# WASHINGTON STATE VOTERS PAMPHLET

State General Election, November 8, 1994

EDITION NO. 4

PUBLISHED BY THE OFFICE OF THE SECRETARY OF STATE

# INTRODUCTION TO THE 1994 VOTERS PAMPHLET

During the past year, we have witnessed a number of 50th anniversary commemorations relating to key events of World War II. In keeping with the spirit of these observances, the 1994 Washington State Voters Pamphlet pays tribute to one of the lasting legacies of WWII — absentee voting.

While the state of Washington has provided for absentee voting since the early 1900's, the system really came into widespread use in the 1944 election. Voting by mail was the only option for the hundreds of thousands of U.S. service men and women who were serving their country overseas.

As World War II veterans returned home with the experience of voting by mail, absentee balloting became increasingly popular. The state of Washington pioneered several new methods of mail voting, including the permanent absentee ballot for senior citizens and the disabled, and the special service absentee ballot for members of the military and overseas voters.

Today, Washington is recognized as one of the most progressive states for voting by absentee ballot. Any registered voter may request an absentee ballot up to the day before the election (hospitalized voters may receive an absentee ballot on election day). And recently, the permanent absentee ballot program was extended to all registered voters (an application is available in the back of this pamphlet).

This year, Washington state continues its tradition of making voting as convenient and accessible as possible. Seven counties in our state conducted their September primaries entirely by mail, an approach which is helping to increase voter turnout and reduce election costs.

We applaud voters for making Washington state a leader in promoting citizen participation in voting and elections, especially those who served during World War II and helped popularize absentee voting. We offer those veterans our heartfelt thanks. They gave most of the world renewed freedom.

## DISCLOSURE REQUIREMENTS FOR CONTRIBUTIONS

**Contributions to Candidates and Political Committees:** An individual may not give more than \$500 in the primary election and \$500 in the general election to a candidate for the state legislature. Individuals may only give a candidate for Governor, Lt. Governor and the other statewide executive offices a maximum of \$1,000 in the primary and \$1,000 in the general election. Individuals may give an unlimited amount to a political party, ballot issue committee or other political action committee. During the 21 days before the general election, however, a person may contribute no more than \$5,000 to a local or judicial office candidate, political party or other political committee. Contributions from corporations, unions, businesses, associations and similar organizations are permitted, subject to limits and other restrictions.

**Registration and Reporting by Candidates and Political Committees:** No later than two weeks after an individual becomes a candidate or a political committee is organized, a campaign finance registration statement must be filed with the Public Disclosure Commission (PDC) and the local county elections official. (Committees that form within three weeks of the election must register within three business days.) The candidate or committee treasurer is also required to report periodically the source and amount of campaign contributions over \$25 and to list campaign expenditures. The occupation and employer of individuals giving \$100 or more to a campaign must also be identified.

These reports are open to the public. Copies are available at the PDC Office in Olympia or at the county elections office in the county where the candidate lives. In addition, the campaign financial books and records of a candidate or committee are available for public inspection the last eight days (Monday through Friday) before each election. The campaign registration on file with PDC and the county elections office shows the time and place where the records may be inspected.

**Independent Campaign Expenditures:** Anyone making expenditures totaling \$100 or more in support of or opposition to a state or local candidate or ballot proposition (not including contributions made to a candidate or political committee) must file a report with the Public Disclosure Commission within five days. Forms are available from PDC or the county elections office. Also, all political advertising must identify the person paying for the ad.

**Federal Campaigns:** Contributions to U.S. Senate and House of Representative candidates are regulated by federal law. An individual may contribute a maximum of \$1,000 in the primary election and \$1,000 in the general election to each candidate for senator and representative. Corporations and unions are prohibited from contributing to federal campaigns. Copies of federal campaign finance reports are available from the PDC.

For additional information contact: the Public Disclosure Commission, 711 Capitol Way, Room 403, P.O. Box 40908, Olympia WA 98504-0908, (206) 753-1111; for federal campaigns, the Federal Election Commission, 1-800-424-9530.

## FEDERAL INCOME TAX CREDITS & DEDUCTIONS FOR CONTRIBUTIONS

**Political Contributions Tax Credit:** The Federal Tax Reform Act of 1986 eliminated the personal tax credit previously allowed for political contributions.

As in the past, contributions or gifts made to political parties or candidates may not be deducted as a business expense. In addition, expenses paid or incurred to take part in any political campaign on behalf of a candidate for public office are not deductible as a business expense. Finally, indirect political contributions, such as advertising for a political party or admission to a program with proceeds going to a political party or candidate, may not be deducted as a business expense.

**Presidential Election Campaign Fund Checkoff:** Individuals, however, may make a deductible contribution to the Presidential Election Campaign Fund Checkoff. This fund was established to help pay for presidential election campaigns. \$3 may be taken (\$6 on a joint return) from an individual's taxes to go to a general fund, not for any specific party, to meet the expenses of the 1996 presidential election. The contribution will not increase your tax or reduce your refund.

# THE OFFICE OF PRECINCT COMMITTEE OFFICER

## THE OFFICE OF PRECINCT COMMITTEE OFFICER

In addition to the various state and county offices which will appear upon the general election ballot, most voters will have the opportunity to vote for the office of "precinct committee officer."

### WHO IS ELIGIBLE

State law (RCW 29.42.040) provides that any person who is a registered voter and a member of a major political party may become a candidate for the office of precinct committee officer by filing a declaration of candidacy and paying a \$1 filing fee to the county auditor. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a Democrat or a Republican at the time he or she files for the office. The filing period for the office of precinct committee officer begins at the same time as the filing period for other partisan offices (the fourth Monday in July in even-numbered years), and lasts for three weeks, ending on the third Friday following that date.

### ELECTION OF PRECINCT COMMITTEE OFFICER

Candidates for precinct committee officer do not appear on the primary ballot but rather are placed directly on the general election ballot, and the candidate receiving the most votes in his or her precinct for each political party is declared elected. State law (RCW 29.42.050) does provide, however, that to be declared elected, a candidate must receive at least 10% of the number of votes cast for the candidate of his or her party receiving the greatest number of votes in that precinct.

### TERM OF OFFICE AND VACANCIES

The term of office for anyone elected to the office of precinct committee officer is two years, and commences upon the official canvass of election returns by the county canvassing board. Should a vacancy occur in the office (caused by death, disqualification, resignation, or failure to elect), the usual process is for the chairman of the party central committee to fill the vacancy by appointment. Appointments to fill vacancies cannot be made between the state general election and the organization meeting of the county central committee, which must be held prior to the second Saturday in January following the election of precinct committee officer.

### DUTIES OF PRECINCT COMMITTEE OFFICER AS MEMBERS OF THE COUNTY AND STATE CENTRAL COMMITTEES

1. Each precinct committee officer is a member of the county central committee. The county central committee has the authority to fill vacancies on the party ticket for partisan county offices and for legislative offices in

districts entirely within that county when no candidate files for such a position or when a candidate or nominee dies or is disqualified leaving no candidate of that party for such an office; they may also nominate persons for appointment to these offices if an incumbent of that party resigns; and finally, elect members to the state central committee.

2. The state central committee has the authority under state law (RCW 29.42.020) to:
  - Call caucuses and conventions.
  - Provide for the election of delegates to national nominating conventions.
  - Fill vacancies on the party ticket for any federal, state or legislative office which encompasses more than one county.
  - Nominate persons to fill vacancies caused by resignation or death of an incumbent of that party in state offices and legislative offices in districts which encompass more than one county.
  - Provide for the nomination of presidential electors.
  - Perform other functions inherent in such an organization.

### NON-STATUTORY DUTIES AND RESPONSIBILITIES OF PRECINCT COMMITTEE OFFICER

Specific duties and responsibilities of a precinct committee officer are usually determined by either the county or state central committees. The following duties are commonly assigned to precinct committee officers by their party organization:

- Keep informed on current issues and candidates, study the party platform.
- Attend meetings of county committees and actively participate in fund-raising activities.
- Obtain lists of registered voters from the County Auditor's office.
- Canvass the precinct and become acquainted with the voters residing therein.
- Establish a record of eligible voters and party members within the precinct.
- Encourage voter registration within the precinct.
- Distribute party election materials during election campaigns.
- Recommend party members to work as precinct election officers.
- Encourage voters to get out and vote on election day.
- Encourage the use of absentee ballots.
- Hold precinct caucuses at certain selected times for the purpose of adopting resolutions and selecting delegates to the county conventions.

Individuals who are interested in serving as a precinct committee officer should contact the chairman of the county central committee of their party or the state committee office of that party.

# INITIATIVE MEASURE 607

TO THE PEOPLE

**Note:** The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 607 begins on page 10.

## Statement for

Initiative 607 closely resembles measures that have passed in Washington's surrounding states. Since 1979 in Oregon, 1982 in Idaho, and 1984 in Montana denturism has proven to be an *effective, safe and affordable* option for denture patients. Canada has recognized the profession of denturism for over 30 years. These states and countries have proven that a denturist is a competent and reliable alternative to a dentist for the provision of dentures.

In 1987 the State Health Coordinating Council under the Department of Social and Health Services found that denturists posed no threat to the public's health and that legislation on denturism should be enacted. Endorsers of Initiative 607 include AARP, Washington State Retired Teachers Association, Retired Public Employees, Washington State Labor Council and Citizens for Health.

Denturists are more than laboratory technicians. Initiative 607 does not include a "grandfather clause" and it calls for individuals who wish to become licensed Washington denturists to pass a written and practical board certified exam. This exam covers college level course topics such as: microbiology, oral pathology and partial denture construction and design. Licensed denturists will be highly qualified denture health care providers.

Finally, the field of denturism has proven to lower the costs of dentures due to increased competition in the provision of dentures to the general public. Initiative 607 simply provides the citizens of Washington the **FREEDOM OF CHOICE** for their denture care. Upon passage of Initiative 607 Washingtonians will finally receive the same options that their neighbors have received for decades.

## Official Ballot Title:

Shall persons other than dentists be licensed to make and sell dentures to the public, as regulated by a new state board of denture technology?

## Rebuttal of Statement against

Millions of dollars have been donated by special interest groups to Washington's elected officials over the last 15 years in an attempt to restrict the legislature's ability to pass this issue. Democrats and Republicans have never had the chance to say **YES** or **NO** to I-607. Citizens for Affordable Denture Care consists of *hundreds of thousands* of Washingtonians who have already said **YES** to I-607's **Freedom of Choice**.

Now, **YOU** have the opportunity to choose.

### Voters Pamphlet Statement Prepared by:

VALLAN CHARRON, Chairman, Citizens for Affordable Denture Care; HAROLD MOSS, Mayor of Tacoma; KURT ROEHL, member of Washington Denturist Association.

Advisory Committee: ALEXANDER G. SCHAUSS, Ph.D., Executive Director, Citizens for Health; JOHN J. DEMANOVICH, President, Retired Public Employees of Washington; MAX ROFFMAN, Board of Directors, Puget Sound Council of Senior Citizens; MARTHA KEMP, President, Washington State Retired Teachers Association; LARS HENNUM, President, Washington State Council of Senior Citizens.

## The law as it now exists:

Current law defines the furnishing or fitting of dentures (sometimes called "false teeth") as an element of the practice of dentistry. No person may legally prescribe or furnish dentures to a patient except a licensed dentist, or a person working under the direct supervision of a licensed dentist. "Denturists" are not currently licensed in the State of Washington.

## The effect of Initiative Measure 607, if approved into law:

This measure would allow a new category of persons, licensed as "denturists," to examine patients and make and fit dentures. The measure creates a state board of dental technology, which would establish standards for the practice of denturism, administer tests and examinations, issue and renew licenses for qualifying denturists, and have authority to discipline denturists who violate professional standards. A denturist could supply dentures directly to patients without the supervision or involvement of a dentist. However, denturists and dentists would be free to practice together if they wished, and dentists would still be permitted to furnish dentures as a part of their practice.

## Statement against

**PROTECT SENIOR CITIZENS AND OTHER DENTAL PATIENTS - VOTE NO ON I-607**

**VOTE NO ON I-607 TO PROTECT PUBLIC HEALTH.**

This initiative is a threat to public health. Obtaining dentures is not like having a pair of shoes fitted at the local mall or buying magnifying eyeglasses at the drug store. Providing partials (removable bridges attached to natural teeth) and dentures (false teeth) is a complex health care service and is part of overall dental care requiring the expertise of your dentist.

**VOTE NO ON I-607 TO MAINTAIN OUR HIGH DENTAL STANDARDS.**

A few dental lab technicians can acquire a quick license through a loophole hidden in the fine print of I-607. These technicians have no formal training in hands-on patient care. Senior citizens and others could place their oral health in the hands of unqualified technicians without the training to recognize unhealthy conditions. An ill-fitting denture or bridge destroys bone and teeth. Health care is too serious to "let the buyer beware!"

**VOTE NO ON I-607 TO SAY THAT ILLEGAL PAID SIGNATURE GATHERING IS WRONG.**

I-607 is backed by a small group who paid \$200,000 to manipulate the process by collecting signatures illegally. These few technicians who would gain a quick license have lobbied the legislature for years and both Democrats and

Republicans have said "NO!" I-607 lacks public support. It only benefits the few technicians who paid to get this initiative on the ballot.

*Vote for Good Oral Health*

*Vote Against Manipulation*

*Vote NO on I-607*

## Rebuttal of Statement for

Forty-five states prohibit denturism, forty-nine prohibit fitting partial dentures.

The "grandfather clause" **will** allow the I-607 sponsors to become licensed **without** attending an accredited school (**see section 10.1-3 and 18.3**).

I-607 **does not** require sanitation controls to protect against infectious diseases.

I-607 is **not** an economic issue. Dentures and partials represent **less than one-half of one percent** of dentists' insurance claims.

I-607 is radical health care deregulation opposed by the **Gray Panthers**.

# REFERENDUM BILL 43

## CHAPTER 7, LAWS OF 1994, 1ST SPECIAL SESSION

**Note:** The explanatory statement was written by the Attorney General as required by law. The ballot title was submitted as part of Referendum Bill 43. The complete text of Referendum Bill 43 begins on page 15.

**Vote cast by the 1994 Legislature on final passage:**  
House: Yeas, 51; Nays, 43; Absent, 0; Excused, 4.  
Senate: Yeas, 26; Nays, 20; Absent, 0; Excused, 3.

### Statement for

#### GET TOUGH, BE SMART

Referendum 43 funds a comprehensive attack on drugs and violent crime.

It continues funding for important and proven efforts to prevent drug abuse and prosecute drug crimes:

- Prosecutors to go after drug dealers;
- School security personnel to protect our children;
- Alcohol and drug testing for criminals on parole;
- Intervention, treatment and prevention programs for youth and troubled families.

It pays for new steps to fight violent crime by young people:

- Tougher sentences for violent youth;
- Tougher sentences for drive-by shootings;
- Tougher sentences for crimes involving guns;
- Prosecution and sentencing of serious juvenile offenders as adults.

We need to be tough and smart to fight drugs and violence. Referendum 43 is a tough, smart strategy.

#### GIVING PARENTS, COMMUNITIES A VOICE

Parents, working with their neighbors and community leaders, will choose which strategies to fund in their local communities. But efforts will have to show results or lose their funding, so taxpayers won't keep paying for programs that don't work.

#### NO NEW TAXES

These efforts are funded by cigarette, alcohol, and pop syrup taxes, most of which have been in place since 1989. There are **no new taxes** in Referendum 43, though it increases the tax on cigarettes and greatly reduces the tax on pop. Alcohol taxes stay the same.

### Official Ballot Title:

Shall taxes on sales of cigarettes, liquor, and pop syrup be extended to fund violence reduction and drug enforcement programs?

### The law as it now exists:

The 1993 legislature enacted temporary additional taxes on the sale of wine, beer, spirits, and cigarettes, and provided that the revenues from these taxes would be used to pay for drug enforcement and educational programs.

#### BACKING UP TOUGH TALK

Initiative 601 requires your approval to continue funding for these important, proven efforts. Without your "Yes" vote, the dedicated funding for these efforts will disappear.

A "Yes" vote says keep up the fight against drugs and violence in our communities — and fight even harder.

Vote "Yes" on Referendum 43.

For more information, call (206) 627-4343.

### Rebuttal of Statement against

Referendum 43 has *no new taxes*. It continues funding for crime fighting actions working since 1989. Referendum 43 is about strengthening the front-line fight for safer schools and neighborhoods. Funding, mostly from cigarettes, goes *only* to fight drugs and crime with proven steps like DARE, tougher sentences for violent juveniles and special drug crime prosecutors. Police, prosecutors and parents support Referendum 43 because it's vital to our future. Vote "YES" to combat drugs and violence.

#### Voters Pamphlet Statement Prepared by:

MARLIN APPELWICK, State Representative; MARCUS GASPARD, State Senator; BRIAN EBERSOLE, Speaker, State House of Representatives.

Advisory Committee: PAM EAKES, Chair, Mothers Against Violence in America; REV. DR. SAMUEL B. McKINNEY, Senior Pastor, Mount Zion Baptist Church; NORM MALENG, King County Prosecutor; JOHN A. MOYER, M.D., State Senator; MIKE PATRICK, Executive Director, Washington State Council of Police Officers.

These taxes are scheduled to expire on July 1, 1995. In addition, the 1991 legislature imposed a tax on the sale of carbonated beverages and syrup, with the revenue also to be placed in the drug enforcement and education fund.

### The effect of Referendum Bill 43, if approved into law:

This referendum is on the tax portions of E2SHB 2319, entitled "an act relating to violence prevention." The bill contains a number of provisions, including: planning for public health services improvements, community health and safety networks, revising firearm-related crimes and sentencing, revising the laws on licenses to carry firearms, authorizing local governments to enact curfew ordinances and other public safety laws, violence-reduction programs in the schools, and measures to reduce the effects of violence on television. To pay for these new programs, the bill would indefinitely extend the 1993 taxes on sale of wine, beer, and spirits, and would extend the cigarette sales tax

while increasing it from one and one half mills to five and one-fourth mills per cigarette. The 1991 carbonated beverage tax would be revised to one dollar per gallon on the sale of syrup for use in carbonated beverages. All these taxes would be placed in a violence reduction and drug enforcement account. This referendum is on the tax portions of the bill, and would not directly affect the remainder. However, the bill provides that certain sections relating to enhanced sentences for crime will automatically expire on July 1, 1995, if the voters reject this referendum. There are other taxes on the sale of liquor and cigarettes which would not be affected by this referendum.

**NOTE:** As indicated in the explanatory statement by the Attorney General the amendments made in certain sections of Chapter 7, Laws of 1994, 1st Special Session, (the Youth Violence Bill) will expire on July 1, 1995, if the referendum is not approved by the voters. A copy of those sections can be obtained by calling the Voter Hotline at 1-800-448-4881.

### Statement against

#### REFERENDUM 43: VOTE YES AND YOU'RE THE VICTIM.

It's bad enough that Washington citizens live in fear of being victimized by violent criminals. But voting for Referendum 43 will make taxpayers victims *again*—victims of those in Olympia who spent \$16 billion for bigger government, and now want to raise your taxes \$114 million for public safety.

Vote NO on Referendum 43 and tell Olympia to fund anti-crime efforts *first* and bureaucracy *last*.

#### \$1 IN PUBLIC SAFETY FOR EVERY \$3 IN SOCIAL PROGRAMS.

Referendum 43 will raise taxes \$114 million. But for every dollar the Youth Violence Prevention Act would spend on public safety, it would spend \$3 for the kinds of government programs that have allowed the number of violent crimes to jump 93% in less than 18 years.

#### PUBLIC SAFETY NEEDS PRIORITY SPENDING AND ACCOUNTABILITY, NOT HIGHER TAXES.

Think we need new taxes to cover a huge prison budget? Think again.

Prison costs are just 2.5% of the state budget. And while millions of our tax dollars are still being spent on state travel, retreats, office furnishings and equipment, a brand-new prison sits empty near Spokane because the Legislature wouldn't provide \$7 million from the state's \$337 million savings account to open the doors.

New taxes will reward big-spending bureaucracy with more money to spend, without significantly reducing crime.

#### VOTE NO AND FORCE LAWMAKERS TO FUND PUBLIC SAFETY FIRST.

A vote *against* Referendum 43 will give lawmakers 9 months to revise the law and make public safety a top budget priority. We *can* get violent criminals off our streets without new taxes. Vote *no* and force legislators to reduce wasteful spending and put the savings into community law enforcement, public protection and more jails for criminals.

### Rebuttal of Statement for

Tax-increase supporters say, "Referendum 43 has no new taxes." But we'll pay millions more in taxes if Referendum 43 is approved — taxes we don't need.

Criminal justice funding will NOT automatically disappear if you vote "No." Legislators have a year — and enough money — to fund public safety programs with *existing revenues*.

Please vote "No" on Referendum 43. Tell lawmakers to make our safety top priority, and pay for public safety *first* — without new taxes.

## COMPLETE TEXT OF Initiative Measure 607

AN ACT Relating to denturism; amending RCW 18.120.020 and 18.130.040; adding a new section to chapter 48.20 RCW; adding a new section to chapter 48.21 RCW; adding a new section to chapter 48.43 RCW; adding a new section to chapter 48.44 RCW; adding a new section to chapter 48.46 RCW; adding a new chapter to Title 18 RCW; and creating a new section.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

**NEW SECTION. Sec. 1.** The state of Washington finds that to realize the state's current statutory policy of regulating health professions at the least restrictive level consistent with the public interest, a program of licensure for denturists should be established. The intent of the legislature is to help assure the public's health, provide a mechanism for consumer protection, and offer cost-effective alternatives for denture care services and products to individual consumers and the state.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) "Board" means the state board of denture technology.
- (2) "Denture" means a removable full or partial upper or lower dental appliance to be worn in the mouth to replace missing natural teeth.
- (3) "Denturist" means a person licensed under this chapter to engage in the practice of denturism.
- (4) "Department" means the department of health.
- (5) "Practice of denturism" means:
  - (a) Making, placing, constructing, altering, reproducing, or repairing a denture; and
  - (b) Taking impressions and furnishing or supplying a denture directly to a person or advising the use of a denture, and maintaining a facility for the same.
- (6) "Secretary" means the secretary of health or the secretary's designee.

**NEW SECTION. Sec. 3.** (1) Before making and fitting a denture, a denturist shall examine the patient's oral cavity.

(a) If the examination gives the denturist reasonable cause to believe that there is an abnormality or disease process that requires medical or dental treatment, the denturist shall immediately refer the patient to a dentist or physician. In such cases, the denturist shall take no further action to manufacture or place a denture until the patient has been examined by a dentist or physician and the dentist or physician gives

written clearance that the denture will pose no threat to the patient's health.

(b) If the examination reveals the need for tissue or teeth modification in order to assure proper fit of a full or partial denture, the denturist shall refer the patient to a dentist and assure that the modification has been completed before taking an impression for the completion of the denture.

(2) A denturist who makes or places a denture in a manner not consistent with this section is subject to the sanctions provided in chapter 18.130 RCW, the uniform disciplinary act.

(3) A denturist must successfully complete special training in oral pathology prescribed by the board, whether as part of an approved associate degree program or equivalent training, and pass an examination prescribed by the board, which may be a part of the examination for licensure to become a licensed denturist.

**NEW SECTION. Sec. 4.** No person may represent himself or herself as a licensed denturist or use any title or description of services without applying for licensure, meeting the required qualifications, and being licensed as a denturist by the department, unless otherwise exempted by this chapter.

**NEW SECTION. Sec. 5.** Nothing in this chapter prohibits or restricts:

- (1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this state and who is performing services within the authorized scope of practice;
- (2) The practice of denturism by an individual employed by the government of the United States while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States;
- (3) The practice of denturism by students enrolled in a school approved by the department. The performance of services must be pursuant to a course of instruction or an assignment from an instructor and under the supervision of an instructor; or
- (4) Work performed by dental labs and dental technicians under the written prescription of a dentist.

**NEW SECTION. Sec. 6.** (1) The state board of denture technology is created. The board shall consist of seven members appointed by the secretary as follows:

- (a) Four members of the board must be denturists licensed under this chapter, except initial appointees, who must have five years' experience in the field of denturism or a related field.
- (b) Two members shall be selected from persons who are not affiliated with any health care profession or facility, at least one of whom must be over sixty-five years of age representing the elderly.
- (c) One member must be a dentist licensed in the state of Washington.
- (2) The members of the board shall serve for terms of three

## COMPLETE TEXT OF Initiative Measure 607 (cont.)

years. The terms of the initial members shall be staggered, with the members appointed under subsection (1) (a) of this section serving two-year and three-year terms initially and the members appointed under subsection (1) (b) and (c) of this section serving one-year, two-year, and three-year terms initially. Vacancies shall be filled in the same manner as the original appointments are made. Appointments to fill vacancies shall be for the remainder of the unexpired term of the vacant position.

(3) No appointee may serve more than two consecutive terms.

(4) Members of the board shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(5) A member of the board may be removed for just cause by the secretary.

**NEW SECTION. Sec. 7.** (1) The board shall elect a chairperson of the board annually. The same person may not hold the office of chairperson for more than three years in succession.

(2) A majority of the board constitutes a quorum for all purposes, and a majority vote of the members voting governs the decisions of the board.

# United States Senator

**Ron  
SIMS**

**Democrat**

Campaign Address:  
Ron Sims for U.S. Senate  
233 6th Avenue N.  
Seattle, WA 98109  
Telephone: (206) 448-7010

Dear Washingtonian,

Long ago, I asked my father, a Spokane minister, whether I should follow his steps into the ministry or turn to public service. He advised service. Today, after graduating from Central Washington University in Ellensburg, and working for the Washington Attorney General, the Federal Trade Commission, and the Washington State Senate, I am

serving my third term on the King County Council. At 46, I am a candidate for the U.S. Senate because I want to fight for hardworking middle class families, for our children, and for seniors.

I have tried to live a life of service in my job, as a husband and father of three, and in my community as a volunteer school tutor, a lay minister for Operation Nightwatch working to help young people get off the streets, as a coach, and as a volunteer hospital chaplain for the terminally ill.

Public safety and fiscal responsibility were my priorities as Chair of the Council's Finance Committee. I added police, pioneered the use of DNA coding and an Automated Fingerprint Identification System, and created a registry of convicted sex predators. I made sure funding for senior services and programs for women and children continued, but by holding the line on spending I created new financial reserves and earned King County one of the nation's top credit ratings.

I have tried to say with my life that our echoing footsteps will create our children's tomorrows. I want to be a Senator whose hands and heart and mind will be there for all of us. Please help me with your vote.

Thank you,  
Ron Sims

*Endorsed By:* The Washington Education Association, Washington Federation of Teachers, Sierra Club, National Organization for Women, International Association of Machinists and Aerospace Workers, and eighteen other organizations representing Washington's working families.

**Slade  
GORTON**  
**Republican**

A fire burns within me because I know that if I and a few more like-minded people are elected to the U.S. Senate this year we can begin turning things around for a safer and more prosperous Washington state and America.

The direction being set by today's dominant majority in Washington D.C. is wrong. I believe passionately that there is a better way. Their way is toward a more centralized and expensive federal government. Their way takes money and choices away from families and communities. They want to decide 3,000 miles away what is best for us in our neighborhoods, schools and doctors' offices. Their way means less freedom, fewer choices, decreased individual responsibility, more taxes and deficits.

This is your choice: If you want just another Senator who will support the majority that dominates Washington D.C. today, vote for my opponent. But, if you agree with me that there is a better way and you want a voice to balance today's majority — then I would appreciate your vote because mine is a different direction.

My agenda is simple: I work for jobs, personal safety and a clean Washington state.

My faith is not in centralized federal decisions. Instead I believe in the ability of people, families and communities to decide better for themselves. Whether the issue is education, creating jobs, health care, or fighting crime — my faith is in you. My direction is toward empowering you and your family to give you the maximum freedom to make the best choices about your own life and your own future. I work for you.

Do you want one more Senator who thinks like the dominant majority or do you want Slade Gorton — a voice for balance and a different direction?

### Jolene UNSOELD

#### Democrat

Campaign Address:  
Unsoeld Campaign  
609 Main Street  
Vancouver, WA 98660  
Telephone: (206) 750-9272

*Jolene puts us first.* She fought for family leave to protect jobs and families of working parents. She fought for tax relief for 15 million working families to reward work over welfare. She fought for tax benefits for 94 percent of small businesses. She fought to cut big government by eliminating 250,000 federal bureaucratic positions

and to make our allies pay their share of their own defense. Jolene forced the international ban on foreign driftnets. Jolene fights for change — and she wins!

*Jolene believes the root cause of violence begins at a very early age* — with troubled families in the home. The key to breaking the cycle of violence begins in early childhood and addresses our disintegrating sense of community and failure to instill in many young people the moral fiber they need in life. Jolene got Head Start expanded to provide appropriate early intervention. She encouraged partnerships between businesses and schools and fought for greater educational opportunity for middle class families.

*Jolene believes our families deserve to live in communities free of violence and crime.* If someone commits a violent crime, why wait for three strikes? Put them away — period. We need early intervention providing juvenile offenders "shock incarceration" and treatment.

Every American who works hard and has played by the rules deserves quality health care that can never be taken away. More than 80 percent of the uninsured are working families. That's wrong and Jolene's fighting to change it.

She fought to protect Medicare and to make Social Security independent.

*Compare the records: the choice is clear.* Jolene fights for change and puts us first. She has the energy, the guts, and the integrity we need.

*Let's keep Jolene Unsoeld working for us.* On the issues that matter, she fights for Southwest Washington's working families — and wins!

### Linda SMITH

#### Republican

Campaign Address:  
Committee to Draft  
Linda Smith  
8904 N.E. Hazel Dell Avenue  
Vancouver, WA 98665  
Telephone: (206) 574-5060

Most candidates file for office, very few, like Linda Smith, are drafted by their supporters. We, the people of Southwest Washington, made Linda our candidate for Congress through an unprecedented write-in campaign. The establishment said it couldn't be done. But Linda has, more than once, turned the establishment on its side, which is why the people put her on the ballot this November.

Her write-in campaign was one more victory for the people who have worked with Linda to change government.

She's been called the "mother of initiatives," having successfully passed two statewide measures aimed at cleaning state government.

She authored Initiative 601, The Taxpayer Protection Act. State voters approved this measure to end runaway government spending. It puts state government on a diet through sensible spending controls. Voters have approved another Smith sponsored effort — Initiative 134, campaign finance reform. This curbed the power and influence of PACs and special interests. It ended the practice of Olympia lawmakers from flooding their districts with public-paid mailings during election years.

As a lawmaker representing Southwest Washington, Linda has fought to protect the retirement checks of senior citizens. She has made sure our most vulnerable citizens have a voice in Olympia.

While Linda has been working to reduce state spending, Congress has been increasing federal spending adding to the tax burden on families.

While Linda has been pushing for higher ethical standards for state lawmakers, Congress has been caught trying to cover up the "post office scandal," which some elected officials profited from.

It's time to reform Congress. Linda Smith has the experience and support to get results for working families through spending controls, congressional reforms and campaign finance reform.

Voters deserve change; Linda Smith delivers change. Let's turn the establishment on its side by voting for Linda Smith, Congress, 3rd.

**Caitlin Davis  
CARLSON**

**Gun Control Party**

**Campaign Address:**  
Washington Gun Control  
7021 Monaco Park S.E.  
Tumwater, WA 98501  
Telephone: (206) 754-6631

Our country is experiencing an epidemic of gun violence. Last year, nearly 30,000 Americans were killed by guns. It's time that we do something about it.

Representative Unsoeld doesn't think guns are a problem. While accepting huge contributions from the National Rifle Association,

she blindly opposes reasonable gun control. Unsoeld voted against the Brady Bill and against the assault weapons ban. She even submitted a bill proposing that U.S. gun makers sell copies of outlawed foreign assault weapons. The next day, the N.R.A. gave her \$4,950.

Unsoeld has sadly let special interest money take over her legislative decisions.

I propose a five point program to reduce gun violence. It includes a federal registration and background check system; safety training for new gun owners; safety standards for gun manufacturers; a ban on assault style firearms; and taxes on gun manufacturers' profits to pay for the program.

These measures won't end gun violence, but they will help. They will **not** take guns away from responsible citizens.

There is another good reason to vote for me. In a district where unemployment is high and money worries are common, it's shameful to waste millions of dollars on dirty and negative political campaigns.

That's why I limit contributions to \$25. You are invited to contribute.

You may not agree with all of my principles, but I call it like I see it and I have only the public interest in mind. If you send me to Congress, I'll be an honest advocate for the **people** of this district, uncompromised by special interests.

I am the only person in this race who can tell you that truthfully.

Two years ago the folks of Central Washington sent an independent voice back to the Capitol to work for the common sense values that we share.

**Doc  
HASTINGS**

**Republican**

Campaign Address:  
Hastings '94  
P.O. Box 2926  
Pasco, WA 99302

Two years ago Americans thought they were voting for change. What they received wasn't the change they had hoped for. Congress and the President are responsible for this failure of hope.

We can't afford to make the same mistake again. That's why all Republican Congressional candidates met and promised a

The people said that we must reduce the federal deficit, so I voted for the Balanced Budget Amendment, the Modified Line Item Veto, and *against* the President's budget and tax bill.

Our neighbors know that we must reduce illegal immigration, so I amended the Crime Bill to expedite deportation of illegal immigrants in our jails. I have fought aggressively to improve our efforts on our border and I intend to continue that fight.

The people want Congress to be reformed so I helped pass a bill making Congress subject to employment and other laws. I also cut my office expenses by over \$150,000.

As the father of three boys, I know how important our families are, so I voted for the Family Leave Bill and Early Childhood Education Bill.

When my farmers needed water, I sponsored and passed through the House, the Yakima River Enhancement bill, which will help irrigators. Now, we need to fight those who would attempt to use the water spreading argument to deny our farmers their rightful use of water.

Fighting for the Hanford community is of the utmost importance. Our Hanford Team has preserved the Hanford budget, started EMSL, and allowed us to fight for the right to a hiring preference for Hanford workers.

We ought to assure that Senior Citizens receive the benefits that they need. I want to continue working to improve veterans access to medical care in Central Washington.

I am asking for your vote so that I can keep fighting for Central Washington. Thank you.

*"Republican Contract with America." A pledge to offer a revolutionary yet common sense agenda of real changes and real reforms in the next Congress.*

First, we need to get our financial house in order. *The only way to accomplish this is to amend the Constitution to require a balanced budget.* President Clinton's budgets will increase our national debt by \$1 trillion dollars by the year 1999. This isn't change and it is unacceptable for future generations.

We need to reform Congress by enacting term limits, cutting congressional staff, and reducing the authority of committee chairs by limiting the time they can serve in that capacity.

For years the farmers and foresters of Central Washington have been the caretakers of the earth. They've produced lumber for our schools and homes, and have grown food for our tables. *Now, environmental extremism is threatening our agriculture industry. I'll work to amend the Endangered Species Act to put people first.* Common sense must prevail on this issue.

The Hanford clean-up must be kept efficiently on track and the ensuing technology transfer must be part of that effort.

*I'm not a professional politician. I'm a small businessman.* But I did serve my community in Olympia as a State Legislator. After four terms, I left the legislature and returned home to run my business and spend more time with my family.

My commitment is to take the same honest values I learned growing up to Washington, D.C. I'm asking for your vote to become your Congressman.

Phil Talmadge, an experienced legislator and nationally-honored appeals lawyer, knows that the Supreme Court, like other governmental institutions, must change to serve us:

**Work Harder for Justice** - Our appellate courts are congested. Some cases wait for more than a year to be decided. That's too long. The Supreme Court should work with the Court of Appeals, taking more cases to reduce the backlog.

**More Affordable Justice** - Arbitration and mediation should be used more often as an alternative to traditional litigation, which can be expensive and traumatic for those seeking justice.

**Concern for Children, Families and Crime Victims** - The courts need to be sensitive to the needs of crime victims, children, and families. Phil, who wrote the laws against child abuse and domestic violence, knows that the administration of our juvenile justice system must be improved.

Phil's campaign has received support from the State Council of Police Officers, the State Patrol Troopers Association, the Washington Council of Firefighters, the State Labor Council, the Federation of State Employees, the Hispanic Bar Association and the Seattle Firefighters. People for Joseph Zarelli  
2809 N.W. 100th Street  
Vancouver, WA 98685  
Telephone: (206) 576-5194

Joseph Zarelli makes no promises but guarantees representation of the 18th district with integrity and diligence. Joseph's priorities are family and business. Business is the heart of our economy, and strong family is the foundation for good values and morality.

The biggest change needed is in creating a state government that is a role model for efficiency. The biggest problem facing all Washingtonians is crime, and in particular juvenile crime. In dealing with this problem the answers lie in responsibility and accountability by the offender. We are now reaping the sorrows of combating crime with social programs.

# WORLD WAR II 1944 VETERANS VOTE

"Our voting booth was simply a tree, and we had a lot of these... It was the first time I ever voted in any election and I recognized it as a special privilege, for that was one of the main principles we were fighting for."

Allan C. Barger  
Port Orchard

"Voting was a morale booster. After four years of war, it made me feel that what I was doing was important... I goofed! It was the only time in my life that I had a chance to vote for Franklin Roosevelt and I voted for Tom Dewey. I knew the names of some of the state and local people and I probably got some of them right."

Robert Edlin  
Port Orchard

"I remember well the election of 1944 while serving with the Army Air Corps in Italy. My four tent buddies and I unanimously voted for Franklin D. Roosevelt for President."

Charles D. Johnson  
Endicott

# VOTING IN THE STATE OF WASHINGTON

## Voter qualifications

To register to vote, you must be:

- A citizen of the United States
- A legal resident of Washington state
- At least 18 years old by election day

In the state of Washington, you do not have to register by political party or declare political party membership to vote in the state's regular primaries or general elections.

## Registration deadlines

You may register to vote at any time, but you must be registered at least **30 days** in advance of an election if you wish to vote **at a polling place** on election day.

You may also register between 30 and 15 days before an election, but you must do so at a location designated by the county elections officer, and you will be required to vote by absentee ballot.

## How to register

Washington citizens have access to several convenient methods of signing up to vote, including registration by mail and "Motor Voter" registration.

Mail-in registration forms are available from your county auditor or county elections department as well as many public libraries, schools and other government offices. You may also request a form by filling out the box at the right and mailing it to the Secretary of State.

"Motor Voter" registration is offered when you renew or apply for your driver's license. In most instances, a motor voter registration takes less than a minute to complete.

## Change of residence

If you move to a **new** county, you must complete a new voter registration.

If you move within the **same** county, you do not need to re-register, but you must request a transfer of your registration. This can be done by calling or writing your county elections department, or by using a mail-in voter registration form.

**NOTE:** You must re-register or transfer your registration at least **30 days** before the election to be eligible to vote in your new precinct.

## Absentee ballots

You may request an absentee ballot as early as 45 days before an election. (No absentee ballots are issued on election day except to hospitalized voters.)

Absentee ballots may be requested either by phone or by mail from the county elections officer. You may also apply — in writing — to automatically receive an absentee ballot before each election.

**NOTE:** Absentee ballots must be signed and postmarked or delivered to the county elections officer **on or before election day**.

## Election dates and poll hours

State primaries are generally held on the third Tuesday in September. The presidential primary, conducted once every four years, is held on the fourth Tuesday in May, or on a date selected by the Secretary of State.

General elections are held on the Tuesday after the first Monday in November. Polling hours for all primaries and elections are **7:00 a.m. to 8:00 p.m.**

## Voter information

If you need assistance with registration and voting, contact your county auditor or elections department.

## Special services

The Office of the Secretary of State provides a toll-free voter information service to residents within the state of Washington. This service will be operated Monday through Friday from 9:00 a.m. to 8:00 p.m., beginning Wednesday, October 19, and continuing through the day of the election, November 8. In many instances, assistance can be provided to those who have difficulty reading this pamphlet because their primary language is not English.

Voters may also call to request any of the following special Voters Pamphlet versions: Tape-cassette, Braille, Spanish-language or Chinese-language.

For more information, call the Secretary of State Voter Information Hotline at 1-800-448-4881.
