WASHINGTON STATE VOTERS PAMPHLET

State General Election, November 8, 1994

EDITION NO. 7

PUBLISHED BY THE OFFICE OF THE SECRETARY OF STATE

INTRODUCTION TO THE 1994 VOTERS PAMPHLET

During the past year, we have witnessed a number of 50th anniversary commemorations relating to key events of World War II. In keeping with the spirit of these observances, the 1994 Washington State Voters Pamphlet pays tribute to one of the lasting legacies of WWII — absentee voting.

While the state of Washington has provided for absentee voting since the early 1900's, the system really came into widespread use in the 1944 election. Voting by mail was the only option for the hundreds of thousands of U.S. service men and women who were serving their country overseas.

As World War II veterans returned home with the experience of voting by mail, absentee balloting became increasingly popular. The state of Washington pioneered several new methods of mail voting, including the permanent absentee ballot for senior citizens and the disabled, and the special service absentee ballot for members of the military and overseas voters.

Today, Washington is recognized as one of the most progressive states for voting by absentee ballot. Any registered voter may request an absentee ballot up to the day before the election (hospitalized voters may receive an absentee ballot on election day). And recently, the permanent absentee ballot program was extended to all registered voters (an application is available in the back of this pamphlet).

This year, Washington state continues its tradition of making voting as convenient and accessible as possible. Seven counties in our state conducted their September primaries entirely by mail, an approach which is helping to increase voter turnout and reduce election costs.

We applaud voters for making Washington state a leader in promoting citizen participation in voting and elections, especially those who served during World War II and helped popularize absentee voting. We offer those veterans our heartfelt thanks. They gave most of the world renewed freedom.

DISCLOSURE REQUIREMENTS FOR CONTRIBUTIONS

Contributions to Candidates and Political Committees: An individual may not give more than \$500 in the primary election and \$500 in the general election to a candidate for the state legislature. Individuals may only give a candidate for Governor, Lt. Governor and the other statewide executive offices a maximum of \$1,000 in the primary and \$1,000 in the general election. Individuals may give an unlimited amount to a political party, ballot issue committee or other political action committee. During the 21 days before the general election, however, a person may contribute no more than \$5,000 to a local or judicial office candidate, political party or other political committee. Contributions from corporations, unions, businesses, associations and similar organizations are permitted, subject to limits and other restrictions.

Registration and Reporting by Candidates and Political Committees: No later than two weeks after an individual becomes a candidate or a political committee is organized, a campaign finance registration statement must be filed with the Public Disclosure Commission (PDC) and the local county elections official. (Committees that form within three weeks of the election must register within three business days.) The candidate or committee treasurer is also required to report periodically the source and amount of campaign contributions over \$25 and to list campaign expenditures. The occupation and employer of individuals giving \$100 or more to a campaign must also be identified.

These reports are open to the public. Copies are available at the PDC Office in Olympia or at the county elections office in the county where the candidate lives. In addition, the campaign financial books and records of a candidate or committee are available for public inspection the last eight days (Monday through Friday) before each election. The campaign registration on file with PDC and the county elections office shows the time and place where the records may be inspected.

Independent Campaign Expenditures: Anyone making expenditures totaling \$100 or more in support of or opposition to a state or local candidate or ballot proposition (not including contributions made to a candidate or political committee) must file a report with the Public Disclosure Commission within five days. Forms are available from PDC or the county elections office. Also, all political advertising must identify the person paying for the ad.

Federal Campaigns: Contributions to U.S. Senate and House of Representative candidates are regulated by federal law. An individual may contribute a maximum of \$1,000 in the primary election and \$1,000 in the general election to each candidate for senator and representative. Corporations and unions are prohibited from contributing to federal campaigns. Copies of federal campaign finance reports are available from the PDC.

For additional information contact: the Public Disclosure Commission, 711 Capitol Way, Room 403, P.O. Box 40908, Olympia WA 98504-0908, (206) 753-1111; for federal campaigns, the Federal Election Commission, 1-800-424-9530.

FEDERAL INCOME TAX CREDITS & DEDUCTIONS FOR CONTRIBUTIONS

Political Contributions Tax Credit: The Federal Tax Reform Act of 1986 eliminated the personal tax credit previously allowed for political contributions.

As in the past, contributions or gifts made to political parties or candidates may not be deducted as a business expense. In addition, expenses paid or incurred to take part in any political campaign on behalf of a candidate for public office are not deductible as a business expense. Finally, indirect political contributions, such as advertising for a political party or admission to a program with proceeds going to a political party or candidate, may not be deducted as a business expense.

Presidential Election Campaign Fund Checkoff: Individuals, however, may make a deductible contribution to the Presidential Election Campaign Fund Checkoff. This fund was established to help pay for presidential election campaigns. \$3 may be taken (\$6 on a joint return) from an individual's taxes to go to a general fund, not for any specific party, to meet the expenses of the 1996 presidential election. The contribution will not increase your tax or reduce your refund.

THE OFFICE OF PRECINCT COMMITTEE OFFICER

THE OFFICE OF PRECINCT COMMITTEE OFFICER

In addition to the various state and county offices which will appear upon the general election ballot, most voters will have the opportunity to vote for the office of "precinct committee officer."

WHO IS ELIGIBLE

State law (RCW 29.42.040) provides that any person who is a registered voter and a member of a major political party may become a candidate for the office of precinct committee officer by filing a declaration of candidacy and paying a \$1 filing fee to the county auditor. Since voters do not register by political party in Washington, a candidate declares himself or herself to be a Democrat or a Republican at the time he or she files for the office. The filing period for the office of precinct committee officer begins at the same time as the filing period for other partisan offices (the fourth Monday in July in even-numbered years), and lasts for three weeks, ending on the third Friday following that date.

ELECTION OF PRECINCT COMMITTEE OFFICER

Candidates for precinct committee officer do not appear on the primary ballot but rather are placed directly on the general election ballot, and the candidate receiving the most votes in his or her precinct for each political party is declared elected. State law (RCW 29.42.050) does provide, however, that to be declared elected, a candidate must receive at least 10% of the number of votes cast for the candidate of his or her party receiving the greatest number of votes in that precinct.

TERM OF OFFICE AND VACANCIES

The term of office for anyone elected to the office of precinct committee officer is two years, and commences upon the official canvass of election returns by the county canvassing board. Should a vacancy occur in the office (caused by death, disqualification, resignation, or failure to elect), the usual process is for the chairman of the party central committee to fill the vacancy by appointment. Appointments to fill vacancies cannot be made between the state general election and the organization meeting of the county central committee, which must be held prior to the second Saturday in January following the election of precinct committee officer.

DUTIES OF PRECINCT COMMITTEE OFFICER AS MEMBERS OF THE COUNTY AND STATE CENTRAL COMMITTEES

1. Each precinct committee officer is a member of the county central committee. The county central committee has the authority to fill vacancies on the party ticket for partisan county offices and for legislative offices in

districts entirely within that county when no candidate files for such a position or when a candidate or nominee dies or is disqualified leaving no candidate of that party for such an office; they may also nominate persons for appointment to these offices if an incumbent of that party resigns; and finally, elect members to the state central committee.

2. The state central committee has the authority under state law (RCW 29.42.020) to:

- Call caucuses and conventions.
- Provide for the election of delegates to national nominating conventions.
- Fill vacancies on the party ticket for any federal, state or legislative office which encompasses more than one county.
- Nominate persons to fill vacancies caused by resignation or death of an incumbent of that party in state offices and legislative offices in districts which encompass more than one county.
- Provide for the nomination of presidential electors.
- Perform other functions inherent in such an organization.

NON-STATUTORY DUTIES AND RESPONSIBILITIES OF PRECINCT COMMITTEE OFFICER

Specific duties and responsibilities of a precinct committee officer are usually determined by either the county or state central committees. The following duties are commonly assigned to precinct committee officers by their party organization:

- Keep informed on current issues and candidates, study the party platform.
- Attend meetings of county committees and actively participate in fund-raising activities.
- Obtain lists of registered voters from the County Auditor's office.
- Canvass the precinct and become acquainted with the voters residing therein.
- Establish a record of eligible voters and party members within the precinct.
- Encourage voter registration within the precinct.
- Distribute party election materials during election campaigns.
- Recommend party members to work as precinct election officers.
- Encourage voters to get out and vote on election day.
- Encourage the use of absentee ballots.
- Hold precinct caucuses at certain selected times for the purpose of adopting resolutions and selecting delegates to the county conventions.

Individuals who are interested in serving as a precinct committee officer should contact the chairman of the county central committee of their party or the state committee office of that party.

INITIATIVE MEASURE 607

TO THE PEOPLE

Note: The ballot title and explanatory statement were written by the Attorney General as required by law. The complete text of Initiative Measure 607 begins on page 10.

Statement for

Initiative 607 closely resembles measures that have passed in Washington's surrounding states. Since 1979 in Oregon, 1982 in Idaho, and 1984 in Montana denturism has proven to be an *effective, safe and affordable* option for denture patients. Canada has recognized the profession of denturism for over 30 years. These states and countries have proven that a denturist is a competent and reliable alternative to a dentist for the provision of dentures.

In 1987 the State Health Coordinating Council under the Department of Social and Health Services found that denturists posed no threat to the public's health and that legislation on denturism should be enacted. Endorsers of Initiative 607 include AARP, Washington State Retired Teachers Association, Retired Public Employees, Washington State Labor Council and Citizens for Health.

Denturists are more than laboratory technicians. Initiative 607 does not include a "grandfather clause" and it calls for individuals who wish to become licensed Washington denturists to pass a written and practical board certified exam. This exam covers college level course topics such as: microbiology, oral pathology and partial denture construction and design. Licensed denturists will be highly qualified denture health care providers.

Finally, the field of denturism has proven to lower the costs of dentures due to increased competition in the provision of dentures to the general public. Initiative 607 simply provides the citizens of Washington the **FREEDOM OF CHOICE** for their denture care. Upon passage of Initiative 607 Washingtonians will finally receive the same options that their neighbors have received for decades.

Official Ballot Title:

Shall persons other than dentists be licensed to make and sell dentures to the public, as regulated by a new state board of denture technology?

Rebuttal of Statement against

Millions of dollars have been donated by special interest groups to Washington's elected officials over the last 15 years in an attempt to restrict the legislature's ability to pass this issue. Democrats and Republicans have never had the chance to say **YES** or **NO** to I-607. Citizens for Affordable Denture Care consists of **hundreds of thousands** of Washingtonians who have already said **YES** to I-607's **Freedom of Choice**.

Now, **YOU** have the opportunity to choose.

Voters Pamphlet Statement Prepared by:

VALLAN CHARRON, Chairman, Citizens for Affordable Denture Care; HAROLD MOSS, Mayor of Tacoma; KURT ROEHL, member of Washington Denturist Association.

Advisory Committee: ALEXANDER G. SCHAUSS, Ph.D., Executive Director, Citizens for Health; JOHN J. DEMANOVICH, President, Retired Public Employees of Washington; MAX ROFFMAN, Board of Directors, Puget Sound Council of Senior Citizens; MARTHA KEMP, President, Washington State Retired Teachers Association; LARS HENNUM, President, Washington State Council of Senior Citizens.

The law as it now exists:

Current law defines the furnishing or fitting of dentures (sometimes called "false teeth") as an element of the practice of dentistry. No person may legally prescribe or furnish dentures to a patient except a licensed dentist, or a person working under the direct supervision of a licensed dentist. "Denturists" are not currently licensed in the State of Washington.

The effect of Initiative Measure 607, if approved into law:

This measure would allow a new category of persons, licensed as "denturists," to examine patients and make and fit dentures. The measure creates a state board of dental technology, which would establish standards for the practice of denturism, administer tests and examinations, issue and renew licenses for qualifying denturists, and have authority to discipline denturists who violate professional standards. A denturist could supply dentures directly to patients without the supervision or involvement of a dentist. However, denturists and dentists would be free to practice together if they wished, and dentists would still be permitted to furnish dentures as a part of their practice.

Statement against

PROTECT SENIOR CITIZENS AND OTHER DENTAL PATIENTS - VOTE NO ON I-607

VOTE NO ON I-607 TO PROTECT PUBLIC HEALTH.

This initiative is a threat to public health. Obtaining dentures is not like having a pair of shoes fitted at the local mall or buying magnifying eyeglasses at the drug store. Providing partials (removable bridges attached to natural teeth) and dentures (false teeth) is a complex health care service and is part of overall dental care requiring the expertise of your dentist.

VOTE NO ON I-607 TO MAINTAIN OUR HIGH DENTAL STANDARDS.

A few dental lab technicians can acquire a quick license through a loophole hidden in the fine print of I-607. These technicians have no formal training in hands-on patient care. Senior citizens and others could place their oral health in the hands of unqualified technicians without the training to recognize unhealthy conditions. An ill-fitting denture or bridge destroys bone and teeth. Health care is too serious to "let the buyer beware!"

VOTE NO ON I-607 TO SAY THAT ILLEGAL PAID SIGNATURE GATHERING IS WRONG.

I-607 is backed by a small group who paid \$200,000 to manipulate the process by collecting signatures illegally. These few technicians who would gain a quick license have lobbied the legislature for years and both Democrats and

Republicans have said "NO!" I-607 lacks public support. It only benefits the few technicians who paid to get this initiative on the ballot.

Vote for Good Oral Health

Vote Against Manipulation

Vote NO on I-607

Rebuttal of Statement for

Forty-five states prohibit denturism, forty-nine prohibit fitting partial dentures.

The "grandfather clause" will allow the I-607 sponsors to become licensed **without** attending an accredited school (see section 10.1-3 and 18.3).

I-607 **does not** require sanitation controls to protect against infectious diseases.

I-607 is **not** an economic issue. Dentures and partials represent **less than one-half of one percent** of dentists' insurance claims.

I-607 is radical health care deregulation opposed by the **Gray Panthers**.

REFERENDUM BILL 43

CHAPTER 7, LAWS OF 1994, 1ST SPECIAL SESSION

Note: The explanatory statement was written by the Attorney General as required by law. The ballot title was submitted as part of Referendum Bill 43. The complete text of Referendum Bill 43 begins on page 18.

Vote cast by the 1994 Legislature on final passage:
House: Yeas, 51; Nays, 43; Absent, 0; Excused, 4.
Senate: Yeas, 26; Nays, 20; Absent, 0; Excused, 3.

Statement for

GET TOUGH, BE SMART

Referendum 43 funds a comprehensive attack on drugs and violent crime.

It continues funding for important and proven efforts to prevent drug abuse and prosecute drug crimes:

- Prosecutors to go after drug dealers;
- School security personnel to protect our children;
- Alcohol and drug testing for criminals on parole;
- Intervention, treatment and prevention programs for youth and troubled families.

It pays for new steps to fight violent crime by young people:

- Tougher sentences for violent youth;
- Tougher sentences for drive-by shootings;
- Tougher sentences for crimes involving guns;
- Prosecution and sentencing of serious juvenile offenders as adults.

We need to be tough and smart to fight drugs and violence. Referendum 43 is a tough, smart strategy.

GIVING PARENTS, COMMUNITIES A VOICE

Parents, working with their neighbors and community leaders, will choose which strategies to fund in their local communities. But efforts will have to show results or lose their funding, so taxpayers won't keep paying for programs that don't work.

NO NEW TAXES

These efforts are funded by cigarette, alcohol, and pop syrup taxes, most of which have been in place since 1989. There are **no new taxes** in Referendum 43, though it increases the tax on cigarettes and greatly reduces the tax on pop. Alcohol taxes stay the same.

Official Ballot Title:

Shall taxes on sales of cigarettes, liquor, and pop syrup be extended to fund violence reduction and drug enforcement programs?

The law as it now exists:

The 1993 legislature enacted temporary additional taxes on the sale of wine, beer, spirits, and cigarettes, and provided that the revenues from these taxes would be used to pay for drug enforcement and educational programs.

BACKING UP TOUGH TALK

Initiative 601 requires your approval to continue funding for these important, proven efforts. Without your "Yes" vote, the dedicated funding for these efforts will disappear.

A "Yes" vote says keep up the fight against drugs and violence in our communities — and fight even harder.

Vote "Yes" on Referendum 43.

For more information, call (206) 627-4343.

Rebuttal of Statement against

Referendum 43 has *no new taxes*. It continues funding for crime fighting actions working since 1989. Referendum 43 is about strengthening the front-line fight for safer schools and neighborhoods. Funding, mostly from cigarettes, goes *only* to fight drugs and crime with proven steps like DARE, tougher sentences for violent juveniles and special drug crime prosecutors. Police, prosecutors and parents support Referendum 43 because it's vital to our future. Vote "YES" to combat drugs and violence.

Voters Pamphlet Statement Prepared by:

MARLIN APPELWICK, State Representative; MARCUS GASPARD, State Senator; BRIAN EBERSOLE, Speaker, State House of Representatives.

Advisory Committee: PAMEAKES, Chair, Mothers Against Violence in America; REV. DR. SAMUEL B. McKINNEY, Senior Pastor, Mount Zion Baptist Church; NORM MALENG, King County Prosecutor; JOHN A. MOYER, M.D., State Senator; MIKE PATRICK, Executive Director, Washington State Council of Police Officers.

These taxes are scheduled to expire on July 1, 1995. In addition, the 1991 legislature imposed a tax on the sale of carbonated beverages and syrup, with the revenue also to be placed in the drug enforcement and education fund.

The effect of Referendum Bill 43, if approved into law:

This referendum is on the tax portions of E2SHB 2319, entitled "an act relating to violence prevention." The bill contains a number of provisions, including: planning for public health services improvements, community health and safety networks, revising firearm-related crimes and sentencing, revising the laws on licenses to carry firearms, authorizing local governments to enact curfew ordinances and other public safety laws, violence-reduction programs in the schools, and measures to reduce the effects of violence on television. To pay for these new programs, the bill would indefinitely extend the 1993 taxes on sale of wine, beer, and spirits, and would extend the cigarette sales tax

while increasing it from one and one half mills to five and one-fourth mills per cigarette. The 1991 carbonated beverage tax would be revised to one dollar per gallon on the sale of syrup for use in carbonated beverages. All these taxes would be placed in a violence reduction and drug enforcement account. This referendum is on the tax portions of the bill, and would not directly affect the remainder. However, the bill provides that certain sections relating to enhanced sentences for crime will automatically expire on July 1, 1995, if the voters reject this referendum. There are other taxes on the sale of liquor and cigarettes which would not be affected by this referendum.

NOTE: As indicated in the explanatory statement by the Attorney General the amendments made in certain sections of Chapter 7, Laws of 1994, 1st Special Session, (the Youth Violence Bill) will expire on July 1, 1995, if the referendum is not approved by the voters. A copy of those sections can be obtained by calling the Voter Hotline at 1-800-448-4881.

Statement against

REFERENDUM 43: VOTE YES AND YOU'RE THE VICTIM.

It's bad enough that Washington citizens live in fear of being victimized by violent criminals. But voting for Referendum 43 will make taxpayers victims *again*—victims of those in Olympia who spent \$16 billion for bigger government, and now want to raise your taxes \$114 million for public safety.

Vote NO on Referendum 43 and tell Olympia to fund anti-crime efforts *first* and bureaucracy *last*.

\$1 IN PUBLIC SAFETY FOR EVERY \$3 IN SOCIAL PROGRAMS.

Referendum 43 will raise taxes \$114 million. But for every dollar the Youth Violence Prevention Act would spend on public safety, it would spend \$3 for the kinds of government programs that have allowed the number of violent crimes to jump 93% in less than 18 years.

PUBLIC SAFETY NEEDS PRIORITY SPENDING AND ACCOUNTABILITY, NOT HIGHER TAXES.

Think we need new taxes to cover a huge prison budget? Think again.

Prison costs are just 2.5% of the state budget. And while millions of our tax dollars are still being spent on state travel, retreats, office furnishings and equipment, a brand-new prison sits empty near Spokane because the Legislature wouldn't provide \$7 million from the state's \$337 million savings account to open the doors.

New taxes will reward big-spending bureaucracy with more money to spend, without significantly reducing crime.

VOTE NO AND FORCE LAWMAKERS TO FUND PUBLIC SAFETY FIRST.

A vote *against* Referendum 43 will give lawmakers 9 months to revise the law and make public safety a top budget priority. We *can* get violent criminals off our streets without new taxes. Vote *no* and force legislators to reduce wasteful spending and put the savings into community law enforcement, public protection and more jails for criminals.

Rebuttal of Statement for

Tax-increase supporters say, "Referendum 43 has no new taxes." But we'll pay millions more in taxes if Referendum 43 is approved — taxes we don't need.

Criminal justice funding will NOT automatically disappear if you vote "No." Legislators have a year — and enough money — to fund public safety programs with *existing revenues*.

Please vote "No" on Referendum 43. Tell lawmakers to make our safety top priority, and pay for public safety *first* — without new taxes.

COMPLETE TEXT OF Initiative Measure 607

AN ACT Relating to denturism; amending RCW 18.120.020 and 18.130.040; adding a new section to chapter 48.20 RCW; adding a new section to chapter 48.21 RCW; adding a new section to chapter 48.43 RCW; adding a new section to chapter 48.44 RCW; adding a new section to chapter 48.46 RCW; adding a new chapter to Title 18 RCW; and creating a new section.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The state of Washington finds that to realize the state's current statutory policy of regulating health professions at the least restrictive level consistent with the public interest, a program of licensure for denturists should be established. The intent of the legislature is to help assure the public's health, provide a mechanism for consumer protection, and offer cost-effective alternatives for denture care services and products to individual consumers and the state.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the state board of denture technology.

(2) "Denture" means a removable full or partial upper or lower dental appliance to be worn in the mouth to replace missing natural teeth.

(3) "Denturist" means a person licensed under this chapter to engage in the practice of denturism.

(4) "Department" means the department of health.

(5) "Practice of denturism" means:

(a) Making, placing, constructing, altering, reproduc-

ing, or repairing a denture; and

(6) "Secretary" means the secretary of health or the secretary's designee.

NEW SECTION. Sec. 3. (1) Before making and fitting a denture, a denturist shall examine the patient's oral cavity.

(a) If the examination gives the denturist reasonable cause to believe that there is an abnormality or disease process that requires medical or dental treatment, the denturist shall immediately refer the patient to a dentist or physician. In such cases, the denturist shall take no further action to manufacture or place a denture until the patient has been examined by a dentist or physician and the dentist or physician gives written clearance that the denture will pose no threat to the patient's health.

(b) If the examination reveals the need for tissue or teeth modification in order to assure proper fit of a full or partial denture, the denturist shall refer the patient to a dentist and assure that the modification has been completed before taking an impression for the completion of the denture.

(2) A denturist who makes or places a denture in a manner not consistent with this section is subject to the sanctions provided in chapter 18.130 RCW, the uniform disciplinary act.

(3) A denturist must successfully complete special training in oral pathology prescribed by the board, whether as part of an approved associate degree program or equivalent training, and pass an examination prescribed by the board, which may be a part of the examination for licensure to become a licensed denturist.

NEW SECTION. Sec. 4. No person may represent himself or herself as a licensed denturist or use any title or description of services without applying for licensure, meeting the required qualifications, and being licensed

COMPLETE TEXT OF Initiative Measure 607 (cont.)

as a denturist by the department, unless otherwise exempted by this chapter.

NEW SECTION. Sec. 5. Nothing in this chapter prohibits or restricts:

(1) The practice of a profession by an individual who is licensed, certified, or registered under other laws of this state and who is performing services within the authorized scope of practice;

(2) The practice of denturism by an individual employed by the government of the United States while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States;

(3) The practice of denturism by students enrolled in a school approved by the department. The performance of services must be pursuant to a course of instruction or an assignment from an instructor and under the supervision of an instructor; or

(4) Work performed by dental labs and dental technicians under the written prescription of a dentist.

NEW SECTION. Sec. 6. (1) The state board of denture technology is created. The board shall consist of seven members appointed by the secretary as follows:

(a) Four members of the board must be denturists licensed under this chapter, except initial appointees, who must have five years' experience in the field of denturism or a related field.

(b) Two members shall be selected from persons who are not affiliated with any health care profession or facility, at least one of whom must be over sixty-five years of age representing the elderly.

(c) One member must be a dentist licensed in the state of Washington.

(2) The members of the board shall serve for terms of

three years. The terms of the initial members shall be staggered, with the members appointed under subsection (1) (a) of this section serving two-year and three-year terms initially and the members appointed under subsection (1) (b) and (c) of this section serving one-year, two-year, and three-year terms initially. Vacancies shall be filled in the same manner as the original appointments are made. Appointments to fill vacancies shall be for the remainder of the unexpired term of the vacant position.

NEW SECTION. Sec. 7. (1) The board shall elect a chairperson of the board annually. The same person may not hold the office of chairperson for more than three years in succession.

(2) A majority of the board constitutes a quorum for all purposes, and a majority vote of the members voting governs the decisions of the board.

NEW SECTION. Sec. 8. The board shall:

(1) Determine the qualifications of persons applying for licensure under this chapter;

(2) Prescribe, administer, and determine the requirements for examinations under this chapter and establish a passing grade for licensure under this chapter;

(3) Adopt rules under chapter 34.05 RCW to carry out the provisions of this chapter;

(4) Set all licensure, examination, and renewal fees in accordance with RCW 43.70.250;

(5) Advise the secretary on the hiring of clerical, administrative, investigative, and other staff as needed to implement this chapter and act on behalf of the board;

Campaign Address:
Ron Sims for U.S. Senate
233 6th Avenue N.
Seattle, WA 98109
Telephone: (206) 448-7010

Dear Washingtonian,

Long ago, I asked my father, a Spokane minister, whether I should follow his steps into the ministry or turn to public service. He advised service. Today, after graduating from Central Washington University in Ellensburg, and working for the Washington Attorney General, the Federal Trade Commission, and the Washington State Senate, I am serving my third term on the King County Council. At 46, I am a candidate for the U.S. Senate because I want to fight for hardworking middle class families, for our children, and for seniors.

I have tried to live a life of service in my job, as a husband and father of three, and in my community as a volunteer school tutor, a lay minister for Operation Nightwatch working to help young people get off the streets, as a coach, and as a volunteer hospital chaplain for the terminally ill.

Public safety and fiscal responsibility were my priorities as Chair of the Council's Finance Committee. I added police, pioneered the use of DNA coding and an Automated Fingerprint Identification System, and created a registry of convicted sex predators. I made sure funding for senior services and programs for women and children continued, but by holding the line on spending I created new financial reserves and earned King County one of the nation's top credit ratings.

I have tried to say with my life that our echoing footsteps will create our children's tomorrows. I want to be a Senator whose hands and heart and mind will be there for all of us. Please help me with your vote.

Thank you,
Ron Sims

GORTON**

A fire burns within me because I know that if I and a few more like-minded people are elected to the U.S. Senate this year we can begin turning things around for a safer and more prosperous Washington state and America.

The direction being set by today's dominant majority in Washington D.C. is wrong. I believe passionately that there is a better way. Their way is toward a more centralized and expensive federal government. Their way takes money and choices away from families and communities. They want to decide 3,000 miles away what is best for us in our neighborhoods, schools and doctors' offices. Their way means less freedom, fewer choices, decreased individual responsibility, more taxes and deficits.

This is your choice: If you want just another Senator who will support the majority that dominates Washington D.C. today, vote for my opponent. But, if you agree with me that there is a better way and you want a voice to balance today's majority — then I would appreciate your vote because mine is a different direction.

My agenda is simple: I work for jobs, personal safety and a clean Washington state.

My faith is not in centralized federal decisions. Instead I believe in the ability of people, families and communities to decide better for themselves. Whether the issue is education, creating jobs, health care, or fighting crime — my faith is in you. My direction is toward empowering you and your family to give you the maximum freedom to make the best choices about your own life and your own future. I work for you.

Do you want one more Senator who thinks like the dominant majority or do you want Slade Gorton — a voice for balance and a different direction?

Norm DICKS

Democrat

Campaign Address:
Norm Dicks for
Congress Committee
P.O. Box 1663
Tacoma, WA 98401
Telephone: (206) 272-5884

"I believe in fighting for new jobs that will broaden our economic base and help sustain our unique quality of life here in the Pacific Northwest." — Norm Dicks

In Congress, Norm Dicks has **worked hard to keep the jobs we have and to bring new employment opportunities** to the 6th District because he believes keeping people working is the key to solving many of America's problems. We're better able to **reduce crime, solve the health care crisis and improve our schools** when we've got a strong economy, and new jobs are critical to keeping our state's economy healthy.

Working for jobs has been the hallmark of Norm's career, and it's still his number one priority.

There are few congressmen with his energy and determination, and few who do a better job for the people they represent back in the other Washington. As a senior member of key committees that relate to the Sixth District — Defense, Interior and Military Construction Appropriations — Norm clearly is able to get more done for his constituents than ever before.

He's helped restore Tacoma's **Union Station**, bring **Boeing plants** to Pierce County, build the new **Madigan Hospital**, keep a steady workload at **Puget Sound Naval Shipyard**, save **Impact Aid** to federally-impacted school districts, deepen the channel at **Grays Harbor**, start a series of **community health clinics**, restore the **Peninsula's watershed areas** for salmon and steelhead, **re-train displaced timber workers** and establish the **Forks Industrial Park**. And that's just what he's done lately.

He's proud of those accomplishments, but even more interested in the work ahead. **His vision for the future is based upon his commitment to assuring that the next generation — his kids and yours — continue to enjoy the things that make Washington State a special place in which to live and work.**

Campaign Address:
Committee to Elect
Benjamin Gregg

Telephone: (206) 572-9906

I believe it's time we made some real changes in Congress. People have grown weary of the status-quo entrenched career-minded politicians. Career politicians have lost touch with ordinary citizens.

I will truly represent the people of the 6th District. We face perilous times in America today with the burden of excessive and oppressive taxation and regulations. We are also seeing a gradual encroachment against our unalienable rights of private property, firearm ownership, freedom of speech and the right to have the final say in educating our children.

We need to be aggressive and very tough on criminals to show them that crime does not pay. We need to teach values once again in our public schools. I believe that parents should have a choice of which school they want their child to attend.

I strongly support the 2nd Amendment for the right to keep and bear arms; as a last resort, as Thomas Jefferson said, to protect ourselves from tyranny in government.

I believe we have all but forgotten the 10th Amendment which prohibits the Federal Government from interference in State's business. No more unconstitutional unfunded federal mandates.

We do not want a government bureaucracy takeover of our health-care system. It would not be any more compassionate than the IRS.

We need a strong military maintained in these troublesome times to protect our interests only. I oppose troops being sent overseas to die under the command of a foreign General on so-called peace-keeping missions.

I will work to reduce the rate of taxation on Americans and the unimaginable waste that prevails in the nation's capital.

I will faithfully protect, uphold, and defend the Constitution of the United States of America.

To ensure justice in our nation, we must first resolve our leading human rights case—that of economist and statesman Lyndon LaRouche. Not only was an innocent man framed, convicted, and wrongfully imprisoned for five years, as documented by six volumes of evidence, but the Department of Justice knew that LaRouche

was innocent, fraudulently charged, and illegally convicted. President Clinton must exonerate Lyndon LaRouche.

Second, LaRouche must be placed in a key policy-making position so we can respond effectively to the most serious crisis of the century.

Thirty years of the destructive "post-industrial" policies of the International Monetary Fund, Kissinger, Bush, the organized crime-connected Anti-Defamation League and other "New World Order" institutions have created Rwanda, Bosnia, and the degeneracy of the rock, drug, sex environmentalist counter-culture.

LaRouche recently forecast that the existing financial system will collapse soon, unless governments act on his economic reform policies. Each of his eight previous forecasts has been correct.

Because President Clinton has shown a willingness to challenge the Bush-leaguers' looting of the world economy, the same people who jailed LaRouche—Kissinger, Oliver North and other British agents—are out to destroy the Presidency. I, as your Democratic candidate, ask: Will you allow foreign interests and their Republican dupes to destroy the Presidency and the nation?

We must awaken the "rebuilding spirit" that characterized America after World War II and during the Apollo Moon program. We must declare an "economic state of emergency," and put the Federal Reserve System into bankruptcy receivership. We must create a Hamiltonian National Bank to reestablish Constitutional control of our finances; issue credit for infrastructure projects, creating six million productive jobs; tax out of existence usurious speculative activity; and jump-start the economy with a science-driven Mars colonization project.

In 1992, America's voters wanted change. I was elected with over 120 new Senators and Representatives, one of the largest freshmen classes of all time. We pledged to make changes in Washington, to make government responsive. We got off to a good start, but there is still a long way to go.

To serve the taxpayers of the 8th District, I am focusing on three primary goals: 1) making changes in the way Congress does its business, 2) cutting federal spending, and 3) opposing tax increases.

Congress must be reformed. The American people were locked out of the process when the Ways and Means Committee passed the largest tax increase in history! We must end this outrageous practice of closed-door committee meetings. To do so, I have introduced the Congressional Sunshine Act that will grant the public and press the right to attend all committee meetings, and let the "sun shine in" on our government at work. There are other reforms I am fighting for: 1) forcing Congress to live under the laws it passes, 2) reductions in bloated committee staffs, and 3) requiring members of Congress to work a full five days a week, and spend one week per month in their district.

We need to cut spending—not increase taxes. I missed my own campaign kickoff to stay in Washington, D.C. to vote on a balanced budget amendment to the Constitution. Unfortunately, budget hawks are an endangered species here in D.C. When the final gavel slams down on a vote, it's all too often measures like the "A-to-Z" Spending Cut Package and the Penny-Kasich Spending Cut package (measures I voted for) get defeated by the status-quo tax-and-spenders. Now is the time to give taxpayers the change they want: reform Congress, cut spending.

Democrat

Campaign Address:
Mike Kreidler for
Congress Committee
P.O. Box 4839
Federal Way, WA 98063
Telephone: (206) 661-8147

Mike Kreidler is a fighter who puts principle ahead of politics.
"Kreidler is...one whose vote can't be bought..." (Tacoma News Tribune.)

Kreidler "has cast many tough votes, many going against the wishes of strong, vested interests..." (Federal Way News.)

No one "has cast more courageous...votes than Kreidler." (Seattle Times.)

"It was a tough and courageous vote." The Seattle Post-Intelligencer wrote on Mike Kreidler's vote for the Brady Bill and banning semi-automatic assault weapons.

Mike Kreidler has earned his reputation for hard work and courage because he is serious about change. Even if it means going up against the President or powerful special interests.

Mike has taken on the tobacco lobby over the dangers of smoking; the insurance lobby over health care reform; the meat packers lobby over the E. coli scandal; and the federal government itself when he helped eliminate 250,000 federal positions.

Now, Mike is taking on the gun lobby over crime and violence. Even though Mike Kreidler supports the right of hunters and sports people, co-sponsored the federal Three Strikes and You're Out, voted for broadening the death penalty and for 100,000 more police in our communities, the gun lobby is going after Mike.

Why? Because he also supports banning semi-automatic assault weapons and licensing hand gun owners just as we do automobile drivers.

Join common sense people across the District and let's re-elect Mike Kreidler.

Mike is a Pierce County native. In college he worked jumping forest fires in Oregon. An optometrist with Group Health for twenty years, Mike was a local school board member, community bank director, and is a Lt. Colonel in the U.S. Army Reserves. His medical unit was activated during Desert Storm.

Mike is married to Lela Kreidler. They have three children.

This election is a choice between leadership that favors less taxes, less government control of our private lives, and policies that promote new jobs and economic growth... leadership that will give

our families a better life and a future of hope and opportunity... or leadership that does not share these values and beliefs.

Too many politicians in the other Washington believe that health-care reform must include new government bureaucracy. Randy Tate knows government control will affect our choice of doctors, coverage and medical care.

We must make quality health care more available and more affordable, but we do not need to create a new government bureaucracy nor give government control over our health-care choices. Randy Tate will fight to preserve our choices, our ability to keep health insurance when we change jobs, and to get insurance despite pre-existing illnesses.

Randy Tate believes we must reform our justice system. He knows the greatest root cause of crime is a lack of respect for the law. To deter crime and increase our safety, we must reform the system so it is no longer treated as a joke and so criminals receive swift and sure punishment. That's why Randy Tate passed one of the most stringent sexual predator laws in the nation.

Politicians in Washington, D.C. ignore the fact that government does not spend a nickel that it did not first take from someone else — the person who earned it.

Instead of the tax cut promised two years ago, we got a tax increase. Instead of the fiscal responsibility promised, we got continued deficit spending and a big increase in the national debt.

The incumbent, Mike Kreidler, was the deciding vote for the Clinton tax increase. He voted for continued deficit spending and to increase the national debt.

Phil Talmadge, an experienced legislator and nationally-honored appeals lawyer, knows that the Supreme Court, like other governmental institutions, must change to serve us:

Work Harder for Justice - Our appellate courts are congested. Some cases wait for more than a year to be decided. That's too long. The Supreme Court should work with the Court of Appeals, taking more cases to reduce the backlog.

More Affordable Justice - Arbitration and mediation should be used more often as an alternative to traditional litigation, which can be expensive and traumatic for those seeking justice.

Concern for Children, Families and Crime Victims - The courts need to be sensitive to the needs of crime victims, children, and families. Phil, who wrote the laws against child abuse and domestic violence, knows that the administration of our juvenile justice system must be improved.

Phil's campaign has received support from the State Council of Police Officers, the State Patrol Troopers Association, the Washington Council of Firefighters, the State Labor Council, the Federation of State Employees, the Hispanic Bar Association and the Seattle Firefighters. Phil is rated "exceptionally well qualified" by the Loren Miller Bar Association and Washington Women Lawyers.

Ron HANNA

Democrat

Campaign Address:
Committee to Elect Ron Hanna
6928 Wentworth Avenue S.W.
Port Orchard, WA 98366
Telephone: (206) 876-8896

Ron and Linda have resided in this district for 22 years. Ron served as a State Representative for two terms. Much of his career has been in the areas of criminal and juvenile justice. He was the developer and director of the Pierce County District Court Probation Department.

A high priority of Ron's will be to address crime and violence issues. The people of this state have said "enough is enough." Ron will provide strong leadership to reduce crime.

The answer lies in returning to basics. Certain and severe punishment for violent crime, reduction of plea bargaining, and increased penalties for crimes involving use of weapons are essential ingredients. Taking the amenities out of prison life will help.

Seventy percent of murders by juveniles involve handguns. We must intensify the effort to take guns away from gang members. Those parts of the juvenile law which are not working, like the runaway section, must be changed.

Ron is concerned about the stability of jobs in our area. He will fight for family wage jobs and for the revitalization of downtown Bremerton. Ron will work diligently for increased trade opportunities in order to create additional jobs in Pierce and Kitsap counties.

Bob OKE

Republican

Campaign Address:
Citizens for Bob Oke
P.O. Box 323
Port Orchard, WA 98366
Telephone: (206) 871-6380

Senator Bob Oke has brought his office and state government closer to the people. To be accessible, Bob set up a district office in Gig Harbor and established a toll-free number (1 800 782-2955). This was the start of "busting into the bureaucracy" for the citizens of the 26th District. Oke gets results!

Bob's voting record shows he supports: tougher penalties for criminals; improved ferry service; health care decisions remaining with you, not a government agency; less government intrusion into our lives and businesses; welfare reform; and lower taxes.

Oke, a 26 year U.S. Navy veteran, supports Veterans issues. He is a strong advocate for Senior citizens, sportsmen, and small business. (1992 & 1994 winner NFIB Washington Guardian of Small Business Award.) Bob's voting record translates to *jobs!*

Oke is *not* a "career politician," he is a citizen who believes in less government. He was chosen by his colleagues to be in the Senate Leadership his *first* term, appointed to the Rules Committee and named Republican "Whip." Oke's *leadership* is working for *all*. Dedicated, ethical, accessible, effective, are some of the attributes of Rosa Franklin, who is serving the unexpired term of the late Senator A.L. "Slim" Rasmussen. She was appointed to the Senate and subsequently elected in the 1993 Special Election. Rosa has proven her legislative skills.

Rosa has sponsored, co-sponsored and worked for passage of major legislation in the areas of housing, youth violence, public safety, tax relief for Senior Citizens, affordable accessible health-care, ethics and protection of children from sexually explicit films and publications, and much more.

A 28 year resident of her district, Rosa has a long history of advocacy on behalf of issues affecting her community. She has used her skills well, on speaking out on issues, and being heard.

Rosa will continue to fight for safe communities, and keeping children from entering a life of crime. She will fight for changes in the Juvenile Justice Act as it relates to truancy, runaways and balancing of "rights" between parents and child. Rosa will fight for jobs that pay working families a living wage.

Campaign Address:
Al Pearn for State Senate
4314 East B Street
Tacoma, WA 98404
Telephone: (206) 472-9636

Al Pearn's first concern is the residents of the 29th District; their safety and well being.

While campaigning and working in the community (Eastside Boys and Girls Club, McKinley Hill Boosters, Lincoln Business District...) Al Pearn gained a better understanding of our communities and what people expect from government.

Crime must be dealt with firmly. Juvenile criminals must receive adult punishment for adult crimes. Our streets, homes, and businesses must be made safe again.

Joint programs between various agencies are needed to provide training and jobs for district residents.

The Washington Health Care Plan must be made more friendly to users, the medical community and small businesses.

Welfare programs should help those in temporary need, but cease being a lifestyle.

Child Protection legislation must encourage families to remain together. Further, it must cease standing between well intentioned parents and their children.

Al Pearn brings a wide range of experience in different cultures to the culturally diverse South Tacoma District. He will support all groups equally.

I, Al Pearn, pledge to work for: *better public safety, good jobs, realistic health care, welfare limits and stronger family programs. I will serve citizens first!*

Political stereotypes are a dime a dozen. A Democrat is supposed to vote one way, a Republican another way. If you're a woman, some people think your interests are limited to "women's issues."

We are all tired of this stereotyping, political promises, and "spin." We want issues to lead the debate — not old political partisanship.

There's a better way for us to govern. A more fair way. It's time we respond to voters and define new ways for government to work—ways based on fairness, not gamesmanship. The most important issues are neither Democrat nor Republican. Like our children and their education. Like public safety and transportation. Like health care and the economy.

As your State Representative, I've listened to your concerns and introduced bills strengthening child rape laws, improving public education, halting the third runway, tightening child support enforcement, and limiting property taxes on your home. As your State Senator, I'll continue to listen, to respond and work to restore the "public" in public service.

WORLD WAR II 1944 VETERANS VOTE

"Our voting booth was simply a tree, and we had a lot of these... It was the first time I ever voted in any election and I recognized it as a special privilege, for that was one of the main principles we were fighting for."

Allan C. Barger
Port Orchard

"Voting was a morale booster. After four years of war, it made me feel that what I was doing was important... I goofed! It was the only time in my life that I had a chance to vote for Franklin Roosevelt and I voted for Tom Dewey. I knew the names of some of the state and local people and I probably got some of them right."

Robert Edlin
Port Orchard

"I remember well the election of 1944 while serving with the Army Air Corps in Italy. My four tent buddies and I unanimously voted for Franklin D. Roosevelt for President."

Charles D. Johnson
Endicott

Thanks to Washington State World War II veterans for submitting their voting stories.

VOTING IN THE STATE OF WASHINGTON

Voter qualifications

To register to vote, you must be:

- A citizen of the United States
- A legal resident of Washington state
- At least 18 years old by election day

In the state of Washington, you do not have to register by political party or declare political party membership to vote in the state's regular primaries or general elections.

Registration deadlines

You may register to vote at any time, but you must be registered at least **30 days** in advance of an election if you wish to vote **at a polling place** on election day.

You may also register between 30 and 15 days before an election, but you must do so at a location designated by the county elections officer, and you will be required to vote by absentee ballot.

How to register

Washington citizens have access to several convenient methods of signing up to vote, including registration by mail and "Motor Voter" registration.

Mail-in registration forms are available from your county auditor or county elections department as well as many public libraries, schools and other government offices. You may also request a form by filling out the box at the right and mailing it to the Secretary of State.

"Motor Voter" registration is offered when you renew or apply for your driver's license. In most instances, a motor voter registration takes less than a minute to complete.

Change of residence

If you move to a **new** county, you must complete a new voter registration.

If you move within the **same** county, you do not need to re-register, but you must request a transfer of your registration. This can be done by calling or writing your county elections department, or by using a mail-in voter registration form.

NOTE: You must re-register or transfer your registration at least **30 days** before the election to be eligible to vote in your new precinct.

Absentee ballots

You may request an absentee ballot as early as 45 days before an election. (No absentee ballots are issued on election day except to hospitalized voters.)

Absentee ballots may be requested either by phone or by mail from the county elections officer. You may also apply — in writing — to automatically receive an absentee ballot before each election.

NOTE: Absentee ballots must be signed and postmarked or delivered to the county elections officer **on or before election day**.

Election dates and poll hours

State primaries are generally held on the third Tuesday in September. The presidential primary, conducted once every four years, is held on the fourth Tuesday in May, or on a date selected by the Secretary of State.

General elections are held on the Tuesday after the first Monday in November. Polling hours for all primaries and elections are **7:00 a.m. to 8:00 p.m.**

Voter information

If you need assistance with registration and voting, contact your county auditor or elections department.

Special services

The Office of the Secretary of State provides a toll-free voter information service to residents within the state of Washington. This service will be operated Monday through Friday from 9:00 a.m. to 8:00 p.m., beginning Wednesday, October 19, and continuing through the day of the election, November 8. In many instances, assistance can be provided to those who have difficulty reading this pamphlet because their primary language is not English.

Voters may also call to request any of the following special Voters Pamphlet versions: Tape-cassette, Braille, Spanish-language or Chinese-language.

For more information, call the Secretary of State Voter Information Hotline at 1-800-448-4881.
