INTRODUCTION TO THE 1992 VOTERS PAMPHLET

Welcome to the 1992 Washington State Voters Pamphlet. This year we commemorate the anniversaries of great change in the Pacific Northwest. It was 200 years ago that explorers from Spain, England, France, Portugal, Sweden and the United States came to our area, met local tribal leaders and established new relationships. These journeys effectively put this region on the world map and set the stage for Washington state's emergence as a crossroads for international commerce.

The election year of 1992 will be one of great change as well. As noted by numerous political observers, the decisions made on November 3 will have more impact on our state's long-term future than any election in recent memory. It is important not only that you participate, but that you participate as an informed voter.

Your Voters Pamphlet contains a wealth of information regarding two initiative measures appearing on the statewide ballot as well as statements and photographs from scores of candidates seeking positions from the courthouse to the White House. Turge you to read the pamphlet thoroughly, including the additional information regarding the election process.

Should you need special help, or have questions or suggestions for improvements to our voter information, please feel free to contact the state's toll-free Voter Hotline at 1-800-448-4881 (TDD for the hearing or speech impaired - 1-800-422-8683). Also, remember that you may now request an absentee ballot by telephone. Simply call your county auditor or county elections department to have a ballot mailed to you.

Good luck and good voting.

RALPH MUNRO Secretary of State

Dear Yakima County Voter:

As we step into this very exciting and important Presidential Election Year, I would like to emphasize the value we place on your needs as a voter and our strong desire to provide you with the quality of information you need to make informed choices. It is your commitment to the importance of the democratic process that provides the greatest hope to our nation.

We have been encouraged by your continued support for the Local Voters Pamphlet. We continue to hear from many of you who particularly appreciate the opportunity to review local initiatives and candidates on a more objective basis.

In cooperation with Ralph Munro, Secretary of State, we once again have combined efforts into a single pamphlet which provides the full scope of all election choices for the November ballot.

This cooperative effort is just one example of our desire to meet the citizens' healthy expectation for a government responsive to the needs of its constituents.

I encourage you to review this pamphlet carefully, mark your choices and take it with you as you cast your ballot on **November 3**. We all have a responsibility to make our voices heard. Together we can let our votes count!

DISCLOSURE REQUIREMENTS FOR CONTRIBUTIONS

Contributions to Candidates and Political Committees: State law does not limit the amount a person may contribute to support or oppose a candidate, ballot measure, political party or political committee. During the 21 days before the general election, however, a person may contribute no more than \$50,000 to a candidate for statewide office or \$5,000 to any other candidate or political committee. Contributions from corporations, unions, businesses, associations and similar organizations are permitted.

Registration and Reporting by Candidates and Political Committees: Within two weeks after a person becomes a candidate or a political committee is organized, a campaign finance registration statement must be filed with the Public Disclosure Commission and the local county elections official. (Committees that form within three weeks of the election must register within three business days.) The candidate or committee treasurer is also required to report periodically the source and amount of campaign contributions of \$25 or more and to list campaign expenditures.

These reports are open to the public. Copies are available at the Public Disclosure Commission in Olympia or at the county elections office in the county where the candidate lives. In addition, the campaign financial books and records of a candidate or committee are available for public inspection the last eight days (Monday through Friday) before each election. The campaign

registration shows the time and place where the records may be inspected.

Independent Campaign Expenditures: Anyone making an expenditure in support of or opposition to a state or local candidate or ballot proposition (not including contributions made to a candidate or political committee) must file a report with the Public Disclosure Commission within five days if the expenditure is \$100 or more. Reporting forms are available from the Commission and county election offices.

Federal Campaigns: Contributions to U.S. Senate and House of Representative candidates are regulated by federal law. An individual may contribute a maximum of \$1,000 in the primary election and \$1,000 in the general election to each candidate for senator and representative. Corporations, businesses, unions and similar groups are generally prohibited from contributing to federal campaigns. Copies of federal campaign finance reports are available from the Public Disclosure Commission.

For additional information contact: Public Disclosure Commission, 711 Capitol Way, Rm. 403, P.O. Box 40908, Olympia WA 98504-0908, (206) 753-1111, or, for federal campaigns, Federal Election Commission, 1-800-424-9530.

FEDERAL INCOME TAX CREDITS AND DEDUCTIONS FOR CONTRIBUTIONS

Political Contributions Tax Credit: The Federal Tax Reform Act of 1986 eliminated the personal tax credit previously allowed for political contributions.

As in the past, contributions or gifts made to political parties or candidates may not be deducted as a business expense. In addition, expenses paid or incurred to take part in any political campaign on behalf of a candidate for public office are not deductible as a business expense. Finally, indirect political contributions, such as advertising for a political party or admission to a program with proceeds going to a political party or candidate, may not be deducted as a business expense.

Presidential Election Campaign Fund Checkoff: Individuals, however, may make a deductible contribution to the Presidential Election Campaign Fund Checkoff. This fund was established to help pay for presidential election campaigns. \$1 may be taken (\$2 on a joint return) from an individual's taxes to go to a general fund, not for any specific party, to meet the expenses of the 1992 presidential election. The contribution will not increase your tax or reduce your refund.

INITIATIVE MEASURE 573

TO THE PEOPLE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 573 begins on page 10.

Official Ballot Title:

Shall candidates for certain offices, who have already served for specified time periods in those offices, be denied ballot access?

The law as it now exists:

The length of previous service in public office does not disqualify anyone from appearing on the election ballot for state offices. One can be a candidate on the election ballot for election or re-election to the state legislature, governor, lieutenant governor, or congress without any limits based on prior service in those offices.

Statement for

"I'm in favor of term limits, six years, not twelve. Why? Because career politicians have long been bilking the public," broadcast journalist David Brinkley, People Magazine 7/27/92

REDUCE THE INFLUENCE OF SPECIAL INTERESTS

Incumbents easily dominate elections through free mailing, large staffs, and special interest funding. By leveling the playing field, term limits will attract more candidates thereby offering voters real choices. Initiative 573 will force rotation in office, breaking up long-term relationships.

NO LOSS OF INFLUENCE WITH INITIATIVE 573

Washington state will not lose its congressional clout. Federal limits will not take effect until nine other states adopt similar legislation.

Incumbents who reach the limits of their terms may run as write-in candidates.

Initiative 573 is not retroactive; previous time in office is not counted.

TERM LIMITS IS A NATIONAL MOVEMENT

Washington state is not alone. Citizens in at least 15 states will vote on term limits this November.

Our Founding Fathers never envisioned career politicians. Many officials already have limited terms: President, 31 governors, and many county and city politicians. In 1990 California, Colorado and Oklahoma adopted term limits.

Term limits will replace the seniority based system with one based on merit.

RESTORE CHOICE TO THE VOTER

As Harry Truman said, term limits would "help cure senility and seniority — both terrible legislative diseases."

Career politicians gave us a national debt of \$4 trillion, a peacetime tax burden that is the highest in our nation's history, the S&L bailout and outrageous congressional banking and postal scandals that defy the ethics of public office.

It's time for a change. We need term limits. Vote YES on Initiative 573.

Rebuttal of Statement against

We listened to the voters and improved term limits. Term limits reduces the power of special interests, not the interests of people.

Incumbents are re-elected 96% of the time. Incumbent turnover this year is high due to redistricting, scandals and converting campaign funds to personal loot.

We have the most "experienced" legislature and Congress ever, causing the worst deficits and scandals ever. People want change, not deadwood.

Washington needs term limits. Vote Yes on I-573. For more information call (206) 759-1212.

Voters Pamphlet Statement Prepared by:

WALLACE M. RUDOLPH, Professor of Constitutional, Legislative and Administrative Law, Puget Sound School of Law; JACK METCALF, State Senator, Chair of Senate Environmental and Natural Resources Committee; SHERRY BOCKWINKEL, Independent Businesswoman.

Advisory Committee: CAROLYN LOGUE, Director, National Federation of Independent Business; PAUL BARDEN, King County Councilman; HAROLD KEAN, former Chairman and CEO of Washington Federal Savings and Loan; SAM ALLRED, Democratic Precinct Chair, Sumner; JOHN SONNELAND, M.D., Spokane area businessman and professional.

The effect of Initiative Measure 573, if approved into law:

This initiative would consider only years of service in office after November 3, 1992 to deny some potential candidates access to the election ballot. Service prior to that date would not count.

The offices and length of service for which a potential candidate would be denied access to the election ballot are:

1) for governor, if the candidate served 8 of the previous 14 years as governor;

 for lieutenant governor, if the candidate served 8 of the previous 14 years as lieutenant governor;

3) for senator in the state legislature, if the candidate served 8 of the previous 14 years as a senator;

4) for representative in the state legislature, if the candidate served 6 of the previous 12 years as a representative; and

5) for either the house or senate in the state legislature, if the candidate served in the legislature for 14 of the previous 20 years

While such potential candidates would not be permitted to appear upon the ballot, a write-in candidacy is permitted.

This initiative also provides that only if 9 other states pass laws limiting ballot access or limiting the terms of federal legislative offices, would Congressional representatives and United States senators from Washington state be subject to restrictions for access to the election ballot. Only the years of service which occur after November 2, 1992 would be considered. Service prior to that date would not count.

If nine other states act, then the Congressional offices and the time periods which would deny a potential candidate access to the election ballot would be:

 for a Washington representative to the United States Congress, if the candidate served as a representative for 6 of the previous 12 years; and

 for a United States senator from Washington, if the candidate served as senator for 12 of the previous 18 years.
 Write-in candidacies would be permitted for such offices.

Statement against

NEW, IMPROVED TERM LIMITS? DON'T BELIEVE IT

Washington citizens rejected term limits in 1991, and their reasons remain valid in 1992. Delaying term limit restrictions a few years doesn't make the repercussions more acceptable.

TERM LIMITS THREATEN OUR QUALITY OF LIFE

Last November, voters said they weren't willing to give up this state's strength in Congress in 1994. Is it somehow more acceptable to give it up in 1998? Will our concerns about offshore drilling, affordable power, transportation funding, Hanford cleanup, and other federally decided issues be diminished by then? Are we willing to play Russian Roulette with Washington's future and unilaterally give away the strength we've taken years to achieve?

TERM LIMITS ARE UNNECESSARY

This year alone, Washington state will experience turnovers of AT LEAST 45 percent in our congressional delegation, 30 percent in the state Senate, and 29 percent in the state House of Representatives. And at least four of the nine statewide offices will change hands.

WE NEED A MIX OF NEW AND EXPERIENCED LAWMAKERS WORKING FOR US

No one wants stagnation in government, but the arbitrary cutoffs imposed by I-573 would cost us vital knowledge, expertise and clout. We all benefit when new office-holders are able to work alongside veterans to learn the ropes and become skilled lawmakers working successfully for their constituents.

The key to responsive government is dedicated, informed voters - voters who examine candidates carefully, communicate their community's priorities, and refuse to reelect politicians who fail to meet expectations.

No citizen should give up the right to elect, or reelect, the leader of her/his choice.

Say NO to the term limit crusade and yes to effective

Rebuttal of Statement for

Term limits would take away your right to choose.

If you don't like the elected officials serving you now, use your democratic right to vote to get them out of office. But if your elected officials are doing a good job, keep them in office. That's the choice you have now, and that's the choice you would lose with term limits.

Term limits take away your freedom and our clout in Washington, D.C. Vote NO.

INITIATIVE MEASURE 134

TO THE LEGISLATURE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 134 begins on page 11.

Statement for

Ready for a shock? Here's three:

- Spending on political campaigns in Washington skyrocketed to an all-time high of \$12 million in 1990.
- That year, 20 percent of campaign contributions to statewide and legislative candidates came from individual citizens.
- Incredibly, 61 percent of that \$12 million was paid to politicians by political action committees, unions, corporations and other special interests.

Can we really expect our political candidates and public officials to put *our* interests ahead of the special interests when those big corporations, committees and unions can contribute \$10,000, \$20,000 - even \$50,000 at a time?

Initiative 134 will put the average voter on even ground with the special interests, by holding individuals, PAC's, unions and corporations to the same contribution limit: \$500 per legislative candidate per election (\$1,000 per candidate for statewide office). It would also restrict contributions from political parties and caucuses to candidates.

Initiative 134 will help clean up campaigns in Washington. The new law would prohibit political fund raising from 30 days before a legislative session until 30 days after it ends. It would ban the transfer of funds from one candidate to another and strictly limit taxpayer-financed mailings by incumbent legislators.

Importantly, Initiative 134 would reduce overall spending on political campaigns in Washington, while prohibiting the use of state tax dollars to fund political campaigns.

Vote for Initiative 134 and you'll help break the power of special interests - and put the elected officials of today and tomorrow back to work for the people of Washington.

Official Ballot Title:

Shall campaign contributions be limited; public funding of state and local campaigns be prohibited; and campaign related activities be restricted?

The law as it now exists:

State law does not limit the amounts which can be contributed to campaigns for statewide elected offices and legislative offices, except during the last 21 days of the general election campaign. Contributions are required to be reported to the Public Disclosure Commission. Elected officials and executive state officers must annually report to the Commission any gifts they received as well as any contributions made to their public office fund.

Rebuttal of Statement against

Don't be misled. I-134 impacts all sides. It equally limits contributions from PACs, unions and individuals to candidates from both political parties.

I-134 strictly prohibits public financing schemes which provide "incumbency insurance" and use tax dollars to help re-elect incumbent lawmakers.

I-134 is our *only* chance to limit campaign influence by special interests and make candidates more accountable to *the people*. I-134 is supported by 40+ independent organizations — and by more than 225,000 Washington citizens.

Voters Pamphlet Statement Prepared by:

MIKE WATTERS, President, Washington State Dairy Federation; GARY SMITH, Executive Director, Independent Business Assoc; CAROLYN LOGUE, State Director, National Federation of Independent Business.

Some local governments have ordinances providing the availability of public funds for political campaigns for municipal offices.

The effect of Initiative Measure 134, if approved into law:

This initiative would establish maximums for permissible political contributions to campaigns for state legislative offices and the nine statewide elected officers (governor, lieutenant governor, secretary of state, attorney general, commissioner of public lands, insurance commissioner, treasurer, auditor and superintendent of public instruction). The maximum dollar amount an individual, corporation, pac or other group could make is a \$500 contribution to legislative campaigns and \$1,000 for campaigns for statewide offices. Those maximums would separately apply to the primary and general elections. Political parties and legislative caucuses are permitted to make larger contributions with a maximum of \$.50 times each registered voter within the election area.

Legislators, state officials or anyone acting on their behalf would be prohibited from soliciting campaign contributions during the period commencing thirty days before a regular session of the legislature, until thirty days after the adjournment of the regular session. Also, state officials would be prohibited from soliciting political contributions from employees in the state official's agency.

Contributions would be prohibited from businesses not doing business in Washington and from unions having less than ten members in the state.

There would be restrictions on publicly funded, unsolicited mailings by legislators. Voluntary state payroll deductions for political committees would no longer be permitted and agency shop fees could not be used for political purposes without individual authorization. Campaign contributions could not be used to repay more than \$3,000 of a candidate's loans to the candidate's campaign.

Independent expenditure advertising would have to identify the top five contributors paying for the ad, and further disclosures to the Public Disclosure Commission would be required.

Elected officials and executive state officers would annually be required to file a statement describing any gifts received during the preceding year, but the annual reporting of public office funds would be repealed.

No public funds could be used to finance political campaigns for state or local offices.

The dollar amounts referred to in the initiative would be changed every two years by the Public Disclosure Commission to reflect changes in the inflation index. Penalties would be provided and other changes would be made.

Statement against

REAL CAMPAIGN FINANCE REFORM MUST LIMIT BOTH SPENDING AND CONTRIBUTIONS

- Effective campaign reform must limit both campaign spending and contributions. Congress has had contribution limits similar to those in I-134 for years and these limits have done nothing to prevent special interest scandals such as the S&L debacle.
- Contributions limits alone are a sure-fire incumbent protection plan. As long as the sky is the limit on spending, a challenger can never hope to keep pace with an incumbent's ability to raise political funds.
- I-134 doesn't limit how much a candidate can spend on their own campaign wealthy individuals are free to spend as much as they like to "buy" an election.

REAL REFORM SHOULD AFFECT ALL POLITICAL PARTIES EQUALLY

- I-134 is just more of the same old partisan politics. GOP officials admit the initiative was drafted to favor Republicans. Independent analysis by the Seattle Post-Intelligencer shows that the proposal is specifically designed to hit Democratic candidates harder.
- I-134 doesn't have grass-roots support. The signatures that put I-134 on the ballot were not collected by citizen volunteers. Signatures for I-134 were bought and paid for with large contributions from big business interests and powerful politicians.

REAL REFORM SHOULD LIMIT THE INFLUENCE OF PACS

• 1-134 doesn't limit how much a candidate can take from

PACs, it allows candidates to be 100% special-interest funded. Unless the influence of special interest PACs are limited, the views of the average person will be drowned out.

REAL REFORM SHOULD NOT REPEAL EFFECTIVE LOCAL REFORMS

• 1-134 repeals the popular and highly effective local campaign spending limit laws adopted by citizens in Seattle and King County. These laws have been nationally acclaimed as models of effective reform.

Rebuttal of Statement for

DON'T BE FOOLED BY FALSE REFORM.

Passing I-134 won't hold down campaign spending or clean up campaigns, but it will relieve the pressure on politicians to accept *real* reform.

I-134 *claims* it will reduce campaign spending, but contribution limits alone have *never* succeeded in holding down campaign spending;

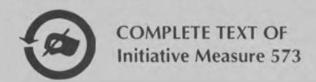

1-134 *claims* it will break the power of special interests, but is actually backed by those same special interests.

VOTE NO ON I-134, FALSE CAMPAIGN FINANCE REFORM.

AN ACT Relating to ballot access for elected officials; adding a new section to chapter 43:01 RCW; adding a new section to chapter 44.04 RCW; adding new sections to chapter 29.68 RCW; adding a new section to chapter 29.51 RCW; adding a new section to chapter 29.15 RCW; adding a new section to chapter 7.16 RCW; and creating a new section.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The people of the state of Washington find that:

 The people will best be served by citizen legislators who are subject to a reasonable degree of rotation in office;

(2) Entrenched incumbents have become indifferent to the conditions and concerns of the people;

(3) Entrenched incumbents have an inordinate advantage in elections because of their control of campaign finance laws and gerrymandering of electoral districts;

(4) Entrenched incumbency has discouraged qualified citizens from seeking public office;

(5) Entrenched incumbents have become preoccupied with their own reelection and devote more effort to campaigning than to making legislative decisions for the benefit of the people;

(6) Entrenched incumbents have become closely aligned with special interest groups who provide contributions and support for their reelection campaigns, give entrenched incumbents special favors, and lobby office holders for special interest legislation to the detriment of the people of this state, and may create corruption or the appearance of corruption of the legislative system;

(7) The people of Washington have a compelling interest in preventing the self-perpetuating monopoly of elective office by a dynastic ruling class.

The people of the state of Washington therefore adopt this act to limit ballot access of candidates for state and federal elections.

NEW SECTION. Sec. 2. A new section is added to chapter 43.01 RCW to read as follows:

(1) No person is eligible to appear on the ballot or file a declaration of candidacy for governor who, by the end of the then current term of office will have served, or but for resignation would have served, as governor during eight of the previous fourteen years.

(2) No person is eligible to appear on the ballot or file a declaration of candidacy for lieutenant governor who, by the end of the then current term of office will have served, or but for resignation would have served, as lieutenant governor during eight of the previous fourteen years.

NEW SECTION. Sec. 3. A new section is added to chapter 44.04 RCW to read as follows:

(1) No person is eligible to appear on the ballot or file a declaration of candidacy for the house of representatives of the legislature who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the house of representatives of the legislature during six of the previous twelve years.

(2) No person is eligible to appear on the ballot or file a declaration of candidacy for the senate of the legislature who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the senate of the legislature during eight of the previous fourteen years.

(3) No person is eligible to appear on the ballot or file a declaration of candidacy for the legislature who has served as a member of the legislature for fourteen of the previous twenty years.

<u>NEW SECTION.</u> Sec. 4. A new section is added to chapter 29.68 RCW to read as follows:

No person is eligible to appear on the ballot or file a declaration of candidacy for the United States house of representatives who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the United States house of representatives during six of the previous twelve years.

NEW SECTION. Sec. 5. A new section is added to chapter 29.68 RCW to read as follows:

No person is eligible to appear on the ballot or file a declaration of candidacy for the United States senate who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the United States senate during twelve of the previous eighteen years.

NEW SECTION. Sec. 6. A new section is added to chapter 29.51 RCW to read as follows;

Nothing in sections 2 through 5 of this act prohibits a qualified voter of this state from casting a ballot for any person by writing the name of that person on the ballot in accordance with RCW 29.51.170 or from having such a ballot counted or tabulated, nor does anything in sections 2 through 5 of this act prohibit a person from standing or campaigning for an elective office by means of a write-in campaign.

<u>NEW SECTION.</u> Sec. 7. A new section is added to chapter 29.15 RCW to read as follows:

(1) The secretary of state or other election official authorized by law shall not accept or verify the signatures, nor accept a declaration of candidacy or a nomination paper,

from or on behalf of a person who, by reason of sections 2 through 5 of this act, is ineligible for the office, nor allow the person's name to appear on the ballot.

(2) No terms or years served in office before November 3, 1992, may be used to determine eligibility to appear on the

NEW SECTION. Sec. 8. A new section is added to chapter 29.68 RCW to read as follows:

Sections 4 and 5 of this act, regarding candidates for federal legislative office, are not effective until nine states other than Washington have passed laws limiting ballot access or terms of federal legislative office, or both, based on length of service in federal legislative office.

NEW SECTION. Sec. 9. A new section is added to chapter 7.16 RCW to read as follows:

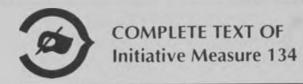

Any resident of this state may bring suit to enforce sections 2 through 8 of this act. If the person prevails, the court shall award the person reasonable attorney's fees and costs of suit.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

PLEASE NOTE:

In the preceding and following measures, all words in double brackets with a line through them are in the State Law at the present time and are being taken out by the measure. All words underlined do not appear in the State Law as they are now written but will be put in if the measure is adopted.

AN ACT Relating to the regulation of political contributions and campaign expenditures; amending RCW 42.17.095, 42.17.125, 42.17.510, 41.04.230, 42.17.180, 42.17.390, and 42.17.240; adding new sections to chapter 42.17 RCW; creating new sections; repealing RCW 42.17.243; and prescribing penalties.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASH-INGTON:

PART I FINDINGS AND INTENT

<u>NEW SECTION.</u> Sec. 1. FINDINGS. The people of the state of Washington find and declare that:

(1) The financial strength of certain individuals or organizations should not permit them to exercise a disproportionate or controlling influence on the election of candidates.

(2) Rapidly increasing political campaign costs have led many candidates to raise larger percentages of money from special interests with a specific financial stake in matters before state government. This has caused the public perception that decisions of elected officials are being improperly influenced by monetary contributions.

(3) Candidates are raising less money in small contributions from individuals and more money from special interests. This has created the public perception that individuals have an insignificant role to play in the political process.

NEW SECTION. Sec. 2. INTENT. By limiting campaign contributions, the people intend to:

 Ensure that individuals and interest groups have fair and equal opportunity to influence elective and governmental processes;

(2) Reduce the influence of large organizational contributors; and

(3) Restore public trust in governmental institutions and the electoral process.

PART II DEFINITIONS

It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

Al GORE Democrat

It's time for a change. It's time to get our economy moving again. Our government has failed our people. For twelve years now, the Republicans have cut taxes for the rich and raised taxes on the rest of us. Good jobs have disappeared. Health care is beyond the reach of millions. Schools have declined. Our streets and neighborhoods are

We can't afford four more years of a President without a vision.

more dangerous. And the Republicans have done nothing.

We have a bold new plan to fight for what Americans deserve: good jobs, quality health care, world-class education and safe neighborhoods. Middle-class Americans will finally have leaders who are on their side. We will put people first for a change.

That means reviving our economy. Our plan to rebuild America will create a high-wage, high-skill economy for the post-Cold War era, and give defense workers the transition help they deserve. We'll stop the tax breaks for corporations that ship jobs overseas — but we'll give incentives to those that invest at home. The wealthiest 2 percent will have to pay their fair share — but the middle class will get tax relief. And those on welfare will get the training they need — but after two years they'll have to go to work.

Putting people first means rejecting the false choice between protecting jobs and preserving the environment. America can only achieve a strong economy if we have a clean, safe environment. We will work for both.

Putting people first means making health care a right, not a privilege. We will guarantee affordable, quality care for every American — and take on the health care industry to bring costs down.

Putting people first means educating our people — from the nursery school playground to the factory shop floor. We'll establish tough national standards for K-12 education and reduce class size. We'll make sure high school graduates get the skills they need, and require companies to invest in worker training. And we'll give all Americans the chance to borrow for college — and ask them to serve their communities in return.

Putting people first means standing up for victims and getting tough with criminals. Our plan will put 100,000 new police officers on our streets, and put beat cops back in our neighborhoods. We'll keep handguns out of the hands of criminals. And we'll reduce demand for drugs by increasing treatment and education.

Putting people first means putting everyday Americans back in control of government: fighting the special interests, cutting bureaucracy, and achieving real campaign reform. We will make the tough choices and do what's right.

And putting people first means uniting Americans behind the hope we share — that we can build a better future for our nation. We won't serve the special interests. We will create opportunity and demand responsibility. We won't blame others when we do not succeed. We will work tirelessly for the American people.

We offer real change and new hope. We will put people first for a change.

George Bush

In 1980 I came to Washington, D.C. as part of a team committed to restoring American pride and freeing our nation from the politics of malaise. I want to continue that mission:

I will work to get our economy moving at full speed and continue to fight for jobs, low taxes and economic opportunity for every American.

I believe in *traditional* values of family, opportunity, safety, and freedom. I believe changes must be made so parents, not bureaucrats, make the important choices about the education of our children.

I believe we must make changes to restore a government America can be proud of. Government is too big and costs too much.

I will continue to seek a balance between the critical efforts to save the spotted owl while creating jobs and allowing economic prosperity to flourish in the Pacific Northwest.

I will continue my strong commitment to the North America Free Trade Agreement which will create jobs and boost our economy. Washington State exemplifies the significance of this agreement with a 54% increase in exports to Canada between 1987 and 1990.

Together, we won the Cold War and ushered in a new, exciting world. While yesterday's challenges are behind us, tomorrow's are yet to be born.

As someone who served with pride in the Second World War and led this country through Desert Storm, I know we can meet any challenge.

Americans need a president they can trust to shape the hard decisions of tomorrow — someone with the values and experience to guide this great nation through many seasons of change.

I know the pressures and responsibilities of leading America and will devote my energy to reaching these challenges by moving forward, always forward. Together, we will enter the 21st century with progress, prosperity and the promise of a peaceful tomorrow.

Dan Quayle

Today, we maintain our commitment of peace and prosperity with an agenda that addresses the many challenges and opportunities America will face in the future.

• Our agenda is one of decentralization, reform and reducing the role of government in the everyday lives of people.

 We believe in revitalizing education, empowering individuals and communities and strengthening the family.

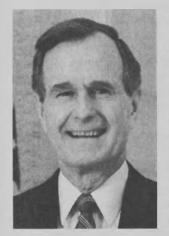

The Bush Administration is committed to the expansion of American trade.

 When it comes to health care reform and child care programs, we want parents to make the important decisions — all the decisions.

• In the battle of over-regulation, our Administration maintains a firm commitment to ending the excessive cost and delay of our civil justice system. Through the Competitiveness Council and regulatory reform efforts, we have brought meaningful change that has yielded \$20 billion in annual savings, creating or saving some 200,000 jobs nationwide.

We believe that the cycle of welfare dependency must be reduced.
 Our Administration has established new initiatives that get people off welfare rolls and into jobs.

Republicans have led the world to freedom and democracy with the end of the Cold War — and we will lead America to prosperity during the next four years.

Campaign Address: The Marrou/Lord Campaign 1528 Pennsylvania Avenue S.E. Washington, D.C. 20003 Telephone: (202) 546-6095 Libertarian presidential nominee Representative Andre Marrou (Mah-ROO') believes that Thomas Jefferson's words still ring true in 1992: "That government is best which governs least."

Democrats and Republicans have brought us soaring budgets, tax increases, erosion of our civil liberties, an enormous bureaucracy and interference in the affairs of other nations.

Many government programs have brought counterproductive results. For example, instead of improving the lives of the poor, anti-poverty programs have created generations of welfare families and an expensive welfare bureaucracy.

It's time for a change.

Andre Marrou understands that the best way to create more jobs and increase personal income is to reduce taxes and eliminate burdensome regulations.

Libertarians believe that government should be limited to protecting individuals from force and fraud. Libertarians place a high value on both personal freedom and economic liberty. Regardless of the issue, Libertarians oppose the use of government force against peaceful and honest individuals.

The positions of Andre Marrou are based on the platform of the Libertarian Party. The platform does not change to accommodate the political climate of the day. It is a document based on the principles of individual liberty and private property, which are the foundations of The Declaration of Independence and the Constitution, including the Bill of Rights.

Libertarians favor the privatization of many government services, which usually reduces their costs, improves quality and increases the choices available to consumers.

Andre Marrou supports: • phasing out the income tax; • ending the deficit by eliminating wasteful and unnecessary programs; • ending corporate subsidies; • having Japan and Germany provide for their own defense; • holding polluters fully liable for the environmental damage they cause; • holding violent criminals responsible for their actions; • a woman's right to choose an abortion, but Marrou opposes government funded abortions; • tuition tax credits as a step toward reducing costs, improving educational quality and increasing choices for students.

George Bush pledged in 1988: "Read my lips - no new taxes." He lied. Instead, he raised taxes and has given us the largest deficits in history.

Bill Clinton claims to be the candidate of "change." But his party has controlled Congress for decades, and is largely responsible for the financial mess our country is in.

There is an old saying: "If you always do what you've always done, you'll always get what you've always gotten." Do not waste your vote this November.

Vote for Libertarian candidates to demonstrate that you are fed up with the taxes, spending, deficits and bureaucracy imposed upon us by the Democrats and the Republicans. Vote for Andre Marrou and Nancy Lord, the only candidates challenging the status quo.

Andre Marrou was referred to as the "conscience of the legislature" when he served in the Alaska House of Representatives. He has a degree in engineering from MIT and currently works as a real estate broker.

His running mate, Dr. Nancy Lord has degrees in medicine and law and is an attorney specializing in medical-legal and constitutional issues.

Campaign Address: Socialist Workers 1992 Illinois Campaign Committee 545 W. Roosevelt Road Chicago, IL 60607 Telephone: (312) 829-6815 Our opponents in this election have had a conspiracy of silence on the central issue in world politics: the fact that the imperialist war against Iraq last year was the opening guns of World War III.

At the center of the debate in U.S. ruling circles in this election year is how they can respond to the new world disorder accelerating out of the combined results of the war against Iraq, the fracturing of the Soviet Union and Eastern Europe, and economic trade wars being sharpened by the world depression affecting not only the Third World, but Europe, North America, and Japan as well.

The divisions among the candidates are simply over how best to unload more and more of the burden of the economic and social crisis onto the backs of working people around the world in a desperate attempt to salvage the crisis-ridden system of capitalism.

Washington's war moves against Iraq, North Korea, and Libya and its determination to remain the undisputed strategic military power in the world are current examples of this course.

Combined with the 1990-1992 "double-dip" recession, these events have sharpened competition and trade disputes between capitalists in Japan and the United States, within North America and Europe, and between the European Community and the United States.

If capitalism is not replaced by working people, the international conflict among the imperialist powers will eventuate in a third world war. This outcome can only be prevented by an international movement of workers and farmers that uncompromisingly fights to disarm the warmakers and defend the victims of their wars, racism, and economic depression. We call on Washington to get its warships, bombers, submarines, troops, and hit squads out of every corner of the globe.

The rulers' drive toward war mirrors their attacks at home, which for more than a decade have driven down the real wages and living conditions of working people. Both the Democrats and Republicans, the parties of big-business, have a common fundamental domestic policy. Under the impact of the deepening social crisis, they have moved to the right and become more reactionary every year, challenging democratic rights, a woman's right to abortion, and Black rights won over the past 25 years.

Our campaign begins with the fact that the working class is international. We have common interests, face a common crisis, and have a common enemy. Our campaign will travel across the country and around the world with this message.

Working people can unite on a world scale to fight for protection from the ravages of the universal crisis of the market system. To this end we advance demands that defend the interests of all working people:

30 hours work for 40 hours pay Defend affirmative action Cancel the Third World debt

Maria Elizabeth MUNOZ New Alliance Party

Campaign Address: Fulani for President 454 12th Street Seattle, WA 98122 Telephone: (206) 329-9540 Since the first primaries were held in New Hampshire last February, the American people have been expressing their profound dissatisfaction with our political process, with the two major parties that maintain a stranglehold on that process, and with the lackluster candidates the two-party system produces. In survey after survey, the vast majority of people have said that they want more choices, that neither of the major parties represents them, that a fundamental restructuring of the political system is called for.

Clearly, independent politics is on the agenda in America. The issue is: what shape will it take? I am running as an independent candidate for president of the United States as part of a long term effort to open up our political process — to make it more fair, more inclusive, and more democratic.

I am an ardent advocate of civil rights for people of color, for lesbians and gay men, for the elderly and the disabled. I fully support the right of women to choose an abortion and the right of all workers to organize and to strike. I think that corporate polluters should clean up after themselves — and foot the bill. I oppose war.

Ibelieve that the profound crisis of the American economy cannot be resolved without radically transforming the political environment: until the American people are included in economic decision-making, the professional politicians of the PAC-owned major parties will continue to enact public policy that puts trillions into the pockets of the military industrialists and the Wall Streeters while leaving us without solutions to the array of social problems that confront us; homelessness, AIDS, police brutality, drug-induced violence, and the scandalous absence of a national health care system.

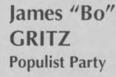

The Perot phenomenon revealed that millions of white Americans — hit hard over the last five years by the economic crisis — would waste no time in breaking with the two governing parties if the opportunity arose. The Black community, the Latino community, the lesbian and gay community, women and workers — who have suffered bitterly for decades, even centuries — must make that break as well.

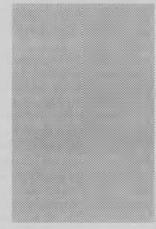

If two to three million Black, Latino, labor and gay voters from the liberal wing of the Democratic Party vote for me in November, and if they are joined by two to three million Perot supporters, we would have the beginnings of a new, broad-based electoral majority that could win the White House (and a lot else besides) in 1996.

I urge you to vote independent in 1992 because political independence is America's future. I urge you to vote for me so that together the ordinary people of this country can shape our future in the light of a progressive and humane social vision.

Campaign Address: Populist Party of Washington - Bo Gritz 1916 Pike Place #695 Seattle, WA 98101 Telephone: (206) 781-5617 As president I will contract with you, thereby promising in writing the following:

1) I will return us to a stable economy by getting rid of the private corporation, the Federal Reserve (FED). The FED charges us interest on our own money. It has never been audited.

2) Eliminate the income tax. Return to the Constitution and impose tariffs, excise taxes and impose taxes. According to Reagan's Grace Report released in 1984 not one dollar of personal income tax goes to the U.S. Government. It goes to pay the interest due the Federal Reserve.

3) Stop all foreign aid. We must put America back on her feet and heal her before we help others. Our people are suffering and must not be ignored by the government any longer. It must be America First!

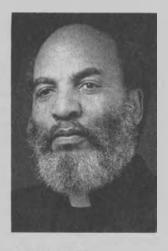

The election of 1992 will be the most important in the history of the United States! The voters will have only two choices...they will choose either the New World Order of George Bush and Bill Clinton, as they both have the same agenda, or select a party that will stop the headlong plunge into disaster. The American people can no longer afford the huge national debt with its billion dollar a day interest. Ownership of our money must be wrested from the private corporation known as the Federal Reserve. The debt money system must be eliminated, and replaced with debt free U.S. Bills that will freely circulate in our economy. Without this huge national debt, collection of taxes will no longer be necessary.

The giving away of our money to foreign and unfriendly nations must stop—it is simply America First! With Bo Gritz as your president, you can be sure that these actions will be taken, we will sign a contract to that effect. Has any other candidate offered to do this. Aren't you tired of broken promises like "no new taxes." Give us a chance to prove to you that America can be great again. A vote for Bush or Clinton will give you more of the same only this time The New World Order will insure that you won't get the chance to vote again.

Lyndon H. LaROUCHE, Jr. Independent

James L. BEVEL Independent

Lyndon LaRouche's program for ending the economic depression and building a productive future for all Americans:

LaRouche would reverse the disastrous shift to post-industrial policies begun in the mid-1960s. Beginning with nationalizing the Federal Reserve and converting it into a National Bank of the United States, the federal government will issue over \$600 billion in low-cost credit to state and federal authorities for infrastructural public works. This will create 3 million jobs in the public sector, and 3 million jobs among private sector vendors to the government.

The increase in the tax-revenue base and the growth of our national economy that will result is the only way to provide the economic and social justice to which all Americans are entitled, and to which LaRouche is deeply committed.

Components of the LaRouche program for economic revival:

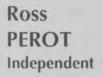

- Large-scale water improvement projects including the North American Water and Power Alliance (NAWAPA). NAWAPA alone would provide 135 billion gallons of water per day for the U.S.: enough water to satisfy the thirst of the biggest industrial recovery in the history of America.
- The rebuilding of our transportation grid, especially our rail system, emphasizing rapid transit systems, including Maglev, in the densely populated areas of the country. Maintenance and some expansion of our existing highways, roads and ports.
- The construction of the energy grid needed to power an industrial recovery, including nuclear energy, with our ultimate goal being fusion power development. Only fusion energy can guarantee the vast energy and raw materials needed for the next century.
- The creation of a new healthcare-delivery infrastructure, integrating public and voluntary hospitals and clinics with the private medical profession. The whole system, public and private, would be organized to provide adequate health care for every community in this nation.
- Education must return to the classics (emphasizing languages, geometry, etc.) and not be based on rehearsing our children to pass multiple-choice, questionnaire tests. Institute a new version of the Civilian Conservation Corps of the 1930s, not based on digging ditches, but upon exposing our youth to the most advanced technologies to be used in the infrastructure programs outlined above.
- A science-driver, to fuel industrial productivity, such as a longrange buildup toward the colonization of Mars.

LaRouche's Vice Presidential running mate, veteran civil rights leader Rev. James Bevel, a founder of the Student Nonviolent Coordinating Committee and Direct Action Coordinator for the Southern Christian Leadership Conference, states:

"It is urgently necessary to build an independent people's movement based on the U.S. Constitution and the Declaration of Independence. America has been criminalized by the way it votes. The person who votes for the lesser of two evils, votes for evil. And not voting is a crime of omission. The people must ensure that the selfevident truths of life, liberty and the pursuit of happiness, survive. This requires a moral economic policy, based on the Christian idea of love."

Campaign Address: United We Stand, America-Perot Petition Committee P.O. Box 19092 Seattle, WA 98109 Telephone: (206) 223-0062 Ross Perot, a businessman we want as President, and James Stockdale, an educator we want as Vice President, have started a revolutionary change in the way America governs itself. You, the voter, are the key to that change. Many heard the message and responded by registering and voting in the primary election in record numbers. 53,734 of you wrote in Ross's name in the presidential preference primary in March and even more of you signed petitions (on one day) to put his name on the ballot in Washington State when only 200 signatures were needed.

From that initial wide-spread support it was obvious that Washington voters and their counterparts across the country were unhappy with government and politics as usual. As Mr. Perot entered "the race" it became more obvious that the candidates selected by the two party system were more intent on character assassination than on issues and problem solving. On July 16th Mr. Perot stepped back from active campaigning in hopes of forcing the Democrats and Republicans to face up to the annual deficit in excess of \$380,000,000,000 (that is \$380 billion) and the four trillion dollar national debt. From a position on the sidelines Mr. Perot prodded them into at least talking about the deficit, however, neither President Bush nor Governor Clinton presented a comprehensive workable plan. The "Wall Street Journal" tells us that both of their plans are hundreds of billions out of balance. Ross wrote and published his own plan United We Stand: How We Can Take Back Our Country. You have responded by buying the book in record numbers and putting it on top of the New York Times best seller list. We all want our country back. We are willing to make the tough choices necessary to pass on the American Dream to our children.

When you finish reading this Voters Pamphlet ask yourself if the congressional and senatorial candidates have addressed the important issues and have what it takes to make the changes necessary. In his book Mr. Perot outlines the ABC's of his platform - Accountability, Balance, and Courage. Please read it. For further information, call the state headquarters in Seattle at (206) 223-0062 or the Spokane headquarters at (509) 326-8089 for help.

It is time for YOU to pick leaders who will work for YOU rather than PAC's or special interests. We don't need leaders who will just cash in, we need leaders who will help US take back OUR country. Let this be the year YOU vote for YOUR children and grandchildren.

Feeling run-down? Worried about your future and your children's future? Wonder whether pulling the lever for the Democrats or Republicans will really make a difference?

Let's talk.

In the past fifteen years of Republican Presidents and Democrat-controlled Congresses we've seen: Big Business disinvest in the United States and magnify its exploitation of foreign labor, moving hundreds of thousands of jobs out of the country, lowering wages and conditions for all working people.

· An environment increasingly at risk.

- Our inner cities devastated by poverty, homelessness, poor schools, and police brutality.
- The Treasury looted by the savings and loan scandal and other welfare-for-the-rich boondoggles. Tax breaks for the wealthy, slashed services for everyone else.
- Civil rights threatened by Republican-appointed and Democratapproved extremists on the Supreme Court especially a woman's right to control her body.
- Military funding for ultra-expensive, unnecessary weapons paid for with massive deficit spending that has mortgaged the well-being of children yet to be born.
- Racism, sexism, and homophobia by government officials encouraging discrimination and violence against women, people of color, lesbians, and gay men.

Neither party has changed its stripes. Both parties support the jobexporting, worker-degrading North American Free Trade Agreement. Neither party proposes nationalized health care, or major cuts in military spending, or job programs adequate to alleviate the horrendous conditions that caused the LA rebellion. In short, both parties are tied to the Corporate Vision of low wages and no unions, benefits, environmental safeguards, or other inconvenient "restrictions on trade."

Working people need at least *one* party to represent our interests. Ron Daniels and Asiba Tupahache offer a different vision for the future:

- A socially responsible economy with sustainable development to revitalize rural and urban areas: full employment, decent wages and benefits; nationalized health care; affordable housing; greater control by workers and communities over business, industry, finance, and commerce; right to unionize; progressive taxation.
- Elimination of discrimination based on race, nationality, religion, sex, sexual orientation, age, or disability.
- Complete equality for women: full reproductive rights, pay equity, quality child care, paid pregnancy leave, support for ERA.
- Protection from the production and disposal of toxins poisoning our air, land, water, and food; environmentally safe jobs.
- Demilitarization and conversion to production for civilian needs by cutting military spending by 70%.
- Quality education for all: children as our priority; multicultural curriculums; free public colleges and universities.
- Restoration of treaty rights: economic justice for all Native American peoples.
- Reparations for African Americans for slavery and continuing institutional discrimination.
- Peace and development foreign policy: self-determination of all peoples and nations; economic and technical assistance to underdeveloped countries; withdrawal of U.S. troops abroad; nuclear disarmament.

To realize this vision, we need a party and a movement for working people, independent of the Democrats and Republicans. Vote for your interests, not General Motors'. Vote Ron Daniels and Asiba Tupahache. Then get active and organize!

Every American family is the victim of "Great Society" policies advanced by White House Republicans and Congressional Democrats.

Since 1961, Federal expenditures have increased from less than \$100 billion to more than \$1.5 trillion annually.

Since 1973, our standard of living has declined steadily. Americans work harder, but have less real income.

Vastly increased government regulation has closed down businesses, raised costs, and eliminated jobs.

More than change drivers, we must change directions, with a "vision of victory" to put America back on the right track.

We offer every taxpayer a "Grand Bargain." Help us cut Federal spending by \$500 billion per year and we will abolish the IRS, so that you can keep all of the thousands of dollars you otherwise would be sending to Washington in income taxes.

George Bush's annual budget is fifty percent greater than Ronald Reagan's 1987 budget - just five years ago. It was \$1 trillion then. It's \$1.5 trillion now.

We can't afford it.

Last year, the income tax produced less than \$500 billion. Borrowing and other revenues made up the difference. If we cut spending by \$500 billion, we can cut taxes by \$500 billion.

That will encourage savings, investment, consumption, and jobs.

I will keep America first militarily and make sure that our foreign policy is designed to serve the interests of American taxpayers and workers, rather than the goals of international banks, multinational corporations, and foreign governments.

I favor capital punishment. The answer to violent crime is not more prisons, but more executions. I will veto funds for those judges who thwart capital punishment or release dangerous felons.

As the former director of the United States Office of Economic Opportunity, I am the only non-incumbent candidate who has ever headed a major Federal agency-and the only Federal executive who, in office, launched a major effort to eliminate programs and cut spending in areas for which he was directly responsible.

The Taxpayers Party platform is based on the Bible and the Constitution of the United States, which establishes that all powers not explicitly delegated to the Federal government are reserved to the states and the people - that means you.

We are pro-jobs, pro-growth, and pro-life.

I will appoint no Federal judge who fails to publicly proclaim his acknowledgement that every unborn child is a human person created in God's image—entitled to full constitutional protections.

As Chairman of The Conservative Caucus and the U.S. Taxpayers Alliance, I've worked for limited government, traditional family values, and victory over Communism. I have fought against New World Order transfers of resources and authority to the World Bank, the IMF, and the United Nations. I have led national campaigns to block treaties which undermine U.S. liberty and security (Panama Canal, SALT II, INF, etc.).

As President, I would work to repeal quotas, to restore parental control of education, to cut off tax dollars for Planned Parenthood, to defeat gun control schemes, to end foreign aid, and to stop Federal subsidies for homosexuality.

Campaign Address: Dr. John Hagelin for President Committee 51 W. Washington Street Fairfield, IA 52556 Telephone: (515) 472-2040 The Natural Law Party was established to "bring the light of science into politics"—to introduce the most advanced, scientifically proven solutions to the nation's pressing problems.

Dr. John Hagelin, Presidential candidate, is a Harvard-trained quantum physicist and a world authority in unified field theories.

Economy: Cost-effective solutions to national problems of rising crime, spiralling health care costs, rehabilitation, etc., will eliminate the budget deficit and retire the national debt, while lowering taxes significantly. Reduced taxes will stimulate the economy, cut unemployment, and provide the basis for long-term economic growth and prosperity.

Energy and environment: Under appropriate government policies, environment and economy are not at odds. The Natural Law Party will support the development of new jobs and industries in energy conservation, renewable energy, sustainable agriculture, and related fields that will further the interests of both the economy and the environment.

Health care: Extensive research shows that prevention oriented health education and prevention oriented natural medicine will provide better health and cut health care costs by more than half. The resulting savings of hundreds of billions of dollars will allow government to ensure high quality health care to the 35 million Americans who currently do not qualify for Medicaid and cannot afford the high cost of private insurance.

Education: The Natural Law Party promotes educational programs that directly unfold intelligence, creativity, moral reasoning, and higher states of consciousness. Because such education is highly relevant to the student's own life, it will put an end to the growing attrition from our nation's schools and colleges. This will eliminate functional and technological illiteracy, and will substantially boost our national productivity and international competitiveness.

Crime, violence, drugs, and the inner city: The Natural Law Party supports effective job training, technical training, and management training programs, combined with practical programs to develop an individual's intelligence and full creative potential. The Natural Law Party also promotes proven programs to dissolve accumulated stress in the inner city environments. Such programs, including Transcendental Meditation, have been shown to relieve not only the physiological symptoms of stress, such as high blood pressure, but to reduce symptoms of societal stress, such as crime, violence, accidents, and hospital admissions, and to promote positive trends throughout society.

Defense and foreign policy: The Natural Law Party offers a scientifically proven peace creating technology, which will help to ensure increasingly peaceful and harmonious relationships among the family of nations. This technology will allow defense spending to be responsibly cut, and can thereby ensure a steadily growing "peace dividend" that can be used for more life-supporting programs at home and abroad.

The Natural Law Party believes that U.S. foreign policy should shift immediately from one based principally on military aid to a foreign policy based on the exportation of knowledge. American expertise in areas such as business administration and agriculture, supplemented where necessary with economic support, will allow many developing countries to become financially self-sufficient, eliminate hunger and poverty, and create a more affluent and prosperous world.

United States Senator

Patty
MURRAY
Democrat
Campaign Address:
People for Patty Murray
P.O. Box 3662
Seattle, WA 98124
Telephone: (206) 621-0611

Patty Murray will bring the voice of working people to the U.S. Senate. She has a proven record as an effective legislator, committed to making government work for *all* people. As a State Senator, she fought to pass legislation ranging from education to family leave, from safe neighborhoods to health care. As a U.S. Senator, she offers the voice for real change in our national government.

Restoring the economy and reducing the \$4 trillion debt are critical issues. A *long-term* economic plan which includes a shift in R&D funding from military to civilian technologies, investment in infrastructure, education, and manufacturing must be implemented. We must reduce the military budget by at least \$100 billion over the next five years, increase job training, reform the tax system, and reduce skyrocketing health care costs.

The success of the economy is dependent on our ability to provide jobs and educated workers for the future. Government, industry and academia must join forces to provide leadership committed to educational excellence.

The federal government must implement health care reform. Patty Murray will work to reform the health care system to provide strict cost-containment mechanisms and increase access. Health care decisions must be taken out of the hands of insurance companies, and returned to individuals and their health care providers.

Patty Murray will strive for workplace policies where people are not forced to choose between their job and their loved ones in times of crisis.

The environment and economy should not be in opposition to each other. Our future success is dependent on our ability to balance the health of both. Patty Murray will work to find that balance.

Patty Murray believes that with common sense, courage and leadership, real people can meet the challenges of the future. She is a voice for real change.

United States Senator

Rod CHANDLER Republican Campaign Address: Chandler 92 P.O. Box 5755 Bellevue, WA 98006 Telephone: (206) 454-1166

Rod Chandler has a clear agenda for change. As our next United States Senator, Rod will work to control spending, reform health care, create jobs and change the liberal ways of Congress.

Control Spending

Rod supports the Balanced Budget Amendment to the Constitution and the Line-Item Veto. He has voted consistently for across-the-board-spending cuts. Rod also sponsored the Sunset Act for government programs (except Social Security) that would make them justify their existence every five years or go out of business.

Reform Health Care

Rod is fighting for dramatic health care reforms that retain our rights to choose our own doctors, control costs, expand access, and limit lawyers' fees in medical malpractice cases. He does not support creating another huge, inefficient government bureaucracy to run our health care system.

Create Jobs

Rod's economic blueprint for change will create jobs. He supports an investment tax crèdit and a capital gains tax cut to foster growth. Rod is an activist for agriculture, electronic, aerospace and forest product exports. And, he favors balancing environmental regulation with concern for people and their jobs.

Change Congress

Rod supports national term limits of 12 years. He also believes we must require Congress to live under the same laws it imposes on the rest of our families and businesses.

Rod Chandler's life has prepared him to turn the U.S. Senate into a place of action. He was born in a rural community, started his own small business, and together with his wife, Joyce, raised two children.

In 1974, he ran a grassroots campaign for the state House, and won. Eight years later, he won a hard fought campaign for Congress. Now, Rod wants to fight for us in the United States Senate.

Rod Chandler, he stands out because he stands up for change.

United States Representative

Fourth Congressional District

Jay
INSLEE
Democrat
Campaign Address:
Inslee for Congress
P.O. Box 686
Selah, WA 98942
Telephone: (509) 454-3157

I am a father. My three children and our families need a change in Congress.

It is time that Congress faces our problems rather than hides from them. It is time that we make cuts necessary to remove the federal debt from our children's backs. We can start by reining in Congressional perks, reducing our military budget to reflect post Cold War reality, requiring our allies to share in the defense burden, and finding inefficiencies in the federal government. As one who has had experience in cutting budgets on the state House Appropriations Committee, I believe this can be done.

It is time to pass a family leave bill, provide early childhood education, and pass the bill protecting women from discrimination in employment. It is time to protect an American woman's right to Choice.

It is time to control the skyrocketing rate of medical inflation by streamlining the medical billing system, and using those savings to cover those people currently without medical coverage.

As one who has a small hayfield and lives in orchard country I believe it is time to help family farmers by standing up and insisting that foreign trade barriers be eliminated.

We need more action on the Hanford Cleanup and less restrictive paperwork. We only have one world to pass on to our children, and I believe that we can both create jobs and preserve the natural world by fighting for this cleanup effort.

We need preventative health care measures so that we have health care, not just sick care.

As the son and brother of a teacher I believe we must concentrate on the education of our children.

If you share my beliefs, I hope you will send me to Congress, where we need less self-interest and more leadership.

Legislator. After four terms, I left the legislature and returned home to run my business and spend more time with my wife and three children.

First, we need to pass a constitutional Amendment requiring a balanced budget. We cannot continue to spend beyond our means -our grandchildren cannot afford it. Raising taxes is not the answer! We do not have a revenue problem, we have a spending problem.

For years the farmers and foresters of Central Washington have been the caretakers of the earth. They have produced lumber for our schools and our homes, and grown food for our tables. Now, the environmental extremists want to put owls and insects ahead of jobs and families. I will work to amend the Endangered Species Act to put people first. Common sense must prevail on this issue.

We need to change the mentality of the welfare system to stop providing jobs for bureaucrats and instead, to help those in need find jobs. We need to provide incentives for those on welfare to break the cycle. Welfare recipients should be in school, in job training, or on a job at all times.

Congress needs to clean up its act now! If elected I will fight to repeal the congressional pay raise. Most importantly I will work to enact term limits on all members of Congress!

I was born and raised in Eastern Washington. My commitment is to take the same honest values that I learned growing up, back to Washington, D.C. I'm asking for your vote to become your next Congressman. Thank you!

Mike LOWRY Democrat Campaign Address: Mike Lowry for Governor P.O. Box 4246 Seattle, WA 98104 Telephone: (206) 441-MIKE

Mike Lowry will govern for all the state's hard working citizens and business people, not the special interests.

That's why Lowry alone in the governor's race refuses to take big money contributions. His limit: the \$1,500 recommended by the League of Women Voters.

His aim: To make our state, its environment, its economy better for ourselves and our children.

Lowry's method: To use leadership skills and ideas he honed as a state budget expert, a local government leader, an exceptional member of Congress and for the past four years a teacher ranked outstanding at Seattle University — all to bring diverse people together to get the job done.

To the governorship Lowry brings a special point of view:

He is the candidate with deep roots on both sides of the Cascades. The Renton Democrat is a Washington State University graduate, born and reared in rural Eastern Washington, where he maintains strong ties and got his values of honesty and straight talk. Lowry is equally at home discussing wheat markets, timber harvesting or the Export-Import Bank program that he saved in Congress that finances Washington aerospace and other exportsales, upon which thousands

of Washington jobs depend.

Lowry's priorities: To make our schools second to none so that all students receive the training they need to reach their highest goals. To institute forthwith a health care program affordable and available to all citizens. To restore, guard and enhance our environment, including salmon and steelhead runs. To relieve unfair tax burdens on small businesses and low and middle income citizens. To make state government lean, vigorous, quick in delivering services. To create a business climate that nurtures our natural resources, high technology and emerging industries. For responsive government beholden only to the citizens, vote for Mike Lowry, Democrat, governor.

Ken EIKENBERRY Republican Campaign Address: Eikenberry '92 414 Olive Way, Suite 10 Seattle, WA 98101 Telephone: (206) 623-7167

When I was a young man growing up in Wenatchee, the State of Washington had an open admissions policy at state colleges and universities. Essentially, any young person who wanted to go to college was allowed to do so, at a reasonable cost. It was a gateway to the middle class for children that came from less than well-to-dofamilies.

Because of the open admissions policy, I was able to attend a community college, and later work my way through Washington State University and the University of Washington Law School.

I do not know the course my life would have taken had it not been for open admissions, but it is safe to say that I would not have become an FBI agent, legislator, prosecutor or Attorney General. I doubt that I would be running for Governor.

Washington State abolished its open admissions policy a few years ago. It was a mistake. Reinstituting open admissions is one of my top priorities as Governor.

I fervently believe that we can keep taxes down, and still find money for the important things through better management and by cutting waste in government.

The state should contract with private industry to provide state services whenever possible.

We should put a cap on the size of the state workforce, and gradually reduce it through attrition.

Criminals should be required to work to help reduce prison costs.

Through better management, we can avoid new taxes, solve our deficit problem, and still find funds for better schools, improved health care, law enforcement and the protection of our natural resources.

Richard KELLEY Democrat Campaign Address: Kelley For Lieutenant Governor P.O. Box 4862 Seattle, WA 98104 Telephone: (206) 343-8857

After 32 years as an office holder and lobbyist, the Republican incumbent deserves a comfortable retirement. The voters deserve a leader for their Lieutenant Governor.

Richard Kelley, 42, will be that leader. He knows we need to reform our scandalous campaign finance system. We need to protect a woman's right of choice. We need to invest in a statewide rapid rail system to protect our environment, while creating jobs and building our tax base to fund education, healthcare and housing.

Kelley will not accept contributions from lobbyists, or any contribution above the League of Women Voters' proposed limit.

He has outstanding training and experience. He worked his way through Harvard, and laterearned an M.P.A. and a Ph.D. in Government from the University of Washington. He has taught Government and Public Finance at several colleges. He served as Seattle's Deputy Mayor, but most of his public service has paid him little or nothing. In 5 years as member and Chair of the State Personnel Board, he arbitrated over 100 labor disputes. For the past 6 years, he has been President of Critical Ventures, a low-income housing organization. He has been married 12 years, and has two children.

Joel PRITCHARD Republican

Lt. Governor Joel Pritchard is a proven leader with experience as a U.S. Congressman, state legislator, and state-wide elected official. As Lt. Governor he has presided over the state senate in an effective and non-partisan manner, and served as acting Governor over 240 days during the past 4 years.

During the past two years, Joel Pritchard in cooperation with Washington Literacy, the Washington State Library, and the Daily and Weekly Newspapers of Washington, founded Washington Reads, a statewide effort to honor the 10,000 plus adult literacy volunteers serving our state.

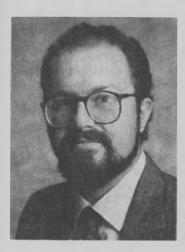

Lt. Governor Pritchard is Chairperson of *Washington 2000*. The objective of the Lt. Governor and the *Washington 2000* Advisory Board, is to challenge every city, town, and neighborhood in Washington state to adopt the national education goals agreed to by the nations governors and the President and develop a community wide strategy to achieve them.

He is a strong advocate of Campaign Finance Reform. He supports efforts to reduce the amount of money spent in campaigns; limiting the size of contributions, and forbidding state officials from soliciting political contributions from state employees.

Joel Pritchard practices the high standards we expect of our elected officials. He has earned your vote for re-election.

Tom ISENBERG Libertarian Party Telephone: (206) 329-5669

As a Libertarian, I believe that Big Government is a cancer masquerading as a cure. Republicans and Democrats alike continually impose new taxes, waste, and laws. Their policies may benefit different pressure groups lobbying for handouts or regulations that restrict competition, but always at the expense of our taxpayers, consumers, small businesses, and charities.

Libertarians are different. We stand against government rigging the marketplace, criminalizing peaceful behavior, or redistributing your earnings. Libertarians stand for creating jobs and cutting prices by restoring honest competition; aggressively cutting taxes and wasteful programs; holding polluters fully liable for their damages; getting serious with violent criminals; empowering all families with educational choice; and restoring the civil and economic liberties we've already lost.

Big Government is rapidly eroding our prosperity and our freedoms, so please don't waste your vote on the two parties responsible. The more votes Libertarians get, the more the Demopublicans will change to earn your support again. Libertarians don't have to win, we just have to give them a good scare. With hundreds of elected office-holders nationwide, the Libertarians are already America's third-largest and fastest-growing party! Together we can restore prosperity, tolerance, and common sense. Democrat Campaign Address: Jeanne Dixon Campaign 4916.5 Erskine Way S.W. Seattle, WA 98116 Telephone: (206) 937-9714

Elect Jeanne Dixon (D) to Secretary of State position—2nd in succession to Office of Governor.

One primary function of Secretary of State is the corporation

Division. As in her 1988 Governorship campaign against White-Collar crimes, Jeanne opposes State mismanagements allowing the Secretary of State office's back doors open to illegal entries of corporations using alias names without proper payments of required fees, fines, taxes or unpaid judgements—permitting unfair competitions violating WA Constitution Article 12, Section 7, and other corporation restrictive statutes!

Should this back door remain unlocked and open 4 more years of these illegal entry violations affecting our citizens' welfare and economy?

Certainly not!!!! Then —

Jeanne Dixon is the only candidate qualified for this position now offering to stop corporate-monopoly illegal accesses, and demand retroactive fines due the State and citizens.

Jeanne Dixon has the necessary corporation, partnership business experiences and 49-year knowledgeable administrative, financial background in self-proprietorships and civic participations to interpret financial annual stockholders statements and directorships to "follow-themoney" through corporation records necessary to properly administer these Secretary of State's responsibilities.

Please help! Guard your heritage and Constitutional rights! Vote for Jeanne Dixon. Strike against continued "Rodney King" injustices, Government White-Collar crimes!

Ralph Munro works tirelessly to make government more responsive. He was the driving force behind the "one-stop" business license system, and developed a program that helps victims of domestic violence maintain their confidentiality. As chair of the Productivity Board, Ralph Munro encourages ideas that cut the cost of government.

Whether coordinating our Centennial Čelebration, building the Washington State Vietnam Veterans Memorial, or promoting trade and goodwill with countries around the world, especially our Pacific Rim neighbors, Ralph Munro knows how to work with people to get things done. He has received numerous awards for public service, including the prestigious Warren G. Magnuson award.

This office has one function I will take a special interest in: cochairing the State Productivity Board. The purpose of this body is to promote efficiency and productivity in state government. Since its creation in 1983 it has only managed to save fourteen million dollars. This is disgraceful. I will bring a new aggressiveness to seeking out ways to improve government efficiency, with an emphasis on contracting out private service delivery. As part of the Libertarian message emphasizing individual choice and tolerant diversity, I will also place an emphasis on further improving the registration of voters. I am also interested in keeping the election process open to all individuals, not just the select candidates of the major party machines.

Next, as the registrar of corporations and charitable organizations, I will seek ways to make these faceless and anonymous organizations more accountable for their actions. Too many irresponsible acts are committed in the name of absent and uninvolved shareholders. It is time to place more emphasis on real individual conscience, and less on the fictional concern of corporations.

Finally, I absolutely support a woman's right of reproductive choice and the decriminalization of all crimes not involving force, fraud or exploitation of minors.

Dan Grimm is the only candidate for State Treasurer with a proven record of managing state finances. During his first term, he earned taxpayers more than \$1 million each working day of the year.

Interest earnings were \$935 million, with another \$190 million saved from bond refinancing. This was accomplished with an office budget that increased less than inflation and by a staff the same size it was when Dan Grimm took office.

His leadership brought the state an improved credit rating, which means even more savings for taxpayers.

A state savings bond program implemented by Dan Grimm provides tax free income for Washington families which must deal with the high cost of higher education.

Dan Grimm's courage in attacking the status quo led the way to improve management at the State Investment Board and greater security for \$22 billion in pension and other trust funds.

Grimm has also shown leadership by adopting an ethics policy for himself and his staff that goes well beyond the requirements of Public Disclosure law.

Arthur D. "Art" RATHJEN

Campaign Address: Committee to Elect Art Rathjen P.O. Box 4412 Federal Way, WA 98063

Telephone: (206) 527-6149

Independent: As State Auditor, Art Rathjen will be independent of those he is auditing, unlike old party politicians who would

have an inherent conflict of interest in auditing the agencies run by their political cronies.

Being Auditor is a public trust, the taxpayers' defense against fraud or misuse of our tax dollars. *Independence* is required!

Principled: Libertarian Art Rathjen believes, like Thomas Jefferson, in limiting government to its legitimate function: helping individuals defend themselves, their rights, and their property; that people should be free to achieve their full potential and pursue happiness without limits, so long as they respect the equal rights of others.

This viewpoint is independent from the old party politicians and bureaucrats who advocate bigger government, more regulations.

Qualified: Washington has had only three Auditors since 1905. Unlike both old party candidates for Auditor, Art Rathjen is not a career politician. He's an experienced engineering manager, qualified to lead the Auditor's Office in continuous improvement of productivity and quality of services.

Art has a Master of Science in Electrical Engineering and a BS in Psychology, is a Viet Nam veteran, lives with his wife and son in Seattle, and enjoys skiing, mountaineering, volunteer trail building, and sea kayaking.

Attorney General

Christine GREGOIRE

Democrat

Campaign Address: People for Chris Gregoire for Attorney General P.O. Box 2114 Olympia, WA 98507-2114 Telephone: (206) 956-3326 Christine Gregoire has the experience to be our next Attorney General. She is the only candidate who has worked in the Attorney General's office. Gregoire worked her way up to become the first woman Deputy Attorney General, running operations in eastern and western Washington. Along the way, she earned a reputation as a "savvy legal strategist" and "a lough negotiator" leading the state's efforts on landmark cases.

She has fought for us before the U.S. Supreme Court, Congress, and our legislature and has successfully taken on the federal government at Hanford and the Navy's Everett Homeport. She will be the people's lawyer our state needs and deserves.

Christine Gregoire is a first-time candidate. She is running because the job of Attorney General is too important to be left to politicians only seeking higher office. Only Gregoire is offering an agenda that covers the full scope and duties of the state's top lawyer. Known for her integrity, Gregoire is the only candidate who is not drawing a taxpayer-paid salary while campaigning for the job.

A graduate of the University of Washington and Gonzaga Law School, Gregoire lives in Olympia with her husband, Mike, and their two daughters.

Commissioner of Public Lands

Jennifer M.
BELCHER
Democrat
Campaign Address:
Citizens for Jennifer Belcher
1820 State Avenue N.E.
Olympia, WA 98506
Telephone: (206) 956-0193

Our Lands Commissioner must be prepared to make tough, educated decisions to protect both jobs and the environment. I have a strong record of protecting both—a record in the House of Representatives of nearly 100% on labor and environmental issues. Washington must be a leader in commodity production—and do it in an environmentally sound way.

The Commissioner manages 5 million acres of forest, farm, and aquatic lands, and makes decisions that vitally impact our economy and quality of life. The next commissioner must ensure that our lands are properly managed to generate revenue for our schools and jobs for thousands of workers. She must be experienced enough to make those decisions so that we also protect other public resources such as fish and wildlife habitat and provide a variety of recreational opportunities.

As a state representative for the past 10 years and chair of the Natural Resources Committee, I've provided leadership on issues ranging from economic development assistance in timber communities to new forestry practices and protection of sensitive areas.

My endorsements for this office include the State Labor Council, WEA, Firefighters, Women's groups, Federation of State Employees, WEnPAC. I'll work with you to make those tough decisions.

Ann
ANDERSON
Republican
Campaign Address:
Ann Anderson for
Commissioner of Public Lands
2203 Airport Way S., Ste. 110
Seattle, WA 98134
Telephone: (206) 622-8061

If elected Lands Commissioner, I will balance the economic needs of today while protecting the environmental integrity of our

lands for tomorrow.

Education. State timber sales benefit the public school construction fund — and our state's children! As a mother, former teacher, and legislator I believe that education funding is a top priority of government and that it is possible to protect our environment and generate badly needed funds to build and remodel our schools. My expertise and working knowledge of the forest products industry will help me accomplish this challenge.

Environment and Economy. Healthy farms and forests lead to a healthy environment and a prosperous economy. The balance that's needed between our economy and our environment can be achieved. But, balance can only be achieved through sound management policies that refuse to pander to extremists on either side of the debate.

Leadership and Experience. In a state senate, I have been recognized by my colleagues as a tough negotiator and an effective leader for my work in support of small business, reforming education, protecting property rights and passing the 1991 Clean Air Act, a model for the rest of the country.

I would appreciate your vote in this critical race.

William L.
McCORD
Libertarian Party
Campaign Address:
14417 S.E. 41st Street
Bellevue, WA 98006
Telephone: (206) 746-2855

Bill McCord, rooted in four generations of Washingtonians, is outside the two-party monopoly, has no direct nor indirect ties to the natural resource industries overseen by DNR. His active history in environmental issues exceeds his opponents' contributions, having helped pass the State Environmental Policy Act, establish the Department of Ecology, and test the law as a citizen litigant. Throughout this involvement, he's emphasized the interdependence of environment and economics, not accepting simplistic doctrines that make industry and environment incompatible. He will impartially mediate disputes that pit employment opportunities against sound environmental policy.

Neither a career politician nor a career bureaucrat, Bill McCord has a science degree, over ten years professional experience in laboratory and field sciences, business experience, and currently works as an educator/counselor.

Bill McCord will restore scientific accountability and fiscal soundness to DNR. With over twenty years of citizen activist experience, he has the skills to mediate disputes over natural resources with an even and impartial hand. With substantial experience in science, environmental law, and business, he will initiate profitable understory growth/harvest programs, stimulating entrepreneurs to create new business and employment opportunities.

Superintendent of Public Instruction

Judith BILLINGS

Nonpartisan Campaign Address: Friends of Education for Judith Billings P.O. Box 2937 Olympia, WA 98507 Telephone: (206) 754-3559 Judith Billings is our state's most effective advocate for all children. As Superintendent of Public Instruction, Judith is leading the movement to reform education and adequately fund schools.

Judith's leadership has resulted in: reduced class size for elementary schools, early intervention services for kindergarten through grade six, more dropout prevention and drug abuse education, and the largest increases in funding for education programs in twelve years.

Judith has also pushed hard to move decision making from the state to local districts.

Perhaps Judith's most valuable accomplishment has been in convincing educators and politicians that together we must deal with the whole child. To learn well, children must be healthy, loved and free from violence. Each child's individual intellectual, social and physical needs must be met for that child to learn and prepare for a productive life.

Judith has spent thirty years in education — at the local, state and federal levels, including thirteen as a classroom teacher with at risk children. She is also an attorney. She is endorsed by the State Labor Council, the Washington Education Association and leading business people and educators.

Judith and her husband, Don, live in Pierce County. They have four children and seven grandchildren.

Teresa "Terry" BERGESON

Nonpartisan Campaign Address: The Terry Bergeson Campaign P.O. Box 19577 Seattle, WA 98109 Telephone: (206) 728-9713 The quality of education will determine the quality of our State's future. I have a vision of what schools can and must be and the experience to lead education into the 21st Century. As SPI, I will build consensus on education reform and unify parents, educators, students, business and community leaders around the plan we build to achieve it.

The goal is clear. We must prepare our children to live, learn, and work successfully in our changing world. They must learn the traditional basics of reading, writing and mathematics and the new basics of thinking, relating and planning.

Education must change to meet this goal. I am running to lead the change, to cut SPI bureaucracy, to help local districts, and to free educators to teach.

During my 28 years as a teacher, guidance counselor, organizational leader, and administrator, I have seen the power of public schools to change children's lives. Despite the challenges, if we work together creatively, we can motivate and equip *all* children to succeed.

In its endorsement, the *Seattle Times* stated, "Bergeson has the dynamic personality of both a leader and consensus builder. . . . Terry Bergeson offers the best hope of making statewide school reform possible."

Insurance Commissioner

SENN
Democrat
Campaign Address:
Deborah Senn for Insurance
Commissioner
1207 Pine Street
Seattle, WA 98101
Telephone: (206) 467-4113

Deborah

Deborah Senn is endorsed by U.S. Representatives Norm Dicks, Jim McDermott, Al Swift, and Jolene Unsoeld; Mayors Sheri Barnard, Gene Liddell, and Norm Rice; the Washington State Labor Council; and numerous others.

Attorney Deborah Senn has been an effective advocate against utility rate hikes. She's fought for victims of domestic violence and child abuse, for fair wages for school employees, and to end employment discrimination. This is the kind of background that deserves our trust. Now, she'll use the Insurance Commissioner's existing powers to fight for affordable health insurance.

Until Deborah Senn raised the issue, the incumbent neglected health insurance reform. As Commissioner, Senn will combat skyrocketing costs, arbitrary exclusions for pre-existing conditions, and loss of coverage when people change jobs.

The incumbent has been in office for 16 years. He accepts contributions from insurance company executives. Deborah Senn will not accept such contributions.

The incumbent's inaction has caused the loss of over 100 million of your tax dollars to bail out insolvent insurance companies. Deborah Senn will require insurers to be financially sound.

If you're paying more for insurance and getting less coverage, or if you cannot afford insurance - Vote for Deborah Senn, a leader for change.

Richard G. "Dick" MARQUARDT Republican

Dick Marquardt continues to win national acclaim as a fighter for consumer rights. A long-time Seattle resident, Dick served as a State Senator and was Selective Service chief before being elected Insurance Commissioner.

His years of dealing with people's insurance problems have convinced Dick that universal health care must be adopted, but he's committed to improving our present insurance system now. Washington is the first state to look at insurance companies' refusal to pay for "experimental" procedures, and Dick is seeking continuous coverage for people changing from one insurance plan to another.

"I am proud of my staff, particularly their work on consumer protection," Dick says. "My investigative team has won national praise for ferreting out white collar crime."

Dick has been a leader in protecting senior citizens from health insurance sales and policy abuses. His Senior Health Insurance Benefits Advisors (SHIBA) volunteer program has been copied by practically all other states, but it began here in Washington.

Dick banned misleading TV celebrity insurance pitches, and stopped more than a dozen junk mail insurance marketing schemes. Keep experience and integrity in the Insurance Commissioner's office. Keep Dick working for you in Olympia.

Brian McCULLOCH Independent Campaign Address: P.O. Box 60194 Seattle, WA 98160-0194 Telephone: (206) 546-5744

"Can you risk not being paid promptly and fairly by an insurance company when you are sick or hurt, your car is wrecked or stolen, your home or business is damaged, a loved one dies or when you retire? No Washingtonian should be required to do so, yet that is what has happened and will happen unless you elect a knowledgeable, decisive Insurance Commissioner.

I will apply my 22 years of experience as a professional insurance consultant and executive to protect you from financially weak insurers and unfair claims practices. I am on record repeatedly having warned the incumbent about unsafe and unsound firms. Elect me and I will make sure that we will not again be faced with covering \$200 million in lost premium taxes used to bail-out bankrupt companies or sending subsidies to other states such as California.

Insurance is a big and complex business. Its regulation has a greater, direct impact on your pocketbook than any other state agency. You need an expert on your side. As the independent candidate, I am not beholden to any political party or special interest. My commitment, as your Insurance Commissioner, is to protect your rights as policyholders and taxpayers."

Justice of the Supreme Court

Position 1

Barbara MADSEN Nonpartisan Campaign Address: Friends of Barbara Madsen P.O. Box 2487 Renton, WA 90856 Telephone: (206) 622-4887

Judge Barbara Madsen will protect the liberties guaranteed all our citizens. The Supreme Court needs her outstanding leadership, as well as her acute ability to listen and render fair judgements.

Proven leadership for our future

Judge Madsen, elected Presiding Judge of Seattle Municipal Court, will bring fresh perspective to the Supreme Court. Madsen, selected by her colleagues to lead Washington's busiest court these past three years, has been serving the public as a Court Commissioner, Magistrate and Judge since 1985.

Balanced experience

A 1977 Gonzaga Law School graduate, Madsen has practiced in Eastern and Western Washington, serving as a defense attorney and a prosecutor. Appointed Special Prosecutor for two consecutive terms, Madsen developed the child abuse component of Seattle's Family Violence Project. She prosecuted sensitive political matters and serious domestic violence and child abuse cases.

Bringing compassion to Washington's highest court

Barbara Madsen, a working mother of four, combines common sense and legal training in her judgements. Her balanced legal background as well as experience in the most culturally diverse court in Washington makes her sensitive to issues confronting us all. In these times of wavering public confidence, we need the strong, honest and compassionate voice of Judge Barbara Madsen.

Elaine Houghton
950 S. Fawcett
Tacoma, WA 98402
Telephone: (206) 627-6627

Elaine

"For her courage, conscience and compassion, with these gifts she truly has made a difference." Those words were inscribed on the award when I became the first woman named Washington Trial Lawyer of the Year in 1991. I hold those words dear because they speak to both my skill as lawyer and my commitment to helping people.

I have committed my career to righting injustice. The injustice of a child's brain destroyed because a manufacturer chose not to warn parents of the product's danger. The injustice of a young woman stabbed and left brain-damaged after her employer refused to respond to employee fears of an unsafe parking lot except to say "wear tennis shoes."

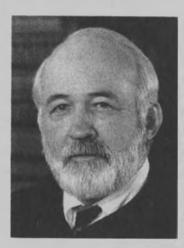

I am proud of my work and the recognition that work has received. Martindale-Hubble, a 125 year old legal rating publication, gave me its highest rating (AV), which is limited to the top 10% of all lawyers.

And retired Supreme Court Justice Vernon Pearson has honored me with his endorsement: "The Citizens of this State deserve a Justice with the energy, intellect and ability of Elaine Houghton. She has proven commitment to justice for all citizens."

Campaign Address:
Committee to Re-elect
Justice James M. Dolliver
P.O. Box 4037
Seattle, WA 98104
Telephone: (206) 464-4224

Judicial elections are the means whereby citizens hold judges accountable for their conduct in office. I am proud of my work on our state's highest court and stand on my record.

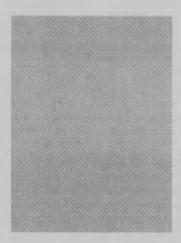

During my sixteen years on the Washington Supreme Court I have worked successfully to streamline judicial administration and to reduce the backlog of cases to be decided.

I believe citizens need a first-hand understanding of our judicial system. When I became Chief Justice, the Supreme Court began to hold sessions throughout our state, not just in Olympia.

For me, education is a top priority. I have served as an adjunct law professor and a trustee of the Washington Center for Law-Related Education and the University of Washington Law School Foundation. I am a trustee of the University of Puget Sound and serve on the Board of Visitors of its law school.

My commitment to public service extends beyond the legal community. I have been active with my church, the Boy Scouts, the Nature Conservancy, the Washington State 4-H Foundation, the United Way and many other civic organizations.

I believe I have been a good judge: honest, independent, hardworking and fair. I am ready and willing to serve.

Kevin Patrick DOLAN Nonpartisan

The legal system should be used for our protection and benefit, not to line the pockets of lawyers, government or big business. Our individual constitutional rights should be preserved, not taken away. Instead the Supreme court is actively pursuing a policy of restricting our rights.

The court should be working to weed out friviolous lawsuits and expensive legal ploys designed to drag out lawsuits and generate more legal fees. Instead, the court's decisions are protecting and perpetuating the current system.

Members of the Supreme court are seriously out of touch with what we need and want from the legal system. Most were appointed, not elected, and have served without opposition for as long as twenty one years. We did not intend these positions to be lifetime appointments.

State Senator

Thirteenth Legislative District

Eric SKAUG Democrat

Eric Skaug will bring to the State Senate the same commitment and practical results he has brought to his family business — and to his community activities.

"People across our district are frustrated with politics-as-usual, and with the usual politicians. There is too much rhetoric and not enough common sense."

Eric is co-owner of Skaug Brothers. The Skaug family has been active in Central and Eastern Washington's business community for decades. Eric served on the Moses Lake City Council, he has coached Little League for eleven years, and is a member of Immanuel Lutheran Church.

"Our top priority must be strengthening the economy and creating jobs and opportunities here in our communities. We can't accomplish that with glib promises. It takes hard work — and everyone working together."

Eric's positions on the issues are clear. He is for education reform — with more local control. He is for protecting our agriculture and resource based industries. He is the only pro choice candidate in the race — believing that issue is none of the government's business.

Eric and his wife Jill are WSU graduates. Jill is a teacher. They have two sons.

Harold
HOCHSTATTER

Campaign Address:
Hochstatter for Senate
2104 W. Marina Drive
Moses Lake, WA 98837
Telephone: (509) 765-8164

Are you dissatisfied with the growth and direction of our state government? I am. I'm Harold Hochstatter, and that's why I ran for the House of Representatives in 1990.

Much needs changing. Welfare dependency must end. We must reestablish local control in our schools. We must affirm the pivotal role of parents in education.

We must end the adversarial relationship between government and business. Business supports our families. Strong business means good jobs and a strong economy. But government continues to burden business with taxation, regulation and litigation.

Without a healthy economy, all our institutions suffer — families and governments as well as farms and businesses. We're seeing proof of that around the world, and it's just as true here in Washington.

I'm a citizen legislator, not a professional politician. After my legislative duties in Olympia, I return to electrical contracting and work hard with my hands to provide for my family and community. This is a constant reminder to me that taxpayers work hard for their money.

My wife, Paula, and I have five children. We understand the needs of the family.

I've worked hard as your Representative, and I'd appreciate your vote for the Senate on election day.

HANSEN
Democrat
Campaign Address:
Committee to Elect
Mick Hansen
715 W. 3rd Avenue
Mosos Lake, WA 98837
Telephone: (509) 766-0143

Mick Hansen is concerned about our future in Central Washington. Currently, State spending has led us into a major budget deficit. Strong leadership can curtail higher tax increases and still maintain state services.

Education must be Washington State's number one obligation to improve our children's future. Health care costs have skyrocketed because of malpractice suits. Limits need to be set on such lawsuits to help curb unreasonable medical costs. More than 85% of Washington residents presently have health coverage. With some effort everyone could be covered with a state health plan. Mick Hansen for common sense government.

Joyce MULLIKEN Republican Campaign Address: Mulliken for State Representative Committee P.O. Box 683 Ephrata, WA 98823 Telephone: (509) 754-3250

Joyce is a homemaker, businesswoman, former classroom interpreter for the hearing impaired, and a lifelong resident of District 13. She will work to support a balanced budget and eliminate unnecessary spending. Her common sense, nononsense approach to problem-solving will produce results. She is against higher taxes.

Joyce is an outspoken advocate of family values, the dignity and sanctity of human life, and restraint in government control of family-owned businesses and farms. She will work hard to ensure our agriculture, business, and educational needs are protected.

lim WHITTENBURG

Democrat Campaign Address: Whittenburg for Senate Committee 16 S. 1st Street Yakima, WA 98901 Telephone: 1 (800) 877-3352 Jim Whittenburg is an agent of change!

When drug abuse ravaged young people in his hometown in 1968, he stepped forward to form the Oregon Council on Drug Problems in Portland. He asked that drug abuse education and treatment programs be established and helped pass legislation to accomplish these goals.

In 1978, he filed an initiative that brought the first property tax limitation measure, now public law, to the Oregon ballot with nearly

210,000 signatures.

While working as a retail pharmacist in Yakima during 1991, he brought public attention to prescription drug overprescribing of stimulant controlled substances to school children. He established a transition housing project in Yakima to provide support for recovering drug addicts, dependents, and alcoholics.

lim Whittenburg, pharmacist and lobbyist for numerous social and educational causes the past 28 years, has already accomplished what most candidates and legislators promise to do some day. He has battled drug abuse, excessive taxation, inadequate health care, lack of public protection by regulatory state agencies and vehemently opposed intolerance his entire adult life.

If you want positive leadership in Olympia that offers creative and innovative reform and change, while protecting our natural resources, you now have a real choice.

Alex **DECCIO** Republican Campaign Address: Deccio Campaign Committee P.O. Box 1343 Yakima, WA 98907 Telephone: (509) 248-2672

The state of Washington's spending the last four years is out of control. The legislature must say no in the 1993 session to spending money we don't have and must make some hard decisions. The budget has been overspent by \$1.5 billion dollars. Reforms are necessary in spending and in preparing budgets. We should go to one year budgets and spend only the money we have, rather than forecasting for two years. Forecasting and spending all the money, has the state in the present spending crisis.

The legislature needs to get the \$1.5 billion shortfall under control with no tax increase, but by spending reductions.

Alex Deccio is a former State Senator and in 1988 became a County Commissioner for Yakima County. He filed to take the seat vacated by Jim Matson.

Alex is a longtime resident of Yakima and the surrounding area. He was an insurance broker for many years and was involved in community activities before entering politics. While a member of the Senate he was successful in getting funding for the building of the Sundome and restoration of the fairgrounds. The Central Washington Fairgrounds is now rated as one of the top fairgrounds in the United States.

THE OFFICE OF PRECINCT COMMITTEE OFFICER

THE OFFICE OF PRECINCT COMMITTEE OFFICER

In addition to the various state and county offices which will appear upon the general election ballot, most voters will have the opportunity to vote for the office of "precinct committee officer."

WHO IS ELIGIBLE

State law (RCW 29.42.040) provides that any person who is a registered voter and a member of a major political party may become a candidate for the office of precinct committee officer by filing a declaration of candidacy and paying a \$1 filing fee to the county auditor. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a Democrat or a Republican at the time he or she files for the office. The filing period for the office of precinct committee officer begins at the same time as the filing period for other partisan offices (the fourth Monday in July in even-numbered years), and lasts for three weeks, ending on the third Friday following that date.

ELECTION OF PRECINCT COMMITTEE OFFICER

Candidates for precinct committee officer do not appear on the primary ballot but rather are placed directly on the general election ballot, and the candidate receiving the most votes in his or her precinct for each political party is declared elected. State law (RCW 29.42.050) does provide, however, that to be declared elected, a candidate must receive at least 10% of the number of votes cast for the candidate of his or her party receiving the greatest number of votes in that precinct.

TERM OF OFFICE AND VACANCIES

The term of office for anyone elected to the office of precinct committee officer is two years, and commences upon the official canvass of election returns by the county canvassing board. Should a vacancy occur in the office (caused by death, disqualification, resignation, or failure to elect), the usual process is for the chairman of the party central committee to fill the vacancy by appointment. Appointments to fill vacancies cannot be made between the state general election and the organization meeting of the county central committee, which must be held prior to the second Saturday in January following the election of precinct committee officer.

DUTIES OF PRECINCT COMMITTEE OFFICER AS MEMBERS OF THE COUNTY AND STATE CENTRAL COMMITTEES

 Each precinct committee officer is a member of the county central committee. The county central committee has the authority to fill vacancies on the party ticket for partisan county offices and for legislative offices in districts entirely within that county when no candidate files for such a position or when a candidate or nominee dies or is disqualified leaving no candidate of that party for such an office; they may also nominate persons for appointment to these offices if an incumbent of that party resigns; and finally, elect members to the state central committee.

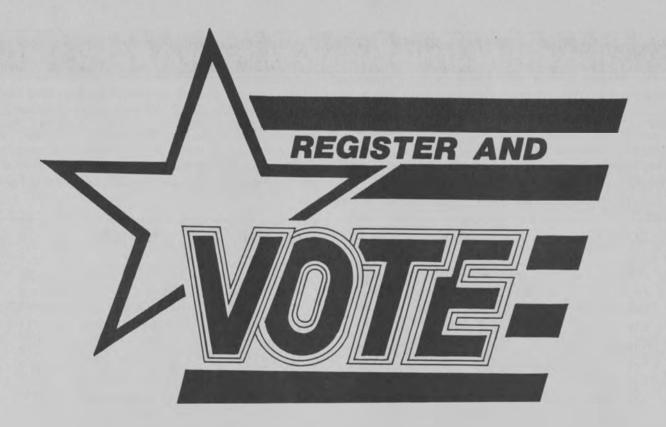

- 2. The state central committee has the authority under state law (RCW 29.42.020) to:
 - -Call caucuses and conventions.
 - -Provide for the election of delegates to national nominating conventions.
 - -Fill vacancies on the party ticket for any federal, state or legislative office which encompasses more than one county.
 - Nominate persons to fill vacancies caused by resignation or death of an incumbent of that party in state offices and legislative offices in districts which encompass more than one county.
 - -Provide for the nomination of presidential electors.
 -Perform other functions inherent in such an organization.

NON-STATUTORY DUTIES AND RESPONSIBILITIES OF PRECINCT COMMITTEE OFFICER

Specific duties and responsibilities of a precinct committee officer are usually determined by either the county or state central committees. The following duties are commonly assigned to precinct committee officers by their party organization:

- -Keep informed on current issues and candidates, study the party platform.
- -Attend meetings of county committees and actively participate in fund-raising activities.
- -Obtain lists of registered voters from the County Auditor's office.
- -Canvass the precinct and become acquainted with the voters residing therein.
- -Establish a record of eligible voters and party members within the precinct.
- -Encourage voter registration within the precinct.
- -Distribute party election materials during election campaigns.
- -Recommend party members to work as precinct election officers.
- -Encourage voters to get out and vote on election day.
- -Encourage the use of absentee ballots.
- -Hold precinct caucuses at certain selected times for the purpose of adopting resolutions and selecting delegates to the county conventions.

Individuals who are interested in serving as a precinct committee officer should contact the chairman of the county central committee of their party or the state committee office of that party.

ELECTION DAY AND VOTING

Where to vote:

At your precinct's polling place. The name and number are on your registration card and the location is published in the newspaper sometime the week before the election. You may also call your county auditor.

When to vote:

Polls are open from 7:00 a.m. to 8:00 p.m.

How to vote:

Four methods of voting are used in Washington State: punchcard, lever machine, paper ballot and optical scan. Each county uses one or a combination of these methods. If you need assistance, you may ask an election worker to explain how to use your county's voting device or ballot.

Absentee voting:

1. Regular Absentee Ballot: If you cannot vote in person, you may vote by absentee ballot. You may request an absentee ballot, in person, by mail or by telephone, as early as 45 days before the election, but no later than the day before the election. Registered voters may request an absentee ballot by telephone for themselves and other members of their immediate family by calling their county auditor.

Exception: If you are confined to the hospital and were

admitted no earlier than five days before the election, you may apply for an absentee ballot up to and including the day of the election.

- 2. Service Absentee Ballot: Members of the military service may apply for an absentee ballot at any time. Such service voters will be mailed an absentee ballot for the next primary or general election, or special election to be held subsequent to the date of application.
- 3. Special Absentee Ballot: A voter who is working outside the continental United States and will be unable to return a regular absentee ballot by normal mail delivery may apply for a special absentee ballot 90 days before the primary or general election. The special absentee ballot will contain the offices and measures, if known, scheduled to appear on the ballot. The county auditor will include a list of candidates who have filed and a list of any issues that have been referred to the ballot before the application was filed.

The voter may use the special absentee ballot to write in the name of an eligible candidate for each office and vote on any measure.

4. Ongoing Absentee Ballot: If you are a disabled person or a person over the age of 65, you may apply for status as an ongoing absentee voter. This will entitle you to automatically receive an absentee ballot for each subsequent election through January of the next odd-numbered year. At that time, the county auditor will automatically notify you and permit you to renew your status as an ongoing absentee voter. Contact the county auditor for an application.

WASHINGTON STATE VOTER INFORMATION

To register to vote in the state of Washington, you must be at least 18 years of age on or before the day of the election, a U.S. citizen by birth or naturalization and a legal resident of the state of Washington. You must register to vote at least 30 days before an election to be qualified to vote. Call your local county auditor's office for information on how to change your name or address.

COUNTY AUDITOR DESCRIPTION OF OFFICE

The Yakima County Auditor is responsible for four major functions in County programs. The accounting department serves as the chief financial officer by producing the annual financial report, maintaining payroll, accounts payable, accounts receivable, grant accounting and the centralized accounting system. The Auditor serves as a member of the County Finance Committee.

The records department is responsible for all filing and recording of official public records as well as issuing marriage and dog licenses.

The Auto Licensing Department is an agent of the Washington State Department of Licensing having responsibility for the collection of fees and excise tax on motor vehicles and vessels.

The Auditor is the ex-officio Supervisor of all primary, general and special elections. With that responsibility comes the administration of the polling places, preparing ballots, maintaining voting equipment, publishing notices of elections, and conducting the candidates filing period. In addition, the department maintains the county's 75,000 voter registration records and conducts an ongoing voter outreach program for the citizens of Yakima County. The Auditor serves as a member of the County Canvassing Board and chief voter registrar appointing deputy registrars.

As the current County Auditor and past Assistant County Auditor for five years, I am a valuable resource to the citizens of Yakima County. The public deserves the most qualified County Auditor. With a B.S. in accounting and 14 years experience in financial systems, I bring solid financial experience in municipal government, and a record of establishing cost-efficient public services. I have also managed a variety of programs including computer systems, auto licensing, elections, and recording.

- Under my leadership, the Auditor's office was awarded the Government Finance Officer's highest honor for financial reporting from 1986-91.
- In July 1992 the Secretary of State's Elections Director referred to the Yakima election system as an "exemplary, model election program with near perfect performance".

I am the candidate that will maintain these high standards for Yakima County. With your support, accountability, efficiency, and quality public service will continue to be high priorities.

BRENT YOUNG

As a certified public accountant with Washington State, I've audited Yakima County for the last five years. The two most recent years as lead auditor. I have hands-on experience analyzing the records, accounting systems, and procedures in the County Auditor's Office.

Most important is my experience in private business. I've worked in fields and orchards in Yakima County. My parents were self employed in the Yakima Valley. Mom styled hair. Dad raised beans and hay. I have an agricultural degree from Washington State University and served as administrative manager for a successful private agricultural corporation. I relate with people who's jobs depend on their ability to generate a profit through efficient use of time and resources. I want to bring this expertise and work ethic to local government. I'm prepared to take the office of Yakima County Auditor to the level of professionalism that you, the tax payers deserve.

A 1977 graduate of West Valley High School, I was appointed County Clerk effective April 1, 1992. In the few short months that I have been in office, we have improved efficiency within the department in addition to reducing our budget by 4%. With 11 1/2 years management experience in the legal field, the transition into the Clerk's office has been an easy one.

In March, 1992, a computerized jury management program was installed in Yakima County. This program has allowed for better management of jury costs and will allow us to summon juries for other courts in the future. January, 1993 is the target date for summoning for Yakima County District Court.

Other goals I have are to further computerize our department, continue to improve office efficiency, implement a more in-depth training program for staff as well as continue to improve working relationships with the public and other county departments.

BETTIE INGHAM

I appreciate the tremendous opportunity I have had over the past 21 years to work for the citizens of Yakima County serving as your County Auditor and now as your County Commissioner.

My role as County Auditor has allowed me to work closely with the commission over the years in the financial arena. This experience is essential as we continue struggling with the burden of our law and justice system.

I bring to the County Commission the same values driven philosophy that emphasizes quality public service and accountability.

The job of County Commissioner is expansive. The citizens of Yakima County will this year be filling two commission positions. One position will be filled by a completely new commissioner. I believe it is imperative as we deal with the enormous demands and serious financial constraints that we are assured of experience and continuity. I represent that experience and continuity.

LOCAL CRIMINAL JUSTICE SALES/USE TAX

Official Ballot Title:

Shall One-Tenth of one percent (.1%) be added to the tax imposed on each taxable event occuring in Yakima County and taxable under RCW 82.08 and 82.12, for criminal justice purposes only, as permitted by RCW 82.14.340 and including any extensions or amendments thereof by the legislature?

Explanatory Statement

For a limited time, with voter approval, certain counties may levy 1/10 of 1% of additional sales and use tax on taxable sales and uses within the County. Proceeds can only be used to expand criminal justice programs beyond 1989 levels.

This would raise combined rates to 7.9% in the City of Yakima and 7.6% in the rest of the County, an increase of 1¢ on the purchase of a ten dollar item.

Proceeds would be pro-rated among the County

and cities by population.

The tax would continue until January 1, 1994, or longer if permitted by the 1993 legislature.

Explanatory statements were written by the legislative authority of the district as provided by state law.

CITY OF GRANDVIEW PROPOSITION NO. 1 GENERAL OBLIGATION BONDS \$1,000,000

Official Ballot Title:

For the purposes of acquiring, constructing and equipping a new fire station, renovating the City's existing public safety building, acquiring fire-fighting equipment, and other capital improvements, shall the City of Grandview issue general obligation bonds in the principal amount of not to exceed \$1,000,000, both principal and interest payable out of annual property tax levies in excess of regular property tax levies, maturing within a maximum for 20 years, as provided in ordinance #1327?

Explanatory Statement

The City of Grandview General Obligation Bond provides funds in cooperation with the Yakima County Fire District No. 5 to acquire land, construct and equip a new fire station.

In addition, a portion of the funds shall be used to renovate and equip the existing public safety building of the City for police, court and other municipal uses and to acquire additional fire fighting equipment.

The total bond value is \$1,000,000.00 which will result in an assessment of approximately \$.70 per \$1,000.00 of assessed valuation.

NOTE: Explanatory statements were written by the legislative authority of the district as provided by state law.

Statement for

The Grandview Firefighters Association would like to go on record supporting the passage of the fire station bond levy. Passage of the levy would provide funds to improve the fire, police and municiple court facilities. It will improve working conditions, and provide for one building for fire apparatus. Currently three separate buildings are used to house 7 pieces of apparatus. This situation makes it difficult to respond in a timely manner to your emergencies. Housing all fire equipment in one building will help in reducing insurance rates and reduce response times. The current fire building will be renovated for more police office and storage space, safer prisoner handling areas, a larger court room and jury room. The remaining funds will be used to purchase safer apparatus which will replace outdated equipment.

NACHES VALLEY SCHOOL DISTRICT NO. JT. 3 GENERAL OBLIGATION BONDS - \$8,300,000

Official Ballot Title:

Shall Naches Valley School District No. Jt. 3 issue \$8,300,000 of general obligation bonds maturing within twenty years to pay the cost of constructing and equipping a new middle school, modernizing the middle school gymnasium, and other capital purposes and levy excess property taxes to pay and retire bonds as provided in Resolution No. 9-92-93?

Explanatory Statement

This measure would authorize the Naches Valley School Board to borrow up to \$8,300,000, through the sale of registered general obligation bonds, maturing within 20 years, and to make general levies against taxable property in the District, as deemed necessary, for the retirement of these bonds.

Bond sale proceeds may only be used for capital purposes, including constructing and equipping a new middle school, remodeling existing middle school gym, other capital purposes determined by the Board, and not for replacement of existing equipment.

NOTE: Explanatory statements were written by the legislative authority of the district as provided by state law.

Statement for

Children are the message we send into the future. They are our most valuable resource. What we provide in our schools will influence their attitudes, actions, and achievements forever.

We feel that we can no longer afford to have our young, middle school age children attend school in a building which has become so inadequate that it is difficult to provide them with positive, successful educational experiences.

The present middle school building does not provide enough classroom space. Repair and maintenance, and the inefficient use of energy for heating and lighting, are extremely expensive.

The proposed bond issue is the result of many members of the community spending numerous hours in research and planning. It is designed to provide funds for providing adequate educational facilities.

We cannot wait any longer to do this job. We urge each of you to vote Yes for our children and our future.
