

What is different about voting in Washington?

1

Vote by mail

Washington votes by mail every election.

We were the second state in the nation to adopt vote by mail and the first to provide all postage paid. A ballot is mailed at least 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

2

Online voter registration

We offer online voter registration. Register to vote or update your address at **VoteWA.gov**.

3

Top 2 Primary

Washington uses a Top 2 Primary system where the two candidates who receive the most votes in the August Primary Election advance to the November General Election, regardless of their party preference.

4

No party affiliation

Washington voters do not register by party affiliation. Vote for any candidate regardless of their party preference.

5

Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. The state pamphlet is mailed to every household before each General Election.

6

Same day registration

Citizens can register and vote a ballot in person during the voting period until 8 p.m. on Election Day.

Visit a county elections office (listed at the end of this pamphlet).
