WASHINGTON STATE VOTERS PAMPHLET

State General Election, November 8, 1994

EDITION NO. 5
PUBLISHED BY THE OFFICE OF THE SECRETARY OF STATE
& CLARK COUNTY AUDITOR

INTRODUCTION TO THE 1994 VOTERS PAMPHLET

During the past year, we have witnessed a number of 50th anniversary commemorations relating to key events of World War II. In keeping with the spirit of these observances, the 1994 Washington State Voters Pamphlet pays tribute to one of the lasting legacies of WWII — absentee voting.

While the state of Washington has provided for absentee voting since the early 1900's, the system really came into widespread use in the 1944 election. Voting by mail was the only option for the hundreds of thousands of U.S. service men and women who were serving their country overseas.

As World War II veterans returned home with the experience of voting by mail, absentee balloting became increasingly popular. The state of Washington pioneered several new methods of mail voting, including the permanent absentee ballot for senior citizens and the disabled, and the special service absentee ballot for members of the military and overseas voters.

Today, Washington is recognized as one of the most progressive states for voting by absentee ballot. Any registered voter may request an absentee ballot up to the day before the election (hospitalized voters may receive an absentee ballot on election day). And recently, the permanent absentee ballot program was extended to all registered voters (an application is available in the back of this pamphlet).

This year, Washington state continues its tradition of making voting as convenient and accessible as possible. Seven counties in our state conducted their September primaries entirely by mail, an approach which is helping to increase voter turnout and reduce election costs.

We applaud voters for making Washington state a leader in promoting citizen participation in voting and elections, especially those who served during World War II and helped popularize absentee voting. We offer those veterans our heartfelt thanks. They gave most of the world renewed freedom.

DISCLOSURE REQUIREMENTS FOR CONTRIBUTIONS

Contributions to Candidates and Political Committees: An individual may not give more than \$500 in the primary election and \$500 in the general election to a candidate for the state legislature. Individuals may only give a candidate for Governor, Lt. Governor and the other statewide executive offices a maximum of \$1,000 in the primary and \$1,000 in the general election. Individuals may give an unlimited amount to a political party, ballot issue committee or other political action committee. During the 21 days before the general election, however, a person may contribute no more than \$5,000 to a local or judicial office candidate, political party or other political committee. Contributions from corporations, unions, businesses, associations and similar organizations are permitted, subject to limits and other restrictions.

Registration and Reporting by Candidates and Political Committees: No later than two weeks after an individual becomes a candidate or a political committee is organized, a campaign finance registration statement must be filed with the Public Disclosure Commission (PDC) and the local county elections official. (Committees that form within three weeks of the election must register within three business days.) The candidate or committee treasurer is also required to report periodically the source and amount of campaign contributions over \$25 and to list campaign expenditures. The occupation and employer of individuals giving \$100 or more to a campaign must also be identified.

These reports are open to the public. Copies are available at the PDC Office in Olympia or at the county elections office in the county where the candidate lives. In addition, the campaign financial books and records of a candidate or committee are available for public inspection the last eight days (Monday through Friday) before each election. The campaign registration on file with PDC and the county elections office shows the time and place where the records may be inspected.

Independent Campaign Expenditures: Anyone making expenditures totaling \$100 or more in support of or opposition to a state or local candidate or ballot proposition (not including contributions made to a candidate or political committee) must file a report with the Public Disclosure Commission within five days. Forms are available from PDC or the county elections office. Also, all political advertising must identify the person paying for the ad.

Federal Campaigns: Contributions to U.S. Senate and House of Representative candidates are regulated by federal law. An individual may contribute a maximum of \$1,000 in the primary election and \$1,000 in the general election to each candidate for senator and representative. Corporations and unions are prohibited from contributing to federal campaigns. Copies of federal campaign finance reports are available from the PDC.

For additional information contact: the Public Disclosure Commission, 711 Capitol Way, Room 403, P.O. Box 40908, Olympia WA 98504-0908, (206) 753-1111; for federal campaigns, the Federal Election Commission, 1-800-424-9530.

FEDERAL INCOME TAX CREDITS & DEDUCTIONS FOR CONTRIBUTIONS

Political Contributions Tax Credit: The Federal Tax Reform Act of 1986 eliminated the personal tax credit previously allowed for political contributions.

As in the past, contributions or gifts made to political parties or candidates may not be deducted as a business expense. In addition, expenses paid or incurred to take part in any political campaign on behalf of a candidate for public office are not deductible as a business expense. Finally, indirect political contributions, such as advertising for a political party or admission to a program with proceeds going to a political party or candidate, may not be deducted as a business expense.

Presidential Election Campaign Fund Checkoff: Individuals, however, may make a deductible contribution to the Presidential Election Campaign Fund Checkoff. This fund was established to help pay for presidential election campaigns. \$3 may be taken (\$6 on a joint return) from an individual's taxes to go to a general fund, not for any specific party, to meet the expenses of the 1996 presidential election. The contribution will not increase your tax or reduce your refund.

THE OFFICE OF PRECINCT COMMITTEE OFFICER

THE OFFICE OF PRECINCT COMMITTEE OFFICER

In addition to the various state and county offices which will appear upon the general election ballot, most voters will have the opportunity to vote for the office of "precinct committee officer."

WHO IS ELIGIBLE

State law (RCW 29.42.040) provides that any person who is a registered voter and a member of a major political party may become a candidate for the office of precinct committee officer by filing a declaration of candidacy and paying a \$1 filing fee to the county auditor. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a Democrat or a Republican at the time he or she files for the office. The filing period for the office of precinct committee officer begins at the same time as the filing period for other partisan offices (the fourth Monday in July in even-numbered years), and lasts for three weeks, ending on the third Friday following that date.

ELECTION OF PRECINCT COMMITTEE OFFICER

Candidates for precinct committee officer do not appear on the primary ballot but rather are placed directly on the general election ballot, and the candidate receiving the most votes in his or her precinct for each political party is declared elected. State law (RCW 29.42.050) does provide, however, that to be declared elected, a candidate must receive at least 10% of the number of votes cast for the candidate of his or her party receiving the greatest number of votes in that precinct.

TERM OF OFFICE AND VACANCIES

The term of office for anyone elected to the office of precinct committee officer is two years, and commences upon the official canvass of election returns by the county canvassing board. Should a vacancy occur in the office (caused by death, disqualification, resignation, or failure to elect), the usual process is for the chairman of the party central committee to fill the vacancy by appointment. Appointments to fill vacancies cannot be made between the state general election and the organization meeting of the county central committee, which must be held prior to the second Saturday in January following the election of precinct committee officer.

DUTIES OF PRECINCT COMMITTEE OFFICER AS MEMBERS OF THE COUNTY AND STATE CENTRAL COMMITTEES

1. Each precinct committee officer is a member of the county central committee. The county central committee has the authority to fill vacancies on the party ticket for partisan county offices and for legislative offices in

districts entirely within that county when no candidate files for such a position or when a candidate or nominee dies or is disqualified leaving no candidate of that party for such an office; they may also nominate persons for appointment to these offices if an incumbent of that party resigns; and finally, elect members to the state central committee.

2. The state central committee has the authority under state law (RCW 29.42.020) to:
 - Call caucuses and conventions.
 - Provide for the election of delegates to national nominating conventions.
 - Fill vacancies on the party ticket for any federal, state or legislative office which encompasses more than one county.
 - Nominate persons to fill vacancies caused by resignation or death of an incumbent of that party in state offices and legislative offices in districts which encompass more than one county.
 - Provide for the nomination of presidential electors.
 - Perform other functions inherent in such an organization.

NON-STATUTORY DUTIES AND RESPONSIBILITIES OF PRECINCT COMMITTEE OFFICER

Specific duties and responsibilities of a precinct committee officer are usually determined by either the county or state central committees. The following duties are commonly assigned to precinct committee officers by their party organization:

- Keep informed on current issues and candidates, study the party platform.
- Attend meetings of county committees and actively participate in fund-raising activities.
- Obtain lists of registered voters from the County Auditor's office.
- Canvass the precinct and become acquainted with the voters residing therein.
- Establish a record of eligible voters and party members within the precinct.
- Encourage voter registration within the precinct.
- Distribute party election materials during election campaigns.
- Recommend party members to work as precinct election officers.
- Encourage voters to get out and vote on election day.
- Encourage the use of absentee ballots.
- Hold precinct caucuses at certain selected times for the purpose of adopting resolutions and selecting delegates to the county conventions.

Individuals who are interested in serving as a precinct committee officer should contact the chairman of the county central committee of their party or the state committee office of that party.

INITIATIVE MEASURE 607

TO THE PEOPLE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 607 begins on page 10.

Statement for

Initiative 607 closely resembles measures that have passed in Washington's surrounding states. Since 1979 in Oregon, 1982 in Idaho, and 1984 in Montana denturism has proven to be an *effective, safe and affordable* option for denture patients. Canada has recognized the profession of denturism for over 30 years. These states and countries have proven that a denturist is a competent and reliable alternative to a dentist for the provision of dentures.

In 1987 the State Health Coordinating Council under the Department of Social and Health Services found that denturists posed no threat to the public's health and that legislation on denturism should be enacted. Endorsers of Initiative 607 include AARP, Washington State Retired Teachers Association, Retired Public Employees, Washington State Labor Council and Citizens for Health.

Denturists are more than laboratory technicians. Initiative 607 does not include a "grandfather clause" and it calls for individuals who wish to become licensed Washington denturists to pass a written and practical board certified exam. This exam covers college level course topics such as: microbiology, oral pathology and partial denture construction and design. Licensed denturists will be highly qualified denture health care providers.

Finally, the field of denturism has proven to lower the costs of dentures due to increased competition in the provision of dentures to the general public. Initiative 607 simply provides the citizens of Washington the **FREEDOM OF CHOICE** for their denture care. Upon passage of Initiative 607 Washingtonians will finally receive the same options that their neighbors have received for decades.

Official Ballot Title:

Shall persons other than dentists be licensed to make and sell dentures to the public, as regulated by a new state board of denture technology?

Rebuttal of Statement against

Millions of dollars have been donated by special interest groups to Washington's elected officials over the last 15 years in an attempt to restrict the legislature's ability to pass this issue. Democrats and Republicans have never had the chance to say **YES** or **NO** to I-607. Citizens for Affordable Denture Care consists of **hundreds of thousands** of Washingtonians who have already said **YES** to I-607's **Freedom of Choice**.

Now, **YOU** have the opportunity to choose.

Voters Pamphlet Statement Prepared by:

VALLAN CHARRON, Chairman, Citizens for Affordable Denture Care; HAROLD MOSS, Mayor of Tacoma; KURT ROEHL, member of Washington Denturist Association.

Advisory Committee: ALEXANDER G. SCHAUSS, Ph.D., Executive Director, Citizens for Health; JOHN J. DEMANOVICH, President, Retired Public Employees of Washington; MAX ROFFMAN, Board of Directors, Puget Sound Council of Senior Citizens; MARTHA KEMP, President, Washington State Retired Teachers Association; LARS HENNUM, President, Washington State Council of Senior Citizens.

The law as it now exists:

Current law defines the furnishing or fitting of dentures (sometimes called "false teeth") as an element of the practice of dentistry. No person may legally prescribe or furnish dentures to a patient except a licensed dentist, or a person working under the direct supervision of a licensed dentist. "Denturists" are not currently licensed in the State of Washington.

The effect of Initiative Measure 607, if approved into law:

This measure would allow a new category of persons, licensed as "denturists," to examine patients and make and fit dentures. The measure creates a state board of dental technology, which would establish standards for the practice of denturism, administer tests and examinations, issue and renew licenses for qualifying denturists, and have authority to discipline denturists who violate professional standards. A denturist could supply dentures directly to patients without the supervision or involvement of a dentist. However, denturists and dentists would be free to practice together if they wished, and dentists would still be permitted to furnish dentures as a part of their practice.

Statement against

PROTECT SENIOR CITIZENS AND OTHER DENTAL PATIENTS - VOTE NO ON I-607

VOTE NO ON I-607 TO PROTECT PUBLIC HEALTH.

This initiative is a threat to public health. Obtaining dentures is not like having a pair of shoes fitted at the local mall or buying magnifying eyeglasses at the drug store. Providing partials (removable bridges attached to natural teeth) and dentures (false teeth) is a complex health care service and is part of overall dental care requiring the expertise of your dentist.

VOTE NO ON I-607 TO MAINTAIN OUR HIGH DENTAL STANDARDS.

A few dental lab technicians can acquire a quick license through a loophole hidden in the fine print of I-607. These technicians have no formal training in hands-on patient care. Senior citizens and others could place their oral health in the hands of unqualified technicians without the training to recognize unhealthy conditions. An ill-fitting denture or bridge destroys bone and teeth. Health care is too serious to "let the buyer beware!"

VOTE NO ON I-607 TO SAY THAT ILLEGAL PAID SIGNATURE GATHERING IS WRONG.

I-607 is backed by a small group who paid \$200,000 to manipulate the process by collecting signatures illegally. These few technicians who would gain a quick license have lobbied the legislature for years and both Democrats and

Republicans have said "NO!" I-607 lacks public support. It only benefits the few technicians who paid to get this initiative on the ballot.

Vote for Good Oral Health

Vote Against Manipulation

Vote NO on I-607

Rebuttal of Statement for

Forty-five states prohibit denturism, forty-nine prohibit fitting partial dentures.

The "grandfather clause" **will** allow the I-607 sponsors to become licensed **without** attending an accredited school (**see section 10.1-3 and 18.3**).

I-607 **does not** require sanitation controls to protect against infectious diseases.

I-607 is **not** an economic issue. Dentures and partials represent **less than one-half of one percent** of dentists' insurance claims.

I-607 is radical health care deregulation opposed by the **Gray Panthers**.

REFERENDUM BILL 43

CHAPTER 7, LAWS OF 1994,
1ST SPECIAL SESSION

Note: The explanatory statement was written by the Attorney General as required by law. The ballot title was submitted as part of Referendum Bill 43. The complete text of Referendum Bill 43 begins on page 15.

Vote cast by the 1994 Legislature on final passage:

House: Yeas, 51; Nays, 43; Absent, 0; Excused, 4.
Senate: Yeas, 26; Nays, 20; Absent, 0; Excused, 3.

Statement for

GET TOUGH, BE SMART

Referendum 43 funds a comprehensive attack on drugs and violent crime.

It continues funding for important and proven efforts to prevent drug abuse and prosecute drug crimes:

- Prosecutors to go after drug dealers;
- School security personnel to protect our children;
- Alcohol and drug testing for criminals on parole;
- Intervention, treatment and prevention programs for youth and troubled families.

It pays for new steps to fight violent crime by young people:

- Tougher sentences for violent youth;
- Tougher sentences for drive-by shootings;
- Tougher sentences for crimes involving guns;
- Prosecution and sentencing of serious juvenile offenders as adults.

We need to be tough and smart to fight drugs and violence. Referendum 43 is a tough, smart strategy.

GIVING PARENTS, COMMUNITIES A VOICE

Parents, working with their neighbors and community leaders, will choose which strategies to fund in their local communities. But efforts will have to show results or lose their funding, so taxpayers won't keep paying for programs that don't work.

NO NEW TAXES

These efforts are funded by cigarette, alcohol, and pop syrup taxes, most of which have been in place since 1989. There are **no new taxes** in Referendum 43, though it increases the tax on cigarettes and greatly reduces the tax on pop. Alcohol taxes stay the same.

Official Ballot Title:

Shall taxes on sales of cigarettes, liquor, and pop syrup be extended to fund violence reduction and drug enforcement programs?

The law as it now exists:

The 1993 legislature enacted temporary additional taxes on the sale of wine, beer, spirits, and cigarettes, and provided that the revenues from these taxes would be used to pay for drug enforcement and educational programs.

BACKING UP TOUGH TALK

Initiative 601 requires your approval to continue funding for these important, proven efforts. Without your "Yes" vote, the dedicated funding for these efforts will disappear.

A "Yes" vote says keep up the fight against drugs and violence in our communities — and fight even harder.

Vote "Yes" on Referendum 43.

For more information, call (206) 627-4343.

Rebuttal of Statement against

Referendum 43 has *no new taxes*. It continues funding for crime fighting actions working since 1989. Referendum 43 is about strengthening the front-line fight for safer schools and neighborhoods. Funding, mostly from cigarettes, goes *only* to fight drugs and crime with proven steps like DARE, tougher sentences for violent juveniles and special drug crime prosecutors. Police, prosecutors and parents support Referendum 43 because it's vital to our future. Vote "YES" to combat drugs and violence.

Voters Pamphlet Statement Prepared by:

MARLIN APPELWICK, State Representative; MARCUS GASPARD, State Senator; BRIAN EBERSOLE, Speaker, State House of Representatives.

Advisory Committee: PAMEAKES, Chair, Mothers Against Violence in America; REV. DR. SAMUEL B. McKINNEY, Senior Pastor, Mount Zion Baptist Church; NORM MALENG, King County Prosecutor; JOHN A. MOYER, M.D., State Senator; MIKE PATRICK, Executive Director, Washington State Council of Police Officers.

These taxes are scheduled to expire on July 1, 1995. In addition, the 1991 legislature imposed a tax on the sale of carbonated beverages and syrup, with the revenue also to be placed in the drug enforcement and education fund.

The effect of Referendum Bill 43, if approved into law:

This referendum is on the tax portions of E2SHB 2319, entitled "an act relating to violence prevention." The bill contains a number of provisions, including: planning for public health services improvements, community health and safety networks, revising firearm-related crimes and sentencing, revising the laws on licenses to carry firearms, authorizing local governments to enact curfew ordinances and other public safety laws, violence-reduction programs in the schools, and measures to reduce the effects of violence on television. To pay for these new programs, the bill would indefinitely extend the 1993 taxes on sale of wine, beer, and spirits, and would extend the cigarette sales tax

while increasing it from one and one half mills to five and one-fourth mills per cigarette. The 1991 carbonated beverage tax would be revised to one dollar per gallon on the sale of syrup for use in carbonated beverages. All these taxes would be placed in a violence reduction and drug enforcement account. This referendum is on the tax portions of the bill, and would not directly affect the remainder. However, the bill provides that certain sections relating to enhanced sentences for crime will automatically expire on July 1, 1995, if the voters reject this referendum. There are other taxes on the sale of liquor and cigarettes which would not be affected by this referendum.

NOTE: As indicated in the explanatory statement by the Attorney General the amendments made in certain sections of Chapter 7, Laws of 1994, 1st Special Session, (the Youth Violence Bill) will expire on July 1, 1995, if the referendum is not approved by the voters. A copy of those sections can be obtained by calling the Voter Hotline at 1-800-448-4881.

Statement against

REFERENDUM 43: VOTE YES AND YOU'RE THE VICTIM.

It's bad enough that Washington citizens live in fear of being victimized by violent criminals. But voting for Referendum 43 will make taxpayers victims *again*—victims of those in Olympia who spent \$16 billion for bigger government, and now want to raise your taxes \$114 million for public safety.

Vote NO on Referendum 43 and tell Olympia to fund anti-crime efforts *first* and bureaucracy *last*.

\$1 IN PUBLIC SAFETY FOR EVERY \$3 IN SOCIAL PROGRAMS.

Referendum 43 will raise taxes \$114 million. But for every dollar the Youth Violence Prevention Act would spend on public safety, it would spend \$3 for the kinds of government programs that have allowed the number of violent crimes to jump 93% in less than 18 years.

PUBLIC SAFETY NEEDS PRIORITY SPENDING AND ACCOUNTABILITY, NOT HIGHER TAXES.

Think we need new taxes to cover a huge prison budget? Think again.

Prison costs are just 2.5% of the state budget. And while millions of our tax dollars are still being spent on state travel, retreats, office furnishings and equipment, a brand-new prison sits empty near Spokane because the Legislature wouldn't provide \$7 million from the state's \$337 million savings account to open the doors.

New taxes will reward big-spending bureaucracy with more money to spend, without significantly reducing crime.

VOTE NO AND FORCE LAWMAKERS TO FUND PUBLIC SAFETY FIRST.

A vote *against* Referendum 43 will give lawmakers 9 months to revise the law and make public safety a top budget priority. We *can* get violent criminals off our streets without new taxes. Vote *no* and force legislators to reduce wasteful spending and put the savings into community law enforcement, public protection and more jails for criminals.

Rebuttal of Statement for

Tax-increase supporters say, "Referendum 43 has no new taxes." But we'll pay millions more in taxes if Referendum 43 is approved — taxes we don't need.

Criminal justice funding will NOT automatically disappear if you vote "No." Legislators have a year — and enough money — to fund public safety programs with *existing revenues*.

Please vote "No" on Referendum 43. Tell lawmakers to make our safety top priority, and pay for public safety *first* — without new taxes.

COMPLETE TEXT OF Initiative Measure 607

AN ACT Relating to denturism; amending RCW 18.120.020 and 18.130.040; adding a new section to chapter 48.20 RCW; adding a new section to chapter 48.21 RCW; adding a new section to chapter 48.43 RCW; adding a new section to chapter 48.44 RCW; adding a new section to chapter 48.46 RCW; adding a new chapter to Title 18 RCW; and creating a new section.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The state of Washington finds that to realize the state's current statutory policy of regulating health professions at the least restrictive level consistent with the public interest, a program of licensure for denturists should be established. The intent of the legislature is to help assure the public's health, provide a mechanism for consumer protection, and offer cost-effective alternatives for denture care services and products to individual consumers and the state.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) "Board" means the state board of denture technology.
- (2) "Denture" means a removable full or partial upper or lower dental appliance to be worn in the mouth to replace missing natural teeth.
- (3) "Denturist" means a person licensed under this chapter to engage in the practice of denturism.
- (4) "Department" means the department of health.
- (5) "Practice of denturism" means:
 - (a) Making, placing, constructing, altering, reproducing, or repairing a denture; and
 - (b) Taking impressions and furnishing or supplying a denture directly to a person or advising the use of a denture, and maintaining a facility for the same.
- (6) "Secretary" means the secretary of health or the secretary's designee.

NEW SECTION. Sec. 3. (1) Before making and fitting a denture, a denturist shall examine the patient's oral cavity.
(a) If the examination gives the denturist reasonable cause to believe that there is an abnormality or disease process that requires medical or dental treatment, the denturist shall immediately refer the patient to a dentist or physician. In such cases, the denturist shall take no further action to manufacture or place a denture until the patient has been examined by a dentist or physician and the dentist or physician gives

written clearance that the denture will pose no threat to the patient's health.

(b) If the examination reveals the need for tissue or teeth modification in order to assure proper fit of a full or partial denture, the denturist shall refer the patient to a dentist and assure that the modification has been completed before taking an impression for the completion of the denture.

(2) A denturist who makes or places a denture in a manner not consistent with this section is subject to the sanctions provided in chapter 18.130 RCW, the uniform disciplinary act.

(3) A denturist must successfully complete special training in oral pathology prescribed by the board, whether as part of an approved associate degree program or equivalent training, and pass an examination prescribed by the board, which may be a part of the examination for licensure to become a licensed denturist.

NEW SECTION. Sec. 4. No person may represent himself or herself as a licensed denturist or use any title or description of services without applying for licensure, meeting the required qualifications, and being licensed as a denturist by the department, unless otherwise exempted by this chapter.

NEW SECTION. Sec. 5. Nothing in this chapter prohibits or restricts:

- (1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this state and who is performing services within the authorized scope of practice;
- (2) The practice of denturism by an individual employed by the government of the United States while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States;
- (3) The practice of denturism by students enrolled in a school approved by the department. The performance of services must be pursuant to a course of instruction or an assignment from an instructor and under the supervision of an instructor; or
- (4) Work performed by dental labs and dental technicians under the written prescription of a dentist.

NEW SECTION. Sec. 6. (1) The state board of denture technology is created. The board shall consist of seven members appointed by the secretary as follows:

- (a) Four members of the board must be denturists licensed under this chapter, except initial appointees, who must have five years' experience in the field of denturism or a related field.
- (b) Two members shall be selected from persons who are not affiliated with any health care profession or facility, at least one of whom must be over sixty-five years of age representing the elderly.
- (c) One member must be a dentist licensed in the state of Washington.
- (2) The members of the board shall serve for terms of three

years. The terms of the initial members shall be staggered, with the members appointed under subsection (1) (a) of this section serving two-year and three-year terms initially and the members appointed under subsection (1) (b) and (c) of this section serving one-year, two-year, and three-year terms initially. Vacancies shall be filled in the same manner as the original appointments are made. Appointments to fill vacancies shall be for the remainder of the unexpired term of the vacant position.

(3) No appointee may serve more than two consecutive terms.

(4) Members of the board shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(5) A member of the board may be removed for just cause by the secretary.

NEW SECTION. Sec. 7. (1) The board shall elect a chairperson of the board annually. The same person may not hold the office of chairperson for more than three years in succession.

(2) A majority of the board constitutes a quorum for all purposes, and a majority vote of the members voting governs the decisions of the board.

NEW SECTION. Sec. 8. The board shall:

(1) Determine the qualifications of persons applying for licensure under this chapter;

(2) Prescribe, administer, and determine the requirements for examinations under this chapter and establish a passing grade for licensure under this chapter;

(3) Adopt rules under chapter 34.05 RCW to carry out the provisions of this chapter;

(4) Set all licensure, examination, and renewal fees in accordance with RCW 43.70.250;

United States Senator

Ron SIMS

Democrat

Campaign Address:
Ron Sims for U.S. Senate
233 6th Avenue N.
Seattle, WA 98109
Telephone: (206) 448-7010

Dear Washingtonian,

Long ago, I asked my father, a Spokane minister, whether I should follow his steps into the ministry or turn to public service. He advised service. Today, after graduating from Central Washington University in Ellensburg, and working for the Washington Attorney General, the Federal Trade Commission, and the Washington State Senate, I am

serving my third term on the King County Council. At 46, I am a candidate for the U.S. Senate because I want to fight for hardworking middle class families, for our children, and for seniors.

I have tried to live a life of service in my job, as a husband and father of three, and in my community as a volunteer school tutor, a lay minister for Operation Nightwatch working to help young people get off the streets, as a coach, and as a volunteer hospital chaplain for the terminally ill.

Public safety and fiscal responsibility were my priorities as Chair of the Council's Finance Committee. I added police, pioneered the use of DNA coding and an Automated Fingerprint Identification System, and created a registry of convicted sex predators. I made sure funding for senior services and programs for women and children continued, but by holding the line on spending I created new financial reserves and earned King County one of the nation's top credit ratings.

I have tried to say with my life that our echoing footsteps will create our children's tomorrows. I want to be a Senator whose hands and heart and mind will be there for all of us. Please help me with your vote.

Thank you,
Ron Sims

Endorsed By: The Washington Education Association, Washington Federation of Teachers, Sierra Club, National Organization for Women, International Association of Machinists and Aerospace Workers, and eighteen other organizations representing Washington's working families.

Slade GORTON Republican

A fire burns within me because I know that if I and a few more like-minded people are elected to the U.S. Senate this year we can begin turning things around for a safer and more prosperous Washington state and America.

The direction being set by today's dominant majority in Washington D.C. is wrong. I believe passionately that there is a better way. Their way is toward a more centralized and expensive federal government. Their way takes money and choices away from families and communities. They want to decide 3,000 miles away what is best for us in our neighborhoods, schools and doctors' offices. Their way means less freedom, fewer choices, decreased individual responsibility, more taxes and deficits.

This is your choice: If you want just another Senator who will support the majority that dominates Washington D.C. today, vote for my opponent. But, if you agree with me that there is a better way and you want a voice to balance today's majority — then I would appreciate your vote because mine is a different direction.

My agenda is simple: I work for jobs, personal safety and a clean Washington state.

My faith is not in centralized federal decisions. Instead I believe in the ability of people, families and communities to decide better for themselves. Whether the issue is education, creating jobs, health care, or fighting crime — my faith is in you. My direction is toward empowering you and your family to give you the maximum freedom to make the best choices about your own life and your own future. I work for you.

Do you want one more Senator who thinks like the dominant majority or do you want Slade Gorton — a voice for balance and a different direction?

Jolene UNSOELD

Democrat

Campaign Address:
Unsoeld Campaign
609 Main Street
Vancouver, WA 98660
Telephone: (206) 750-9272

Jolene puts us first. She fought for family leave to protect jobs and families of working parents. She fought for tax relief for 15 million working families to reward work over welfare. She fought for tax benefits for 94 percent of small businesses. She fought to cut big government by eliminating 250,000 federal bureaucratic positions

and to make our allies pay their share of their own defense. Jolene forced the international ban on foreign driftnets. Jolene fights for change — and she wins!

Jolene believes the root cause of violence begins at a very early age — with troubled families in the home. The key to breaking the cycle of violence begins in early childhood and addresses our disintegrating sense of community and failure to instill in many young people the moral fiber they need in life. Jolene got Head Start expanded to provide appropriate early intervention. She encouraged partnerships between businesses and schools and fought for greater educational opportunity for middle class families.

Jolene believes our families deserve to live in communities free of violence and crime. If someone commits a violent crime, why wait for three strikes? Put them away — period. We need early intervention providing juvenile offenders "shock incarceration" and treatment.

Every American who works hard and has played by the rules deserves quality health care that can never be taken away. More than 80 percent of the uninsured are working families. That's wrong and Jolene's fighting to change it.

She fought to protect Medicare and to make Social Security independent.

Compare the records: the choice is clear. Jolene fights for change and puts us first. She has the energy, the guts, and the integrity we need.

Let's keep Jolene Unsoeld working for us. On the issues that matter, she fights for Southwest Washington's working families — and wins!

Linda SMITH

Republican

Campaign Address:
Committee to Draft
Linda Smith
8904 N.E. Hazel Dell Avenue
Vancouver, WA 98665
Telephone: (206) 574-5060

Most candidates file for office, very few, like Linda Smith, are drafted by their supporters. We, the people of Southwest Washington, made Linda our candidate for Congress through an unprecedented write-in campaign. The establishment said it couldn't be done. But Linda has, more than once, turned the establishment on its side, which is why the people put her on the ballot this November.

Her write-in campaign was one more victory for the people who have worked with Linda to change government.

She's been called the "mother of initiatives," having successfully passed two statewide measures aimed at cleaning state government.

She authored Initiative 601, The Taxpayer Protection Act. State voters approved this measure to end runaway government spending. It puts state government on a diet through sensible spending controls. Voters have approved another Smith sponsored effort — Initiative 134, campaign finance reform. This curbed the power and influence of PACs and special interests. It ended the practice of Olympia lawmakers from flooding their districts with public-paid mailings during election years.

As a lawmaker representing Southwest Washington, Linda has fought to protect the retirement checks of senior citizens. She has made sure our most vulnerable citizens have a voice in Olympia.

While Linda has been working to reduce state spending, Congress has been increasing federal spending adding to the tax burden on families.

While Linda has been pushing for higher ethical standards for state lawmakers, Congress has been caught trying to cover up the "post office scandal," which some elected officials profited from.

It's time to reform Congress. Linda Smith has the experience and support to get results for working families through spending controls, congressional reforms and campaign finance reform.

Voters deserve change; Linda Smith delivers change. Let's turn the establishment on its side by voting for Linda Smith, Congress, 3rd.

Caitlin Davis **CARLSON**

Gun Control Party

Campaign Address:
Washington Gun Control
7021 Monaco Park S.E.
Tumwater, WA 98501
Telephone: (206) 754-6631

Our country is experiencing an epidemic of gun violence. Last year, nearly 30,000 Americans were killed by guns. It's time that we do something about it.

Representative Unsoeld doesn't think guns are a problem. While accepting huge contributions from the National Rifle Association,

she blindly opposes reasonable gun control. Unsoeld voted against the Brady Bill and against the assault weapons ban. She even submitted a bill proposing that U.S. gun makers sell copies of outlawed foreign assault weapons. The next day, the N.R.A. gave her \$4,950.

Unsoeld has sadly let special interest money take over her legislative decisions.

I propose a five point program to reduce gun violence. It includes a federal registration and background check system; safety training for new gun owners; safety standards for gun manufacturers; a ban on assault style firearms; and taxes on gun manufacturers' profits to pay for the program.

These measures won't end gun violence, but they will help. They will **not** take guns away from responsible citizens.

There is another good reason to vote for me. In a district where unemployment is high and money worries are common, it's shameful to waste millions of dollars on dirty and negative political campaigns.

That's why I limit contributions to \$25. You are invited to contribute.

You may not agree with all of my principles, but I call it like I see it and I have only the public interest in mind. If you send me to Congress, I'll be an honest advocate for the **people** of this district, uncompromised by special interests.

I am the only person in this race who can tell you that truthfully.

Nonpartisan

Campaign Address:
Committee to Elect
Phil Talmadge
P.O. Box 46417
Seattle, WA 98146
Telephone: (206) 340-4616

Phil Talmadge, an experienced legislator and nationally-honored appeals lawyer, knows that the Supreme Court, like other governmental institutions, must change to serve us:

Work Harder for Justice - Our appellate courts are congested. Some cases wait for more than a year to be decided. That's too long. The Supreme Court should work with the Court of Appeals, taking more cases to reduce the backlog.

More Affordable Justice - Arbitration and mediation should be used more often as an alternative to traditional litigation, which can be expensive and traumatic for those seeking justice.

Concern for Children, Families and Crime Victims - The courts need to be sensitive to the needs of crime victims, children, and families. Phil, who wrote the laws against child abuse and domestic violence, knows that the administration of our juvenile justice system must be improved.

Phil's campaign has received support from the State Council of Police Officers, the State Patrol Troopers Association, the Washington Council of Firefighters, the State Labor Council, the Federation of State Employees, the Hispanic Bar Association and the Seattle Firefighters. Phil is rated "exceptionally well qualified" by the Loren Miller Bar Association and Washington Women Lawyers.

GENERAL ELECTION

INTRODUCTION TO LOCAL VOTERS PAMPHLET

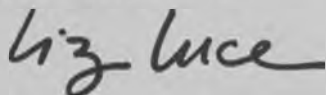

We the people

"We the people of the United States, in order to form a more perfect union, establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare and secure the blessings of liberty to ourselves and our posterity, do ordain and establish the Constitution of the United States of America."

These familiar words, submitted to the Constitutional Convention more than 200 years ago, reflect the determination of a people that lives today. The goal of the founders of the Constitution of the United States was to establish a nation based on the rights and will of the people. It was an unprecedented aim for its time. But because it was an ideal that rang true, the strength and convictions of those who wrote the Constitution remain alive through today's elective process.

Each time we vote, we the people uphold the basic precepts on which our nation and local community were born. And the power of the vote and the will of the people is evidenced each time a vote is cast in a city, county, state or federal election. The decisions made at the polls are felt in our schools, fire districts, courthouses and neighborhoods.

On November 8, Clark County voters will exercise their voting rights. You'll be doing so in a year that marks the 150th anniversary of Clark County government. This is your community and your opportunity to carry on an important tradition of democracy. This pamphlet contains information to help voters make informed decisions as you carry out that tradition at the polls. We hope you'll read it and that you'll vote this fall.

BEN GASSAWAY
DEMOCRAT

I am dedicated to keeping Clark County the beautiful safe place, that I have enjoyed these past thirty years, for my 10 children and 14 grandchildren. I have chosen to contribute by putting together a professional team as committed as I am to building an excellent assessment program. We are consistently fine tuning the system to provide fair and equitable assessments, while meeting the challenge of increased workload brought about by rapid county growth. Through my commitment to open fair information for the community, my office is identified as one of the top county offices in customer service by an independent survey. The Geographic Information System I administer for the county has proven invaluable not only to the assessment program but to other county departments, cities, and agencies throughout the county. The Clark County Assessment and GIS programs are viewed as a model to emulate throughout the state.

LIZ LUCE
DEMOCRAT

As Auditor, Liz Luce's management and leadership skills have made Clark County government more accountable, efficient, responsive and ethical.

Accountability comes from a sewer audit which saves taxpayers \$500,000 every year. Efficiency is achieved by cutting red tape to get the disabled "same day" parking permits. And Liz's responsive customer service philosophy assures that people who need registration, licensing, and recording services are helped quickly, and treated with respect.

Liz's ethical, and non-partisan management of elections is well known. Voter registration is at record levels. Liz's legislative skills helped win state approval for permanent absentee ballots and vote by mail.

Liz hires good people, listens to the public, and uses common sense. She has broad, bi-partisan backing for her re-election. Supporters recognize good government, and want to keep it.

Liz graduated from the University of Washington. She is married to Jim Luce and has two children, Tom and Anne.

JEANNE SCHAEFER
REPUBLICAN

I have twenty-eight years accounting experience that includes a working knowledge of Accounts Payable, Cost Accounting, Office Management, Accounts Receivable, Auditing and Research, as well as skills in other related fields.

A first priority will be a full and complete Audit of all County Funds. This process has been omitted for the last several years. However, I feel it is necessary to determine exactly how County money is being spent and possibly wasted through duplication and wasteful practices.

There are several other items that need attention as well. The Budgeting process should be returned to the Auditor's office. This function was taken over by the Commissioner's office in 1994, there-by removing it from the oversight of the duly elected and responsible official.

A more accurate accounting system would enable our policy making officials to make better decisions.

JO ANNE MCBRIDE
DEMOCRAT

Serving the Clerk's Office for 14 years, and as your County Clerk for nine years, I am proud of a highly trained and committed staff; and of the reputation of quality and trust my office has with the people we serve. We are recognized as one of the finest in the state. Yet we still maintain the lowest budget in the law and justice system.

The Clerk's position is one that requires a great deal of legal knowledge and court administrative experience. I am a Graduate Fellow for Court Administration from the Supreme Court of the United States, the Institute for Court Management, and the University of Washington School of Public Affairs.

In an era of cut-back management and dwindling revenues, it is imperative to have a clerk with the education, experience, and ability to maintain the high level of professionalism that the office has achieved. I am that person!

CARMELA SUE SCHAVE
REPUBLICAN

A twenty year resident, I recognize the need for responsible and responsive leadership in county government. Clark County has experienced tremendous growth and now demands change!

Changes in efficiency, accounting practices, and more responsive accessibility is called for in the Clerk's office. Furthermore, changes resulting in less contracted services will save taxpayer dollars.

I recently earned an Associate in Arts and Sciences degree and a Bachelor's of Science degree (History and Political Science). I understand legal processes through my recent fellowship with Gonzaga Law School. Involvement in local youth, civic, and scholastic organizations prepared me in administrative, interpersonal, and communication roles necessary for this office. My Army training consisted of finance, payroll, and clerking processes.

I can bring to the clerk's office a sense of renewed purpose, and with careful and thoughtful analysis, reduction of the clerk's budget. Now's the time for changes that will accurately reflect the public's needs.

The Clark County Treasurer's Office has become one of the most progressive offices in treasury management in the State of Washington. Such innovative programs include: local investment pool; debt management (1994 National Association of County Officials Award winner); delinquent receivable collections; investment advisory board; and automated tax information system.

These programs reflect the continued improvement in office activities that help control cost and increase revenues and return on investments.

A continuing priority of the Treasurer's Office is customer service. With over 190,000 accounts to administer, I will work toward automating and enhancing a number of programs including: a new receivable system; electronic payment of taxes; pay stations at community service centers; and full utilization of the computerized phone system which would improve customer service.

It is my goal to continue to improve treasury services for all Clark County taxpayers now and in the future.

The past four years have brought major changes to our Clark County District Court. In 1992 I commissioned a study of the Court's operations which resulted in many improvements. As Presiding Judge, I requested an audit of the Court's financial operations and authorized faster methods of processing funds.

In the next four years I will work to consolidate gains made to date and continue the reform of the system. I will also emphasize the application of new technology to Court operations and the automation of the clerk's office for increased efficiency. In striving to accomplish these things I will always keep in mind that a consistently high level of performance on the bench is the most important function of a Judge.

I look forward to four more years of interesting and challenging service to our judicial system and the people of Clark County.

I am currently President of the Clark Public Utilities Board of Commissioners and am seeking my third term. The utility industry is changing rapidly, and the changing times call for an experienced leader. I have helped lead the utility's move away from total reliance on the Bonneville Power Administration for our power. Following years of study, the utility's commissioners recently decided to construct a gas turbine that will significantly reduce our dependence on BPA. My experience will make this a reality.

I also support expanding conservation programs where they make economic sense. The utility's "No Stone Unturned" review of activities will continue to look for ways to reduce costs in order to keep rates stable into the future.

I ask for your support and look forward to continuing to serve as your Public Utility Commissioner.

CITY OF VANCOUVER

PROPOSED CITY CHARTER AMENDMENT NO. 1

Official Ballot Title:

Shall a new Charter Section 2.18 be added to provide for a citizen commission to determine and establish salaries for the Mayor and City Councilmembers as contemplated in Resolution M-2910?

YES _____ NO _____

Statement for:

This proposal would prevent the elected officials of the City of Vancouver from setting their own salaries.

An Independent commission of five city residents would be appointed by the mayor with approval of city council to review wages and make a final report within four months of their findings and recommendations.

The final report shall take effect 30 days after filed with the city clerk and can be subject to referendum of the voters.

Current practice and law prevent elected officials from receiving an increase they vote for while in office. In some cases, members of our city council have had to wait two and one-half years to receive an increase, while others who have been recently elected serve at the new and higher rate of pay. A vote for this measure will take the mayor and city council out of the business of setting their salaries and having to wait years to receive an increase after it is approved.

The Vancouver Mayor and City Council have had one wage increase in 14 years.

A vote for this measure will clear up many inequities in the present situation.

The Charter Review Committee recommended approval of this proposal by an 11-1 vote.

Tom Burkholder

Explanatory Statement of Ballot Measure:

Addition of new Section 2.18 to City Charter to Provide for Citizen's Commission on Mayor/Council Salaries

The City Charter now provides that the salaries of the City Councilmembers and the Mayor may be changed by ordinance, voted upon by the City Council.

If this amendment is adopted, salaries for the Mayor and Councilmembers would instead be set by an independent five-member Citizen's Commission on Mayor/Council Salaries.

Commission members would be appointed by the Mayor, subject to approval of the Council. Members would serve without compensation; would have four year terms unless removed for specific reasons; and could not be City officers, officials, employees or their relatives.

Statement against:

Having city council appoint their own committee to review their compensation packages guarantees us, the citizenry only one thing. It guarantees a move toward full time professional politicians running our city. Hand in hand with big salary demands and an inflexible unfavorable devotion to big money special interests.

As we can see on a regular basis at County, State, and Federal level most professional politicians do not remain champions of the people. These positions should remain purely "volunteer" positions, to be filled by volunteers who are civic minded, noble and gracious enough to donate their time and efforts to hopefully enhance our city, enabling us, the citizenry a safe, livable, and enjoyable environment to live, work, play and flourish.

Don't choose to pay more for bad decisions. If city council members want to be professional paid politicians, tell them to turn off the smoke screen, step into the light, and ask us themselves.

PROPOSED CITY CHARTER AMENDMENT NO. 2

Official Ballot Title:

Shall Charter Section 3.04 be amended to clarify that the City Council, Council committees, and Councilmembers may directly seek legal assistance from the City Attorney as contemplated in Resolution M-2911?

YES ____

NO ____

Statement for:

The purpose of this charter amendment is simple: To clarify the existing ability of individual city council members to seek advice from our city's legal department.

The amendment is supported by the majority of members of the City of Vancouver Charter Review Committee.

Protecting the capability of our elected officials, collectively or individually, to represent the diverse interests and concerns of our citizenry within the law is a fundamental tenant of representative government. Clarifying the relationship between council members and our city attorney's office simply reinforces that fact.

It is a fact that needs clarification. In the ordinary course of events, the city attorney reports to the city manager as would any other department head. To some this implies the city manager has inherent power or authority over the city attorney's office beyond city charter guidelines regarding appointment and removal. Specifically, there is concern that current charter language does not fully protect an individual council member's unimpeded access to advisory services of the city attorney's office.

Correcting charter language through this amendment specifically supports contemporary case law, professional attorney principles and practices and current city standards. It also reinforces the open, balanced and responsive traditions of our city government.

And, finally, it neither enhances nor reduces the powers and duties of the city council, city manager or city attorney as prescribed in the current City Charter.

Explanatory Statement of Ballot Measure:

Amendment of Section 3.04 (Council Not to Interfere)

Section 3.04 of the City Charter now prohibits the City Council, Council committees and Councilmembers from giving orders to subordinates of the City Manager. It does not prohibit Council from discussing city affairs with the Manager or department heads at Council meetings.

Section 3.06 of the Charter provides for the City Attorney to advise the City Council, Manager and other City officers on legal matters connected with their duties.

This amendment would clarify that Section 3.04 does not prohibit City Council, Council committees, and Councilmembers from seeking legal assistance from the City Attorney outside of Council meetings.

Statement against:

The present City Charter establishes a good, practical and sound relationship between and among the council, the city manager and the city attorney.

Charter Section 3.03 accordingly provides that the city attorney can be appointed or removed only by joint action of the manager and council. This provision, which applies to no other city employee, is to ensure that the city attorney can give frank and independent legal advice to both the city manager and the city council, and can be responsible to each of them.

To date, the city attorney's office has and will continue to provide advice, draft ordinances and resolutions, etc., at the request of council and its individual members.

CITY OF VANCOUVER

PROPOSED CITY CHARTER AMENDMENT NO. 3

Official Ballot Title:

Shall Charter Section 6.10 be amended to provide that contracts for city improvements be awarded to the lowest most responsible bidder as contemplated in Resolution M-2912?

YES _____ NO _____

Statement for:

A responsible bidder is anyone who meets the minimum requirements, under state law, which indicate the ability to complete a contract. The current city charter requirement is to take the lowest bid offered with few exceptions. Anyone who has remodeled their home or business or had new construction done knows from experience that the cheapest price is not always the best price. When the job has to be redone in a few years or a few months because of poor quality workmanship, the cost is always more than if it were done right the first time. The charter change will allow the city to select the lowest bid by the highest quality bidder. There has been several occurrences in the last ten years where the city was prevented from choosing the best bidder because they were not the lowest bidder, and as a result had to start repairs on the project earlier than expected or have it completely redone. This change can only save tax dollars in the long run.

The charter already allows for the most responsible bidder for the purchase of supplies, materials, and equipment in Section 6.09. It has worked well for these purchases and it will work well for improvements. The proposed change also makes the charter consistent with itself.

Section 6.10: Award of Contracts for City Improvements to the Lowest, Most Responsible Bidder

Section 6.10 of the City Charter now provides that contracts for city improvement projects over an amount set by ordinance must be awarded to the lowest responsible bidder.

This means that the low bidder must get the contract if it meets the minimum legal standard for responsibility.

By inserting the word "most" in Section 6.10, the amendment would give the City the more discretion to award bids on the basis of the quality of bidders' past performance, not just price.

PROPOSED CITY CHARTER AMENDMENT NO. 4

Official Ballot Title:

Shall Charter Section 8.04 be amended to provide for representation on the Parks and Recreation Commission from each school district which has territory within the city limits of Vancouver and for up to nine additional members to be appointed at large from City residents as contemplated in Resolution M-2913?

YES _____ NO _____

Statement for:

The Vancouver City Charter established in 1955 established the citizens advisory Parks and Recreation Commission. This commission is appointed by city council and advises staff and city council on matters pertaining to Parks and Recreation plans and service needs. The commission currently has six members appointed at large and one member representing the Vancouver School District. With current and future annexations, the city population will grow and boundaries will extend into larger portions of the Evergreen School District.

The proposed charter change would add a representative of this school district and allow up to nine additional citizen members to be appointed to the commission. The additional members are necessary to assure representation with future city growth.

David E. Kenny

Explanatory Statement of Ballot Measure:

Section 8.04 Regarding Parks and Recreation Commission Membership

Section 8.04 of the Charter now provides for a seven-member Parks and Recreation Commission. One of the seven members must be a member of the Vancouver School District administration.

This amendment would assure that each school district with territory in the City limits has a representative on the Commission. Both the Vancouver and Evergreen School Districts presently have territory in the City.

It would also allow up to nine additional members to be appointed to the Commission.

Statement against:

The purpose of the Vancouver City Charter is to provide a broad based document, which allows for flexibility in adapting to changes within our city government. The validity of adding to membership to the Parks and Recreation Commission, before annexation is completed, should be questioned.

Regulations, ordinances, etc. are easier to change than amendments within the City Charter. It would be wiser if the Parks and Recreation Commission waited until the annexation process is completed, before assessing their membership needs.

WORLD WAR II 1944 VETERANS VOTE

"Our voting booth was simply a tree, and we had a lot of these... It was the first time I ever voted in any election and I recognized it as a special privilege, for that was one of the main principles we were fighting for."

Allan C. Barger

"Voting was a morale booster. After four years of war, it made me feel that what I was doing was important... I goofed! VOTING IN THE STATE OF WASHINGTON

Voter qualifications

To register to vote, you must be:

- A citizen of the United States
- A legal resident of Washington state
- At least 18 years old by election day

In the state of Washington, you do not have to register by political party or declare political party membership to vote in the state's regular primaries or general elections.

Registration deadlines

You may register to vote at any time, but you must be registered at least **30 days** in advance of an election if you wish to vote **at a polling place** on election day.

You may also register between 30 and 15 days before an election, but you must do so at a location designated by the county elections officer, and you will be required to vote by absentee ballot.

How to register

Washington citizens have access to several convenient methods of signing up to vote, including registration by mail and "Motor Voter" registration.

Mail-in registration forms are available from your county auditor or county elections department as well as many public libraries, schools and other government offices. You may also request a form by filling out the box at the right and mailing it to the Secretary of State.

"Motor Voter" registration is offered when you renew or apply for your driver's license. In most instances, a motor voter registration takes less than a minute to complete.

Change of residence

If you move to a **new** county, you must complete a new voter registration.

If you move within the **same** county, you do not need to re-register, but you must request a transfer of your registration. This can be done by calling or writing your county elections department, or by using a mail-in voter registration form.

NOTE: You must re-register or transfer your registration at least **30 days** before the election to be eligible to vote in your new precinct.

Absentee ballots

You may request an absentee ballot as early as 45 days before an election. (No absentee ballots are issued on election day except to hospitalized voters.)

Absentee ballots may be requested either by phone or by mail from the county elections officer. You may also apply — in writing — to automatically receive an absentee ballot before each election.

NOTE: Absentee ballots must be signed and postmarked or delivered to the county elections officer **on or before election day**.

Election dates and poll hours

State primaries are generally held on the third Tuesday in September. The presidential primary, conducted once every four years, is held on the fourth Tuesday in May, or on a date selected by the Secretary of State.

General elections are held on the Tuesday after the first Monday in November. Polling hours for all primaries and elections are **7:00 a.m. to 8:00 p.m.**

Voter information

If you need assistance with registration and voting, contact your county auditor or elections department.

Special services

The Office of the Secretary of State provides a toll-free voter information service to residents within the state of Washington. This service will be operated Monday through Friday from 9:00 a.m. to 8:00 p.m., beginning Wednesday, October 19, and continuing through the day of the election, November 8. In many instances, assistance can be provided to those who have difficulty reading this pamphlet because their primary language is not English.
