I am pleased to present the 2025 General Election Voters' Pamphlet on behalf of the Office of the Secretary of State. This comprehensive guide to the candidates and measures on your ballot can help you find the information you need to cast your vote.

Elections that are accessible, secure, and transparent are the cornerstone of our democracy, providing you with the opportunity to make your voice heard on a variety of issues. This general election, you have the chance to help decide who represents your local community and weigh in on measures that affect daily life in Washington. It all starts with making sure you're registered to vote. Online and mail-in voter registrations and updates must be received by Monday, Oct. 27. In-person registration is also available at your local county elections office until 8 p.m. on Election Day, Nov. 4. If you're already registered to vote, now is a great time to sign into VoteWA and verify your voter registration information is up to date.

Once you receive and vote your ballot, make sure you sign the return envelope. Highly trained elections officials compare your signature to the one on your voter registration before your ballot can be counted. Then, return your ballot. If you vote by U.S. mail — no stamp needed — remember that ballots must be postmarked by Election Day to be counted. The USPS recommends mailing a week before Election Day to ensure your ballot is received on time. Or, return your ballot to one of the many secure ballot drop boxes across the state by 8 p.m. on Election Day. You can track the status of your ballot at VoteWA.gov after returning it. Sign up for text notifications so you'll know when your ballot is received and accepted.

Exercising your right to vote is one of the most powerful ways you can make a difference in your community. Thank you for voting and supporting democracy here in Washington.

Sincerely,

A handwritten signature in dark ink that reads "Steve R Hobbs". The signature is fluid and cursive.

Steve Hobbs
Secretary of State

By October 27: Have your application received by mail or updated online.

Or

By November 4: Visit a local voting center in person.

How do I vote and return my ballot?

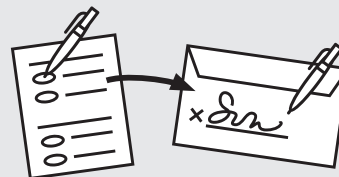

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 17** to the address you provided on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

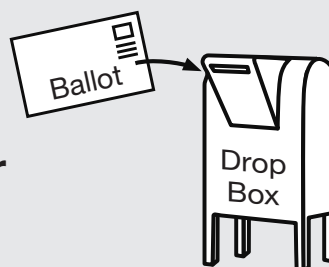

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 4**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 4**. Find drop box locations at **VoteWA.gov**.

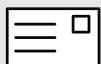

Or

If you cannot personally return your ballot, only let people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and are unofficial until certification.

Senate Joint Resolution No.

8201

The legislature has proposed a constitutional amendment on allowing money in Washington’s long-term care fund to be invested.

This amendment would allow the state fund dedicated to providing long-term care benefits for eligible seniors and people with disabilities to be invested as authorized by law.

Should this constitutional amendment be:

- ☐ Approved
- ☐ Rejected

Arguments For and Against 9

Final Votes Cast by the Legislature

House: Yeas, 86; Nays, 9; Absent, 0; Excused, 3

The Secretary of State is not responsible for the content of statements or arguments (WAC 434-381-180).

Explanatory Statement

Written by the Office of the Attorney General

The Law As It Presently Exists

The Washington Constitution generally prohibits investing public money in stocks of private companies. This means that state funds can only be invested in fixed-income securities, such as government and corporate bonds and certificates of deposit.

The Constitution currently exempts several funds from this restriction. This exemption applies to any public pension or retirement fund, workers' compensation funds, and money held in trust for the benefit of people with developmental disabilities, permitting those funds to be invested as authorized by law, including in stocks of private companies. The Washington State Investment Board invests and manages these funds.

In 2019, the legislature created a long-term care insurance program. The program provides money to pay for certain long-term care services, such as nursing home care, to program beneficiaries who need assistance with daily living. Under that law, employees pay premiums for long-term care insurance through a payroll deduction, and those premiums are deposited into a Long-Term Services and Supports Trust Account. Under the current provision of the Constitution, money held in the Trust Account cannot be invested in stocks of private companies.

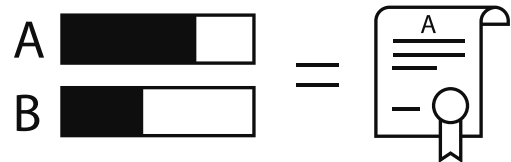

The Effect of the Proposed Amendment if Approved

This Amendment would allow funds in the Long-Term Services and Supports Trust Account to be invested in stocks of private companies, if authorized by law. Investment income from the Trust Account could only be used for long-term care services and supports for program beneficiaries, including for seniors and people with disabilities.

Fiscal Impact Statement

Not required by law

**Constitutional amendments
become law if
more than 50%
of voters approve.**

Argument for

Approve 8201 to guarantee long-term care funds are there when we need them

8201 requires 100% of investment income earned by the state's Long-Term Care Trust Fund to be spent on long-term care services for vulnerable seniors and disabled people. Washingtonians want to live with dignity as they age. 8201 supports this shared goal, strengthening the benefit's Trust Fund to help seniors and disabled Washingtonians while protecting taxpayers.

8201 is a commonsense measure that ensures tax dollars go further

Current law limits investment of the Trust Fund to only low-return choices, like government bonds and savings certificates. 8201 allows the Trust Fund to be invested to produce higher returns. This proven method would be managed by the independent, nonpartisan Washington State Investment Board, which is bound by the highest fiduciary standards.

Approve 8201 to increase funding without impacting taxpayers

8201 is projected to grow the Trust Fund by \$67 billion over the next 50 years, money that can be used to increase benefits for people with disabilities and seniors without costing taxpayers a penny. Higher earnings mean more money for care – good for seniors, disabled Washingtonians, their families, and taxpayers!

8201 has overwhelming bipartisan support across the political spectrum

It's encouraging when leaders of both parties agree on something – and a supermajority of Democratic and Republican lawmakers approved this commonsense approach. 8201 is supported by nurses, unions, businesses, and groups representing millions of Washingtonian seniors and people with pre-existing conditions. *Vote Approve!*

Rebuttal of argument against

Fact: Since 1981 the independent Washington State Investment Board has *safely and effectively* managed over \$200 billion for pensions, college savings funds, and more, with an average growth rate of 8% yearly. We must ensure our Long-Term Care Trust Fund grows to *keep up with rising costs while protecting taxpayers*. A bipartisan supermajority of lawmakers approved this measure. *Approve 8201* so WA's Trust Fund is *there for aging seniors and people with disabilities*.

Argument against

Reject this constitutional change, *again*.

Washington voters already rejected this proposal to take taxpayer money and invest in private stocks and corporations (2020, SJR8212). Our state founders protected public funds from risky investments by establishing safeguards in our state Constitution prohibiting corporate stock market investments of your tax dollars.

Reject constitutional changes that gamble your money in an unstable market.

SJR 8201 overturns safeguards for the Long Term Services and Support (LTSS) fund, a multibillion dollar program established in 2020. Washingtonians are not yet eligible to access program benefits but proponents are *again* asking you to remove a key Constitutional protection. Currently, it's safeguarded in *secured* investments like federal, state and municipal bonds, which support our communities -- *a better use of our tax dollars*. Stock markets and private investments fluctuate greatly, *with no guarantees*, and the benefit needs are unknown in this untested program. This LTSS fund exists to help Washingtonians access long term care as we age or face disability. *When market speculation falls short, taxpayers and beneficiaries would pay the price through reduced benefits or increased taxes*.

Rejecting constitutional changes provide more stability and certainty.

Continuing to invest our public money into federal, state and municipal bonds supports public works that we all depend on. Rejecting SJR 8201 provides for better planning and stability.

Reject SJR 8201

Our state and LTSS need fiscal responsibility, not financial roulette. Reject SJR 8201 to keep the fund secure, stable, and focused on serving the people who will depend on it.

Rebuttal of argument for

Proponents imply a guaranteed return of \$\$billions over 50 years but of course, that's not guaranteed. In 2008 the State Investment Board lost -26.2% and 2022 lost -12.9%. It's how the stock market works. In future recessions or market crashes, when returns fall short, benefits must be cut or tax rates must go up. Compared to *guaranteed* municipal bond returns of 3-5%, the choice is clear. Invest in ourselves, not Wall Street. *Reject SJR 8201*.

Island County Official Local

Voters' Pamphlet

November 4, 2025 General Election

Published by the Island County Auditor

From Auditor Sheilah Crider

Ensuring every voter's ballot can be counted is the purpose and intent of elections. To accomplish this, ballot return envelopes must be signed and dated then returned or postmarked no later than Election Day. In a Vote By Mail state, there is no poll voting, and no reason to wait until Election Day to return your ballot.

We strongly encourage voters to return their ballot early.

With almost 65,000 registered voters in Island County, time is of the essence in returning your ballot early to allow for processing.

The Local Voters Pamphlet (LVP) and Online Voters Guide (OVG) are available a week or more prior to ballots being mailed to voters. This allows time for the voter to review the guide and/or pamphlet, evaluate measures or candidate statements and contact those for whom you have questions – their contact information is included in their statements. Voters can be prepared to mark and return their ballots within a few days of its receipt. We encourage voters to use an official ballot drop box.

Important things to remember when voting:

You **MUST SIGN** your return ballot envelope for your ballot to be counted!

- a. Sign in the signature box that has YOUR name printed on your envelope.
 - If you registered to vote online, or when you obtained your driver's license, the signature on your driver's license is the signature in your voter registration record.
 - If you are unsure about the signature in your voter registration record, we encourage you to call the Elections Office at 360-678-8290, with questions.
- b. Do NOT sign someone else's name on a ballot return envelope, even if you have power of attorney.
- c. Lost or damaged ballot? If you lose your ballot, or it becomes damaged, you can obtain a replacement ballot by contacting the Elections Office or by going online to VOTEWA.gov
- d. Official Ballot Drop boxes are available – they are safe and secure. Only Elections employees have access to these drop boxes.
- e. If you prefer, you can mail your ballot postage free through the US Postal Service.

It is strongly recommended that voters never return ballots to any "collection location" other than an official ballot drop box or a U.S. Postal Service mailbox.

Proposition

South Whidbey Parks and Recreation District

Facilities and Programs Maintenance and Operations Levy

The Board of Commissioners of the South Whidbey Parks and Recreation District adopted Resolution No. 2025-04 concerning a proposition for maintenance and operation of its parks and recreation facilities and programs. This proposition would authorize the District to impose regular property tax levies of \$0.46 or less per \$1,000 of assessed valuation for four years commencing in 2025, for collection in the years 2026 through 2029. Should this proposition be approved?

☐ Yes

☐ No

Argument For

We all need healthy and safe places to gather, play, and recreate.

Your "Yes" vote will fund the maintenance and operations of our existing and future park facilities for four more years. This includes upkeep on miles of hiking and biking trails, sports fields, playgrounds, ball courts, and public access to lakes. It also supports our new outdoor pickleball courts and our forthcoming aquatic center.

Your "Yes" vote will sustain year round recreational programs for kids and adults alike, providing all of us with opportunities to be more active, learn new skills, make friends and develop healthy habits.

Your "Yes" vote will support construction, maintenance and operations of the long awaited South Whidbey Aquatic Recreation Center.

Build on success! Our Parks District has expertly managed our parks for 38 years and earned our support. It has consistently passed state audits with exceptional results, maintaining an impressive fiscal rating of AA- which means reduced borrowing costs for our voted bonds.

Parks, trails, and pools are essential places to recreate and gather. They provide opportunity for all of us to be more healthy and fit. Vote yes, and invest in **South Whidbey's future!**

Written by: Yes for South Whidbey Parks
Contact: yesswparks@gmail.com

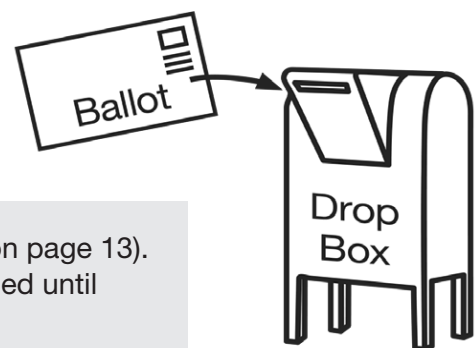

Explanatory Statement

Proposition 1 authorizes South Whidbey Parks and Recreation District (the "District") to levy a regular property tax of not to exceed \$0.46 per \$1,000 of assessed valuation each year for collection in the years 2026 through 2029. This tax is intended to replace (in 2026) and extend (for 2027, 2028 and 2029) the District's current maintenance and operation property tax, which is scheduled to expire in 2026. In accordance with Resolution No. 2025-04 approving this proposition, revenue from the tax would pay for the maintenance and operation of the soon to be constructed voter-approved aquatic recreation center, community parks, trails and facilities, and other District recreation programs and facilities.

Ballot Drop Boxes are located throughout the county (list and map on page 13). Drop boxes are open around the clock from the time ballots are mailed until 8:00 p.m. (sharp!) on Election Day.

I'm running for Coupeville Town Council because I believe in building strong communities from the ground up through connection, accountability, and smart planning. With 18 years in banking, I've worked directly with individuals, families, and businesses to build financial security. That hands-on experience in our community gives me insight into what drives a healthy local economy and where people need support. Coupeville faces complex challenges as part of Island County: protecting our unique island ecosystem, addressing ferry service disruptions, and tackling workforce shortages rooted in a lack of affordable housing. As a parent, neighbor, and business professional, I want to be part of the solution. I'll prioritize resilience planning for our historic waterfront, champion affordable housing, and support small business growth, always with an eye on preserving the charm and heritage that define Coupeville. What sets me apart is my deep, daily connection to this community. From the bank to the karaoke mic, I've spent years listening, building trust, and staying present. If elected, I'll continue that work on your behalf, engaging openly, communicating clearly, and representing every voice. Coupeville deserves leadership that shows up, leads with heart, and works hard to celebrate what makes our Town so special.

Statement:

Langley has the heart and desires of a city 100 times its size, but the budget and staffing supported by less than 1000 souls. I view the job of the council as leaving politics and personal agendas at home and to be guides through policy and budgeting oversight. As a fiscally conservative person, I intend to support the work of current council to keep the city functioning within its means. I intend to be mindful of not over-burdening staff with requests or trying to second guess their expertise. One of the fundamental responsibilities of the city is to provide safe roads, clean water, controlled storm water and sewer to all its citizens. Other core needs are safe homes, businesses and walkways. I would like to see an off-leash dog park (yes that is my personal agenda). The city should continue to facilitate apartments, public transportation and downtown businesses. Housing that serves the Langley workforce is a critical need if we are to continue to thrive.

I'm running for Langley City Council because I care deeply about this place and the people who live here. Three generations of my family now call Langley home because we've found a quality of life that matches our values: connection to nature, celebration of the arts, and a strong, caring community. I want Langley to be a place where working families, local businesses, artists, retirees, and young people thrive.

As a Fire Commissioner, I've prioritized accountability, transparency, and clear communication. I will bring that approach to City Council—listening closely, showing up consistently, and working collaboratively.

Langley will change—what matters is how. The choices we make today will shape the generations who come after us. We have real work to do on housing, infrastructure, and preserving the heart of our downtown.

As a mom, I often ask: how will this decision impact my children when they're grown? The Spanish cellist and composer Pablo Casals said, "You must work—we must all work—to make the world worthy of its children." I'm here to do that work—for Langley's future, and for the people who will inherit it.

Statement:

As a member of the city council, I have been instrumental in working with city officials to upgrade and repair infrastructure on roadways, sewer systems and city parks. I am an environmental advocate for preserving salmon replenishment and recovery and maintaining wildlife preserves. I am in constant communication with local, state, and federal representatives to maintain the Oak Harbor marina for those purposes.

I am on four advisory boards including the marina. The Historic Preservation board helps to define buildings for preservation to protect them for future generations, and the Investment board makes sure the city is fiscally responsible to prevent wasteful spending. The Task Force board works with the police to ensure the safety of homeless and citizens of Oak Harbor.

I was able to find the existing law to allow food trucks to be in Oak Harbor. I developed a transportation hub with Island Transit for an on-call service to and from the marina. This will help to encourage more tourism for the city. I want to maintain our active military presence in the area and continue to provide a safe environment for our local community. My presence is known at all city parades and events downtown.

Statement:

Selected to fill a City Council vacancy, I vigorously serve Oak Harbor to advance the prosperity, vibrancy and growth of our Community. As a retired Navy Chief Warrant Officer and prior Law Enforcement Official, this professional career prepared me for public service – with which I even now am engaged nearly fulltime. Oak Harbor continues to have unrealized business and industrial potential that would provide new resources to improve our quality of life - while attracting more visitors. To become a preferred destination for visitors and new residents, we need to have affordable housing, recreation and event options, safety and jobs with sufficient pay. Along with Councilmember duties, I am active on or with the Oak Harbor Main Street Association Board of Directors, the Chamber of Commerce Board of Directors and the Island Transit Board of Directors - all focused upon community improvements. By increasing prospering businesses and industry in a safe community, we will be able to make Oak Harbor the preferred destination to visit, live and raise families. A sustained robust local economy is necessary for prosperity. I am honored to serve you all on the Council and respectfully request your trust and vote in the General Election.

Statement:

I love nothing more than community. At its best, a strong community provides more than just a place to live—it creates a sense of belonging, shared responsibility, and collective pride. That feeling of connection is powerful, and it's what inspired me to run for Oak Harbor City Council. As someone who was once an outsider and has since been welcomed with open arms, I bring a unique perspective—one that values tradition, while recognizing the potential for positive change.

My experiences in public service, healthcare, education, and volunteerism have shown me how vital it is to listen, learn, and lead with integrity. I want to ensure that every resident feels heard and represented, no matter how long they've lived here. Our City deserves a fresh outlook—one rooted in inclusivity, transparency, and thoughtful progress.

Together, we can build on what makes this community great while addressing the challenges ahead with energy, innovation, and heart. I'm not here just to serve—I'm here to collaborate, uplift, and protect the values of our beautiful community. With your support, we can shape a future that reflects the best of who we are and what we aspire to be.

Statement:

Public Safety – Ensuring that our fire and police departments are properly funded is of paramount importance. We must provide our first responders with the tools they need to keep our community safe. Sandi will advocate for budgets that fully support their needs.

Fiscal Accountability – As a small business owner, Sandi knows how to manage budgets, eliminate waste, and maximize limited resources. Focusing on core services, long-term planning, and smart investments, Sandi will ask tough questions, listen to residents and city staff, and work to ensure every dollar delivers results.

Housing & Development – Sandi supports thoughtful growth that balances housing needs with the character of our community. We must streamline permitting while protecting neighborhoods and ensuring developers contribute to roads, schools, and parks. She'll push for policies that support attainable housing without overburdening existing residents.

"I'm running for City Council to advocate for the needs of all residents, to use my skills and experience to strengthen our city now and in the future. I've lived on both sides of the economic scale and know the impact Council decisions have on our community. I'm asking for your vote because you deserve leadership that listens and delivers." – Sandi Peterson.

Statement:

Since being elected to City Council in 2021, I've prioritized being accessible—meeting in person, connecting at events, and staying in touch by email and social media. I believe in engaging with residents wherever they feel most comfortable – not only at City Council meetings.

Over the past four years, we've made meaningful progress: paving roads on West Whidbey, reconstructing 7th Avenue, funding a new fire station, growing our police force, and lowering utility bills. Still, important work lies ahead—determining the future of the marina, addressing homelessness, revitalizing downtown, fixing more roads, and strengthening public safety.

Like many others I believe accountability and transparency are of the utmost importance. To me that means striving to move our city forward in a direction that a majority of our residents would like to see. If for some reason we as elected leaders are unable to do so we need to be open and honest about the decision-making process to the fullest extent we are able.

I'm grateful for the input I've received from the citizens of Oak Harbor these past four years and honored by the opportunity to continue representing our community in the years ahead.

Your signature is the key to ensuring your vote will be counted.

Each election, ballots are returned without a signature or with a signature that doesn't match the one on the voter's registration.

Here are a few tips to help make sure your signature passes the check and your ballot gets counted:

- If you register online, we get your signature from the Dept. of Licensing, so check the signature on your driver's license or state ID and be sure to sign your ballot the same way.
- Your signature does not need to be written in cursive or nicely or even legibly, it just needs to match the one that we already have on file.
- If you have no idea what signature you may have used or it's been a while and your signature has changed, you can always update your signature by returning a paper voter registration form any time.

If there is an issue with your signature not matching or if you forgot to sign, we will send you a letter and we'll reach out by email and phone, if we have this information. To make sure that your ballot is counted, you'll need to fill out and return a form we will send you before 4:30 p.m. on November 24, 2025.

After retiring from the Navy in 1999, he worked as a Decision Support Analyst at Providence Everett Medical Center, followed by PhyAmerica Government Services, as an onsite Health Care Administrator in local Federal health care delivery.
Education: Mr. Canby has an MS in Financial Management, is published in industry periodicals, and was a local Adjunct College Professor.
Community Service: Locally, Mr. Canby contributed to Co-leading an “Alpaca” 4H club, and supporting the Deer Lagoon Grange.
Contact: 360-341-4369 jbcanyb4@gmail.com
Statement:

I am Jamie Canby, and I request your vote for Hospital Board Commissioner, Position #3. I am a 25 year resident of Clinton, a retired Health Care Operations Manager, Hospital Financial Manager, and teacher. I am running for this position because I think access to care, especially pharmacy and mental health services, continues to be a serious concern for friends, neighbors and my family. I believe infrastructure improvements to enhance the effectiveness and reliability of the Whidbey Health appointment and call-back system is crucial.

I want to participate in creating strategies to effect these improvements for the benefit of all Whidbey Island residents. Competitive benefits to retain valued staff after years of inflation, is an imperative for me. Currently, progress in clinician staffing, and an incredibly safe infection control rate have been attained, and must be sustained, yet I believe advances for improved coordination between County EMS, Firefighter EMTs and Hospital Emergency Services must continue.

I earned an MS in Financial Management from NPS Monterey, and I taught as an Adjunct Professor, Chapman University College, Oak Harbor. I seek your support, and your vote, in our pursuit of these objectives.

The Hospital Needs Help! My neighbor told me; “I finally got an appointment and it is in three months!” This is unacceptable. I met a friend from Langley that was “going to Oak Harbor to pick up a prescription.” She couldn’t get her medication on the south end. She was very frustrated. Let’s fix this!

Nurses are a vital part of our team and need to be treated right. We can afford to pay our nurses enough to let them know how much we value them.

When I was recruited to our local hospital in 2005, the ER was ranked in the lowest 10%. Within two years our ER was ranked in the top 2%. I have proven that I can, and will, do what it takes.

My wife and I intend to retire here on Whidbey, and we need quality Medical care. With your vote, we can do this.

The citizens of Whidbey need an expertly trained and seasoned doctor that has their best interests first and foremost. If elected, I will work hard, and get the job done.

Statement:

High quality health care should be safe, effective, patient-centered, efficient and equitable. These goals are challenging for all health systems, especially rural ones. These goals are, however, achievable. The role of the Board is to ensure that these goals are met by providing oversight and strategic guidance while working with the administration, clinical and non-clinical employees and medical staff.

With over 40 years of experience in healthcare, I have worked in a wide range of positions from laboratory technician to executive leadership. I have served as a member of the medical staff and a member of the senior leadership team in urban, suburban and rural settings. My role as Chief Medical Officer included responsibility for a rural critical access hospital like WhidbeyHealth.

I will bring a perspective with administrative and clinical understanding, the ability to listen, communicate and partner effectively with all stakeholders to achieve a sustainable and reliable high quality healthcare system that will serve us well. Caring about my friends, neighbors, and family who are also Whidbey Islanders, I have a vested interest in the success of WhidbeyHealth. I greatly appreciate your support in becoming a Commissioner of the Public Hospital District. Thank you for your consideration.

Statement:

As a long-time resident of Whidbey Island with a history of service in the U.S. Navy Medical Corps, I am excited for the opportunity to serve the Whidbey Island Community in a new capacity as a public hospital commissioner. WhidbeyHealth faces continued challenges in its quest to provide the highest level of care while dealing with ongoing financial challenges. Medical reimbursements for our rural health setting are threatened by funding decreases, both in the near term and foreseeable future.

During my 20+ years practicing medicine in the Navy, I supervised a broad range of hospital services. This included supervising business operations as Director of Healthcare Business, acting as Chair of the Medical Staff, and Director of Medical Services at NH Oak Harbor. As a family physician, I have experience in all aspects of the health system, including outpatient clinics, emergency departments, labor and delivery, and other inpatient services. These experiences will help guide leadership decisions to maximize the value and service that WhidbeyHealth provides to our community.

As hospital commissioner, my goal is to provide the highest quality medical facilities and care, while providing maximal value for your tax dollars. I would be grateful for your support.

Other Professional Experience: I'm a finance leader in Agribusiness and assist with operations on our family farm in Coupeville

Education: Washington State University, Agricultural Economics & Management ... Licensed CPA

Community Service: Member Coupeville Lions Club ... Director, Treasurer Island County Farm Bureau

Contact: 360-929-9504 bryan.s.sherman@gmail.com

Statement:

I was born and raised in Coupeville and attended Coupeville Schools from kindergarten to graduating high school in the early 2000's. While I stepped away from the Island for several years after high school to attend college and begin my career, Coupeville has always been my home. My wife, Bailey, and I returned in 2017 and I've since become the proud father of two beautiful girls. Grace is finishing up kindergarten at Coupeville Elementary and Anna is excited to be there with her in another year.

Professionally, I've spent the last thirteen years in public accounting and internal finance, the last ten of which have been with Wilbur Ellis, an agribusiness company. I currently serve in a leadership role as the VP of Financial Planning and Analysis. My professional experience is rooted in collaboration, trust, and accountability.

I take great pride in my family's rich history in agriculture and community service on the Island. This is something that I aspire to carry on. My appointment last fall was an opportunity for me to join a collaborative and engaged team in the existing School Board. I am confident in the current leadership team and excited about the future of Coupeville Schools.

Statement:

As the current Director #2, I am seeking reelection to continue championing policies that benefit every student. My family chose South Whidbey as our home after my husband's service at NAS Whidbey, and we've put down deep roots. Our son attends SWES, and we deeply value our vibrant community.

I'm proud to be part of the district's ongoing equity work, which is driving transformative change for SWSD students. If reelected, I will continue to prioritize thoughtful, intentional policy grounded in excellence, integrity, and a steadfast commitment to equity.

Over the past eight years, I've tackled outdated policies, navigated difficult conversations, and led efforts to make board practices more inclusive and reflective. As policy representative, I helped craft a comprehensive equity policy and expanded curriculum guidelines to address bias and better support students in Special Education and English Language Learning. My advocacy for inclusion ensures we meet the needs of every student—especially those furthest from educational justice.

In my next term, I will support our newly hired superintendent, help guide implementation following the successful bond passage, and advocate fiercely in the face of looming federal education cuts. I hope I can count on your vote to continue this important work.

Statement:

Thank you South Whidbey for a wonderful first five years on our school board - let's keep up the good work, together! I am passionate about our mission of providing high-quality, student-first, equitable schools. Kindness, collaboration, and empathy are the cornerstones of excellent schools. I will keep working for you, and for public education that fits every student's needs. If reelected, I will relentlessly focus on providing South Whidbey's children, families, teachers, and staff a safe, trusted place to learn, engage, and build community.

This job requires a principled, grounded, experienced educator who can put our students first. I am proud of our work over the past five years, in particular our consistent growth in learning and modeling DEI practices alongside school administrators and staff. I ask for your vote for another term on the school board.

Today, we face immense funding challenges, and a federal government that aims to intimidate schools and communities that do not bend to their ideology. Our schools are not a political playground; they are places for learning and care. I will stand strong for our community values and our mission to provide excellence, equity, and safety for all students.

Statement:

As a lifelong South Whidbey resident and graduate, my deep commitment to education and service drives my dedication to our schools. I have experienced public, private, and homeschooling pathways, and as a mother of two—one a graduate and the other entering high school—I understand firsthand the importance of quality education. Advocating for my special needs child has strengthened my resolve to ensure every student receives the education and support they deserve.

As a school board member, I will bring a balanced, non-partisan voice to the decision-making process and prioritize transparency, inclusion, and collaboration. Education should empower students to think critically, not impose beliefs upon them. Every child, regardless of background or ability, deserves a high-quality education that prepares them for success.

After hearing concerns from parents and staff who feel unheard, I felt called to run. With a background in teaching and school district service, along with a family legacy in education, I've been active in district meetings, workshops, and advocacy efforts. I will work to reinstate the para education committee and foster broader parent/teacher and community engagement. Together, we can improve our district, advocate for essential resources, and create an environment where students and staff thrive.

Statement:

As a father of a young child in the district, I am deeply invested in the future of our schools. I am running for the school board to help ensure that every student—regardless of background—has access to a safe, supportive, and high-quality education.

I believe in setting strong educational goals that prepare students for both academic and personal success. To achieve this, we need transparency in decision-making and open communication between the board, families, and the broader community. Trust is built when stakeholders are informed, included, and heard.

With ongoing budget challenges, it's more important than ever to be thoughtful and responsible with how we allocate resources. I will work to ensure that funds are directed where they are needed most, while minimizing impacts on the quality of education.

My focus will always be on what's best for students. I'll advocate for policies that are inclusive, equitable, and forward-thinking. I would be honored to serve and represent our community as we work together to strengthen our schools.

Statement:

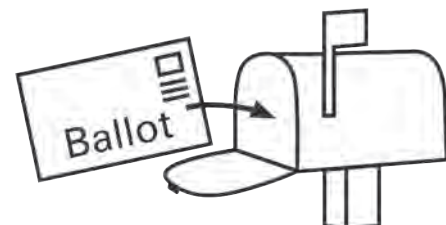

John W Russell brings a depth of experience and commitment to the Stanwood-Camano School Board. John is a local small business owner with strong ties to both the SCSD and the local community. As a local business leader, along with being a strong advocate for our public education system, John understands the need for strong fiscal responsibility without sacrificing support for our students.

John is a strong advocate for the District, having served as president of the Citizens for Stanwood-Camano Schools. One of the biggest accomplishments was successfully passing the bond for the new high school. He has also served on multiple district advisory committees including Facilities, Construction, and Academic Review.

An active volunteer, John volunteers in support of the Theatre Arts at Stanwood High School. He has also provided support for FFA, CTE Advisory, and previously coached for Science Olympiad.

John lives just south of Lake Martha with his wife, Ronda. His two adult daughters graduated from SHS, with one at University of British Columbia finishing her PhD and the other having graduated from UC Davis.

Statement:

Our family has lived in the local community for 24 years and with raising 3 children in the local public-school system, I have seen some of the challenges our students and teachers have faced in this ever-changing environment; even more so as we have come out of Covid. I see the struggles and want to help our students, teachers, and community to fully come out of this traumatic event with the physical & emotional supports they need to feel safe in their learning environment and thrive.

As a School Board Director currently, I have worked hard to strengthen and increase communication between the district and our community. I have also been active in the larger education community to understand our fiscal and educational challenges and how we can all work together for the betterment of our public school system.

As a parent of a recently graduated high schooler, I bring the parent's perspective and can serve as a liaison between the administration and families. We all want what is best for our students and to give them every opportunity possible in a safe environment to learn and grow into healthy, well-educated young adults with multiple pathways to success.

How are Ballots Processed?

- Ballots sent through the US Postal Service are picked up from the post office by staff and brought directly to the Elections Office.
- Ballot Drop Boxes are emptied by teams of Elections Workers. Ballots are placed in sealed containers and brought to the Elections Office.
- Ballot Envelopes are scanned into trays and marked as "received".
- The signature on each envelope is matched to the signature in the voter's registration record.
- If the signature is missing or doesn't match, voters are mailed a letter and a form to fix the issue. This form must be returned with a matching signature for the ballot to move forward in the process.
- Ballots with verified signatures are marked as "accepted" and forwarded to the Election Team for extraction.
- The secrecy sleeves are removed from the outer envelope, separating the ballot from the voter's information on the envelope.
- Ballots are removed from the secrecy sleeves.
- Ballots are inspected for physical damage or other potential scanning issues.
- Ballots are scanned, prepared for tabulation and securely stored.
- Ballots are scanned into the tabulation system as they arrive. Vote totals are calculated beginning at 8:00 pm on Election Night.
- Ballots with valid postmarks will continue to be processed and tabulated until certification.

Statement:

Growing up on Whidbey, I've always loved the Greenbank Farm. It's been inspiring to watch it transform from a private winery into a shared asset enjoyed by all islanders - from dog walkers and farmers to pie lovers and art enthusiasts. The farm is one of Whidbey's greatest treasures, but it does not live up to its full potential. With a clear vision weaving together its disparate parts, the farm could be a vibrant hub for local food, business, and culture that engages equally with visiting tourists and the local folks who live nearby.

If elected, I will ensure the Greenbank Farm receives the same level of care and attention given to the Coupeville Wharf, while building on the success of the Port's other major asset. I will continue efforts to improve the farm's agricultural activities through post-harvest infrastructure and direct sales opportunities. To realize the farm's calling as a community hub, I will collaborate with existing tenants while attracting new food and retail businesses that can be enjoyed by locals and tourists alike. Finally, I want to expand the farm's programming and events offerings to ensure the property is busy, well-utilized, and economically thriving all year long.

Statement:

The mandate for Port Commissioners in Washington State is to create economic development and maintain economic viability.

I believe the biggest threat to providing the goods and services you want and need is the lack of available workers. This is mostly due to the lack of affordable housing. I am, and will continue to search for options for 'Workforce Housing' to help solve this growing problem.

Access to and from South Whidbey is also critical for workers and visitors. We need every option we can get to move passengers and freight to and from the Mainland. That's why I'm working hard to convert our under utilized Clinton dock into a dock that will be prepared to receive the growing number of Passenger Only Ferries in Puget Sound.

Those things and many other possibilities involving your Fairgrounds, Harbor and boat launches, keep me coming back.

Every day you wait, the risk of missing the deadline goes up. Vote early.

Where can I return my voted ballot in person?

Voted ballots may be returned to any ballot drop box, or they may be returned to any voting center. Voting centers and ballot drop boxes are opened from 18 days before election day until 8:00 p.m. on election day. Ballots may also be returned by the US Postal Service, postage prepaid.

If the ballot you received in the mail is lost or damaged, you are welcome to come to the Elections Office in Coupeville for a replacement ballot, which you can vote and deposit in the drop box.

How does Vote by Mail Work?

All eligible voters are sent a ballot at least 18 days before an election. Military and overseas ballots are sent at least 45 days before an election.

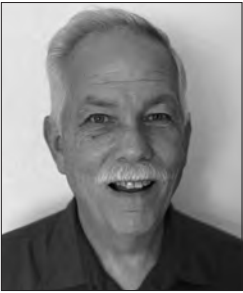

Voters place their voted ballots in a secrecy sleeve and put it in the signed return envelope.

Ballots may be returned in the mail, postage pre-paid, or they may be returned to any ballot drop box. If mailed, ballots must be postmarked by election day. Ballot drop boxes are open until 8:00 p.m. on election day.

Voters can check their ballot status online or sign up for text notifications. It may take the system 3-4 days for status updates to post.

If you have not received a ballot or if your ballot is damaged, new ballots can be requested or printed. This will suspend any previous ballot issued. Replacement ballots go through the same verification process as original ballots.

Contact: 503-267-4079 goffor@frontier.com

Statement:

Having served as both a career firefighter and an elected Fire Board member, I believe I can provide a unique perspective as a Fire Commissioner for Central Whidbey Fire District.

My 47-year career was spent in the Fire Service, starting as a seasonal wildland firefighter. Most of my career was with the City of Lake Oswego Fire Department, working my way up through the ranks to become Fire Chief.

While working as a firefighter for Lake Oswego, I was elected to the Board of Directors for Oregon's largest fire district, Tualatin Valley Fire & Rescue. During my 24 years as a Board member, acting many years in the position of President, I navigated many complicated issues including budget approval, fiscal accountability, mergers and approving district policies.

Continuing the Fire District's community involvement and trust is a priority for me. If elected, it would be my honor to serve the community as a Fire Commissioner.

Elected Experience: Paul Williams has been an Island County Fire District #1 commissioner for the past twelve years, first elected to this post in 2013. He is currently the incumbent for position #4, and his term ends after 2025.

Other Professional Experience: Dr. Williams has been a practicing allergy specialist since 1991 and retired from clinical practice in 2021. He continues to serve as a volunteer for his specialty society.

Education: Bachelor of Science, Seattle University, 1971. MD, University of Washington 1975.

Community Service: Volunteer Little League umpire and district administrator for 20 years, Kiwanis, Knights of Columbus, Board member, SPARC.

Contact: 360-708-8300 pvwilliams@earthlink.net

Statement:

Dr. Williams is running for an additional term as Fire District Commissioner to ensure that the residents of Camano Island continue to have the best fire, rescue and emergency medical services possible. It is the responsibility of the Fire District Commissioners to govern the fire district by providing long-term strategic vision and direction, provide fiduciary responsibility for taxpayers' dollars and hire the best person to supervise the operation of the Fire District, the fire chief. The board, along with the chief, establishes the culture of the Fire District, and over the past several years have refined the culture and values to provide continuous quality improvement and courteous, dedicated service. The focus is to be the best Fire District possible with the resources provided by the residents of the Island. I am well acquainted with the requirements of the job and the time required, and I am able to fulfill those requirements.

How does a Vote by Mail ballot get processed?

Incoming ballots are scanned and marked as "Received" in the VoteWA system, then sorted into batches.

Each signature on each envelope is checked by trained staff. The voter is contacted if the signature is missing or the signature on the ballot envelope does not match the signature in the voter's registration record.

Once the signatures on the ballot envelopes have been verified, the ballots are marked as "Accepted" in the VoteWA system and are forwarded to the extraction process.

Return envelopes are opened, the secrecy sleeves are removed and the two are separated. Once this happens, the ballot cannot be traced to the voter.

The ballots are then removed from the secrecy sleeves.

Ballots are reviewed for potential scanning issues like physical damage. The ballots are then scanned and securely stored.

The scanners and tabulation equipment is not connected to any form of network or internet.

After the election closes at 8:00 p.m. on Election Day, the first tabulation of votes is conducted from the scanned ballots.

Ballots continue to be processed, signatures verified and votes tabulated until the election results are officially certified.

WA elections certify 21 days after general elections, 14 days after primary elections and 10 days after special elections.

Statement:

North Whidbey Fire and Rescue is entering a new and changing era with many challenges ahead. Issues needing immediate attention include increasing fire fighter staffing levels, including full time as well as part time. We need to ensure adequate water supplies in all areas of the district and we need modernize our equipment to give the citizens the best we can afford. We need to upgrade our Web site to better inform citizens of current issues and upcoming events. Additionally, we need to continue to work with our neighbors to strengthen Mutual Aid and Automatic Aid to insure there are adequate personnel at every emergency scene.

Finally, I will continue to work with the State Legislature to improve fire protection capabilities including Wild Fire Preparedness and strengthen earthquake standards.

Elected Experience: I have been honored to be your elected Fire Commissioner for the past 8 years.

Other Professional Experience: I served 13 years as Chief of North Whidbey Fire and Rescue; Volunteer Fire Chief for 20 years; 25 years as road maintenance supervisor for island county public works; I have served on several boards.

Education: I graduated from Oak Harbor High school and Western Washington university, BA in education. Math major, psychology minor; Several leadership and legal seminars relating to Fire department operations and funding.

Community Service: I have served on the Christian school and Christian Reformed Church boards. I coach little league for many years.

Contact: 360-675-9611 popkoornm@yahoo.com

Statement:

I have been privileged to serve North Whidbey for the past 45 years. I started as a volunteer firefighter, volunteer Chief, career Chief and the last 8 years a Fire Commissioner. I have watch North Whidbey Fire grow from an all volunteer department responding to less than 50 calls to a combination department responding to over 2500 calls. I am proud of the fact that we have been able to build a new station and upgrade equipment within the budget authorized by you the taxpayer.

NWFR is facing many challenges. Four of the seven NWFR stations are below current standards, regulations continue to change and are becoming harder to meet, and cost of equipment continues to escalate. NWFR currently has a 5 rating by the state rating bureau. Keeping this rating keeps your insurance premiums lower. As we take on these challenges I have the experience and knowledge to make decisions that will budget your money in the most effective and efficient way possible while continuing to upgrade and improve NWFRs service to our community.

I thank you for allowing me to serve as your Fire Commissioner and humbly ask for your vote.

Statement:

Though my first term as Board Commissioner with South Whidbey Fire/EMS (SWFE) ends on 12/31/2025, much work remains. However, what underpins my run for re-election is to continue backing our first responders by helping to see that they receive the best training, the best equipment, and the best pay feasible to assure every 911 call receives a swift response.

If re-elected, I will also continue pushing for faster emergency response times by adding sleeping quarters at Clinton so that two firefighters can be on duty at that station 24/7, constructing and staffing a new fire station at the South End for better coverage there, and including a maintenance and repair facility at the Langley fire station to keep SWFE vehicles in good working order at all times.

So too will I continue efforts to seismically retrofit all SWFE facilities so they stay operational during and after earthquakes. In short, if re-elected, I will continue to champion all within SWFE's ranks as they save lives, protect property, and strengthen community relationships with courage, dedication, and professionalism.

Return Your Ballot Early

Whether returning your ballot by mail or by drop box, don't wait until Election Day! Return your ballot early!

If returning by Drop Box, there are multiple locations across the county. You'll find the list and map on page 13 of this pamphlet.

Drop Boxes close promptly at 8 p.m. on Election Day, November 4.

If returning by mail, your ballot must be postmarked no later than Election Day, November 4. No stamp is needed.

If returning your ballot by mail on Election Day, be sure to put your ballot in the mailbox before the last pick up of the day, or take it inside to be hand stamped. Otherwise, your ballot will be postmarked the following day and will be too late to be counted.

It is strongly recommended that voters never return ballots to any "collection location" other than an official ballot drop box or a U.S. Postal Service mailbox.

Statement:

As a life-long advocate of activity and fitness for the youth and families of South Whidbey, it has been an honor to serve as a Commissioner for the South Whidbey Parks and Recreation Board. I am fortunate to work with such a fine group of fellow Commissioners and want to continue the proactive and inclusive approach we are doing to ensure that generations of citizens will have healthy access to a multitude of opportunities here on South Whidbey. I am truly excited for the additional services and programs that all Whidbey residents will have access to, such as trails, camping, multi-generational activities, lake access, playgrounds, pickleball courts, and aquatic center just to name a few. Having spent the last 35 years working with and promoting good health for our district's young people, I hope to continue to bridge opportunities for all to increase their own levels of physical, social, and mental health through positive activities. Know that I am truly passionate about the importance of park systems and the impact on societal health as a whole. With that, I ask once again for your support and opportunity to serve you all! Sincerely, Erik Jokinen

Statement:

Hello South Whidbey,

Thank you for allowing me to serve as one of your park commissioners, these past 4 years. If reelected, I look forward to strengthening community and enhancing recreational opportunities, in a fiscally responsible manner. I believe community and recreation go hand in hand, through exercise and social connections. Parks are a place to go to explore, relax, participate in a recreational program, meet new friends, or connect with old friends. As a park commissioner for the people of South Whidbey, I am here to listen to comments and concerns, what we can improve on, and how SW Parks can best serve our community. With a formal education in recreation management, deep roots on South Whidbey and a significant amount of years working within city and county park municipalities, I will continue to hone my commissioner role. I encourage you to stop by a board meeting, held the 3rd Wednesday of every month at 6pm, and let us know how we are doing.

See you in the parks,
Jake Grevé

**Be sure to sign your ballot
and return it on time.**

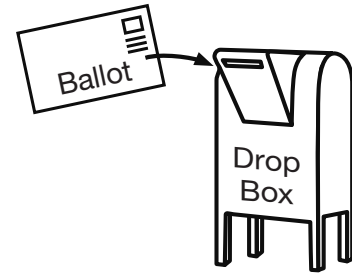

Only those offices or measures that apply to your precinct will appear on your ballot.

1

Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on Election Day, or return your ballot by mail — postage paid — but make sure it's postmarked by Election Day! Don't let a late postmark disqualify your ballot. The USPS recommends that you mail it back at least one week before Election Day.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

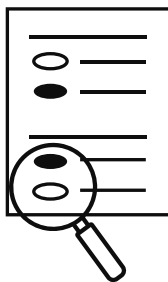

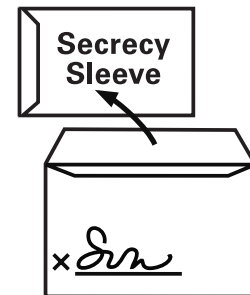

Your signature is verified

Your signature is important and we need it to accept your ballot. The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure **only one** ballot is counted for you.

3

Envelopes and sleeves are separated

The return envelope is opened and the secrecy sleeve containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

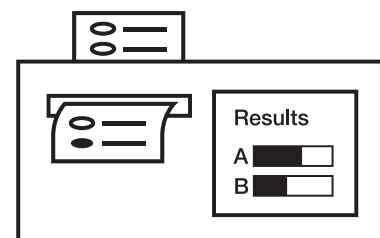

Your ballot is reviewed and scanned

The ballot is removed from the secrecy sleeve and election staff verify that it can be successfully scanned. Each voting system is certified and tested before every election.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted. Every county conducts a post-election audit.

Before an Election

Voting systems certification and testing

Ballot counting equipment is tested and certified by an independent testing authority and the State of Washington.

Voting systems are not connected to the internet.

Pre-election audit: logic & accuracy tests

Before every election, counties test their voting systems to make sure the machines are correctly set up and accurately counting votes.

Voter registration database

Washington's statewide voter registration database is constantly maintained and updated as voters become registered, move, change their name, pass away, or are no longer eligible to vote.

All eligible voters are automatically mailed ballots. Only one ballot per voter is accepted.

Contact your local county elections office to learn more

sos.wa.gov/county-elections-offices

During an Election

Paper ballots

Voting on paper ballots allows election officials to audit results of an election after votes are counted.

Signature verification

Trained election officials compare your signature to your voter registration file to confirm your identity and eligibility.

If your signature is missing or doesn't match, your ballot is "Challenged" and you are notified. Once your signature is verified, your ballot status will update to "Accepted".

VoteWA

Check the status of your ballot at VoteWA.gov. Once your ballot status is updated to "Accepted," your ballot will be opened and scanned. Only one ballot per voter is accepted.

Chain of custody

Ballots are sealed in secure, tamper-evident containers and at least two staff are present whenever your ballot is handled.

Scanning and tabulation

Ballot scanners and vote counting machines are physically secured in locked rooms. Election staff sign in and out each time the room is opened, and always in groups of two or more.

After an Election

Random batch audits

Your local election officials hand count randomly selected precincts or ballot batches and compare those numbers to the voting system totals to make sure the vote counting machines counted correctly.

Random ballot audits

Your local election officials examine a statistically significant, randomly selected sample of ballots to help ensure the reported outcome is correct.

Full ballot reconciliation

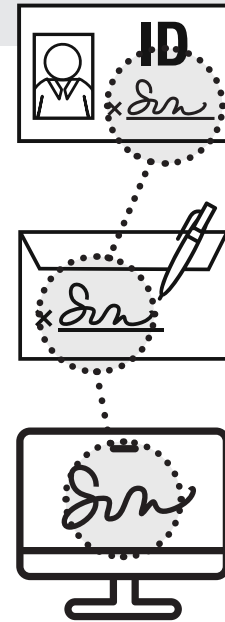

Your local election officials keep detailed records of the steps taken to process each ballot or group of ballots, creating an audit trail.

A final report at the end of the process includes a summary of the ballots received and counted.

Why is my signature important?

Your signature is needed to make sure your ballot gets counted.

- The signature on your return envelope is compared to the signature on your voter registration record. Trained election officials are responsible for verifying each and every signature.
- If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail **before results are certified**. They may call or email if you gave them this info.
- If you registered to vote online or through Department of Licensing, the signature from your driver's license, permit, or state ID will be on your voter registration record.
- Voters can track and check their ballot status at **VoteWA.gov**.

How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — Get trusted info from your county auditor or elections office. Consult a fact-checking site or ask an official source.

What does this mean?

Certification Day

The date when election results are finalized by state or county officials.

Logic and Accuracy Test

A test completed before each election to ensure the accuracy of voting equipment.

Nonpartisan Office

An elected position in which candidates do not state a political party preference and candidates for the office are not officially associated with a political group. Office appears on the ballot as “Nonpartisan.”

Partisan Office

An elected position in which candidates may state their preferred political party. A candidate may also choose “States No Party Preference.” Their preference is printed on the ballot.

Postmark

A postmark indicates the location and date the Postal Service accepted custody of a ballot. Ballots must be postmarked by Election Day to be accepted. Placing your ballot in a mailbox on Election Day does not guarantee a postmark of the same day.

Post-election Audit

A test completed before the certification of results to ensure the security and accuracy of the voting system. Counties perform a post-election audit each election.

Term Type

How much of a term a candidate will be serving for an office. It is split into regular, unexpired, and short-and-full.

Voter Registration Database

The official list of registered voters maintained in every state to conduct safe and secure elections. Our database in Washington is known as VoteWA.

Voting Center

A county-run facility where you can receive voting assistance from trained elections staff. Some services include registering or updating voter information, requesting and returning a ballot, or finding an accessible voting unit.

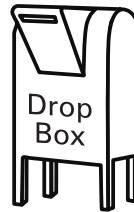

Voting System

Ballot counting equipment that must be tested by an independent testing authority and certified by the state of Washington before it can be used.

Teachers: Classroom Activity

The Student Mock Election is a non-partisan, educational event that teaches kids to be informed voters. Over 500,000 students have participated in Washington's annual Student Mock Election since 2004.

- Students vote on candidates and measures, just like they will in the future.
- Participants learn about the unique vote-by-mail elections process used in our state.
- Non-partisan and free to all public, private, tribal, and homeschool K–12 students.

Free resources for educators:

- Teacher toolkit includes print-friendly Voters' Pamphlet, lessons from Teaching Elections in Washington State curriculum book, posters, and coloring sheet.

Visit **sos.wa.gov/mockelection** for more info.

Senate Joint Resolution No. 8201

BE IT RESOLVED, BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON, IN LEGISLATIVE SESSION ASSEMBLED:

THAT, At the next general election to be held in this state the secretary of state shall submit to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article XXIX, section 1 of the Constitution of the state of Washington to read as follows:

Article XXIX, section 1. Notwithstanding the provisions of sections 5, and 7 of Article VIII and section 9 of Article XII or any other section or article of the Constitution of the state of Washington, the moneys of any public pension or retirement fund, industrial insurance trust fund, ~~((or))~~ fund held in trust for the benefit of persons with developmental disabilities, or fund to provide for long-term care services and supports for eligible seniors and

people with disabilities may be invested as authorized by law. Investment income from a fund to provide for long-term care services and supports for eligible seniors and people with disabilities is dedicated to long-term services and supports for program beneficiaries.

BE IT FURTHER RESOLVED, That this amendment is a single amendment within the meaning of Article XXIII, section 1 of the state Constitution.

The legislature finds that the changes contained in this amendment constitute a single integrated plan for the fund to provide long-term care services and supports for eligible seniors and people with disabilities. If this amendment is held to be separate amendments, this joint resolution is void in its entirety and is of no further force and effect.

BE IT FURTHER RESOLVED, That the legislature, pursuant to its authority under RCW 29A.36.020(3), specifies the ballot title and concise description shall read "The legislature has proposed a constitutional amendment on allowing money in Washington's long-term care fund to be invested. This amendment would allow the state fund dedicated to providing long-term care benefits for eligible seniors and people with disabilities to be invested as authorized by law.

Should this constitutional amendment be:

Approved.....

Rejected"

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of this constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.
