepayers. Therefore, I have done and will do everything possible to ensure that rates are fair and as low as possible.

When you dial 911, will anyone respond? All fire districts in King County are, or will be, facing a financial crisis if the current funding system is not revised. There is the potential of lowering the level of service you expect and deserve. As a commissioner I will explore funding and organizational options, that will enable the administration to maintain a top notch department.

Today's fire departments are being called upon to perform more technical and complex functions. Emergency medical care is becoming more advanced. Hazardous materials leaks and spills require technical knowledge and specialized equipment. These functions must be performed within the boundaries of volumes of Federal, State, and County rules, laws, and regulations.

Fifteen years service as a fire fighter gives me the exposure and experience that is needed to analyze and understand the complex decisions that will be facing the commission in the upcoming years. My career in the fire service began as a resident-volunteer in Pierce County. Hired on with the City of Renton Fire Department in 1975 and currently hold the rank of Lieutenant. A member of the 'Hazardous Materials' and 'Dive Rescue' teams.

Education: Degree in 'Fire Administration and Command'

Attended the 'National Fire Academy' in Maryland

Graduate of the EPA course 'Hazardous Materials for 1st Responders in Boston, Mass.

EMT and Defib certified

Dedication: A twelve year resident of the district and an active member of the Apollo Elementary PTA. I am determined to see that the district is a top performer.

**Fred
LAVILLE**

When I became Commissioner six years ago, I looked back over my twenty-five years of experience in the Fire Service to see how to best use the things I had seen and learned. I have been a fire fighter, Treasurer of the Fire Fighters Association, and Emergency Medical Technician. When you voted to expand E-911 system to the County, my job at U.S. West enabled me to work on that system and further my experience with this vital lifeline to you.

The District is constantly changing. How could the changes of the past apply to the future? Why did good ideas fail when they should have worked? I realized early that if you don't have teamwork at the upper levels of management, you don't have teamwork and continuity at the lower levels. When I became Commissioner, I moved into management. It takes a lot of experience to effectively run a Fire Department. The area is changing and growing all the time. We can't stop growth; we have to work with it. Working together we created a department second to none. We have increased our paid personnel, bought new Engines and Aid Cars, and are upgrading our stations all without the need of a bond issue. The people in our Fire District deserve to get their monies worth. This takes teamwork and that is why I am running for re-election to make sure we don't lose what we have and to keep the team that works.

LARSON**

I have been actively involved with Fire District 25 for the past 21 years. I have been a volunteer, paid fire fighter and I'm currently an appointed member of the Board of Commissioners. I'm married with three children and a graduate of Renton High School. I have a Business Degree from Bellevue Community College and I'm currently employed by the Seattle Fire Department.

I have lived in Fire District 25 my entire life and I am familiar with the problems that we face. Financing the necessary improvements to this department is my number one concern. With the prospects of losing money to other taxing authorities, I support seeking alternate sources of funding to finance our continued growth.

I have supported the recent improvements that the district has undertaken such as: hiring an additional fire fighter, improving our capabilities by contracting with Bellevue for better dispatching, and remodeling our Station 71.

With my proven interest in Fire District 25 and my knowledge of the Fire Service, I can help the Fire District serve this community better. I'm asking for your support in this up-coming election.

BRICE**

Tom has lived in Fall City since completing his active duty with the military in 1962. That same year he married Charlotte Cowin and built the home in 1966, in which their three daughters were raised. In 1968 he joined the Fall City Fire Department. Quickly he rose to the rank of Captain and spearheaded many projects basic to the department of today. Among these projects were the original aid car, the porta-power rescue tool, the present fire station, the EKG monitor, the river rescue boat, the jaws of life, the MAST trousers, the water tanker, and he co-sponsored the specifications for the rescue truck. Tom trained and distinguished himself in the areas of E.M.T., MAST trouser operation, defibrillation, hazardous material handling, and Washington State fire service training instruction. Tom stands patently against the proposed merger of Fire District #27 with districts #10 and #35. Throughout his volunteer career, Tom's top priority has been personalized service for victims of fire, injury and illness. His fear in merger is the loss of this person-to-person contact. Tom is eminently qualified to govern a fire district because of his nine years experience as a water commissioner. Finally, Tom has proven to be a can-do person and a tireless worker by chairing the Fall City Derby Days committee for the last two years.

First, accept my thanks for allowing me to serve this position the past six years. Whether we like it or not, rapid growth in East King County is a reality. As a commissioner the past six years I have been part of a board that is committed to planning for future needs of the district....being prepared to meet them as they are presented rather than playing catch-up. I invite you to tour our fire station in Fall City. You will see only the latest in fire fighting, aid and rescue equipment. All purchases of new equipment and supplies have been made from current and anticipated tax revenue with no additional bonding required or requested. We have also maintained adequate emergency funding reserves. This equipment is only as good as the personnel available to operate it. We are a group of volunteers dedicated to providing the best service possible. We continue to maintain skills with constant training. We are at a crossroads with growth and our need to better serve you, the taxpayer. Our volunteer staff at times during daytime hours is stretched to its limits. With these concerns we have entered negotiations with Districts 10 and 35 to combine our resources through merger thus providing a larger revenue base allowing Fall City to hire full time fire fighters to strengthen daytime coverage. I ask for your support with your vote allowing me to continue to serve during what will surely be an exciting and innovative period for your fire district.

KITTO**

I am self-employed as an attorney in Kent, where I have had my office for the past 20 years. Lois and I have resided within the District for over 10 years.

Two years ago I was appointed to fill a vacancy created by the resignation of a Commissioner. I then ran successfully for election to fill the unexpired 2-year term. Prior activities include 2 terms on the Kent City Council, where I was both elected Council President for a 2 year period and also appointed Finance Committee Chairman for a 2 year period. I later served on the Kent Board of Adjustment and have been an Officer and Director of the Kent Rotary Club.

During the past 2 years we have completed the planning and design for our new District Fire Station, construction of which should begin this Fall. We have also developed and implemented a capital improvement and replacement program for many of our major pieces of equipment. We believe this program will ensure the best of equipment for our personnel within our budget for that purpose.

As our area continues to grow, so will our needs for fire protection and emergency medical services. This will require thoughtful long-range planning and sound financial management of District funds by the Commissioners. I believe I have the background and experience to both make sound business decisions and also deal as necessary with other political jurisdictions. Your vote is appreciated.

MATZ**

I have lived in Fire Dist. #37 since 1968 and have been involved in many community and school groups.

From 1978 to 1984 served as Fire Commissioner and Chairman of the Board.

Since 1984, I have been Support Services Volunteer for the Fire Dept., working closely and alongside the fire fighters.

The current Board of Commissioners have become lack in their concern of what happens in the district. The Covington Fire Station is over a year late in being built, plus they voted to make it a baby poop yellow brick.

They should have been meeting twice a month and taking a more active role in getting the station on line and taking a more active role in the fire dept.

I do not believe volunteer Station 74 should be closed until they have a replacement station in the same immediate area.

Taxpayers, if you care about what is happening in the Fire Dist. and to your tax monies, you will vote for a change in the board.

Biographical Data: Married, 3 children; 12 year resident; B.A., Public Administration, University of Puget Sound; Lieutenant, Seattle Fire Department, 18 years experience.

I would like to thank the voters of Fire District 43 for giving me the opportunity to serve as fire commissioner for the past six years. During my term I have worked for the following changes to improve the emergency service to our community.

- To increase staffing and reduce response times throughout the district, fire stations 83 and 84 were upgraded to include resident fire fighter quarters and a new fire station was opened in Hobart.
- Three new 2000 gallon pumpers were purchased to eliminate our reliance on local water districts for residential fire flow and to enhance our fire fighting capabilities in rural areas.
- A new aid car and two new cardiac defibrillator/monitors were purchased to allow better aid car deployment throughout the district, and provide higher quality emergency medical service to our citizens.
- Paid staff was increased by 1/3, bringing current staffing to 17 paid and 60 volunteer fire fighters. These dedicated fire fighters provide outstanding professional emergency services to the citizens of our district.

These investments have resulted in an improved fire district classification which reduced the cost of fire/homeowners insurance throughout the district.

I would like to ask for your support for a second term. I am committed to protecting the gains we have made while continuing to improve the services Fire District 43 provides for our citizens.

Sammamish Plateau Water & Sewer District

LOCAL FOCUS: Sammamish Plateau Water and Sewer District is involved in area and regional water quality and supply issues and is committed to providing the highest level of service. We invite the public to attend our meetings held the first three Mondays of each month, starting at 3:00 p.m. at the District office.

BALLOT TITLE

PROPOSITION NO. 1

Should the Sammamish Plateau Water and Sewer District fluoridate the District water supply system and pay the costs of such fluoridation through water utility rate increases?

Explanatory Statement

The District is asking electors to vote on the proposition to fluoridate the public water supply. Estimated costs to build new and modify existing well buildings and to purchase additional equipment and supplies to begin fluoridation are estimated at \$297,000. Annual operating expenses are estimated at \$54,000. These costs would be paid by District customers through a water rate increase of approximately \$10.00 per year per service connection.

The District Board of Commissioners previously determined to submit the proposition of fluoridation of the District water supply to the voters. However, the District jointly owns certain water facilities with the Northeast Sammamish Sewer and Water District (Northeast). Northeast has also placed the fluoride proposition on the November 7, 1989 ballot. Should Northeast voters reject the fluoridation proposition and District voters approve the proposition, the District will not be able to fluoridate its water supply because of the shared water facilities.

Statement for

A "yes" vote on this measure would direct the Sammamish Plateau Water and Sewer District to supplement water supplies with fluoride to a level of 1 part per million. The adjustment of fluoride levels in the water to this level is for the purpose of significantly reducing the incidence of dental decay among the water users.

Water fluoridation has proven over decades of research to be extremely effective in reducing dental decay rates and to be safe with no ill health effects.

- Fluoride is a natural element that is essential for healthy teeth and bones.
- Water fluoridation is the most cost effective method of preventing tooth decay.
- Research shows consumption of fluoridated water supplies has no harmful effect on people.
- The public saves \$50 in dental bills for every \$1 invested in water fluoridation.
- 1.52 million people in Washington State and 62% of the U.S. population on public water systems drink fluoridated water.
- Neighboring residents in Seattle, Bellevue, Redmond, Kirkland, Renton and Mercer Island all drink fluoridated water.
- Adults benefit from fluoride too. Fluoridation decreases root decay.
- Water fluoridation is endorsed by nearly every reputable national and international health organization in the world including the World Health Organization, U.S. Department of Health and Human Services, American Medical Association and American Dental Association.

You have a right to protect your family from costly dental problems. Vote "yes" on this measure.

Plateau Parents for Fluoridation NOW!

Rebuttal of statement against

Fluoridation is not imposed mass medication. Fluoride is a naturally occurring element in the earth's crust and a recognized nutrient in most foods and water supplies. Water fluoridation is a safe adjustment to this natural level. Fluoridation is safe and by far the most cost effective, equitable and convenient method of providing protection against dental decay. The Surgeon General has said it is the "single most important commitment a community can make to oral health." Vote for fluoridation.

STATEMENT PREPARED BY: GREG LIND AND
JEFF PARRISH

Statement against

FLUORIDATION IMPOSES MANDATORY MEDICATION upon the public and violates individual free choice. Why medicate the entire population through the public water supply when more appropriate and cost-effective alternatives are available?

FLUORIDES ARE PRESCRIPTION DRUGS that should be supervised by a physician who can withdraw the medication when side effects occur. Fluoride dosages are not controlled when administered through the water supply.

ONLY 16% OF THE POPULATION MAY BENEFIT from fluoridation. This targeted population, children under 12, has alternative sources of fluoride available. A year's prescription costs as little as \$10.90; the yearly cost of fluoridation per benefited child is about \$17.00.

FLUORIDATION IS UNSAFE. Minimal safety testing has not been completed; the National Toxicology Program has the first chronic health effects study in progress now. Sodium fluoride, a chemical used for fluoridation, is 58 times as acutely toxic as calcium fluoride found in naturally fluoridated water. District workers would be at risk handling the highly toxic fluorides. Also, an accidental spill into the water supply could endanger the entire population.

THE ENVIRONMENT IS ENDANGERED. Less than 1% of water supplied to homes is consumed by drinking. The remaining 99% finds its way into the environment where added fluorides would accumulate and be potentially hazardous to the freshwater ecosystem.

THE ONLY WATER ADDITIVES USED TO TREAT PEOPLE are fluorides. Additives such as chlorine are used to treat the water.

SIGNIFICANT UNCERTAINTY surrounds this issue. When in doubt, keep it out. Preserve our pristine well water.

VOTE AGAINST FLUORIDATION

Rebuttal of statement for

- Tooth decay is not the issue. Contaminating pure well water is.
- Proper dental hygiene is the most cost-effective way to prevent tooth decay.
- Fluoride is not an essential nutrient nor is it required for healthy teeth or bones.
- No valid research shows artificial fluoridation to be safe.
- The FDA has not approved fluoride for any use in adults.
- Most modern countries do not fluoridate water. Many have discontinued fluoridation experiments. For information call 392-5489.

**Parker
SMITH**

Future Sammamish Plateau residents should pay for extension of water and sewer services - not current residents. If elected, I will work to make this the policy of the Sammamish Plateau Water and Sewer District.

I have lived in the Seattle area all my life. I am a Certified Public Accountant and serve as controller for Murray Franklyn, Inc. Based in Bellevue, the company is involved in property management and hospital management - and my company is in the water business. We produce and market "Talking Rain," natural Washington spring water.

I want to serve the citizens of the Plateau as a Commissioner for four reasons. First, as an accountant I offer sound management capabilities - a skill that will help the water district through these difficult times of rapid growth. The Plateau is experiencing 20 percent growth a year. We need prudent management to ensure good quality water service for current and future residents.

Second, I live near Pine Lake and I am committed to preserving the water quality of Pine, Beaver and Yellow Lakes.

Third, I want to prevent current residents from having to foot the bill for growth in water and sewer services. Future residents, not current ones, should pay for extension of services.

Fourth, I will work to keep our water clean and plentiful.

My wife and I have lived on the Plateau nearly a decade. We believe in public service. The Plateau is a very special place - and we want to keep it that way.

Complete Text of Sammamish Plateau Proposition No. 1

SAMMAMISH PLATEAU WATER AND SEWER DISTRICT
KING COUNTY, WASHINGTON
RESOLUTION NO. 1076

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE SAMMAMISH PLATEAU WATER AND SEWER DISTRICT, KING COUNTY, WASHINGTON, APPROVING THE PLACEMENT OF THE PROPOSITION AS TO WHETHER THE DISTRICT SHOULD FLUORIDATE THE DISTRICT WATER SUPPLY SYSTEM ON THE NOVEMBER 7, 1989 GENERAL KING COUNTY ELECTION BALLOT.

WHEREAS, the District has received inquiries regarding the possible fluoridation of the District water supply system; and

WHEREAS, RCW 57.08.010 authorizes the District by a majority vote of the Board of Commissioners to fluoridate the District water supply system but also allows the Commissioners to cause the proposition of fluoridation of the water system to be submitted to the electors of the Water District at any general election or special election to be called for the purpose of voting on the proposition; and

WHEREAS, the Board of Commissioners at its September 26, 1988 meeting resolved not to approve fluoridation of the District's water supply system without the matter being submitted to the voters; now, therefore,

BE IT RESOLVED by the Board of Commissioners of the Sammamish Plateau Water and Sewer District, King County, Washington, as follows:

1. The proposition of fluoridation of the District water supply is hereby approved to be placed on the King County general election ballot to be held November 7, 1989; and
2. District staff are hereby directed to submit a ballot title and proposition explanatory statement regarding fluoridation as prepared by the District and reviewed by the District's general counsel to the King County Division of Records and Elections to be placed on the ballot as referenced in Paragraph 1 herein for consideration by the electors of the Water District.

ADOPTED by the Board of Commissioners of the Sammamish Plateau Water and Sewer District, King County, Washington, at the regular open public meeting thereof held the 18th day of September, 1989.

BOARD OF COMMISSIONERS
SAMMAMISH PLATEAU WATER AND SEWER DISTRICT

By Archie French (signed)

Archie French, President

By Ruth W. Shearer (signed)

Ruth Shearer,
Commissioner

Public Hospital Dist. No. 2 Commissioner, Pos. No. 2

LOCAL FOCUS: Citizens of Kirkland, Redmond, Woodinville, Bothell and Kenmore founded King County Public Hospital District No. 2 in 1968 to provide needed medical services. Today the District operates Evergreen Hospital Medical Center, Evergreen Medic 1, a surgery center, urgent care center and special services for older adults and the brain injured.

**Rebecca D.
HIRT**
(UNOPPOSED)

As a Commissioner for King County Public Hospital District No. 2, I am committed to increasing healthcare services to District and community residents. I have been associated with the District and Evergreen Hospital Medical Center for sixteen years, first as a Medical Technologist in Evergreen's laboratory for ten years, and then as an elected Commissioner for the past six years.

During this time, healthcare services and reimbursement for them have changed dramatically. As a Commissioner, I have been concerned about retaining personal care for patients as the hospital grows, technology becomes more complex, and more care is delivered on an outpatient basis. The District has responded to changes by developing a broad range of services offered throughout the District in addition to Evergreen Hospital, including the Evergreen Home Health, Evergreen Care Network, the Head Injury Re-Entry Program, Urgent Care Center, and the Evergreen Surgical Center.

As a Commissioner, I've been privileged to be involved in the development of many new programs at the hospital such as the Family Maternity Center which responds to the needs of expectant parents by offering them options for a positive childbirth experience. Radiation Therapy enables residents to be

treated for cancer close to home. Hospice, another service I have supported, will open in early 1991.

One of the duties of an elected Commissioner is to oversee the financial viability of the District and see that taxpayers' investment in the hospital and District are utilized for the greatest benefit to the community. I have been committed to this goal. My studies in the Masters of Business Administration program at the University of Washington have given me greater expertise in the financial matters of the District.

I have lived in the Kirkland area for over sixteen years, with my husband and three children. I've participated in a variety of community activities, including serving on the Northshore Plan Revision Committee, serving as President of Kirkland-Redmond Branch of AAUW, leading a drive which led to King County Parks Department acquiring additional land for Big Finn Hill Park, and serving as a Campfire leader.

I look forward to continued service to the community as a Commissioner of King County Public Hospital District No. 2. I remain committed to helping the District respond to the rapid population growth in this area through delivery of excellent, personalized, and financially sound healthcare services now and in the future.

Public Hospital Dist. No. 2 Commissioner, Pos. No. 4

**William
BACKLUND**

Bill Backlund has been an Orthopedic Surgeon in the Redmond area for 13 years. He has also been a resident of the King County Public Hospital District No. 2 for 19 years. At one time, he was an active member of the Evergreen Hospital Medical Staff and served as Chairman of the Quality Assurance Committee. Thus, he has had much experience with Evergreen Hospital as to its staff and administration.

Bill Backlund is uniquely qualified to serve on the Board of Commissioners for Evergreen Hospital. He has been a well-respected physician in the District as well as a respected community leader. He knows firsthand about patient needs as well as community health needs. Such uniquely qualified individuals do not seek this position very often. His unique qualifications will benefit this District greatly by bringing onto the Board an experienced health care professional, a community servant, a businessman, and a concerned citizen.

Bill Backlund is concerned about good quality and affordable health care for the Public Hospital District. He desires to see the individual be of higher priority than organizations or finances when it comes to health care. He has always dedicated himself to good, caring, personal health care and desires that Evergreen Hospital continue to do the same. His position on the Board of Commissioners will allow him the opportunity to pursue these goals.

Public Hospital Dist. No. 2 Commissioner, Pos. No. 4 (continued)

**Julie
DAVIDSON**

We introduce Julie Davidson and endorse her candidacy for commissioner of Public Hospital District #2. Julie is a leader and a consensus builder.

Julie is executive director of Northshore Youth and Family Services. She coordinated the successful Evergreen Hospital Hospice Bond Issue in the fall of 1988 and continues to assist in that effort. Ms. Davidson is active in the Northshore and Woodinville Chambers of Commerce and serves on the Comprehensive Planning Task Force for the Woodinville Chamber of Commerce.

Julie is also a board member for the East Side Legal Assistance Program and a member of the Executive Director's Coalition of the Youth and Family Services Network of King County.

Julie Davidson will represent our community well. Vote for Julie Davidson for Public Hospital District #2 Commissioner.

Dr. Warren Appleton Rev. Sanford Brown
Mayor Sue Walsh

Dear District Residents,
Health care, like education and public safety is an essential component of the quality of life for our community. Our expanding and aging population challenges us to develop and enhance our community's health care services. Evergreen Hospital Medical Center must balance growth pressures, financial responsibilities, and responsiveness to this community's citizens. It is imperative to balance medical

costs with the issues of families who are uninsured or underinsured while maintaining quality of care and accessibility.

Specifically, I believe community outreach efforts by Public Hospital District #2/Evergreen Hospital need to be enhanced while maintaining cost controls. Recent programs such as Evergreen Urgent Care Center in Woodinville, outpatient surgery and Eldermid prove our hospital district can provide services while controlling costs.

My work as coordinator in the successful hospice campaign helped me build strong and productive relationships with those community leaders who are essential in shaping our health care needs of the future.

As executive director of a youth service agency in our community I work daily to help our troubled families get back on track, and to provide a profile of preventive services to keep our family units healthy.

As head of an agency I am well aware budget analysis is the bottom line! And as a wife and mother of four, I have experience balancing costs with quality and need.

I promise to bring hard work, integrity and reasonableness to my duties as Commissioner of Public Hospital District #2, Position 4. Please vote for me on Nov. 7. **CAMPAIGN MAILING ADDRESS: 15621 175 AV NE, Woodinville, WA 98072 PHONE NUMBER: 485-1042**

**Ken
ENGEL**

When elected, I will dedicate my efforts to the reduction of costs for patients utilizing hospital care and facilities by complying with budgetary guidelines in the institution's operations. The one common principal worry in this country today is the prospect of exorbitant and financially draining expense of a family member requiring a hospital stay for illness or injury. In recent years hospital costs have increased disproportionately to other living expenses. **WAYS MUST BE FOUND TO CURB THE CONSTANT ESCALATION OF EXPENDITURES FOR HOSPITAL SERVICES.**

BUSINESS EXPERIENCE - My prior business experience with two international corporations in marketing including sales and advertising has been with: Remington Rand, Inc. - 7 years, General Electric Company - 12 years and with local firms: Lake Limerick Corporation - vice-president - 1965 to June 1989.

The co-developer of 840 prime acres near Shelton, Mason County, Washington, the construction of: • a man-made lake and fish ladder • golf course • club house • and riding stable.

I am currently retired but along with my wife have been operating the ENGELWOOD GLEN RANCH, UNION HILL IN REDMOND, SINCE 1961, for the purpose of breeding Tennessee Walking Horses, and boarding riding mounts for the general public

MILITARY EXPERIENCE
1942 - 1945 Lieutenant (j.g.), U.S.N.R.

EDUCATION - Majored in Economics at the Pennsylvania State University, B.A.

PERSONAL - I have been a resident of the Seattle area since 1948, and am married to Jane Engel, R.N., a Washington State registered nurse. My other immediate family members are: a son who is an attorney and a daughter and two grandsons.

Today hospitals like hotels find themselves in a competitive field and cannot continue to exist while giving first-rate care if they have a high number of empty beds. **HOSPITALS MUST MAINTAIN A SATISFACTORY CENSUS LEVEL OF PATIENTS IN THEIR CARE.** Something new has been seen in recent history: the need for hospitals to include extended advertising campaigns and other promotional programs - such as weight loss, fertility, depression and stress clinics within the scope of their activities. The sales promotion of these new services were unheard of previously.

THE NEED FOR MARKETING HELP - The King County Hospital Board of Commissioners, District Number 2, can well utilize the services of someone such as myself, who has had extended successful business experience in marketing and advertising and at the same time understands the making of an expense budget and adhering to it. Therefore, I would appreciate you voting in November, and exercising your right to vote for me. Thank you.

Public Hospital Dist. No. 2 Commissioner, Pos. No. 5

**Russell L.
McCLINTICK**

Born September 14, 1926, Russ has lived his entire life on the Eastside. He graduated from Kirkland High School in 1944 and received his BA degree from Western Washington State College in 1950. In 1967 he received his MA degree from the University of Washington. He served in the Lake Washington School District for 28 years before retiring in 1980 as an elementary school principal. Russ has also served for 20 years as commissioner for Kirkland Fire District #41 and for 35 years as a volunteer fireman. Russ lives in Kirkland with his wife, Freddie Anne.

The re-election of Russell McClintick to the Board of Commissioners will continue to strengthen the programs of King County Public Hospital District No. 2 and Evergreen Hospital Medical Center. During his last seven and a half years of service as a hospital commissioner, Russ has worked with the other commissioners to guide the District through a period of strong growth. In response to our rapidly growing population, District services have more than doubled during this period. More importantly District services have earned an excellent reputation for personal care and medical quality. The services of the District have expanded to include Evergreen Hospital Medical Center, Evergreen Care Network, Evergreen Surgery Center, Evergreen Medic 1, Evergreen Head Injury Re-entry Center, Evergreen Urgent Care Cen-

ter and Evergreen Home Health.

During his next term, Russ will have three main priorities for action. First, will be to assure that Evergreen Hospital Medical Center has the facilities needed to meet the community's future health care needs. He will work to see that the Family Maternity Center and Surgery Department will be able to meet the needs of the many families moving to the District. He also will make sure that the District's parking facilities expand to meet our needs.

Second, Russ will work to develop a strong cancer prevention and treatment program for District residents. He believes that the District can make a real contribution to residents' health by fighting this dangerous illness. He will work for implementation of special cancer screening programs which have the best potential for early cancer detection and treatment.

Thirdly, during Russ's term the Evergreen Hospice Center will be opened for service to the community. Russ will lend his leadership to efforts to make Hospice a reality in our community.

Public Hospital Dist. No. 4 Commissioner, Dist. No. 2

**Susan Hopkins
KELLY**

I became a hospital commissioner ten years ago because I believed that the residents of our community needed a hospital that would be a center for health care located in the Snoqualmie Valley. We needed a hospital to not only provide emergent and on going care, but to retain and attract physicians who would live and practice in the community.

Snoqualmie Valley Hospital, which opened in 1983 and the new birthing center in 1989, exemplifies the cooperative efforts of the community, commissioners and the facility operators to achieve that goal. I will continue to work to expand the provision of quality, accessible health care to the community, to prudently manage the assets of the district taxpayers, and to respond to the health concerns of our growing population.

UNOPPOSED

Public Hospital Dist. No. 4 Commissioner, Dist. No. 3

**Bob
ROHRBACH**

I am concerned with the ever-increasing costs of health care, along with the need for local access to quality care. Transportation to distant facilities is costly and inconvenient, or even dangerous. These are a couple of the big reasons we worked so hard to replace the former Nelems hospital with a modern, local, community-owned facility. If elected, I will continue to work to ensure that quality health care is available for District residents at reasonable costs.

The recent addition of the Family Birth Center at Snoqualmie Valley Hospital is an example of the improvements and innovations I will pursue in an effort to expand services without increasing the costs to operate the hospital.

Complete Text of Proposed Charter Amendment No. 1

ORDINANCE NO. 8977
AN ORDINANCE relating to a proposed amendment of Article 6, King County Charter, concerning limits on campaign contributions and expenditures for county offices, submitting same to the voters of the county and establishing date of election.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There shall be submitted to the qualified voters of King County for their approval and ratification or rejection, at the next general election to be held in this county, and amendment to Article 6, adding a new section 690.10 to the King County Charter:

SECTION 2. A new section, 690.10, is hereby added to the King County Charter to read as follows:

The county shall pro-

vide for a system of limits on campaign contributions and expenditures to safeguard the integrity of the political process. The county council shall by ordinance establish mandatory limits on campaign contributions and voluntary limits on campaign expenditures with public matching funds for county charter elected offices. The ordinance may provide for penalties including disqualification of a candidate from holding county elective office for willful violations.

SECTION 3. The manager of the division of records and elections shall cause notice of this proposed amendment of the King County Charter to be published in accordance with the State Constitution and general law and placed upon the ballot at the general election of November

7, 1989.

INTRODUCED AND
READ for the first time this
15th day of May, 1989.

Tim Hill (signed)
King County Executive

Complete Text of King County Proposition No. 2

ORDINANCE NO. 9071

AN ORDINANCE relating to public green spaces, green belts, open space, parks and trails; calling a special election for the purpose of submitting to the voters of King County on November 7, 1989, a proposition to authorize the county to issue its general obligation bonds in the principal amount not to exceed \$117,640,000, to provide funds for the acquisition, development, renovation and improvement of public green spaces, green belts, open space, parks and trails in King County.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. FINDINGS.

The council finds and declares as follows:

A. Enactment of this ordinance is necessary for the health, welfare, benefit and safety of the residents within King County and is strictly a county purpose.

B. Public green spaces, green belts, open space, parks and trails make King County a more desirable place in which to live and to visit.

C. Existing public green spaces, green belts, open space, parks and trails are no longer adequate and additional public green spaces, green belts, open space, parks and trails are needed.

D. Public green spaces, green belts, open space, parks and trails acquired or improved pursuant to this ordinance, together with existing lands and facilities set aside for those purposes, will constitute a necessary system of public green spaces, green belts, open space, parks and trails for the county and its residents.

E. The wetlands included among the Projects approved by this ordinance, Moss Lake Wetland and portions of Hylebos Wetland No. 18, are included for acquisition solely as parks and wetland interpretive centers. Moss Lake is proposed for acquisition as a park and interpretive center because the King County wetland inventory identifies Moss Lake as the

most significant wetland in King County. It contains the most extraordinary variety of vegetation subclasses and diversity of wildlife habitat of any other wetland in King County. The purpose of the proposed acquisition of 24.6 acres on the southern and southwestern boundaries of the Hylebos State Park is to expand the state park and its educational and interpretive programs. The acquisition of both the Moss Lake property in northern King County and portions of the Hylebos Wetland No. 18 in southern King County for development of trail systems and interpretive programs is a unique and important educational opportunity that will benefit all King County citizens. Wetlands in addition to the Hylebos Wetland No. 18 and Moss Lake also may be included in this bond proposal for acquisition for park purposes. There may be other wetlands that exist on parcels being acquired solely for the purpose of providing public access and trail systems.

F. The proposition and the Plan hereinafter set forth have for their object the furtherance, accomplishment or preservation of public green spaces, green belts, open space, parks and trails and constitute a single purpose.

G. Public green spaces, green belts, open space, parks and trails acquired or improved pursuant to this ordinance, whether located partly or wholly within or without the cities and towns of the county, will be reasonably available on the same conditions and for general benefit of all of the residents of the county.

SECTION 2. DEFINITIONS. Unless the context clearly indicates otherwise, as used in this ordinance, the following words will have the meanings set forth in this section:

A. "Bond Proceeds" means the principal proceeds received from the sale of the Bonds and any interest earned by the county on

such funds thereafter, but shall not mean accrued interest on the Bonds paid by the original purchaser of the Bonds.

B. "Bonds" means the Public Green Spaces, Green Belts, Open Space, Parks and Trails Bonds described and authorized by this ordinance.

C. "Chief Financial Officer" means the person serving as the chief financial officer of the office of financial management of King County and the county officer who succeeds to the duties now delegated to that office.

D. "Governmental Agency" or "Agency" means the county, Seattle and any Suburban Jurisdiction or other government entity within the county.

E. "Interlocal Contract" shall mean the contract provided for in Section 6 to be entered into between the county and each other Governmental Agency.

F. "Project" means any parcel or parcels of public green space, green belt, open space, park, trail, or facility to which any Bond Proceeds are allocated under this ordinance.

G. "Project Category" means the county Projects, Seattle Projects, or Suburban Jurisdiction Projects.

H. "Seattle" means The City of Seattle, Washington.

I. "Suburban Jurisdiction" means the cities identified in Exhibit C.

SECTION 3. COUNTY PROJECTS. The county Projects described in Exhibit A attached hereto and incorporated herein by this reference are authorized to be carried out.

SECTION 4. SEATTLE PROJECTS. The Seattle Projects described in Exhibit B attached hereto and incorporated herein by this reference are authorized to be carried out.

SECTION 5. SUBURBAN JURISDICTION PROJECTS. The Suburban Jurisdiction Projects described in Exhibit C attached hereto and incorporated herein by this reference are authorized to be carried out.

SECTION 6. INTERLOCAL CONTRACT. The county shall negotiate a form of Interlocal Contract to govern the use of Bond Proceeds. Before any

Bond Proceeds are distributed by the county to a Governmental Agency, there must be executed between the county and that Governmental Agency an Interlocal Contract necessary to satisfy applicable Federal tax laws and regulations and those provisions expressly mentioned below. The Interlocal Contract shall contain provisions where appropriate governing the administration of Bond Proceeds, including, without limitation, provisions with respect to the determination of the amount, method and time of distribution of Bond Proceeds and the use of distributed bond Proceeds; Project implementation schedules and reports; the reallocation of Bond Proceeds in the event of the abandonment of Projects, cost overruns or underruns on Projects or for other reasons; provisions to assure tax exemption of the interest on the Bonds; use of unspent Bond Proceeds; investment of Bond Proceeds; and the method or methods of amending the Interlocal Contract. The interlocal contract also shall identify the programmatic and financial information to be provided by all Governmental Agencies on each funded project and its individual project elements for inclusion in the semi-annual report to the citizen oversight committee. The Interlocal Contracts shall require each participating agency to review its real property acquisition procedure and commit to all reasonable action necessary to ensure that all Projects are expeditiously completed and that special priority is extended to those properties on which there is a particular threat of conversion or inflationary cost pressure. Unless otherwise provided either herein or in a specific Interlocal Contract, the Interlocal Contracts also shall set forth that Project administration and any maintenance necessary for a Project after its completion shall be the responsibility of the jurisdiction in which the Project is located on July 1, 1989, regardless of the jurisdiction which may be identified in the exhibits to this ordinance as the Governmental

Agency sponsoring a specific project. Should a project be within an area annexed or incorporated after July 1, 1989, its administration and ownership may be transferred to the annexing or incorporating city should it advance the interest of citizens of King County as determined by the county through its normal legislative process. In addition to the foregoing general provision, the Interlocal Contracts identified in paragraphs A, B, C and D shall contain the special provisions stated in those paragraphs. In the event that any Governmental Agency shall fail within such reasonable time as the council may determine after reasonable notice, to enter into an Interlocal contract, the council may reallocate those Bond Proceeds in agreement with one or more of the affected Agencies to new or existing Projects within the same Project Category.

A. The Interlocal Contract with the city of Redmond shall contain the following special provisions: The Redmond Watershed Trails Project consists of the development for passive recreational use of the land commonly known as the Redmond Watershed which is the contiguous landmass of approximately 880 acres owned by the city of Redmond as of June 1, 1989 lying east of the city of Redmond and north of the road commonly known as Northeast Novelty Hill Road. No Bond Proceeds shall be used for the Redmond Watershed Trails Project until the city of Redmond has taken all necessary official and legal action to insure that the Redmond Watershed will be preserved and remain in passive recreational use by the general public in perpetuity. The action may include, but not necessarily be limited to, the placement of restrictive covenants on the deeds to the subject property. The city of Redmond may reserve from this transaction up to 80 contiguous acres of the watershed at a location mutually agreed upon with King County. The reserved land will be limited to future active recreational use, such as athletic fields, or to passive use. Notwith-

standing the general provisions set forth in this ordinance, administration of the Redmond Watershed Trails Project and the maintenance of the developed trail system shall be the responsibility of King County until such time as the Redmond Watershed has contiguous boundaries with Redmond or of some other city. At such time, maintenance administration of the project may be transferred to the contiguous city, should it be in the interest of county citizens as determined by the county through its normal legislative process.

B. The Interlocal Contracts with the cities of Auburn, Kent, Tukwila and Renton shall contain the following special provision: prior to the use of Bond Proceeds for the Project described as the Interurban Trail Development, those Suburban Jurisdictions and the county must determine: (a) their individual and joint responsibilities for the Project and (b) the appropriate allocation of Bond Proceeds for that Project among those Governmental Agencies.

C. The Interlocal Contract with the future city of Federal Way shall contain the following special provision: Should any reallocation of funds for either the Camelot Project or the Lutheland Project prove necessary, the city and county will work with the citizen oversight committee to identify suitable substitute projects that appropriately serve the same populations as these projects before considering the reprogramming of the funds to projects in other areas.

D. The Interlocal Contract with the city of Issaquah shall include the following special provision: Within three years from the date of the sale of the Bonds, the city of Issaquah shall complete the project known as the Greenwood Acquisition Project or a material portion of the project; otherwise the funding for the project shall be reallocated as provided by the ordinance herein.

SECTION 7. BONDS AUTHORIZED.

A. Subject to approval by the qualified electors of the county, for the purpose of providing funds for capital

Complete Text of King County Proposition No. 2 (continued)

purposes only, other than the replacement of equipment, namely, carrying out the county Projects, the Seattle Projects and Suburban Jurisdiction Projects, and for other capital purposes permitted under this ordinance and an Interlocal Contract, paying all costs relating to carrying out the Projects, including without limitation, real estate appraisal, legal and acquisition costs; reimbursement of advances after the enactment of this ordinance made from other funds in anticipation of the receipt of Bond Proceeds; paying necessary design, engineering and Project administration expenses; paying interest on any interim financing pending the receipt of Bond Proceeds; and paying costs and expenses incurred in issuing the Bonds, the county shall issue the Bonds in not to exceed the principal amount of \$117,640,000 for public green spaces, green belts, open space, parks and trails, or so much thereof as may be required for those purposes. The Bonds shall be known as the Unlimited Tax General Obligation Public Green Spaces, Green Belts, Open Space, Parks and Trails Bonds; shall be sold at public sale in the manner required by law, or, if the council finds that it is in the best interest of the county to do so, by negotiated sale; shall bear interest which, except for the first interest payment, shall be payable semiannually; and shall mature within twenty years after their date of issue, but may mature within a lesser time as fixed by the council. The Bonds shall be issued over a period not exceeding seven years after their approval by the qualified electors, may be issued in more than one series, and may be combined for purpose of issuance with other authorized county bonds, and shall be issued in such amounts and in such denominations and shall contain such redemption provisions and other terms and conditions

as shall be provided later by ordinance of the council. The financial benefits, if any, of the sale of a bond series authorized by this ordinance other than the first bond series, which are directly and solely attributable to a date of sale earlier than envisioned by the financial plan developed for this bond ordinance, will be shared on a pro-rated basis between all three Project categories notwithstanding the Projects specifically identified to be funded by the subject bond sale.

B. Both the principal of and interest on the Bonds shall be payable out of the annual tax levies to be made upon all of the taxable property within the county in excess of the regular non-voted property tax levy without limitation as to rate or amount and from any other money which may become available and may be used for such purposes.

SECTION 8. DISTRIBUTION AND USE OF PROCEEDS.

A. The principal proceeds of sale of the Bonds shall be deposited in a fund or funds to be designated in the county treasury (for convenience of this ordinance referred to as the Public Open Space, Parks and Trails Fund). Any premium and accrued interest on the Bonds received at the time of their delivery and payment therefor shall be paid into a fund of the county to be used for redemption of the Bonds. Money in the Public Open Space, Parks and Trails Fund may be temporarily advanced to the bond redemption fund for the Bonds to pay interest on the Bonds pending receipt of taxes levied therefor.

B. The principal amount of the Bond Proceeds is allocated among the Project Categories in the following amounts: County Projects, \$40,835,000; Seattle Projects, \$41,795,000; and Suburban Jurisdiction Projects, \$35,010,000. Earnings on the investment of Bond Proceeds shall be

generated and accounted for separately for each Project Category based on the undistributed balance allocated to each Project Category and shall be used to carry out the Projects in each respective Project category.

C. In the event of unanticipated Bond Proceeds including, but not limited to, excess interest earnings, Project completion at less than estimated cost or abandonment of Projects, the affected Governmental Agency may reallocate the unanticipated proceeds through its normal legislative process to other existing projects referenced in this ordinance or the attachments hereto so as to substantially complete as nearly as may be practicable the purpose of the Bonds and the existing Projects identified herein. In order to facilitate review and comment, the affected Government Agency shall notify the county and the citizens oversight committee at least twenty-one days prior to its legislative action to reallocate such proceeds. In the event unanticipated proceeds are proposed by a Government Agency for a new project, the county council may reallocate funds after receipt of recommendation from the citizen oversight committee and in agreement with one or more of the affected Agencies for new Projects within the same Project Category from which the funds are realized and that are consistent with the purposes of the Bonds. Reallocation by the county council for new Projects not referenced by this ordinance or its exhibits shall occur after the review and transmittal by the citizen oversight committee of appropriate recommendations for the use of the funds. Abandonment of a Project requires a determination and finding of fact by the affected Agency through its normal legislative process that changes in conditions or new information developed after approval of this ordinance prevent the practical accomplishment of the Project or clearly indicate that the Project would no longer best serve its intended purpose.

D. Projects carried out by

a Governmental Agency in whole or part from Bond Proceeds shall not be transferred or conveyed except by agreement providing that such land shall continue to be used for the purposes contemplated by this ordinance; nor shall they be converted to a different use unless other equivalent lands and facilities within the Governmental Entity shall be received in exchange therefor. The proceeds of any award in condemnation of any Project shall be used for the acquisition or provision of other equivalent lands and facilities. However, nothing in this ordinance shall prevent the grant of easements, franchises, or concessions or the making of joint use agreements or other operations agreements compatible with the use of a Project as provided for in this ordinance.

SECTION 9. ARBITRAGE REBATE.

The Chief Financial Officer shall provide for a method or methods of calculating and providing for the payment of the rebate of excess arbitrage earnings to the United States of America under Section 148(f) of the Internal Revenue Code of 1986, as amended, and regulations thereunder. Such method or methods of payment may include, without limitation, the setting aside of a reserve for such payments, provision for reimbursement of the county by Agencies for such payments, or other means of assuring that such payments will be made on time and that the interest on the Bonds will remain excludable from gross income for federal income taxation purposes.

SECTION 10. SHORT-TERM OBLIGATIONS.

Pending the issuance of any series of the Bonds and the receipt of Bond Proceeds, any Governmental Agency (other than the county), or the county itself, may incur short-term obligations in anticipation of the receipt of such Bond Proceeds for the same purposes for which those Bond Proceeds may be spent. Prior to their issuance, the terms of such obligations which may affect the Bonds or use of Bond Proceeds shall be approved by the chief fi-

nanial officer. The payment of interest on those short-term obligations shall be a proper purpose for the expenditure of such Bond Proceeds.

SECTION 11. CITIZEN OVERSIGHT COMMITTEE.

Within one year of the passage of the Bond Proposition, the county shall establish by its normal legislative process a citizen oversight committee which will review and report to the council on semi-annual public reports prepared by the jurisdictions administering projects included in the Bond ordinance which describe the status of the implementation of the projects. The citizen oversight committee also shall be responsible for recommending reallocations of bond funds when available to new projects.

SECTION 12. BOND ELECTION.

It is found and declared that an emergency exists requiring the submission to the qualified electors of the county at a special election to be held therein on November 7, 1989, in conjunction with the State general election, of a proposition authorizing the issuance of the Bonds for the purposes provided in this ordinance.

The manager of the King County records and elections division, as ex officio supervisor of all elections held within King County, is authorized and requested also to find the existence of such emergency and to assume jurisdiction of and to call and conduct such special election to be held within the county on that date and to submit to the qualified electors of the county at such special election the proposition set forth below.

The clerk of the council is authorized and directed

to certify propositions to the manager of the King County records and elections division in substantially the following form: KING COUNTY, WASHINGTON

PROPOSITION PUBLIC GREEN SPACES, GREEN BELTS, OPEN SPACE, PARKS AND TRAILS

BONDS - \$117,640,000 Shall King County, for the purpose of paying all or part of the costs of acquiring, constructing, developing and improving public green spaces, green belts, open space, parks and trails within the county, issue \$117,640,000 of its general obligation bonds, maturing within twenty years, and levy excess property taxes to pay and retire the bonds, all as provided in Ordinance No. 9071?

BONDS, YES

BONDS, NO

SECTION 12. SEVERABILITY.

Should any section, subsection, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, that determination shall not affect the validity of the remaining portions of this ordinance.

INTRODUCED AND READ for the first time this 24th day of July, 1989.

PASSED this 31st day of July, 1989.

WASHINGTON STATE VOTER INFORMATION

VOTER REGISTRATION

Qualifications for registering:

1. You are a U.S. citizen by birth or naturalization.
2. You will be 18 or older on the day of the primary or general election.
3. You are a legal resident of the State of Washington.

When to register:

Anytime, but you must register 30 days before the election to be qualified to vote. The voter registration deadline for the 1989 State General Election is October 7, 1989.

Where to register:

You must register in person at the **King County Division of Records and Elections** or before a city or town clerk, or deputy voter registrar. Deputy registrars are located in most public schools, some fire stations, branch public libraries and state offices. Contact the **Division of Records and Elections** at 296-VOTE (or TDD 296-0109) for the location of a registration facility near you.

When it is necessary to re-register:

You must re-register only if:

1. You did not vote in the previous 24-month period, or
2. You have moved from one county to another, or
3. You have legally changed your name, or
4. If you have moved more than 6 months ago and the office has mailed you a card, which the post office has returned as undeliverable, your registration would be cancelled after 60 days.

To be eligible to vote, you must re-register 30 days before the election. Keep your registration current. Your registration remains valid as long as you exercise your right to vote!

If you move, you must transfer your registration:

If you move within a county, you should also change your voter registration. This can be done before a deputy registrar or by mail. If you mail the information, include both your old and new addresses and your signature and forward to the **Division of Records and Elections, 553 King County Administration Building, Seattle, WA 98104**. To be eligible to vote in your new precinct, you must transfer your registration 30 days before the election.

Absentee Ballot Application Certification

Mail To: ABSENTEE BALLOT Room 553, King County Administration Bldg, 500 4th Avenue, Seattle, WA 98104

TO BE FILLED OUT BY APPLICANT
