I am pleased to present the 2025 General Election Voters' Pamphlet on behalf of the Office of the Secretary of State. This comprehensive guide to the candidates and measures on your ballot can help you find the information you need to cast your vote.

Elections that are accessible, secure, and transparent are the cornerstone of our democracy, providing you with the opportunity to make your voice heard on a variety of issues. This general election, you have the chance to help decide who represents your local community and weigh in on measures that affect daily life in Washington. It all starts with making sure you're registered to vote. Online and mail-in voter registrations and updates must be received by Monday, Oct. 27. In-person registration is also available at your local county elections office until 8 p.m. on Election Day, Nov. 4. If you're already registered to vote, now is a great time to sign into VoteWA and verify your voter registration information is up to date.

Once you receive and vote your ballot, make sure you sign the return envelope. Highly trained elections officials compare your signature to the one on your voter registration before your ballot can be counted. Then, return your ballot. If you vote by U.S. mail — no stamp needed — remember that ballots must be postmarked by Election Day to be counted. The USPS recommends mailing a week before Election Day to ensure your ballot is received on time. Or, return your ballot to one of the many secure ballot drop boxes across the state by 8 p.m. on Election Day. You can track the status of your ballot at VoteWA.gov after returning it. Sign up for text notifications so you'll know when your ballot is received and accepted.

Exercising your right to vote is one of the most powerful ways you can make a difference in your community. Thank you for voting and supporting democracy here in Washington.

Sincerely,

Steve Hobbs
Secretary of State

Senate Joint Resolution No.

8201

The legislature has proposed a constitutional amendment on allowing money in Washington’s long-term care fund to be invested.

This amendment would allow the state fund dedicated to providing long-term care benefits for eligible seniors and people with disabilities to be invested as authorized by law.

Should this constitutional amendment be:

Approved

Rejected

Explanatory Statement 8

Arguments For and Against 9

Final Votes Cast by the Legislature

Senate: Yeas, 42; Nays, 7; Absent, 0; Excused, 0

House: Yeas, 86; Nays, 9; Absent, 0; Excused, 3

The Secretary of State is not responsible for the content of statements or arguments (WAC 434-381-180).

Explanatory Statement

Written by the Office of the Attorney General

The Law As It Presently Exists

The Washington Constitution generally prohibits investing public money in stocks of private companies. This means that state funds can only be invested in fixed-income securities, such as government and corporate bonds and certificates of deposit.

The Constitution currently exempts several funds from this restriction. This exemption applies to any public pension or retirement fund, workers' compensation funds, and money held in trust for the benefit of people with developmental disabilities, permitting those funds to be invested as authorized by law, including in stocks of private companies. The Washington State Investment Board invests and manages these funds.

In 2019, the legislature created a long-term care insurance program. The program provides money to pay for certain long-term care services, such as nursing home care, to program beneficiaries who need assistance with daily living. Under that law, employees pay premiums for long-term care insurance through a payroll deduction, and those premiums are deposited into a Long-Term Services and Supports Trust Account. Under the current provision of the Constitution, money held in the Trust Account cannot be invested in stocks of private companies.

The Effect of the Proposed Amendment if Approved

This Amendment would allow funds in the Long-Term Services and Supports Trust Account to be invested in stocks of private companies, if authorized by law. Investment income from the Trust Account could only be used for long-term care services and supports for program beneficiaries, including for seniors and people with disabilities.

Fiscal Impact Statement

Not required by law

Constitutional amendments become law if more than 50% of voters approve.

Argument for

Approve 8201 to guarantee long-term care funds are there when we need them

8201 requires 100% of investment income earned by the state's Long-Term Care Trust Fund to be spent on long-term care services for vulnerable seniors and disabled people. Washingtonians want to live with dignity as they age. 8201 supports this shared goal, strengthening the benefit's Trust Fund to help seniors and disabled Washingtonians while protecting taxpayers.

8201 is a commonsense measure that ensures tax dollars go further

Current law limits investment of the Trust Fund to only low-return choices, like government bonds and savings certificates. 8201 allows the Trust Fund to be invested to produce higher returns. This proven method would be managed by the independent, nonpartisan Washington State Investment Board, which is bound by the highest fiduciary standards.

Approve 8201 to increase funding without impacting taxpayers

8201 is projected to grow the Trust Fund by \$67 billion over the next 50 years, money that can be used to increase benefits for people with disabilities and seniors without costing taxpayers a penny. Higher earnings mean more money for care – good for seniors, disabled Washingtonians, their families, and taxpayers!

8201 has overwhelming bipartisan support across the political spectrum

It's encouraging when leaders of both parties agree on something – and a supermajority of Democratic and Republican lawmakers approved this commonsense approach. 8201 is supported by nurses, unions, businesses, and groups representing millions of Washingtonian seniors and people with pre-existing conditions. *Vote Approve!*

Rebuttal of argument against

Fact: Since 1981 the independent Washington State Investment Board has *safely and effectively* managed over \$200 billion for pensions, college savings funds, and more, with an average growth rate of 8% yearly. We must ensure our Long-Term Care Trust Fund grows to *keep up with rising costs while protecting taxpayers*. A bipartisan supermajority of lawmakers approved this measure. *Approve 8201* so WA's Trust Fund is *there for aging seniors and people with disabilities*.

Argument against

Reject this constitutional change, *again*.

Washington voters already rejected this proposal to take taxpayer money and invest in private stocks and corporations (2020, SJR8212). Our state founders protected public funds from risky investments by establishing safeguards in our state Constitution prohibiting corporate stock market investments of your tax dollars.

Reject constitutional changes that gamble your money in an unstable market.

SJR 8201 overturns safeguards for the Long Term Services and Support (LTSS) fund, a multibillion dollar program established in 2020. Washingtonians are not yet eligible to access program benefits but proponents are *again* asking you to remove a key Constitutional protection. Currently, it's safeguarded in *secured* investments like federal, state and municipal bonds, which support our communities -- *a better use of our tax dollars*. Stock markets and private investments fluctuate greatly, *with no guarantees*, and the benefit needs are unknown in this untested program. This LTSS fund exists to help Washingtonians access long term care as we age or face disability. *When market speculation falls short, taxpayers and beneficiaries would pay the price through reduced benefits or increased taxes*.

Rejecting constitutional changes provide more stability and certainty.

Continuing to invest our public money into federal, state and municipal bonds supports public works that we all depend on. Rejecting SJR 8201 provides for better planning and stability.

Reject SJR 8201

Our state and LTSS need fiscal responsibility, not financial roulette. Reject SJR 8201 to keep the fund secure, stable, and focused on serving the people who will depend on it.

Rebuttal of argument for

Proponents imply a guaranteed return of \$\$billions over 50 years but of course, that's not guaranteed. In 2008 the State Investment Board lost -26.2% and 2022 lost -12.9%. It's how the stock market works. In future recessions or market crashes, when returns fall short, benefits must be cut or tax rates must go up. Compared to *guaranteed* municipal bond returns of 3-5%, the choice is clear. Invest in ourselves, not Wall Street. *Reject SJR 8201*.

Legislature

Legislators propose and enact public policy, set a budget, and provide for the collection of taxes to support state and local government.

State Senator

The Senate has 49 members; one from each legislative district in the state. Senators are elected to four-year terms, and approximately one-half the membership of the Senate is up for election each even-numbered year. The Senate's only exclusive duty is to confirm appointments made by the governor.

Candidate statements are printed exactly as submitted. The Office of the Secretary of State does not make corrections of any kind or verify statements for truth or fact.

Candidates submitted their information for this pamphlet prior to printing. For the most current information, sign in to VoteWA.gov.

What is “party preference?”

Each candidate for partisan office may state a political party that they prefer.

A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.

Candidates may choose to not state a political party preference.

In each race, the two candidates who received the most votes in the August Primary appear on your November General Election ballot.

Statement

I stepped into public service to focus on the real issues people face. As politics becomes more polarized and disconnected, families struggle to afford housing, childcare, and groceries. I’m deeply concerned about the future our kids are inheriting. A good life is slipping out of reach for too many.

When I led the campaign to rebuild our schools—delivering six new schools after decades of failed attempts—I saw that with a commonsense approach, together we can get big things done. It wasn’t career politicians doing the hard work—it was us. That’s the same attitude I brought to Olympia as your State Senator. Every bill I passed was bipartisan and focused on making lives better, from improving safety on ferries to expanding access to childcare. I proposed the first sales tax cut in Washington in over 40 years because families deserve relief. I voted against an increase in the gas tax and unnecessary taxes on small businesses.

Our system is broken. We need leaders who listen, lead with integrity, and deliver results. That’s what I’ve done—and with your support, I’ll keep doing it.

Elected Experience

State Representative 2015-Present. Michelle has an open door policy and genuinely represents the district.

Other Professional Experience

Michelle taught as an Affiliate Professor at the University of Washington for a decade. Michelle was a small business owner and dentist who devoted her dental practice to caring for the nursing home population.

Education

After graduating from Central Kitsap High School and Olympic College, Michelle earned her Bachelor of Science and Doctorate of Dental Surgery at the University of Washington.

Community Service

Michelle donated dental care to Veterans, nursing home residents and underserved children. She was a foster mother for high-risk teenagers for many years.

Statement

Now, more than ever, we need balance in Washington. With a lopsided supermajority in Olympia, your vote is extremely important this year. This imbalance cleared the way for bad policies like the biggest tax hike in our state’s history, gutting parental rights, and releasing more criminals. I have a proven track record of fighting for common-sense solutions like supporting law enforcement, improving reading and math in schools, and reducing wasteful spending while protecting our most vulnerable by stopping critical cuts to Medicaid, preserving housing for people with developmental disabilities and reducing property taxes for seniors.

I was born and raised in this district and have overcome challenges like foster care, single motherhood and losing my vision from glaucoma nine years ago. I understand the struggles families face each day and will continue to put people before politics. Our government should be led by what the public wants, not extreme ideology. This election will determine whether the supermajority ends in Olympia, and outside dollars will try to influence your vote. I encourage you to contact me directly if you have any questions. I would be honored to continue working for you to bring stability back to our state.
